Section 2.5 Purchase Price Adjustment; Selected Financial Items.

(a) Within 60 days after the Closing Date, Clorox shall deliver to HCI a statement setting forth the Selected Financial Amount as of the close of business on the Closing Date (the “Closing Date Selected Financial Amount Statement”) prepared in accordance with Section 2.5(e). HCI and its representatives and accountants shall have the right to observe the process of the preparation of the Closing Date Selected Financial Amount Statement, and such access as they may reasonably request for such purpose to any books, records, work papers or other information.

(b) In the event that the Selected Financial Amount reflected on the Closing Date Selected Financial Amount Statement is less than the amount designated as the Base Selected Financial Amount in Section 2.5 of Clorox’s Disclosure Schedule (the “Base Selected Financial Amount”), Clorox shall pay to Splitco, by wire transfer of immediately available funds, an amount equal to the excess of the Base Selected Financial Amount over the Selected Financial Amount reflected on the Closing Date Selected Financial Amount Statement. In the event that the Selected Financial Amount reflected on the Closing Date Selected Financial Amount Statement is greater than the Base Selected Financial Amount, HCI shall cause Splitco to pay to Clorox, by wire transfer of immediately available funds, an amount equal to the excess of the Selected Financial Amount reflected on the Closing Date Selected Financial Amount Statement over the Base Selected Financial Amount. Any payments required pursuant to this paragraph (b) shall be made within 30 calendar days following the receipt by HCI of the Closing Date Selected Financial Amount Statement, unless an Selected Financial Dispute Notice is delivered.

(c) If, within 30 calendar days after the date of receipt by HCI of the Closing Date Selected Financial Amount Statement, HCI disputes the Selected Financial Amount reflected therein, HCI will give written notice to Clorox within such 30 calendar day period (an “Selected Financial Dispute Notice”). Any Selected Financial Dispute Notice shall (i) specify in reasonable detail the nature of any disagreement so asserted and (ii) only include disagreements based on errors of fact, mathematical errors or based on the Selected Financial Amount not being calculated in accordance with this Section 2.5. The scope of the disputes to be resolved by the Dispute Accountants shall be limited to the items referred to in clause (ii) of the immediately preceding

sentence, and the Dispute Accountants are not to make any other determination. In the event that HCI notifies Clorox in writing that it has accepted the Closing Date Selected Financial Amount Statement, or in the event that HCI does not deliver an Selected Financial Dispute Notice within 30 calendar days of receipt of the Closing Date Selected Financial Amount Statement, then the Closing Date Selected Financial Amount Statement shall become the final Closing Date Selected Financial Amount Statement (the “Final Closing Date Selected Financial Amount Statement”).

(d) If HCI submits an Selected Financial Dispute Notice to Clorox within such 30-day period, HCI and Clorox shall work together in good faith to seek to resolve any differences that they may have with respect to the matters specified in the Selected Financial Dispute Notice. If Clorox and HCI are unable to resolve their disagreement within 30 calendar days after Clorox’s receipt of an Selected Financial Dispute Notice from HCI, the dispute shall be referred to a nationally known firm of independent public accountants mutually selected by Clorox and HCI (the “Dispute Accountants”) as promptly as practicable for determination of any and all matters that remain in dispute and were properly included in the Selected Financial Dispute Notice. In the event that Clorox and HCI are unable to agree on the Dispute Accountants, then the Parties agree to retain PricewaterhouseCoopers LLP. The Dispute Accountants will make a determination as to any and all matters that remain in dispute and were properly included in the Selected Financial Dispute Notice, which determination will be (a) in writing, (b) furnished to each of Clorox and HCI as promptly as practicable after the dispute has been referred to the Dispute Accountants, (c) made in accordance with this Agreement, and (d) conclusive and binding. Clorox and HCI will use commercially reasonable efforts to cause the Dispute Accountants to render their decision within 30 days of submitting such dispute and shall promptly comply with all reasonable written requests for information, books, records and similar items. Neither party will disclose to the Dispute Accountants, and the Dispute Accountants will not consider for any purpose, any settlement offer made by either party. As part of the resolution of all outstanding disputes, the parties will cause the Dispute Accountants to prepare the Final Closing Date Selected Financial Amount Statement. Any payments required upon the determination by the Dispute Accountants shall be made within 10 calendar days following such determination.

