The Members of a Class may hold meetings at the Company's principal office or at such other place, within or outside the State of Florida, as the Manager or the Member(s) of such Class calling the meeting may designate in the notice for such meeting.

(c) Any Member of a Class may participate in a meeting of the Members of such Class by means of conference telephone, video conference or other communications equipment by means of which all Persons participating in the meeting can talk to and hear each other. Participation in a meeting by such means shall constitute presence in person at such meeting.

(d) Each Member of a Class shall be entitled to the voting rights granted to the Members of such Class as set forth in the Class Schedule attached hereto. Each Class shall be entitled to vote on the matters designated within its Class Schedule as requiring the vote of such Class.

(e) On any matter that is to be voted on by the Members of a Class, a Member of such Class may vote in person or by proxy, and such proxy may be granted in writing, by means of Electronic Transmission or as otherwise permitted by Applicable Law. Every proxy shall be revocable in the discretion of the Member of such Class executing it unless otherwise provided in such proxy; provided, that such right to revocation shall not invalidate or otherwise affect actions taken under such proxy prior to such revocation.

(f) Attendance of a Member of a Class at any meeting of such Class shall constitute a waiver of notice of such meeting, except where a Member of such Class attends a meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened.

(g) A quorum of any meeting of the Members of a Class shall require the presence, whether in person or by proxy, of the Members of such Class holding a majority of the Membership Interests of such Class. Subject to Section 2.07, no action may be taken by the Members of a Class unless the appropriate quorum is present at a meeting.

(h) Subject to the provisions of this Agreement or the Act requiring the vote, consent, or approval of a different percentage of the Membership Interests of a Class, no action may be taken by the Members of a Class at any meeting at which a quorum is present without the affirmative vote of the Members of such Class holding a majority of the Membership Interests represented at such meeting.

Section 2.07 Action Without Meeting. Notwithstanding the provisions of Section 2.06, any matter that is to be voted on, consented to, or approved by the Members of a Class may be taken without a meeting of such Class, without prior notice and without a vote if a written consent is signed and delivered (including by Electronic Transmission) to the Company within thirty (30) calendar days of the record date for that action by Members of the Class entitled to vote on the matter holding the required percentage of Membership Interests of such Class to consent to, or approve such matter. A record shall be maintained by the Manager of each such action taken by written consent of a Member or the Members of a Class.

ARTICLE III Management

Section 3.01 Management of the Company. The Company shall be manager-managed by the Manager. Subject to the provisions of Section 3.02 and except as otherwise provided by the Act or this Agreement, the Manager shall have full and complete discretion to manage and control the business, property, activities, and affairs of the Company. The actions of the Manager taken in accordance with the provisions of this Agreement shall bind the Company. No Member of the Company shall have any authority or right to act on behalf of or bind the Company, unless otherwise provided herein or unless specifically authorized by the Manager pursuant to a duly adopted resolution expressly authorizing such action.

Section 3.02 Approval of Members. Notwithstanding any provisions in this Agreement to the contrary, the Manager shall not take certain actions as set forth in the Class Schedules without the affirmative votes required of such Classes in such Class Schedules.

Section 3.03 Officers. The Manager may appoint individuals as officers and assistant officers of the Company (the "**Officers**") as the Manager deems necessary or desirable to carry on the business of the Company and may delegate to such Officers such power and authority as the Manager deems advisable. An Officer is not required to be a Member of the Company. The Manager may authorize the payment of compensation to officers (including themselves), employees, and consultants. Such compensation may be comprised of salary, fees, stock grants, benefits, and any other components as authorized by the Manager. Any individual may hold two or more offices of the Company. Each Officer shall hold office until his or her successor is designated by the Manager or until his or her earlier death, resignation, or removal. Any Officer may resign at any time upon notice to the Manager in writing. Any Officer may be removed by the Manager at any time, with or without cause. A vacancy in any office occurring because of death, resignation, removal, or otherwise may, but need not, be filled by the Manager.

