of the Issuer, notwithstanding such death, resignation or removal, unless specifically directed to the contrary by the Issuer in writing.

5. TRANSFER OF SECURITIES

The Transfer Agent is authorized and directed to record transfers of ownership of securities issued as Cryptographic Tokens by the Issuer when such securities are sold, exchanged, sent or transferred by the Owner (hereinafter called the “Previous Owner”) in compliance with the Securities Act of 1933 as amended and the person purchasing or receiving (hereinafter called the “New Owner”) such securities in their Digital Wallet registers with the Transfer Agent the Public Address of their Digital Wallet containing the purchased securities as a proof of their ownership of securities.

Securities, represented by Cryptographic Tokens, will be transferred to the New Owner when reasonably deemed by the Transfer Agent to have proper Endorsement by the Previous Owner. The Transfer Agent reserves the right to refuse to record transfer of Cryptographic Tokens until it has received reasonable assurance of Proof of Ownership and evidence that each necessary Endorsement is genuine and effective and that the assignment of the Cryptographic Tokens is legally valid and genuine. The Transfer Agent may rely upon the Uniform Commercial Code, ESIGN Act, UETA, applicable law or regulation, and generally accepted industry practice in effecting transfers, or in delaying or refusing to effect transfers.

The Transfer Agent shall be fully protected and held harmless in recognizing and acting upon written instructions bearing the electronic signature of an authorized officer of the Issuer believed by it in good faith to be a genuine signature.

The Issuer will at all times advise the Transfer Agent of any and all stop transfer notices or adverse claims lodged against securities of the Issuer and further, will notify the Transfer Agent when any such notices or claims have expired or been removed. In the event that Cryptographic Tokens of the Issuer shall be represented to have been lost or stolen (hereinafter called the Old Tokens), the Transfer Agent upon being furnished with an indemnity bond (naming the Issuer and the Transfer Agent as obligees therein) in such form and amount and with such surety as shall be satisfactory to it, is authorized and directed by the Issuer to issue replacement Cryptographic Tokens for the number of securities of the Issuer represented by the Old Tokens.

7. RECORDKEEPING

The Transfer Agent is authorized and directed to maintain records showing the name and address of, and the number of securities issued as Cryptographic Tokens to each holder of said securities together with such other records as the Transfer Agent may deem necessary or advisable to discharge its duties as set forth herein. Upon request, the Transfer Agent shall promptly deliver to Akemona or the Issuer a copy of ownership records of securities.

Upon at least five (5) Business Days prior written notice to the Transfer Agent, the Issuer or its attorney or agent may inspect and examine, at any time during ordinary business hours, any security-holder account records of the Issuer in the possession of the Transfer Agent. The Issuer shall pay any actual out-of-pocket costs and expenses incurred by the Transfer Agent in connection with the inspection.

In case of any request or demand for the inspection of the securities records of the Issuer or any other records in the possession of the Transfer Agent, the Transfer Agent will notify the Issuer for instructions permitting or refusing such inspection. The Transfer Agent reserves the right to permit the inspection of the securities records or other records by a requesting party, if it is advised by its counsel that such inspection is required by applicable law or regulation.

Subject to applicable law and regulation, the Transfer Agent shall maintain, in a retrievable database, electronic records of all cancelled or destroyed Cryptographic

Tokens which have been canceled or destroyed by the Transfer Agent. The Transfer Agent shall maintain such electronic records for the time period required by applicable law and regulation. Upon written request of the Issuer (and at the expense of the Issuer), the Transfer Agent shall provide to the Issuer or its designee copies of such electronic records relating to Cryptographic Tokens cancelled or destroyed by the Transfer Agent.

8. RESPONSIBILITIES, INDEMNITIES, AND COMPENSATION HEREUNDER

The Transfer Agent may conclusively rely and act or refuse to act without further investigation upon any list, instruction, certification, authorization, Cryptographic Token, or other instrument or paper believed by it in good faith to be genuine and unaltered, and to have been signed, countersigned or executed by any duly authorized person or persons, or upon the instruction of any officer of the Issuer or the advice of counsel for the Issuer, or counsel for the Transfer Agent. The Transfer Agent may make any transfer or registration of ownership for such securities which is believed by it in good faith to have been duly authorized or may refuse to make any such transfer or registration if in good faith the Transfer Agent deems such refusal necessary in order to avoid any liability upon either the Issuer or itself.

The Transfer Agent may conclusively and in good faith rely upon the records and information provided to it by the Issuer without independent review and shall have no responsibility or liability for the accuracy or inaccuracy of such records and information.

