Recognition:

Kosher Table, Inc (DBA Got Kosher?) can be found in grocery stores throughout Southern California, including Whole Foods and Gelson's in LA. Since 2010 they have brought onto the worldwide market a new twist on a 3000year-old tradition of making challah, a weekly festival Jews have been following to get re-charged and boosted. They dipped the bread into a pretzel solution and added Belgian chocolate chunks or kalamata olives, rosemary, apple, raisins, honey, etc. They now have 15 flavors, traditional and gourmet, plus one very unique challah for each Jewish holiday and a Thanksgiving Turkey challah for everybody.

About:

Kosher Table, Inc (DBA Got Kosher?) is renowned for Chef Alain Cohen's personal creation: Pretzel Challah. The lines are out the door as people come from far and wide to buy their favorite flavor. Got Kosher? was named Best Non-Traditional Challah by Los Angeles Magazine.