Section 3.04 Removal and Resignation of Manager; Vacancy. The Manager may be removed or replaced at any time, with or without cause, by the affirmative vote of the holders of a majority of the Membership Interests of the Classes entitled to vote thereon, or as otherwise set forth in any Class Schedule (expressly including and permitting the vote thereon of any Membership Interests entitled to vote thereon held by Manager or any Affiliate of Manager). The Manager may resign at any time by delivering a written resignation to the Company, which resignation shall be effective upon receipt thereof unless it is specified to be effective at some other time or upon the occurrence of a particular event. Any vacancy occurring in the office of Manager

shall be filled by the affirmative vote of the holders of a majority of the Membership Interests of the Classes entitled to vote thereon. The removal or resignation of the Manager shall not affect the Manager's rights as a Member and shall not constitute a dissociation of such Member. Amendments to the Articles of Organization to reflect a successor manager otherwise approved in accordance with this Agreement may be made by the successor Manager without the consent of the Members.

Section 3.05 Conflicts of Interest. Each and every Manager or Member may engage in any business and compete, directly or indirectly, with the Company in any manner whatsoever except as set forth herein. Furthermore, each and every Manager or Member may contract or otherwise deal with the Company for the sale or lease of any property, for the rendition of any services or for any other purposes and to receive payments or fees from the Company in connection therewith, all on terms and conditions approved by the Manager or, with respect to dealings between the Company and the Manager only, by the affirmative vote of the holders of a majority of the Membership Interests of the Classes entitled to vote thereon, or as otherwise set forth in any Class Schedule (expressly including and permitting the vote thereon of any Membership Interests held by Manager or any Affiliate of Manager); provided, however, no rebates, kickbacks or reciprocal arrangements shall be received or entered into by any Manager or Member nor shall any Manager nor Member participate in any business arrangement which would circumvent this or any other provision of this Agreement.

Section 3.06 Business Opportunity Company Right of First Refusal. Notwithstanding anything herein, if a Member (including the Manager) or any Affiliate of such Member is offered or discovers a business opportunity of the type and character that is consistent with the Company's business (a "**Business Opportunity**"), such Member or Affiliate may, but is not required to, before pursuing such Business Opportunity, offer to the Company the right to pursue such Business Opportunity for the benefit of the Company, regardless of whether such Member or Affiliate believes the Company would be able (financially or otherwise) or willing to pursue such Business Opportunity. Any Company action to approve or forgo a Business Opportunity shall be deemed to involve a Related Party Agreement and be subject to the Member approval requirements, if any, set forth in the Class Schedules. If a Business Opportunity is presented to the Company and the Company or its Members of the Classes entitled to vote thereon determine not to pursue such Business Opportunity, the presenting Member or Affiliate shall be free to pursue such Business Opportunity on any terms determined in the sole discretion of the presenting Member or Affiliate.

Section 3.07 Confidentiality. Each and every Manager and Member hereby acknowledges and agrees that the Company has expended, or will expend, significant time and resources in developing existing and prospective customers, suppliers, opportunities, businesses, concepts, ideas and operations and any information related thereto, including, but not limited to, prices, methods, plans, programs, literature, and documents ("Confidential Information"), all of which each Manager and Member hereby acknowledges and agrees to be proprietary and confidential. Each Manager and Member hereby agrees during their term as a Manager or a Member and for one year thereafter (which time period each Manager and Member acknowledges and agrees is reasonable) that each of them will not, on their own behalf or in the service of or on behalf of others, (A) provide or disclose, use or divulge, or allow to be used or divulged, any Confidential Information, to any person for any purpose or in any manner detrimental to or in competition with the interests of the Company, or (B) solicit, divert or hire away, any customer,

opportunity or employee of the Company, whether or not such relationship is by written or verbal agreement, full-time, part-time or temporary, or (C) copy or retain any Confidential Information.

