As you may know, our MyStreme offering is officially launching in 5 days (Feb. 16 at 9am ET). In order to remain compliant, we need to make sure you understand that all of the funds raised so far on WeFunder have been prior to officially launching our raise, meaning that to date...

No money or other consideration is being solicited, and if sent in response, will not be accepted. No offer to buy the securities can be accepted, and no part of the purchase price can be received until the offering statement is filed, and only through the platform of an intermediary (funding portal like WeFunder, or a broker dealer); and a person's indication of interest includes no obligation or commitment of any kind.

Thanks for participating with us in the development, production, and distribution of powerhouse major motion pictures with us!