The Issuer shall defend, indemnify and hold harmless the Transfer Agent from and against any and all losses, costs, claims, damages, suits, judgments, penalties, liabilities, and expenses, including reasonable attorneys' fees, which it may suffer or incur:

- a. relating to claims of third parties arising from the services described in this Agreement,

- b. by reason of any act or omission of the Issuer, including any act or omission of a prior transfer agent of the Issuer, and
- c. by reason of any action or non-action by the Transfer Agent in accordance with this Agreement;

provided, however, the Issuer is not obligated to defend, indemnify and hold harmless the Transfer Agent from and against any liabilities to the extent they are caused by the gross negligence or willful misconduct of the Transfer Agent.

In no event shall the Transfer Agent or its directors, officers, agents and employees be liable for any special, indirect or consequential damages from any action taken or omitted to be taken by it or them hereunder or in connection herewith even if advised of the possibility of such damages. These indemnification provisions shall survive any termination of services under this Agreement, including resignation or removal of the Transfer Agent.

The Transfer Agent may, in connection with the services described in this Agreement, engage subcontractors, agents, or attorneys-in-fact, provided the same shall have been selected with reasonable care. The Transfer Agent is authorized by the Issuer to execute all agreements, appoint agents or sub-agents and do all other acts deemed necessary to carry out the general purposes of this Agreement.

The Transfer Agent may consult with counsel of its choice, and any opinion of such counsel shall be full and complete authorization and protection to the Transfer Agent with respect to any action taken or omitted by it in good faith, in reliance upon such opinion, in connection with the performance of its duties or obligations as Transfer Agent. The Issuer agrees to reimburse the Transfer Agent for all reasonable expenses, disbursements and counsel fees (including reasonable expenses and disbursements of counsel) incurred with respect thereto.

The Issuer agrees that the Transfer Agent shall be paid fees for its transfer agent services and be reimbursed for expenses in accordance with the attached fee schedule (Exhibit B), which may be updated by the Transfer Agent from time to

time. Requests for payment of transfer agent fees and expenses shall be submitted in the form of a written invoice. The Issuer will send payments for all undisputed invoices within thirty (30) days of receipt of invoice or within forty-five (45) days if paid by electronic funds transfer. The Transfer Agent's fee schedule may be revised to reflect cost increases due to (i) changes mandated by legal or regulatory requirements, or (ii) cost increases due to additional services requested by the Issuer that are not provided by the Transfer Agent to its customers generally without charging fees.

The Transfer Agent will not have any liability for failure to perform or delay in performing duties set forth herein if the failure or delay is due to an event of force majeure. An event of force majeure is an event or condition beyond the Transfer Agent's control including, but not limited to acts of God, natural disaster, civil unrest, state of war, fire, power failure, equipment failure, act of terrorism, or similar events beyond the Transfer Agent's control. The Transfer Agent will make reasonable efforts to prevent performance delays or disruptions in the event of such occurrences.

Nothing in this Agreement shall be construed to give any person or entity other than the Transfer Agent, the Issuer and Akemona, and their successors and assigns, any legal or equitable right, remedy or claim under this Agreement. This Agreement shall be for the sole and exclusive benefit of the parties to this Agreement.

9. INTEREST DISBURSEMENT AND REDEMPTION

The Transfer Agent will pay interest for the debt securities (issued as Cryptographic Tokens) or redeem the debt securities of the Issuer for which it now or hereafter may be acting as Transfer Agent upon written notice by an officer of the Issuer advising the Transfer Agent of:

- i. upcoming payment of interest or redemption,
- ii. the payment to an escrow company or to a segregated Disbursement Account of the Issuer of the necessary funds in USDC or similar stablecoin with which

to pay the interest or redeem securities;

at least 30 business days before each such payment date.

The Issuer agrees to deposit good and collected funds in USDC stablecoin with an escrow company or with a segregated Disbursement Account of the Issuer, such that the collected balance available for processing of payments by the Transfer Agent is sufficient to cover the amount of the interest and principal, or redemption price, to be paid. Neither party intends the Transfer Agent to make a loan to the Issuer to fund any such payments or redemption of security holders. The Transfer Agent shall have no obligation to pay interest or principal on any outstanding security of the Issuer until the Issuer has provided sufficient collected and immediately available funds in USDC stablecoin to an escrow company or to a segregated account of the Issuer and authorized the Transfer Agent to process such payments from the said account. The Transfer Agent shall never hold custody of Issuer's funds or securities for any purpose. Transfer Agent may require the Issuer to setup a digital wallet for providing interest disbursement and redemption.