ARTICLE IV Allocations

Section 4.01 Allocation of Profits and Losses.

(a) The Company's profits and losses for each Fiscal Year will be allocated among each Class and the Members of each Class in accordance with the Class Schedules.

(b) Notwithstanding any other provision of this Agreement, "partner nonrecourse deductions" (as defined in Treasury Regulations Section 1.704-2(i)), if any, of the Company shall be allocated for each Fiscal Year to the Member that bears the economic risk of loss within the meaning of Treasury Regulations Section 1.704-2(i) and "nonrecourse deductions" (as defined in Treasury Regulations Section 1.704-2(b)) and "excess nonrecourse liabilities" (as defined in Treasury Regulations Section 1.752-3(a)), if any, shall be allocated to and among the Members of each Class in accordance with the Class Schedules.

(c) This Agreement shall be deemed to include "qualified income offset," "minimum gain chargeback," and "partner nonrecourse debt minimum gain chargeback" provisions within the meaning of Treasury Regulations under Section 704(b) of the Code.

(d) All items of income, gain, loss, deduction, and credit of the Company shall be allocated among the Members for federal, state, and local income tax purposes consistent with the manner that the corresponding items are allocated among the Members pursuant to this Section 4.01, except as may otherwise be provided herein or under the Code.

ARTICLE V Distributions

Section 5.01 General.

(a) Subject to Section 5.02, distributions of available cash, after consideration is given to the needs of the Company and the establishment and maintenance of reasonable reserves for the Company's future operations ("Available Cash"), shall be made to the Members of the Classes as set forth in the Class Schedules when and in such amounts as determined by the Manager. After making all distributions and reserves required for a given Fiscal Year under Section 5.02, distributions of Available Cash determined to be made by the Manager pursuant to this Section 5.01(a) shall be paid to the Members in accordance with their respective Membership Interests in their Class.

(b) Notwithstanding any provision to the contrary contained in this Operating Agreement, the Company shall not make any distribution to Members if such distribution would violate Section 605.0405 of the Act or other Applicable Law.

Section 5.02 Tax Advances.

(a) Subject to Section 5.01(b) and any restrictions in the Company's then applicable debt-financing arrangements, and subject to the Manager's determination to retain any other amounts necessary to satisfy the Company's obligations or to establish and maintain reasonable reserves for the Company's future operations, at least five (5) days before each date prescribed by the Code for a calendar-year entity to pay quarterly installments of estimated tax, the Company shall use commercially reasonable efforts to distribute cash to each Member in proportion to and to the extent of such Member's Quarterly Estimated Tax Amount for the applicable calendar quarter (each such distribution, a "**Tax Advance**").

(b) If, at any time after the final Quarterly Estimated Tax Amount has been distributed pursuant to Section 5.02(a) with respect to any Fiscal Year, the aggregate Tax Advances to any Member with respect to such Fiscal Year are less than such Member's Tax Amount for such Fiscal Year (a "**Shortfall Amount**"), then the Company shall use commercially reasonable efforts to distribute cash in proportion to and to the extent of each Member's Shortfall Amount. The Company shall use commercially reasonable efforts to distribute Shortfall Amounts with respect to a Fiscal Year before the 75th day of the next succeeding Fiscal Year; **provided**, that if the Company has made distributions other than pursuant to this Section 5.02, the Manager may apply such distributions to reduce any Shortfall Amount.

(c) If the aggregate Tax Advances made to any Member pursuant to Section 5.02 for any Fiscal Year exceed such Member's Tax Amount (an "**Excess Amount**"), such Excess Amount shall reduce subsequent Tax Advances that would be made to such Member pursuant to this Section 5.02, except to the extent taken into account as an advance pursuant to Section 5.02(d).

(d) Any distributions made pursuant to this Section 5.02 shall be treated for purposes of this Agreement as advances on distributions pursuant to Section 5.01 and shall reduce, dollar-for-dollar, the amount otherwise distributable to such Member pursuant to Section 5.01.

