

**CUSTCORP**

Safely Store Your Digital Assets

# PROBLEM

People need a safe place to store digital assets.

*"The digital asset market has grown rapidly over the past couple of years, but the market lacks a secure institutional grade end-to-end solution."*

Shawn Chu, Principal at 500 Startups

# SOLUTION

CustCorp offers investors a private, secure place to store digital assets.

Safely stores equity securities in private investments and other digital assets, such as NFTs and cryptocurrency

Helps with smooth transition of assets in estate planning
