COMPANY OVERVIEW

We are a family owned craft spirits brand with the triple bottom line framework of people, planet and profit baked into our business model. Our flagship spirit is a coffee flavored whiskey made with all natural ingredients and real coffee extract on the coast of southern California. Our whiskey is distilled for the purpose of awakening the spirit of adventure that exists within us all.

Company History

The essence of First Light Craft Spirits began as a student finals project at SDSU, and in 2020 launched as San Diego's own coffee flavored whiskey. Launching a new spirit during the pandemic presented a unique set of opportunities. We've been able to carve out a local niche of on premise customers through partnerships with OMG and Rise & Shine, and are positioned to begin expanding First Light nationwide.

RISK FACTORS

A crowdfunding investment involves risk. You should not invest any funds in this offering unless you can afford to lose your entire investment. In making an investment decision, investors must rely on their own examination of the issuer and the terms of the offering, including the merits and risks involved. These securities have not been recommended or approved by any federal or state securities commission or regulatory authority. Furthermore, these authorities have not passed upon the accuracy or adequacy of this document.

The U.S. Securities and Exchange Commission does not pass upon the merits of any securities offered or the terms of the offering, nor does it pass upon the accuracy or completeness of any offering document or literature.

These securities are offered under an exemption from registration; however, the U.S. Securities and Exchange Commission has not made an independent determination that these securities are exempt from registration.

You Might Lose Your Money

When you buy a certificate of deposit from a bank, the Federal government (through the FDIC) guarantees you will get your money back. Buying a SAFE is not like that at all. The ability of the Company to make the payments you expect, and ultimately to give you your money back, depends on a number of factors, including many beyond our control.

COVID-19 Might Have a Negative Material Effect on the Company

This offering is being launched at a time when the COVID-19 pandemic is requiring the closure of many businesses, large and small. The effects COVID-19 may have on economic activity are likely substantial and unknown; there is no guarantee the Company will not suffer material negative effects as a direct or indirect result of the pandemic.

Competition

The market in which we operate is highly competitive. The Company competes with many other businesses, both large and small, on the basis of quality and price of products, location and customer experience. Changes in customer preference away from the Company's core business or the inability to compete successfully against other competitors could negatively affect the Company's financial performance.

Licensing Risk

The Company may face changes in the state and federal laws in connection to any licensing required for the sale of its products. Such changes would require the dedication of Company resources to address or amend its current operations which may adversely affect its business strategy or profitability.

No Right to Participate in Management

As the owner of a SAFE, you will not have the right to control the Company in any way or to participate in its management. You should invest (buy a SAFE) only if you are willing to rely completely on the Company's management team.

Reliance On Management Team

Like almost all small businesses, the Company relies exclusively on the abilities of its management team. Should any of them die, leave the Company, or become ill for a long period of time, the Company would be damaged and might not repay your SAFE.

Limited Products And Services

Most small, local businesses sell only one or two products or services, making them vulnerable to changes in technology and/or customer preferences.

Supplier Risk

The Company relies on third-party suppliers for the materials used in the manufacture of its products. If any of these suppliers changes the pricing, distribution, terms of service, or relationship with the Company, this could materially affect its business and/or profitability. Factors outside of the Company's control, including general market conditions, may affect its relationship with these suppliers. In addition, its ability to meet the obligations of its customers may be adversely affected if its suppliers fail to comply with agreed-upon services or quality standards in a cost-effective or timely manner.

Risk of Economic Downturn

The products the Company sells are luxuries, not necessities. In the event of a recession or other economic downturn, customers might curtail their purchase of our products.

Environmental Risk

The Company is subject to the risk of environmental liability and limitations on operations due to environmental laws and regulations. The Company is subject to extensive federal, state, and local environmental, health and safety regulations. The risks of substantial costs and liabilities related to compliance with these laws and regulations is an inherent part of the Company's business. Future

conditions may develop or be discovered that create substantial environmental compliance or remediation liabilities and costs.

Price Risk

The Company competes in an industry with a commodity product where the Company may not have control of the prices it will receive for its product or the prices it must pay for inputs. Price uncertainty may negatively impact the Company's business and financial situation.

Use of Funds Risk

At the discretion of the Company's executive management team, funds raised in this offering may be used differently than specifically outlined in this document's Use of Funds section.

Personnel Risk

The Company uses human personnel to produce its product. Accidents, illnesses, death, divorce, or lack of productivity could negatively impact the ability of personnel and, therefore, the business.

Lack Of Accounting Controls

Larger companies typically have in place strict accounting controls. Smaller companies like the Company lack these controls, exposing themselves to additional risk.

Reputation Risk

The success of the Company depends on the reputation of its brand. Adverse publicity concerning the Company's products or the Company itself could negatively impact the future of its business.

The Company Might Need More Capital

The Company might need to raise more capital in the future to expand its operations, buy property and equipment, hire drivers and other personnel, market its products and services, pay overhead and general administrative expenses, or a variety of other reasons. There is no assurance that additional capital will be available when needed, or that it will be available on terms that are not adverse to your interests as an investor. If the Company is unable to obtain additional funding when needed, it could be forced to delay its business plan or even cease operations altogether.

Future Investors Might Have Superior Rights

If the Company needs more capital in the future, it might borrow money and/or sell stock, and the new investors might have rights superior to those of an investor owning a SAFE. For example, they might have the right to be paid before you are, to receive larger distributions, to have a greater voice in management, or otherwise.

Inability To Sell Your SAFE

The law prohibits you from selling your SAFE (except in certain very limited circumstances) for one year after you acquire it. Even after that one-year period, a host of Federal and State securities laws may limit or restrict your ability to sell your securities. Even if you are permitted to sell, you will likely have difficulty finding a buyer because there will be no established market. Given these factors, you should be prepared to hold your SAFE for its full term.

