Amendment No. 1 to Draft Registration Statement on Form F-4 submitted July 14, 2023

Questions and Answers About the Proposals

Q. What interests do Bridgetown's Sponsors, directors, officers and certain advisors have in the Business Combination?, page 26

1. We note your response to comment 8 and reissue in part. Please quantify the aggregate dollar amount of what the sponsor and its affiliates have at risk in relation to completion of the business combination. Include the current value of securities held, loans extended, fees due, and out-of-pocket expenses for which the sponsor and its affiliates are awaiting reimbursement. In this regard, we note a number of the bullets and listed interests lack quantification. Additionally, it appears that certain officers and directors indirectly own

securities and interests in the target companies. Please quantify such securities and interests based upon the terms of the proposed business combination and the assigned value being used in the various mergers.

#### Risks Factors

##### Risks Related to PubCo and Its Securities

PubCo may redeem your unexpired PubCo Public Warrants prior to their exercise at a time that is disadvantageous to you..., page 145

2. We note your response to comment 21, including revisions to your risk factor titled "PubCo may redeem your unexpired PubCo Public Warrants prior to their exercise at a time that is disadvantageous to you..." to provide disclosure regarding the steps you will take to notify all shareholders, including beneficial owners, regarding when the warrants become eligible for redemption. Please provide a cross-reference to this risk factor in your Question and Answer and Summary of the Proxy Statement/Prospectus sections which were revised in response to comment 21.

##### Material Tax Considerations, page 231

3. We note your response to comment 30 and reissue in part. Please refer to the Effects of the Initial Merger to U.S. Holders section. Please provide a tax opinion covering the material federal tax consequences of the transaction to the holders of Bridgetown's securities and revise your disclosure accordingly to tailor it to address the material federal tax consequences of the transaction to those public investors. Please refer to Item 601(b)(8) of Regulation S-K and Items 4(a)(6) and 21(a) of Form F-4. For guidance in preparing the opinion and related disclosure, please refer to Section III of Staff Legal Bulletin No. 19. Additionally, we note the disclosure under the referenced section and the opinion to be delivered by Skadden, Arps, Slate, Meagher & Flom LLP which will be filed as Exhibit 8.1 does not appear to address the above referenced form requirement to address the material federal tax consequences of the transaction to the public investors. In this regard, we note that it is focused on the initial merger qualifying as an F Reorganization from a high level. Item 601(b)(8) of Regulation S-K is focused on the tax consequences to investors and representations related to those tax consequences. Please revise this section accordingly.

##### Information Related to the MoneyHero Group

##### Intellectual Property, page 300

4. We note your response to comment 38, including that, in terms of revenue contribution, your most material intellectual property and proprietary rights are held in Singapore, Hong Kong and Taiwan. Please revise your disclosure to provide additional detail regarding this intellectual property and proprietary rights, including the remaining term of protection or date of expiration and discuss the risk that the inability to protect

your material intellectual property and proprietary rights may negatively impact your business or results of operations. Further, discuss whether you face risk in the inability to protect this property and rights and challenges these you may face enforcing your rights in these jurisdictions.

Item 21. Exhibits and Financial Statement Schedules  
Exhibit 5.1, page II-1

5. We note your response to comment 41 and reissue in part. We note that the Cayman Islands law opinion filed as Exhibit 5.1 assumes that the "Warrant Documents will be legal, valid, binding and enforceable against all relevant parties in accordance with their terms under the laws of the State of New York and all other relevant laws (other than the laws of the Cayman Islands)." We also note that the Form of PubCo Class A Warrant Agreement filed as Exhibit 10.19 is governed by New York law. Please file a New York law opinion to cover the binding obligation opinion applicable to the PubCo Class A Warrants. Refer to Section II.B.1.f of Staff Legal Bulletin No. 19. Additionally, please tell us whether an opinion regarding the warrants needs to be given under Hong Kong Law, given that the CGCL Class A Supplemental Deed and the CGCL Class C Supplemental Deeds are governed by Hong Kong law. In this regard, we note that the Cayman Islands law opinion doesn't appear to appropriately cover the PubCo Class C-1 Warrants or PubCo Class C-2 Warrants. Please advise, revise the exhibit index, and file all local counsel opinions required to cover the various binding obligation opinions related to the various warrants and the jurisdictions governing the applicable warrant agreements.