(e) As used herein, the term “Selected Financial Amount” has the meaning set forth in Section 2.5 of Clorox’s Disclosure Schedule and will be calculated in accordance with the methodologies set forth in Section 2.5 of Clorox’s Disclosure Schedule. The parties acknowledge that the Base Selected Financial Amount was also calculated in accordance with the methodologies set forth in Section 2.5 of Clorox’s Disclosure Schedule. Following the Closing and until the adjustments provided in this Section 2.5 are completed, HCI shall not take any actions with respect to the accounting books and records of the Transferred Businesses on which the Closing Date Selected Financial Amount Statement is to be based that are not consistent with the Transferred Businesses’ past practices.

Section 2.6 Purchase Price Adjustment; Clorox Korea.

(a) Within 60 days after the Closing Date, Clorox shall deliver to HCI a statement setting forth the Korea Working Capital as of the close of business on the Closing Date (the “Closing Date Korea Working Capital Statement”) prepared in accordance with the procedures outlined in this Section 2.6. HCI and its representatives and accountants shall have the right to observe the process of the preparation of the Closing Date Korea Working Capital Statement, and

such access as they may reasonably request for such purpose to any books, records, work papers or other information.

(b) In the event that the Korea Working Capital reflected on the Closing Date Korea Working Capital Statement is less than the amount designated as the Base Korea Working Capital in Section 2.6 of Clorox's Disclosure Schedule (the "Base Korea Working Capital"), Clorox shall pay to Splitco, by wire transfer of immediately available funds, an amount equal to the excess of the Base Korea Working Capital over the Korea Working Capital reflected on the Closing Date Korea Working Capital Statement. In the event that the Korea Working Capital reflected on the Closing Date Korea Working Capital Statement is greater than the Base Korea Working Capital, HCI shall cause Splitco to pay to Clorox, by wire transfer of immediately available funds, an amount equal to the excess of the Korea Working Capital reflected on the Closing Date Korea Working Capital Statement over the Base Korea Working Capital. Any payments required pursuant to this paragraph (b) shall be made within 30 calendar days following the receipt by HCI of the Closing Date Korea Working Capital Statement, unless a Korea Working Capital Dispute Notice is delivered.

(c) If, within 30 calendar days after the date of receipt by HCI of the Closing Date Korea Working Capital Statement, HCI disputes the Korea Working Capital reflected therein, HCI will give written notice to Clorox within such 30 calendar day period (a "Korea Working Capital Dispute Notice"). Any Korea Working Capital Dispute Notice shall (i) specify in reasonable detail the nature of any disagreement so asserted and (ii) only include disagreements based on errors of fact, mathematical errors or based on the Korea Working Capital not being calculated in accordance with this Section 2.6. The scope of the disputes to be resolved by the Dispute Accountants shall be limited to the items referred to in clause (ii) of the immediately preceding sentence, and the Dispute Accountants are not to make any other determination. In the event that HCI notifies Clorox in writing that it has accepted the Closing Date Korea Working Capital Statement, or in the event that HCI does not deliver a Korea Working Capital Dispute Notice within 30 calendar days of receipt of the Closing Date Korea Working Capital Statement, then the Closing Date Korea Working Capital Statement shall become the final Closing Date Korea Working Capital Statement (the "Final Closing Date Korea Working Capital Statement").

(d) If HCI submits a Korea Working Capital Dispute Notice to Clorox within such 30-day period, HCI and Clorox shall work together in good faith to seek to resolve any differences that they may have with respect to the matters specified in the Korea Working Capital Dispute Notice. If Clorox and HCI are unable to resolve their disagreement within 30 calendar days after Clorox's receipt of a Korea Working Capital Dispute Notice from HCI, the dispute shall be referred to the Dispute Accountants as promptly as practicable for determination of any and all matters that remain in dispute and were properly included in the Korea Working Capital Dispute Notice. The Dispute Accountants will make a determination as to any and all matters that remain in dispute and were properly included in the Korea Working Capital Dispute Notice, which determination will be (a) in writing, (b) furnished to each of Clorox and HCI as promptly as practicable after the dispute has been referred to the Dispute Accountants, (c) made in accordance with this Agreement, and (d) conclusive and binding. Clorox and HCI will use commercially reasonable efforts to cause the Dispute Accountants to render their decision within 30 days of submitting such dispute and shall promptly comply with all reasonable written requests for information, books, records and similar items. Neither Clorox nor HCI shall disclose to the Dispute