Section 5.03 Tax Withholding; Withholding Advances.

(a) **Tax Withholding.** Each Member agrees to furnish the Company with any representations and forms as shall be reasonably requested by the Company to assist it in determining the extent of, and in fulfilling, any withholding obligations it may have.

(b) **Withholding Advances.** The Company is hereby authorized at all times to make payments ("**Withholding Advances**") with respect to each Member in amounts required to discharge any obligation of the Company (as determined by the Tax Matters Representative, based on the advice of legal or tax counsel to the Company), to withhold or make payments to any federal, state, local, or foreign taxing authority (a "**Taxing Authority**") with respect to any distribution or allocation by the Company of income or gain to such Member, and to withhold the same from distributions to such Member. Any funds withheld from a distribution by reason of this Section 5.03(b) shall nonetheless be deemed distributed to the Member in question for all purposes under this Agreement. If the Company makes any Withholding Advance in respect of a Member hereunder that is not immediately withheld from actual distributions to the Member, then the Member shall promptly reimburse the Company for the amount of such payment, plus interest at a rate equal to the prime rate published in the Wall Street Journal on the date of payment, compounded annually, on such amount from the date of such payment until such amount is repaid (or deducted from a

distribution) by the Member (any such payment shall not constitute a Capital Contribution). Each Member's reimbursement obligation under this Section 5.03(b) shall continue after such Member transfers its Membership Interests.

(c) Indemnification. Each Member hereby agrees to indemnify and hold harmless the Company and the other Members from and against any liability with respect to the taxes, interest, or penalties that may be asserted by reason of the Company's failure to deduct and withhold tax on amounts distributable or allocable to such Member. The provision of this Section 5.03(c) and the obligations of a Member pursuant to Section 5.03(b) shall survive the termination, dissolution, liquidation, and winding up of the Company and the dissociation or withdrawal of such Member from the Company or the Transfer of its Membership Interests. The Company may pursue and enforce all rights and remedies it may have against each Member under this Section 5.03, including bringing a lawsuit to collect repayment with interest of any Withholding Advances.

(d) Overwithholding. Neither the Company nor the Manager shall be liable for any excess taxes withheld in respect of any distribution or allocation of income or gain to a Member. In the event of an overwithholding, a Member's sole recourse shall be to apply for a refund from the appropriate Taxing Authority.

ARTICLE VI

Transfers

Section 6.01 General Restrictions on Transfer.

(a) Except as permitted pursuant to Section 6.02, no Member shall Transfer all or any portion of his, her, or its Membership Interest in the Company, except with the affirmative vote of the holders of a majority of the Membership Interests of the Classes entitled to vote thereon, or as otherwise set forth in any Class Schedule.

(b) Notwithstanding any other provision of this Agreement (including Section 6.02), each Member agrees that it will not Transfer all or any portion of his, her, or its Membership Interest in the Company, and the Company agrees that it shall not issue any Membership Interests:

(i) except as permitted under the Securities Act and other applicable federal or state securities or blue sky laws, and then, with respect to a Transfer of Membership Interests, only upon delivery to the Company of an opinion of counsel in form and substance satisfactory to the Company to the effect that such Transfer may be effected without registration under the Securities Act;

(ii) if such Transfer or issuance would cause the Company to be considered a "publicly traded partnership" under Section 7704(b) of the Code within the meaning of Treasury Regulations Section 1.7704-1(h)(1)(ii) including the look-through rule in Treasury Regulations Section 1.7704-1(h)(3);