Limitation of Individual Rights in Event of Default

In the event of a default under the SAFEs, an individual investor will not have the right to enforce his, her or its rights – for example, by bringing a lawsuit. Instead, the investors will appoint a representative using

a procedure set forth in the SAFE Purchase Agreement. It's possible that the investors as a group will appoint a representative you don't like, or that the representative will do things you believe are wrong or misguided. Once a default has occurred and a representative has been appointed, all the expenses of the representative must be paid before any further payments are made with respect to the SAFEs.

Lack of Key Man Insurance

Although dependent on key personnel, the Company does not have any key man life insurance policies on any such people. In the event that such personnel die or become disabled, the Company will not receive compensation to assist for their absence and the loss of such person could negatively affect the Company.

The Owners Could Be Bad People Or Do Bad Things

The owners of the Company could be dishonest and take your money. Even people who are very honest sometimes do dishonest things in desperate situations – for example, when their company is on the line, or they're going through a divorce or other stressful life event. It is possible that the management of the Company, or an employee, would steal from or otherwise cheat the Company, and you.

Uninsured Losses

Although the Company will carry some insurance, we might not buy enough insurance to guard against all the risks of our business. Also, there are some kinds of risks that are simply impossible to insure against, at least at a reasonable cost. Therefore, we could incur an uninsured loss that could damage our business.

Conflict Of Interest

In many ways your interests and the interests of the Company's management team will coincide: you all want the Company to be as successful as possible. However, your interests might be in conflict in other important areas, including these:

- You might want to keep the compensation of managers low, while managers want to make as much as they can.
- You might want the Company to act conservatively to conserve its cash, while the management team might want to grow more quickly.
- You might want the Company to look out for your interests, while the management team might subordinate your interests to the interests of employees, other investors, or others.
- The lawyers who prepared the legal documents represent the interests of the Company, not the interests of investors.

No Registration Under Securities Laws

The SAFEs will not be registered with the SEC or the securities regulator of any State. Hence, neither the Company nor the SAFEs are subject to the same degree of regulation and scrutiny as if they were registered.

Incomplete Offering Information

Title III does not require us to provide you with all the information that would be required in some other kinds of securities offerings, such as a public offering of shares (for example, publicly-traded firms must generally provide investors with quarterly and annual financial statements that have been audited by an independent accounting firm). Although Title III does require extensive information, as described above, it is possible that you would make a different decision if you had more information.

Lack Of Ongoing Information

The Company will be required to provide some information to investors for at least one year following the offering. However, this information is far more limited than the information that would be required of a publicly-reporting company; and the Company will be allowed to stop providing annual information in certain circumstances.

The Company is Not Subject to the Corporate Governance Requirements Of National Securities Exchanges

Any company whose securities are listed on a national stock exchange (for example, the New York Stock Exchange) is subject to a number of rules about corporate governance that are intended to protect investors. For example, the major U.S. stock exchanges require listed companies to have an audit committee made up entirely of independent members of the board of directors (i.e., directors with no material outside relationships with the company or management), which is responsible for monitoring the company's compliance with the law. The Company will not be required to implement these and other investor protections.

Cost of Enforcement

If the Company defaulted, investors would have to engage lawyers and possibly other third parties to enforce their rights. The cost of enforcement could be prohibitive.

Other Lenders Could Have Superior Rights

The Company may take out other loans. In itself this is not risky, but these lenders will likely have a claim to collateral superior to the collateral claimed by the SAFE. For example, the lenders might have a claim to the future cash flows or equity ownership of the Company, or the equipment owned by the Company whereas the SAFE has a claim to the equipment purchased with its own proceeds. Moreover, the lenders might have clauses in their lending agreements with the Company that compel the Company to pay them first over other lenders. If the Company runs out of cash, and has a choice to pay the other lenders or the Holders of the SAFE, it might decide (or be required) to pay its other lenders first.

USE OF FUNDS

	Minimum Target Goal	Maximum Target Goal
Total Proceeds	\$60,000.00	\$124,000.00
Less: Intermediary Fee*	-\$4,700.00	-\$8,940.00
Net Proceeds	\$55,300.00	\$115,060.00

* Applied at a marginal-rate based upon amount raised:

Up to \$50,000 = 8.0%, \$50,0001 - \$100,000 = 7.0%, \$100,001+ = 6.0%.

If the sum of the investment commitments does not equal or exceed the Minimum Target Goal amount as of the Offering Deadline, no securities will be sold in the offering, investment commitments will be canceled, and all committed funds will be returned.

TRANSACTION MECHANICS

The following describes the process to invest in First Light Craft Spirits, LLC and how an investor's transaction and delivery of securities will be completed.

- a. *Investor Commitment*: Through the Honeycomb Portal, an investor will submit a requested investment amount. As a part of this process, an investor will execute an investment contract with First Light Craft Spirits, LLC (“SAFE Purchase Agreement”) by way of the investor’s electronic signature.
- b. *Acceptance of Investment*: Upon completion of the investment commitment, the investor will receive via email a confirmation of their transaction detailing the amount, terms, and date of execution.
- c. *Investor Transfer of Funds*: Upon receiving confirmation that an investment has been accepted, the investor will transfer funds to the escrow account of a third-party bank managed by Honeycomb Portal.
- d. *Early Closings*: If the target offering amount is met prior to the original deadline date, we may close the offering earlier, but no less than 21 days after the date on which the Form C is posted on the Honeycomb Portal.
- e. *Book Entry*: All investments will be in book entry form. This means that the Investor will not receive a certificate representing their investment. Each investment will be recorded by Honeycomb Portal and visible by the investor through their Investor Dashboard.

Investors may cancel an investment commitment until 48 hours prior to the deadline identified in these offering materials.