Accountants, and the Dispute Accountants will not consider for any purpose, any settlement offer made by either party. As part of the resolution of all outstanding disputes, the parties will cause the Dispute Accountants to prepare the Final Closing Date Korea Working Capital Statement. Any payments required upon the determination by the Dispute Accountants shall be made within 10 calendar days following such determination.

(e) The term “Korea Working Capital” means the Current Assets minus the Current Liabilities. The terms “Current Assets” and “Current Liabilities” mean the current assets and current liabilities, respectively, of Clorox Korea, calculated in accordance with GAAP as reflected in the balance sheet of Clorox Korea included in the Business Financial Statements (each of which shall have been adjusted to exclude all Excluded Assets and Excluded Liabilities) and otherwise in accordance with Section 2.6 of Clorox’s Disclosure Schedule. Following the Closing and until the adjustments provided in this Section 2.6 are completed, HCI shall not take any action with respect to the accounting books and records of Clorox Korea on which the Closing Date Korea Working Capital Statement is to be based that are not consistent with Clorox Korea’s past practices. Without limiting the generality of the foregoing, no changes shall be made in any reserve or other account existing as of the date of the balance sheet of Clorox Korea included in the Business Financial Statements, except as a result of events occurring after the date of such balance sheet and, in such event, only in a manner consistent with past practices.

Section 2.7 Purchase Price Adjustment; Additional Provisions.

(a) Any payments made pursuant to Sections 2.5 and 2.6 shall be treated as set forth in the Tax Matters Agreement.

(b) HCI and Clorox shall share the fees and expenses charged by any Dispute Accountants retained hereunder in respect of any Selected Financial Dispute Notice or any Korea Working Capital Dispute Notice, unless one party’s position in any such dispute shall have been determined by the Dispute Accountants to be correct, in which case the other party shall pay all such fees and expenses for such dispute.

ARTICLE IV REPRESENTATIONS AND WARRANTIES OF CLOROX

Except as set forth in Clorox's Disclosure Schedule (which shall include specific references to the section of this Agreement to which the information stated in such disclosure schedule relates; provided, however, that any fact or item disclosed in any section of such disclosure schedule that relates to a representation or warranty of Clorox in this Agreement shall be deemed to be disclosed with respect to any other section thereof and of this Agreement that relates to any other representation or warranty of Clorox in this Agreement to the extent that it is readily apparent from the face of such disclosure that such disclosure is applicable to such sections), Clorox hereby represents and warrants to Parent and HCI, as of the date hereof and as of the Closing Date (or, if made as of a specified date, as of such specified date), as follows (it being understood and agreed that, with respect to Splitco and any Clorox Entity not in existence as of the date hereof or ceasing to exist after the date hereof, these representations and warranties are made only if Splitco or such Clorox Entity is in existence as of the date such representations and warranties are made):

Section 4.1 Organization and Standing. Each of Clorox, the Clorox Entities and Splitco is (a) a corporation, limited liability company or other legal entity duly organized, validly existing and duly qualified or licensed and, if applicable, in good standing under the Laws of the state or jurisdiction of its organization with full corporate or other power, as the case may be, and authority to own, lease, use and operate its properties and to conduct its business, and (b) duly qualified or licensed to do business and, to the extent applicable, in good standing in any other jurisdiction in which the nature of the business conducted by it or the property it owns, leases, uses or operates requires it to so qualify, be licensed or be in good standing, except where the failure to be so qualified, licensed or in good standing would not, individually or in the aggregate, be reasonably likely to have a Material Adverse Effect on the Transferred Businesses, taken as a whole, or on Splitco and Clorox Korea, taken as a whole. Clorox has furnished or made available to HCI a complete and correct copy of the certificate of incorporation and by-laws for Clorox, each as in effect on the date hereof, and will furnish or make available to HCI, as of the Closing, a complete and correct copy of the certificate of incorporation and by-laws (or other organizational documents) for Splitco, each as in effect as of the Closing. Section 4.1 of Clorox's Disclosure Schedule sets forth a list, correct and complete, of the Clorox Entities as of the date of this Agreement.