Unclaimed funds shall remain in the escrow or segregated Disbursement Account until such time as they are claimed by the security-holder or their representative, or until the Issuer, subject to applicable law and regulation, provides further direction as to their disposition.

The Issuer shall pay the escrow fees to the escrow company and shall reimburse actual payment processing expenses, including blockchain processing fee known as "gas," incurred by the Transfer Agent.

10. CONSENT TO USE OF LOGO

The Transfer Agent agrees that without the prior written consent of the Issuer, it will not use the name, logos, service marks, or trademarks of the Issuer for advertising, publicity releases, websites, sales presentations, marketing materials, publications, correspondence, and announcements for its own benefit. Requests for the Issuer's consent must be submitted pursuant to the notices provisions herein. The Issuer may

revoke any consent given under this section at any time, upon notice to the Transfer Agent. Notwithstanding the preceding, upon prior written notice to the Issuer, the Transfer Agent may make any disclosure specifically required by applicable law or regulation.

Under this Agreement, the Issuer grants the Transfer Agent, a revocable limited license to use the Issuer's logo ("Logo"), in connection with the services provided by the Transfer Agent, in the form of electronic and print images on its website, statements and envelops. The Issuer will supply its Logo to the Transfer Agent as an electronic file or in another mutually acceptable format. The Logo will not be used in any manner that could reasonably be considered as an endorsement by the Issuer of the Transfer Agent without the Issuer's prior written consent.

11. UNCLAIMED PROPERTY REPORTING SERVICES

The Transfer Agent will provide unclaimed property reporting services for unclaimed Cryptographic Tokens and related payments, which the Transfer Agent may deem abandoned. Such services may include preparation of unclaimed Cryptographic Tokens reports, completion of required due diligence notifications to owners of unclaimed Cryptographic Tokens and responses to inquiries from owners.

The Issuer will be responsible for complying with the applicable unclaimed property law or regulation including the delivery of payments related to unclaimed Cryptographic Tokens to various states.

The Transfer Agent shall assist the Issuer in responding to inquiries from administrators of state unclaimed property law or regulation regarding reports filed by the Issuer in response to requests to confirm the name of a reclaiming owner of Cryptographic Tokens. The Issuer shall be responsible for obtaining release agreements from the various states offering such release agreements with respect to reports and abandoned property payments delivered to them by the Issuer and indemnification agreements from those states willing to provide them.

The Issuer shall timely report unclaimed Cryptographic Tokens of the Issuer to the appropriate state or jurisdiction, as provided for under applicable unclaimed property law or regulation and provide a copy of such report to the Transfer Agent. The Issuer's failure to deliver or remit payments related to unclaimed Cryptographic Tokens to the appropriate state or jurisdiction (i) may result in the assessment of interest and penalties by the states against the Issuer, and (ii) will release the Transfer Agent from any liability for such penalties and interest that may be assessed against the Issuer.

The Issuer can elect to discontinue using unclaimed property reporting services provided by the Transfer Agent by giving a notice to the Transfer Agent.

12. UNCLAIMED PROPERTY REPORTING SERVICES

Pursuant to Securities and Exchange Commission ("SEC") rules (e.g., SEC Rule 240.17Ad-17, as amended), the Transfer Agent is required to provide the following services regarding lost security-holder accounts, which together constitute search services:

- a. Conduct a national database search between three and twelve months after a lost security-holder account is identified.
- b. If the first national database search is not successful in locating the holder, conduct a second search between six and twelve months later.

The Issuer agrees to reimburse the Transfer Agent for reasonable fees and expenses incurred by the Transfer Agent in the course of providing the search services. The fees and expenses for the search services may be assessed periodically by the Transfer Agent in accordance with the services provided. (See attached Fee Schedule – Exhibit B)

- a. The Transfer Agent and the Issuer acknowledge that during the course of this Agreement, the parties hereto may make confidential data available to each other or may otherwise obtain proprietary or confidential information regarding the Issuer, its shareholders, or Transfer Agent (collectively, hereinafter “Confidential Data”). In such cases, the Issuer shall have a reasonable opportunity to seek appropriate protective measures; provided, however, that this subsection shall not require the Transfer Agent to notify the Issuer of its receipt of any subpoena, summons or other legal process seeking Confidential Data for a single security-holder or group of related security-holders in connection with routine tax levies or other routine third party litigation involving a securityholder. The Issuer will indemnify the Transfer Agent for all reasonable expenses incurred by the Transfer Agent in connection with determining the lawful release of the Confidential Data.

f. The obligations of each party set forth in paragraphs (a) through (e) above shall survive termination or assignment of this Agreement.

14. RESIGNATION OR REMOVAL