The intermediary will notify investors when the target offering amount has been met.

If the issuer reaches the target offering amount prior to the deadline identified in the offering materials, it may close the offering early if it provides notice about the new offering deadline at least five business days prior to such new offering deadline (absent a material change that would require an extension of the offering and reconfirmation of the investment commitment).

If an investor does not cancel an investment commitment before the 48-hour period prior to the offering deadline, the funds will be released to the issuer upon closing of the offering and the investor will receive securities in exchange for his or investment.

If an investor does not reconfirm his or her investment commitment after a material change is made to the offering, the investor’s investment commitment will be cancelled and the committed funds will be returned.

The Qualified Third Party of the Offering is Silicon Valley Bank, a division of First-Citizens Bank & Trust Company.

SAFE: For more information about the investment and cancellation process, see Honeycomb’s Education Materials.

Details of Security Being Offered

The securities being offered to investors are promissory SAFEs, which we refer to as “SAFES.” The SAFEs are governed by a separate document called a SAFE Purchase Agreement, which you can view on the “Investor Info” tab of the campaign page.

This section summarizes the principal features of the SAFE Purchase Agreement. However, this is only a summary. Before investing, you should read the SAFE Purchase Agreement in their entirety.

- The amount of your SAFE will be the amount you invest.
- All communications from the Company, including but not limited to all tax forms, will be via electronic delivery.
- All payments will be made in U.S. dollars as Automated Clearing House (ACH) deposits into an account you designate. If you don’t authorize the Company to make such ACH distributions into a designated account, payments will be made by check and mailed to you after deducting a \$50 processing fee.
- Once you pay for your SAFE, you will have no obligation to contribute more money to the Company, and you will not be personally obligated for any debts of the Company.
- If there is a default under your SAFE, you may not take collection action personally. Instead, you and the other investors will together appoint a single representative to represent all of you. This Administrative Agent will have the power to take any action against the Company that he or she believes is appropriate. The fees and any expenses of the Administrative Agent will be the responsibility of the Company, but the Administrative Agent will be paid before any additional amounts are paid to you or other investors.
- If you want to sell your SAFE, you must first offer to sell it back to the company – a so-called “first right of refusal.” If the Company doesn’t buy it, the Company may impose restrictions on the transfer. For example, the Company may require a legal opinion that the transfer is allowed under the securities laws.
- The SAFE offered does not have any voting rights.
- The Terms of the SAFE being offered may not be modified or amended.

Restrictions on Transfer of the Securities Being Offered

The SAFE will be illiquid (meaning you might not be able to sell it) for four reasons:

- The SAFE Purchase Agreement prohibits the sale or other transfer of SAFEs without the Company’s consent.
- If you want to sell your SAFE, the Company will have the first right of refusal to buy it, which could make it harder to find a buyer.
- Even if a sale were permitted, there is no ready market for SAFEs as there would be for a publicly-traded company.

- For a period of one year, you will not be allowed to transfer the SAFE except (i) to the Company itself, (ii) to an “accredited” investor, (iii) to a family or trust, or (iv) in a public offering of the Company’s shares.

As a result, you should plan to hold your SAFE until maturity.

ADDITIONAL MATTERS RELATED TO THE SECURITY

1. *How may the rights of the securities being offered be materially limited, diluted or qualified by the rights of any other class of security identified above?*

The Company does not have the right to change the terms of the promissory SAFEs or the SAFE Purchase Agreement. However, it does have the right to create additional classes of securities, both equity securities and debt securities. Some of these additional classes of securities could have rights that are superior to those of the promissory SAFEs. For example, the Company could issue promissory SAFEs that are secured by specific property of the Company.

2. *Are there any differences not reflected above between the securities being offered and each other class of security of the issuer?*

The owners of the promissory SAFEs will not have the right to share in the profits of the company or participate in the management of the company.

3. *How could the exercise of rights held by the principal shareholders affect the purchasers of the securities being offered?*

The principal shareholders could make decisions that are bad for the company and thereby adversely affect the economic interests of investors holding promissory SAFEs. They could also issue other classes of securities with rights superior to those of investors holding promissory SAFEs.

4. *How are the securities being offered being valued? Include examples of methods for how such securities may be valued by the issuer in the future, including during subsequent corporate actions.*

The value of the SAFEs is determined by the face amount of the SAFE payable to be issued. The terms of the SAFEs were determined by the Owner based on the Owner’s opinion about the value of the project.

The Owner does not expect there to be any reason to place a value on the SAFEs in the future. In the event that future valuation is required, any value given the SAFEs by the company will be determined in accordance with U.S. generally accepted accounting principles.

5. *What are the risks to purchasers of the securities relating to minority ownership in the issuer?*

n/a

6. *What are the risks to purchasers associated with corporate actions, including additional issuances of securities, issuer repurchases of securities, a sale of the issuer or of assets of the issuer or transactions with related parties?*

The company could issue securities with rights superior to those of the promissory SAFEs.

If the company is sold, the owners of the promissory SAFEs have the right to receive all of the principal and accrued interest.

Transactions with related parties – for example, the payment of excessive compensation – could reduce the amount of money available to make payments with respect to the promissory SAFEs.

7. *What other exempt offerings has the issuer conducted within the past three years?*

None

8. *The issuer or any entities controlled by or under the common control with the issuer was not a party to any transaction since the beginning of the issuer's last fiscal year, or any currently proposed transaction, where the amount involved exceeds five percent of the aggregate amount of capital raised by the issuer in reliance on Section 4(a)(6) of the Securities Act during the preceding 12-month period, including the amount the issuer seeks to raise in the current offering, in which any of the following persons had or is to have a direct or indirect material interest:*

1. *any director or officer of the issuer;*
2. *any person who is, as of the most recent practicable date, the beneficial owner of 20 percent or more of the issuer's outstanding voting equity securities, calculated on the basis of voting power;*
3. *if the issuer was incorporated or organized within the past three years, any promoter of the issuer;*
4. *or (4) any immediate family member of any of the foregoing persons.*

(the "**Portal**");

NOW, THEREFORE, in consideration of the mutual agreements, provisions and covenants contained herein, and intending to be legally bound, the parties hereto agree as follows:

ARTICLE I
DEFINITIONS

1.1 Recitals.

The Recitals are incorporated herein as if set forth at length.