Section 4.2 Subsidiaries. As of the Closing, all of the outstanding shares of capital stock of Clorox Korea and the HIBSA Equity Interest will be owned by Splitco, free and clear of all Encumbrances, and will be duly authorized, validly issued, fully paid and, to the extent such concept is recognized by applicable Law, nonassessable and not subject to any preemptive or subscription rights (and not issued in violation of any preemptive or subscription rights). Splitco shall have good and valid title to all such shares and the HIBSA Equity Interest. As of the Closing, neither Splitco nor Clorox Korea shall own, directly or indirectly, or have entered into any

agreement, arrangement or understanding to purchase or sell any capital stock or other ownership interests in any Person.

Section 4.3 Capitalization.

(a) As of the date hereof, the authorized capital stock of Splitco and Clorox Korea and the number of shares of such capital stock issued and outstanding is as set forth in Section 4.3 of Clorox's Disclosure Schedule. Clorox will, as of the Closing, own all of the issued and outstanding shares of Splitco beneficially and of record, free and clear of any Encumbrances. There will, as of the Closing, be no shares of capital stock of Splitco issued or outstanding other than the Splitco Shares. As of the Closing, Clorox shall have the sole, absolute and unrestricted right, power and capacity to exchange, assign and transfer all of the Splitco Shares to HCI. Assuming HCI has the requisite power and authority to be the lawful owner of the Splitco Shares, upon delivery to HCI of the certificates representing the Splitco Shares at the Closing and upon receipt by Clorox of the HCI-Owned Clorox Shares in exchange for the Splitco Shares at the Closing in accordance with the terms of this Agreement, HCI will acquire good and valid title to the Splitco Shares, free and clear of any Encumbrances, other than Encumbrances created by HCI or any of its Affiliates.

Section 4.5 Conflicts; Consents and Approvals. Neither the execution and delivery by Clorox or any of its Affiliates of this Agreement, the Ancillary Agreements and the other agreements, documents and instruments to be executed and delivered by any of them in connection with this Agreement and the Ancillary Agreements, nor the consummation of the transactions contemplated hereby and thereby, does, or, with respect to the Ancillary Agreements and any such other agreements to be executed after the date hereof and the consummation of the transactions contemplated thereby, will as of the Closing:

(a) conflict with, or result in a breach of any provision of, the organizational documents of (a) Clorox, any Clorox Entity or such Affiliate of Clorox that is, or is specified to be, a party to the Ancillary Agreements or any other agreements and instruments to be executed and delivered in connection therewith;

(b) violate, or conflict with, or result in a breach of any provision of, or constitute a default (or an event that, with the giving of notice, the passage of time or otherwise, would constitute a default) under, or entitle any Person (with the giving of notice, the passage of time or otherwise) to terminate, accelerate, modify or call a default under, or give rise to any obligation to make a payment under, or to any increased, additional or guaranteed rights of any Person under, or result in the creation of any Encumbrance upon any Business Asset or the Splitco Shares or the HIBSA Equity Interest under any of the terms, conditions or provisions of (i) any Contract to which Clorox, the Clorox Entities (with respect to the Transferred Businesses) or Splitco is a party or to which any of their respective properties or assets (including the Business Assets) are bound or (ii) any permit, registration, approval, license or other authorization or filing to which Clorox, the Clorox Entities (with respect to the Transferred Businesses) or Splitco is subject or to which any of their respective properties or assets (including the Business Assets) is subject, in

(c) require any action, consent or approval of any non-governmental third party other than any such action, consent or approval the failure to obtain which would not, individually or in the aggregate, be reasonably likely to (A) have a Material Adverse Effect on the Transferred Businesses, taken as a whole, or (B) prevent or materially impede or delay the consummation by Clorox of the transactions contemplated hereby;