Within 30 days of receipt of such notice, the Company and the Members of such Class may by written notice elect to purchase all or any portion of such offered Membership Interests at the monetary equivalent of the price set forth in the offer and upon the terms set forth in such offer. The Company shall be entitled to purchase all or any portion of such offered Membership Interests prior to any purchase by Members. Each Member of such Class electing to purchase Membership Interests hereunder shall be entitled to purchase a proportion of such offered Membership Interests (after the portion elected to be purchased by the Company) equal to the ratio of Membership Interests of such Class owned by such Member to the total Membership Interests of such Class owned by Members electing to purchase the offered Membership Interests. If Members fail to purchase all of the Interests offered for transfer, then the transferring Member, or the Company, shall be free to transfer the remainder of the offered Membership Interests to the original offeree at the same price and on the same terms set forth in the original notice, provided such transfer is completed within 90 days of the original notice and such transferee shall become a party to this Agreement and be bound by the provisions hereof. Section 6.04 TAG-A-LONG OPTION. In the event the Membership Interests of a Class offered for transfer pursuant to Article VI hereof, individually or in the aggregate with other Membership Interests of such Class offered for transfer, (a) represent and/or are convertible into 60% or more of the outstanding Membership Interests of such Class, or represent 60% or more of the Membership Interests of such Class held by the Member offering to transfer such Membership Interests of such Class, each of the Members of the applicable Class otherwise entitled to purchase such Membership Interests of such Class shall have the option to “tag-a-long” and participate in such transfer by offering all or a portion of the Membership Interests of such same Class owned by such Member for transfer at the same price and on the same terms set forth in the original notice. To exercise this option, a Member shall give written notice to the Company and all Members of his(her) election to “tag-a-long” and participate in the transfer of Membership Interests of such Class pursuant to the offer and the number of his(her) Membership Interests of such Class offered hereunder on or before 45 days after the date of receipt of written notice of the proposed transfer. Each Member electing to offer Membership Interests of a Class hereunder shall be entitled to offer and transfer a proportion of the total Membership Interests of such Class to be transferred equal to the ratio of Membership Interests of such Class owned by such Member to the total Membership Interests of such Class owned by Members electing to offer and transfer Membership Interests of such Class hereunder. If Members of a Class fail to elect to “tag-a-long” and participate in any offer and transfer hereunder, then the transferring Member of such Class shall be free to transfer any remainder of the offered Membership Interests of such Class to the original offeree at the same price and on the same terms set forth in the original notice, provided such transfer is completed within 90 days of the original notice and such transferee shall become a party to this Agreement and be bound by the provisions hereof. Any change whatsoever in the identity, price or terms of the offer shall be considered a new offer subject to the restrictions of this Agreement.

Section 6.05 COME-A-LONG OPTION. In the event the Membership Interests of a Class offered for transfer pursuant to Section 6.03 hereof, individually or in the aggregate with

other Membership Interests of such Class offered for transfer, represent and/or are convertible into 60% or more of the aggregate outstanding Membership Interests of such Class and the Members are prohibited from purchasing or do not elect, for any reason, to purchase all Membership Interests of such Class offered for transfer pursuant to Section 6.03 hereof or to “tag-a-long” pursuant to Section 6.04 hereof, the Members of such Class holding 60% or more of the aggregate outstanding Membership Interests of such Class shall have the option to require the remaining non-participating Members of such Class to “come-a-long” and participate in such transfer by offering and selling all or a portion of the Membership Interests of such Class owned by such Member for transfer at the same price and on the same terms set forth in the original notice. To exercise this option, the electing Members of such Class shall give written notice to the Company and all Members of such Class of their election to require all Members of such Class to “come-a-long” and participate in the transfer of Membership Interests of such Class pursuant to the offer on or before 60 days after the date of receipt of written notice of the proposed transfer. Each Member of such Class shall be required to offer and transfer a proportion of the total Membership Interests of such Class to be transferred equal to the ratio of Membership Interests of such Class owned by such Member to the total Membership Interests of such Class owned by all Members of such Class. Such transfer shall be completed within 90 days of the original notice and such transferee shall not be required to become a party to this Agreement or to be bound by the provisions hereof.