1.2 Defined Terms.

Capitalized terms not otherwise defined in this Agreement have the meanings given to them in the Form C filed by the Issuer with the Securities and Exchange Commission and available on the Site, which we refer to as the "Disclosure Document." The Disclosure Document, together with this Agreement, the SAFEs, any security instruments (if applicable), and any other document or instrument executed in connection with any of the foregoing are collectively referred to as the "Loan Documents."

ARTICLE II
SAFE PURCHASE TERMS

2.1 Purchase of SAFEs.

The Issuer will issue and sell to certain of the Holders, and such Holders will purchase from the Issuer, promissory SAFEs of the Borrower in substantially the form of Schedule 2.1 (each a "SAFE" and collectively, the "SAFES") in the aggregate principal amount not to exceed \$124,000.00 (the "**Borrowing Limit**"). The date on which the Issuer will issue and sell the SAFEs and the Holder shall purchase the SAFE, shall be the "**Closing Date**". The Issuer may sell SAFEs pursuant to this Agreement for a duration consistent with the Disclosure Document. Issuer shall keep a schedule of SAFEs purchased by each Holder, and the purchase price therefore. Holder will not receive a paper document representing Holder's SAFE.

2.2 Payment Terms.

(a) Repayment. Each SAFE shall be repaid by the Issuer under the terms and conditions set forth below with payments to Holders commencing on or before the last business day 30 days after the Offering Period has ended and continuing each month thereafter through the Maturity Date with interest payable as set forth in the chart below.

Issuer Name	First Light Craft Spirits, LLC

Security Type	Simple Agreement for Future Equity (SAFE)

Post-Money Valuation \$7,000,000

2.3 Payments.

(a) ACH Deposit. All payments of principal and interest on the SAFEs will be made in U.S. dollars as Automated Clearing House (ACH) deposits into an account designated (the "Designated Account") by each Holder at the Site. Each Holder acknowledges and agrees that any payment made timely to the Designated Account shall be deemed delivered even if the payment is rejected, or otherwise unable to be transferred because the Holder's Designated Account is no longer valid for any reason. Whenever any payment is due on a day that is not a business day, such payment will be due on the next following business day. Each payment will be applied first to any fees charges and expenses authorized under the Loan Documents, including the reasonable fees and expenses of the Administrative Agent, then to accrued but unpaid interest on the SAFEs, and then to the outstanding principal balances of the SAFEs.

(b) Non-ACH Payments Processing Fee. To the extent a Holder does not authorize the Issuer to make ACH distributions into its Designated Account, payments to such Holder will be made by check and mailed to such Holder at the address provided by Holder on the Site after deduction by the Issuer from each such check of a Fifty Dollar (\$50) processing fee (the "Processing Fee"). All Processing Fees shall be credited against the outstanding amounts due under such Holder's SAFE. In the event the monthly amount payable to such Holder is less than the Processing Fee, the balance of the Processing Fee shall accumulate and be payable out of the Issuer's next payment installment to the Holder. In the event the total amount that remains outstanding under such Holder's SAFE is less than the amount of the accumulated Processing Fee, the obligations due and owing to the Holder under its SAFE shall be deemed satisfied and paid in full.

2.4 Equalization Among Holders.

Each SAFE is on parity with all SAFEs issued pursuant to this Agreement and rank equally, without preference among themselves. Any amounts to be distributed pursuant to this Agreement and the SAFEs to the Holders shall be made pro rata in proportion to the amount then outstanding under each Holder's respective SAFE.

2.5 Maximum Lawful Rate.

In no event shall Issuer be obligated to pay interest on the SAFE to the extent it exceeds the highest rate of interest that may be lawfully contracted for, charged or received by such Holder, and in such event the Issuer shall pay such Holder interest at the highest rate permitted by applicable law.

2.6 No Right to Cancel.

Each Holder acknowledges and agrees that this is a commercial transaction and that the Holder has no right to cancel its subscription or rescind this Agreement. Once the Holder signs this Agreement, electronically or otherwise, the Holder is obligated to purchase the SAFE on the terms and conditions set forth in this Agreement and as described in the Disclosure Document, including, but not limited to, instances where the principal amount of the SAFE is reduced consistent with the Disclosure Document.

2.7 Issuer's Right to Reject Subscription.

Each Holder acknowledges and agrees that Issuer has the right to reject the Holder's subscription for any reason or for no reason by returning the money provided to the Issuer to the applicable Holder's Designated Account whose subscription has been rejected.

ARTICLE III
REPRESENTATIONS AND WARRANTIES

3.1 Issuer's Representations and Warranties. The Issuer represents and warrants to each Holder that the following are, and immediately after giving effect to the transactions contemplated hereby will be, true, correct and complete:

3.2 Power and Authorization. The Issuer has the power and authority and all authorizations, consents and approvals to execute, deliver, and perform its obligations under this Agreement and the SAFEs.

3.3 Binding Effect. This Agreement and the SAFEs constitute a legal, valid and binding obligations of the Issuer, enforceable against the Issuer in accordance with their respective terms, except as enforceability may be limited by applicable bankruptcy, insolvency, or similar laws affecting the enforcement of creditors' rights generally or by equitable principles relating to enforceability.