(d) violate any material order, writ, or injunction, decree or Law applicable to Clorox, the Clorox Entities, Splitco or any Affiliate of Clorox that is, or is specified to be, a party to the Ancillary Agreements or any Business Asset or the Transferred Businesses; or

operate the Transferred Businesses as of the Closing Date in compliance with applicable Laws, including Environmental Laws; provided that Parent or HCI shall reimburse Clorox or any of its Affiliates for all reasonable costs and expenses incurred by each of them in connection with the foregoing. Alternatively, and where not prohibited by applicable Law or the terms of any Environmental Permit, the parties may execute an agreement providing that a portion or all of the operations of the Transferred Businesses and the Business PP&E will be conducted after Closing, subject to the same material operating conditions, pursuant to existing Environmental Permits held by Clorox or any of its Affiliates.

(e) In furtherance and without limitation to the foregoing Clorox shall, and shall cause its Affiliates to, cooperate with Splitco or Clorox Korea in connection with any claim that the Business Intellectual Property infringes the rights of any other Person or with any claim by Splitco that Intellectual Property of any other Person infringes any of the Business Intellectual Property; provided that Parent or HCI shall reimburse Clorox and any of its Affiliates for all reasonable costs and expenses incurred by each of them in connection with the foregoing.

Section 6.4 Certain Covenants.

(a) Each of HCI and Clorox shall (i) promptly make or cause to be made all filings required of each of them or any of their respective Subsidiaries or Affiliates under the HSR Act or any other applicable merger control or similar Law with respect to the transactions contemplated hereby after the date of this Agreement, (ii) use commercially reasonable efforts to comply at the earliest practicable date with any request for additional information, documents, or other materials received by each of them or any of their respective Affiliates from the FTC, the Antitrust Division or any other Governmental Authority in respect of such filings or such transactions, and (iii) cooperate with each other in connection with any such filing (including, to the extent permitted by applicable Law and subject to all applicable privileges (including the attorney client privilege), providing copies of all such documents to the non-filing parties prior to filing and considering all reasonable additions, deletions or changes suggested in connection therewith) and in connection with resolving any investigation or other inquiry of any of the FTC, the Antitrust Division or other Governmental Authorities under any Antitrust Laws with respect to any such filing or any such transaction. Each party hereto shall use commercially reasonable efforts to furnish to each other all information required for any application or other filing to be made pursuant to any applicable Law in connection with the transactions contemplated by this Agreement. Subject to applicable Law, each party hereto shall promptly inform the other parties hereto of any oral communication with, and provide copies of written communications with, any Governmental Authority regarding any such filings or any such transaction. Subject to applicable Law, no party hereto shall independently participate in any formal meeting with any Governmental Authority in respect of any such filings, investigation, or other inquiry without giving the other parties hereto prior notice of the meeting and, to the extent permitted by such Governmental Authority, the opportunity to attend and/or participate. Subject to applicable Law and subject to all applicable privileges (including the attorney client privilege), the parties hereto will consult and cooperate with one another in connection with any analyses, appearances, presentations, memoranda, briefs, arguments, opinions and proposals made or submitted by or on behalf of any party hereto relating to proceedings under the HSR Act or any other applicable merger control or similar Law. Any party may, as it deems advisable and necessary, reasonably designate any competitively sensitive material provided to the other parties under this Section 6.4 as “outside counsel only.” Such materials and

the information contained therein shall be given only to the outside legal counsel of the recipient and will not be disclosed by such outside counsel to employees, officers, or directors of the recipient, unless express written permission is obtained in advance from the source of the materials.

(b) Each of the parties hereto shall use commercially reasonable efforts to resolve such objections, if any, as may be asserted by any Governmental Authority with respect to the transactions contemplated by this Agreement under the HSR Act, the Sherman Act, as amended, the Clayton Act, as amended, the Federal Trade Commission Act, as amended, and any other supranational, national, federal or state statutes, rules, regulations, orders, decrees, administrative or judicial doctrines or other Laws that are designed to prohibit, restrict or regulate actions having the purpose or effect of monopolization or restraint of trade or otherwise relating to merger control (collectively, the “Antitrust Laws”). Each of HCI and Clorox shall use commercially reasonable efforts to take such action as may be required to cause the expiration of the notice periods under the HSR Act with respect to such transactions as promptly as possible after the execution of this Agreement.

Section 6.5 Notification by the Parties. Each party hereto shall as promptly as practicable inform the other parties hereto in writing if, prior to the consummation of the Closing, it becomes aware of any event or circumstance that such party believes would be reasonably likely to cause or result in the failure of any of the conditions set forth in Section 8.2(a), 8.2(b), 8.3(a) or 8.3(b) of this Agreement. Any such notification shall not be deemed to have cured any breach of any representation, warranty, covenant or agreement made in this Agreement for any purposes of this Agreement.

Section 6.6 Insurance Policies. Clorox shall, and shall cause the Clorox Entities and Splitco to, use their commercially reasonable efforts to maintain all Insurance Policies (or comparable policies providing substantially similar coverage with respect to Splitco, the Transferred Businesses, the Business Assets and the Business Liabilities) in full force and effect at all times up to and including the Closing Date and shall pay all premiums, deductibles and retro-adjustment billings, if any, with respect thereto covering all periods, and ensuring coverage of the Transferred Businesses, up to and including the Closing Date.

Section 6.7 Confidentiality; Access to Records after Closing.

(a) HCI acknowledges that the information being provided to it in connection with the Exchange and the consummation of the other transactions contemplated hereby, or by any of the Ancillary Agreements, is subject to the terms of the Confidentiality Agreement, the terms of which are incorporated herein by reference. Effective upon, and only upon, the Closing, the Confidentiality Agreement shall terminate with respect to information relating to the Transferred Businesses, the Business Assets and the Business Liabilities; provided, however, that HCI acknowledges that any and all other information provided to it by Clorox or its representatives concerning Clorox or any of its Affiliates (other than information relating to the Transferred Businesses, the Business Assets and the Business Liabilities) shall remain subject to the terms and conditions of the Confidentiality Agreement after the Closing.

(b) Clorox recognizes that, after the Closing, it may have documents, books, records, work papers and information, in whatever form (collectively, “Records”) which relate to

the Transferred Businesses with respect to the period or matters arising prior to the Closing, including Records pertaining to the Business Assets and the Business Liabilities (the “Business Records”) or other Records relating to the Transferred Businesses. For a period of five years after the Closing (or, in the case of Business Records and Confidential Business Information constituting certain product specific information, consisting of proprietary product formulations, product manufacturing processes, the identity of suppliers and the terms of supply agreements, for a period of ten years after the Closing), Clorox will use, and will cause its respective Affiliates to use, reasonable best efforts to preserve the confidentiality of any information contained in the Business Records and Confidential Business Information relating to the Transferred Businesses, the Business Assets or the Business Liabilities and to keep such information confidential, subject to any provisions of confidentiality in the Ancillary Agreements and except (i) to the extent that such Confidential Business Information has been or has become (x) generally available to the public other than as a result of the disclosure by Clorox or any of its Affiliates or any of their respective officers, directors, employees, representatives, consultants, advisors or agents, or (y) known to the Person receiving such Confidential Business Information on a non-confidential basis other than as a result of disclosure by Clorox or any of its Affiliates or any of their respective officers, directors, employees, representatives, consultants, advisors or agents, before the date of disclosure of such Confidential Information to such Person or (ii) pursuant to the order, request or demand of any Governmental Authority or in any pending legal or administrative proceeding, or otherwise as required by applicable Law or compulsory legal process. Clorox further recognizes that HCI or its Affiliates may need access to such Business Records and other Records after the Closing. Upon HCI’s or Splitco’s reasonable request Clorox shall provide HCI or Splitco and their respective employees, representatives and agents access to, and the right to photocopy (at Parent’s, HCI’s or Splitco’s expense), during normal business hours on reasonable advance notice, such reasonably requested Records. Clorox shall use commercially reasonable efforts to maintain all such Records for the same length of time that Clorox maintains its own Records, or, at Clorox’s discretion (at Clorox’s expense) or (at any time) at Parent’s, HCI’s or Splitco’s reasonable request (at HCI’s or Splitco’s expense), transfer any such Records to HCI or Splitco.

(c) Notwithstanding any provision herein to the contrary, from and after the Closing, Records pertaining to Taxes shall be governed solely by the Tax Matters Agreement.

Section 6.8 Release of Guarantees; Intercompany Accounts.