3.4 Holder's Representations and Warranties. Each Holder hereby severally, but not jointly, represents and warrants to the Issuer as follows as of the date hereof and as of the Closing Date:

(a) Accuracy of Information. All of the information the Holder has given to the Issuer (whether in this Agreement, at the Site, or otherwise) is accurate and the Issuer and may rely on it. (b) Risks. Holder understands all the risks of investing, including the risk that Holder could lose its entire investment in the Issuer evidenced by the SAFE and this Agreement. Without limiting that statement, Holder acknowledges and agrees that it has

reviewed and understands each of the risks listed under “Risk Factors” in the Disclosure Document.

(c) No Representations. No person (i) has made any promises or representations to Holder, except for the information contained in the Disclosure Document; or (ii) has guaranteed any financial outcome for Holder’s investment.

(h) Investment Purpose. Holder is purchasing the SAFE solely as an investment, not with an intent to re-sell or “distribute” any part of the SAFE.

(i) Knowledge. Holder has enough knowledge, skill, and experience in business, financial, and investment matters to evaluate the merits and risks of the investment.

(j) Financial Forecasts. Holder understands that any financial forecasts or projections are based on estimates and assumptions the Issuer believes to be reasonable but are highly speculative. Given the industry, any forecasts or projections will probably prove to be incorrect.

(k) Financial Wherewithal. Holder can afford this investment, even if Holder loses the entirety of its investment. Holder does not rely on its cash or other property used in this investment to pay for any of Holder’s current living necessities, including but not limited to, Holder’s food, housing, and utilities.

(l) No Government Approval. Holder understands that no state or federal authority has reviewed this Agreement or the SAFE or made any finding relating to the value or fairness of the investment.

(m) No Advice. Each Holder acknowledges and agrees that the Issuer has not provided the Holder with any investment, financial, or tax advice. Each Holder has been advised to consult with its own legal and financial advisors and tax experts prior to entering into this Agreement.

(n) Tax Treatment. If any withholding tax is imposed on any payment made by Issuer to a Holder pursuant to a SAFE, such tax shall reduce the amount otherwise payable with respect to such payment. Upon request of Issuer, the Holder shall provide the Issuer with an Internal Revenue Service Form W-9 or other similar withholding certificate of a State, local or foreign governmental authority such that the Issuer may make payments under the SAFE without deduction for, or at a reduced rate of deduction for, any tax. Any taxes owed on the payments to Holder shall be the responsibility of such Holder.

(o) Anti-Terrorism and Money Laundering (Natural Persons). If Holder is a natural person (not an entity), such Holder represents and warrants as follows:

- (i) Source of Funds. None of the money Holder has paid or will pay or contribute to the Issuer is derived from or related to any activity that is illegal under United States law.
- (ii) Anti-Terrorism Laws. Holder is not on any list of “Specially Designated Nationals” or known or suspected terrorists that has been generated by the Office of Foreign Assets Control of the United States Department of Treasury (“OFAC”), nor a citizen or resident of any country that is subject to embargo or trade sanctions enforced by OFAC.
- (iii) Anti-Money Laundering Laws. Holder’s purchase of a SAFE will not, by itself, cause the Issuer to be in violation of any “anti-money laundering” laws, including, without limitation, the United States Bank Secrecy Act, the United States Money Laundering Control Act of 1986, and the United States International Money Laundering Abatement and Anti-Terrorist Financing Act of 2001.
- (iv) Additional Information. Holder will provide such documentation as may be reasonably requested by the Issuer to verify further the source of funds used to purchase the SAFE.

(p) Entity Holders. Each Holder that is a legal entity, such as a corporation, partnership, or limited liability company, represents and warrants as follows:

(i) Good Standing. Holder is validly existing and in good standing under the laws of the jurisdiction where it was organized and has full corporate power and authority to conduct its business as presently conducted and as proposed to be conducted.

(ii) Other Jurisdictions. Holder is qualified to do business in every other jurisdiction where the failure to qualify would have a material adverse effect on Holder.

(iii) Authorization. The execution, delivery, and performance by Holder of this Agreement and any related Loan Documents have been duly authorized by all necessary corporate action.

(iv) Investment Company. Holder is not an “investment company” within the meaning of the Investment Company Act of 1940.

(v) Anti-Terrorism and Money Laundering.

(A) Source of Funds. No funds used or contributed to the Issuer derives from or relates to any activity that is illegal under United States law.

(B) Anti-Terrorism Laws. None of the ultimate owners of Holder is on any list of “Specially Designated Nationals” or known or suspected terrorists that has been generated by OFAC, nor is a citizen or resident of any country that is subject to embargo or trade sanctions enforced by OFAC.

(C) Notice of Violations. If at any time the Issuer determines that any of the representations in contained in this subsection are untrue or inaccurate, or if otherwise required by applicable law or regulation related to terrorism, money laundering, and similar activities, the Issuer may undertake appropriate actions to ensure compliance with applicable law or regulation, including, but not limited to segregation or redemption of such Holder’s SAFE.

ARTICLE IV COVENANTS

3.4 4.1 Issuer Covenants. Issuer covenants and agrees that, so long as any of the obligations evidenced by the Loan Documents remain unpaid or unsatisfied:

3.4.1 (a) Maintenance of Property. Issuer shall maintain and preserve all its real and tangible property in good working order and condition, ordinary wear and tear and casualty excepted.

3.4.2 (b) Insurance. Issuer shall maintain or cause to be maintained in full force and effect all policies of insurance of any kind (including policies of fire, theft, public liability, property damage, other casualty insurance) with respect to the property of the Issuer, including any Collateral, with reputable insurance companies or associations of a nature and providing such coverage as is sufficient and as is customarily.