(a) Clorox shall use commercially reasonable efforts to obtain at or before the Closing the release of all guarantees granted by Splitco in respect of any Indebtedness or other obligations of Clorox or any of its Affiliates (other than Splitco and Clorox Korea), other than Business Liabilities.

(b) Prior to the Closing, all intercompany receivables or payables and loans then existing between Clorox and its Affiliates (other than Splitco), on the one hand, and Splitco or the Transferred Businesses, on the other hand, shall be settled by way of capital contribution, dividend or otherwise and all Intercompany Arrangements shall be terminated and shall not constitute Business Assets or Assumed Liabilities, as the case may be, except for any such arrangements contemplated by the Ancillary Agreements.

Section 6.9 Cooperation with Respect to Financial Reporting. After the date of this Agreement, until the third anniversary of the date hereof, Clorox shall, and shall cause the Clorox Entities and Splitco to, reasonably cooperate with Parent and HCI (at Parent's and HCI's expense) in connection with each of Parent and HCI's preparation of historical financial statements of the Transferred Businesses as required for Parent and HCI following the Closing. After the Closing, until the third anniversary of the date hereof, each of Parent and HCI shall, and shall cause Splitco to, reasonably cooperate with Clorox (at Clorox's expense) in connection with Clorox's preparation of pro forma and historical financial statements of the Transferred Businesses as may be required for Clorox's filings under the Exchange Act following the Closing or in connection with any financing transaction of Clorox or any of its Affiliates.

Section 6.10 Non-Solicitation of Employees. For a period of three years from and after the Closing Date, Clorox and HCI shall not, and shall cause each of their respective Subsidiaries not to, directly or indirectly, solicit the employment of any employee of the other or of its Subsidiaries following the Closing, without the other's prior written consent; provided, however, that the foregoing provisions shall not apply to (i) a general advertisement or solicitation program that is not specifically targeted at such persons or (ii) the solicitation of any employee after such time as such employee's employment with the other has terminated.

Section 6.11 No Solicitation. From the date hereof until the Closing or the earlier termination of this Agreement, other than in the ordinary course of business, Clorox shall not, nor shall it authorize or permit any of the Clorox Entities or Splitco to, solicit the submission of any offers or proposals for Splitco or (except in the ordinary course of business) any Business Assets from any third party or directly or knowingly indirectly pursue any offer or proposal so received or sell, or cause or permit any of its Subsidiaries to sell, Splitco or (except in the ordinary course of business) any Business Assets. From the date hereof until the Closing or the earlier termination of this Agreement, Parent shall not, nor shall it authorize or permit any of its Subsidiaries to, solicit the submission of offers or proposals for the sale of the HCI-Owned Clorox Shares, from any third party or directly or knowingly indirectly pursue any offer or proposal so received or sell, or cause any of its Subsidiaries to sell, any of the HCI-Owned Clorox Shares.

Section 6.12 Use Of Names. (a) (i) As soon as reasonably practicable but in no event later than 180 days after the Closing, HCI shall cause each of Splitco and Clorox Korea to change its corporate name to a name that does not include the word "Clorox" and (ii) HCI shall have no right to use the name of Clorox or of any of its Subsidiaries, except that, for a period ending 180 days after the Closing, HCI shall have the right to use any inventory, stationery, catalogues, sales and promotional materials, product packaging and printed forms that are Related to the Transferred Businesses, use such name and are owned as of, or have been ordered prior to, the Closing for use in the Transferred Businesses; provided, however, that (A) promptly after the Closing Date, HCI shall make all filings with the appropriate Governmental Authorities to effectuate such name changes, and (B) HCI shall use its commercially reasonable efforts to minimize the usage of the word referred to in clause (i) hereof, and to discontinue it as soon as practicable after the Closing.