3.4.3 (c) Use of Proceeds. Issuer shall use the proceeds of the sale of the SAFEs solely for the Purposes stated herein and in the Disclosure Document.

3.5 4.2 Holder Covenants. Each Holder covenants and agrees that, so long as any of the obligations evidenced by its SAFE remains unpaid or unsatisfied:

3.5.2 (b) Disclosure. Holder agrees that Issuer may release confidential information about Holder to government authorities if Issuer, in its sole discretion, determines after consultation with counsel that releasing such information is in the best interest of the Issuer in light of any applicable law or regulation.

3.5.3 (c) Additional Documents. Holder agrees to execute any additional documents the Issuer requests if the Issuer reasonably believe those documents are necessary or appropriate and explain that Holder is able to bear the economic risk of its investment in the SAFEs for an indefinite duration and is able to afford a complete loss of such investment.

3.5.4 (d) No Transfer of SAFEs. Holder may not transfer, pledge, encumber, or otherwise dispose of Holder's interest in its SAFE at any time. Any attempt to transfer, pledge, encumber or other dispose of Holder's interest in its SAFE shall be void.

3.5.5 (e) Re-Purchase of Holder's SAFE. If Issuer decide that Holder has provided inaccurate information or has otherwise violated its obligations, Issuer may (but shall not be required to) repurchase or rescind Holder's SAFE.

ARTICLE V

ADMINISTRATIVE AGENT

3.6 5.1 Appointment. Each Holder hereby irrevocably designates, appoints and authorizes Honeycomb Collateral LLC to act as the initial Administrative Agent for such Holder under this Agreement and to execute and deliver or accept on behalf of each of the Holder any Loan Documents, including this Agreement, and any security agreement or mortgage or other document or instrument reasonably necessary to give effect to the transactions contemplated by this Agreement and the Disclosure Document. Each Holder hereby irrevocably authorizes the Administrative Agent to take such action on its behalf under the provisions of this Agreement and the Loan Documents, and to exercise such powers and to perform such duties hereunder as are specifically delegated to or required of the Administrative Agent by the terms hereof, together with such powers as are reasonably incidental thereto. Administrative Agent

agrees to act as the Administrative Agent on behalf of the Holders to the extent provided in this Agreement.

3.7 5.2 Nature of Duties.

3.7.1 (a) The Administrative Agent shall have no duties or responsibilities except those expressly set forth in this Agreement and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or otherwise exist. The duties of the Administrative Agent shall be mechanical and administrative in nature and shall not create any fiduciary or trust relationship in respect of any Holder.

3.7.2 (b) The function and duty of the Administrative Agent shall be: (i) to execute any security agreement, mortgage or other Loan Document on behalf of the Holders providing for the grant of a security interest in favor of the Holders in property of the Issuer as contemplated in the Disclosure Document and in this Agreement; (ii) to enforce the rights and remedies of the Holders under any applicable Loan Document, including this Agreement, upon written direction from the Required Holders (as defined below) (an "Enforcement Proceeding"); and (iii) to hold proceeds collected by Administrative Agent following an Event of Default by the Issuer, including, but not limited to, from the sale of any Collateral, and to distribute such proceeds to the Holders in an amount consistent with the terms and conditions of this Agreement and the Holder's respective SAFE; provided however, that in connection with this subsection (b)(iii), only, each Holder acknowledges and agrees that a successor Administrative Agent to Honeycomb Collateral LLC must be appointed pursuant to Section 5.7, below, and that in no event can Honeycomb Collateral LLC hold or distribute proceeds on behalf of the Holders.

3.7.3 (c) In connection with any Enforcement Proceeding, the Administrative Agent shall have the power, on behalf of each Holder, to pursue such remedies as may be available by law and pursuant to this Agreement, for the purpose of maximizing the return to the Holders as a group, and to settle the claims of each Holder on such terms as the Administrative Agent may determine in its sole and unlimited discretion, subject to the other provisions of this Agreement. The Administrative Agent may pursue such remedies notwithstanding that the Administrative Agent does not have physical possession of the SAFEs and without naming the Holders as parties.

3.7.4 (d) The Administrative Agent takes no responsibility and makes no statement regarding the validity, extent or enforceability of the Loan Documents or the lien priority

or position that the Holders will have as a result of the Loan Documents.

3.7.5 5.3 Instructions from the Holders. The Administrative Agent agrees, upon the written request of the Holders holding at least a majority of the then outstanding amount of the obligations evidenced by the SAFEs on an aggregate basis (the "Required Holders"), to take or refrain from taking any action of the type specified as being within the Administrative Agent's rights, powers or discretion herein, provided that the Administrative Agent shall not be required to take any action which exposes the Administrative Agent to personal liability or which is contrary to this Agreement, any loan agreements with third parties (if applicable), or any of the other Loan Documents or applicable Law. Additionally, Administrative Agent shall have no obligation to comply with instructions from the Required Holders to initiate or continue an Enforcement Proceeding without sufficient funds being made available in advance to Administrative Agent to cover the Administrative Agent's out-pocket-expenses, including, but not limited to, filing fees and costs, required to initiate or continue such Enforcement Proceeding. Any action taken or failure to act pursuant to such instructions shall be binding on the Holders. No Holder shall have any right of action whatsoever against the Administrative Agent as a result of the Administrative Agent acting or refraining from acting hereunder in accordance with the instructions of the Required Holders, or in the absence of such instructions, in the absolute discretion of the Administrative Agent. Holders acknowledge and agree to electronic communications by and between the Holders and the Administrative Agent and any Holder's failure to affirmatively instruct the Administrative Agent within the time prescribed by Administrative Agent shall be deemed as the Holder's consent to the action or inaction taken by the Administrative Agent.

3.7.6 5.4 Nonrecourse Liability. The Administrative Agent shall not be liable to any Holder for any action taken or omitted to be taken by it or them hereunder, or in connection herewith including pursuant to this Agreement or any other Loan Document, unless caused by Administrative Agent's own gross negligence or willful misconduct.

3.7.7 5.5 Reimbursement and Indemnification of Administrative Agent by Issuer. Issuer agrees to reimburse, indemnify defend and save the Administrative Agent harmless from and against all liabilities, costs, expenses or disbursements, including attorneys' fees and disbursements, of any kind or nature whatsoever which may be imposed on, incurred by or asserted against the Administrative Agent, in its capacity as such, in any way relating to or arising out of this Agreement or any other Loan Document; provided that Issuer shall not be liable for any portion

of such liabilities, costs, expenses or disbursements if the same results from the Administrative Agent's gross negligence or willful misconduct.

3.7.8 5.6 Compensation. Administrative Agent shall be entitled to compensation and reimbursement of expenses as set forth below which amounts shall be the obligation of the Company and shall be added to the amounts otherwise payable under the SAFEs:

3.7.9 (a) Flat Fee. As compensation to the Administrative Agent for the services provided by the Administrative Agent to the Holders in the execution and documentation of any Collateral securing the obligations evidenced by the SAFEs, Holders acknowledge and agree that Administrative Agent may be paid a flat fee.

3.7.10 (b) Hourly Rate. As compensation to the Administrative Agent for the services provided by the Administrative Agent in connection with any Enforcement Proceeding, Administrative Agent shall be entitled to receive reasonable compensation at the hourly rate plus reimbursement of all out of pocket expenses reasonably incurred by the Administrative Agent.

3.7.11 (c) Surcharge. Upon the occurrence of an Event of Default that is continuing, all payments under the SAFEs shall be directed to and held in escrow until the Event of Default is cured or otherwise resolved. Each Holder acknowledges and agrees that the Administrative Agent may surcharge (i) the Collateral, if any, and (ii) the funds maintained in escrow in an amount equal to the outstanding and unpaid portion of the compensation due and payable to the Administrative Agent under the terms of this Agreement, prior to causing the balance of said proceeds or funds to be distributed to the Holders on a pro rata basis.

3.7.12 5.7 Successor Administrative Agent. The Administrative Agent (i) may resign as Administrative Agent by providing Notice ("Notice of Resignation") or (ii) shall resign if such resignation is requested by the Required Holders, by giving not less than thirty (30) days' prior written notice to the Holders and the Issuer. Upon the occurrence of an Event of Default, each Holder hereby acknowledges and agrees that Honeycomb Collateral LLC shall resign as the Administrative Agent and that the Holders must appoint a successor Administrative Agent on or before the date specified in the Notice of Resignation. Each Holder further acknowledges that Honeycomb Collateral LLC cannot hold or distribute funds on behalf of any Holder and that a successor Administrative Agent

must be appointed prior to the receipt of any funds on behalf of any Holder in any Enforcement Proceeding or otherwise. If the Administrative Agent resigns under this Agreement, then either (a) the Required Holders shall appoint from among the Holders a successor agent for the Holders or (b) if a successor agent shall not be so appointed and approved within the earlier of: (i) the thirty (30) day period immediately following the Administrative Agent's Notice of Resignation; or (ii) the need to appoint a successor Administrative Agent to receive and distribute funds on behalf of Holders, as reasonably determined by Honeycomb Collateral LLC in its sole discretion, then the Administrative Agent shall appoint a successor agent who shall serve as Administrative Agent until such time as the Required Holders appoint a successor agent. For purposes of appointing a successor Administrative Agent, only, the Required Holders shall be determined by reference to Holders holding at least a majority of the then outstanding amount of the obligations evidenced by the SAFEs on an aggregate basis that have cast a vote timely. Upon its appointment pursuant to either clause (a) or (b) above, such successor agent shall succeed to the rights, powers and duties of the Administrative Agent, and the term "Administrative Agent" shall mean such successor agent, effective upon its appointment, and the former Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement. After the resignation of any Administrative Agent hereunder, the provisions of this Agreement shall inure to the benefit of such former Administrative Agent and such former Administrative Agent shall not by reason of such resignation be deemed to be released from liability for any actions taken or not taken by it while it was an Administrative Agent under this Agreement.

3.7.13 5.8 Calculations. In the absence of gross negligence or willful misconduct, Holder acknowledges and agrees that there will be no liability for any error in computing the amount payable to any Holder whether in respect of the SAFEs, fees or any other amounts due to the Holder under this Agreement. In the event an error in computing any amount payable to any Holder is made, the Administrative Agent, the Issuer and each affected Holder shall, forthwith upon discovery of such error, make such adjustments as shall be required to correct such error.

ARTICLE VI

3.8 6.1 Event of Default. Any of the following shall constitute an "Event of Default":

3.8.1 (a) Non-Payment. The Issuer fails to pay to a Holder any amount due and such failure continues for thirty (30) days following written notice to the Issuer; or

3.8.2 (b) Representation or Warranty. Any representation, warranty or certification by or on behalf of the Issuer shall prove to have been incorrect in any material respect on or as of the date made or deemed made; or

3.8.3 (c) Insolvency. Issuer ceases or fails to be solvent or admits in writing its general inability to pay, its debts as they become due, subject to applicable grace periods, if any;

3.8.4 (d) Breach of Other Obligations. Issuer breaches a material obligation owed to a third party, including breach of any loan documents with another lender; or

3.8.5 (e) Involuntary Proceeding. The Issuer becomes subject to an involuntary proceeding of bankruptcy, insolvency, or otherwise subject to receivership and remains so for a period of ninety (90) days; or

3.8.6 (f) Change of Control. All outstanding principal and accrued interest shall be immediately due and payable upon a Change of Control of the Issuer. For these purposes, the term "Change of Control" means (i) the sale or other disposition of all or any substantial portion of the assets or equity securities of the Issuer; (ii) a change in more than fifty percent (50%) of the effective voting power of the Issuer; or (iii) any merger or reorganization of the Issuer, except a merger in which those in control of the Issuer retain more than fifty percent (50%) of the combined voting power of the resulting entity; or

3.8.7 (g) Bankruptcy. Issuer files a voluntary bankruptcy proceeding.

3.8.8 6.2 Remedies. Upon the occurrence and during the continuance of an Event of Default in Section 6.1(a)-(f), then the Required Holders may instruct the Administrative Agent to declare all amounts owed under the SAFEs to be immediately due and payable. Upon the occurrence of an Event of Default in Section 6.1(g), all amounts owed under the SAFEs shall automatically be accelerated and become immediately due and payable without prior written notice or demand. Upon the occurrence of any Event of Default that is continuing, Holders shall have the right to exercise all rights and remedies available to them under this Agreement, any Loan Document, at law or in equity, consistent with the procedures set forth in this Agreement.

3.8.9 6.3 No Individual Right of Action. Each Holder acknowledges and agrees that no Holder has an individual right of action to enforce its SAFE or any of the Loan Documents against the Issuer and is bound by the decision and instructions provided to the Administrative Agent by the Required Holders consistent with the terms of this Agreement.

3.8.10 6.4 Force Majeure. An Event of Default shall not be deemed to have occurred if a breach or failure by the Issuer is caused by Acts of God, government restrictions (including the denial or cancellation of any export, close of business or other extraordinary measures), wars, insurrections and/or any other cause beyond the reasonable control of the Issuer; provided that the Administrative Agent shall give Holders written notice describing the force majeure in reasonable detail given the information presently available. Performance under the SAFEs is suspended for the period of time in which the force majeure is in effect, plus thirty (30) days thereafter (the "Force Majeure Period"). The Force Majeure Period may be extended further in the discretion of the Administrative Agent with the consent of the Required Holders pursuant to the procedures outlined in Section 5.3 of this Agreement. Any payments made by any Issuer during the Force Majeure Period are not subject to refund. The term length of the SAFE shall not be adjusted if the Force Majeure is put into effect.

3.8.11

ARTICLE VII

MISCELLANEOUS

3.8.12 7.1 LIMITATIONS ON DAMAGES. NEITHER ISSUER NOR ADMINISTRATIVE AGENT WILL BE LIABLE TO ANY HOLDER FOR ANY LOST PROFITS OR SPECIAL, CONSEQUENTIAL, OR PUNITIVE DAMAGES, EVEN IF HOLDER DISCLOSES IT MIGHT INCUR THOSE DAMAGES. The maximum liability the Issuer or Administrative Agent may have to any Holder is the amount of such Holder's investment as evidenced by the SAFE.

3.8.13 7.2 NO CLASS ACTION CLAIMS. NO LAWSUIT SHALL PROCEED ON A CLASS, REPRESENTATIVE, OR COLLECTIVE BASIS. No party may join, consolidate, or otherwise bring claims for or on behalf of two or more individuals or unrelated corporate entities in the same lawsuit unless those persons are parties to a single transaction. An award shall determine the rights and obligations of the named

parties only, and only with respect to the claims in the lawsuit, and shall not (i) determine the rights, obligations, or interests of anyone other than a named party, or resolve any claim of anyone other than a named party, or (ii) make an award for the benefit of, or against, anyone other than a named party. No administrator or arbitrator shall have the power or authority to waive, modify, or fail to enforce this paragraph, and any attempt to do so, whether by rule, policy, arbitration decision or otherwise, shall be invalid and unenforceable. Any challenge to the validity of this paragraph shall be determined exclusively by a court and not by the administrator or any arbitrator. If this paragraph shall be deemed unenforceable, then any proceeding in the nature of a class action shall be handled in court, not in arbitration

3.8.14 7.3 Consent to Jurisdiction and Service of Process; Waiver of Jury Trial.

3.8.15 (a) Issuer and each Holder hereby: (i) irrevocably submits to the jurisdiction of the Court of Common Pleas of Allegheny County, Pennsylvania and to the jurisdiction of the United States District Court for the Western District of Pennsylvania for the purposes of any action or proceeding arising out of or relating to any of this Agreement or the SAFEs or the subject matter thereof and brought by the Administrative Agent on behalf of the Holder; (ii) waives and agrees not to assert, by way of motion, as a defense or otherwise, in any such action or proceeding, any claim that (A) it is not personally subject to the jurisdiction of such courts, (B) the action or proceeding is brought in an inconvenient forum or (C) the venue of the action or proceeding is improper; and (iii) agrees that, notwithstanding any right or privilege it may possess at any time, such party and its assets are subject to suit on account of the obligations assumed by it hereunder.

3.8.16 (b) THE PARTIES WAIVE THE RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO ANY OF THE TRANSACTION DOCUMENTS OR THE SUBJECT MATTER THEREOF AND BROUGHT BY ANY OTHER PARTY.

3.8.17 (c) The Holders acknowledge that this is a commercial transaction, that the foregoing provisions for consent to jurisdiction, service of process and waiver of jury trial have been read, understood and voluntarily agreed to by them and that by agreeing to such provisions they are waiving important legal rights. The obligations of the parties under this Section will survive any termination of this Agreement.

3.8.18 7.4 Creditor-Debtor Relationship. The relationship between each Holder, on the one

hand, and the Issuer, on the other hand, is solely that of creditor and debtor.

3.8.19 7.5 Expenses. Each party shall be responsible for its own expenses, including without limitation all attorney's fees which arise out of or relate to the documentation of this Agreement or the SAFEs.