(b) (i) As soon as reasonably practicable but in no event later than 180 days after the Closing, upon at least 15 days' written notice to HCI, Clorox shall, or shall cause its Affiliates to, terminate any registrations with respect to trademarks that are not Transferred Intellectual Property

and that contain any of the words “Combat” or “Soft Scrub” (the “Transferred Names”), which trademarks are set forth in Section 6.12 of Clorox’s Disclosure Schedule; provided that, with respect to any jurisdiction where the only trademark registrations that exist that include a Transferred Name are registrations that also include the word Clorox, Clorox shall upon written request of HCI, reasonably cooperate with HCI in the filing and prosecution of one or more new applications for trademark registrations that include such Transferred Name in such jurisdiction prior to effecting any termination pursuant to this clause (i) of Section 6.12(b); provided, further, that such new applications will not include the Clorox name and logo and other trademarks owned by Clorox and its Affiliates not transferred to HCI pursuant to this Agreement; and (ii) Clorox shall not, at any time after the Closing, use any of the Transferred Names or any names or marks that are confusingly similar to the Transferred Names.

(c) Notwithstanding the foregoing, HCI and its Affiliates shall have the right to use the universal product codes of Clorox with respect to the products of the Transferred Businesses for the corresponding periods set forth above in this Section 6.12.

Section 6.13 Tax Treatment — Cooperation. (a) Each party hereto shall use its respective best efforts to enable each of Clorox, Parent and HCI to receive each of the Tax Opinions, and, on or before the Closing Date, will not knowingly take any action, cause any action to be taken, fail to take any reasonable action or cause any reasonable action to fail to be taken, which action or failure to act would reasonably be expected to (a) prevent Clorox, Parent or HCI from receiving such Tax Opinion; (b) cause the Exchange to fail to qualify as a tax-free exchange under Section 355(a) of the Code or (c) cause the Exchange to be taxable to Clorox under Section 355(e) of the Code. On or before the Closing Date, Clorox, Parent and HCI shall deliver their respective Tax Opinion Representations to Baker & McKenzie LLP and Deloitte Tax LLP unless they are unable to do so as a result of a material change in applicable Law or facts after the date of this Agreement. After the Closing Date, each party’s obligations with respect to any Tax matters, including those obligations related to the qualification of the Exchange as a tax-free exchange under Sections 355(a) and 355(e) of the Code, shall be governed exclusively by the Tax Matters Agreement.

(b) Clorox shall provide to Splitco and HCI as soon as practicable, but not later than January 6, 2005, a schedule detailing (i) any carryover item which may be partially or totally attributed and carried over by Splitco, including with respect to the tangible and intangible properties of Splitco, (x) their adjusted bases, (y) the methods of depreciation or amortization used by the Clorox Entities, and (z) the remaining recovery periods, in each case, as of the date hereof, for federal, state and foreign Income Tax purposes; and (2) the amount of earnings and profits and associated Tax attributes (based on Clorox’s determination), if any, which are allocated to Splitco.

Section 6.14 No Purchases of Clorox Common Stock. Clorox will not make any Non-Henkel Purchases (as defined in the Share Repurchase Agreement) at any time prior to the Closing. Parent and HCI shall not, directly or indirectly through their respective Subsidiaries, purchase any additional shares of Clorox Common Stock at any time prior to the Closing.

Section 6.15 Non-competition.

(a) Clorox agrees that it will not (and will cause each of its Subsidiaries not to), without the prior written consent of HCI or Splitco, directly or indirectly, prior to the second anniversary of the Closing Date, solicit any Person who is, as of the Closing Date, a customer of Splitco or Clorox Korea or the Transferred Businesses for the purposes of providing any products of (i) a type substantially similar to any product of the Insecticides Business or (ii) a Competing Soft Scrub Business.

(b) Clorox agrees that it will not (and will cause each of its Subsidiaries not to), without the prior written consent of HCI or Splitco, directly or indirectly, prior to the second anniversary of the Closing Date, engage in or carry on (i) any business substantially similar to the Insecticides Business or (ii) a Competing Soft Scrub Business.

(c) Parent and HCI each agrees that it will not (and will cause each of its Subsidiaries not to), without the prior written consent of Clorox, directly or indirectly, prior to the date that is 18 months after the Closing Date, use the Soft Scrub brands in the United States in connection with the sale, marketing or promotion of any home cleaning product, other than any such product within the Competing Splitco Business.

(d) Notwithstanding the foregoing, nothing in this Section 6.15 shall prevent Clorox or any of its Subsidiaries from (i) continuing to conduct and operate in South America the aerosol insecticide business of Clorox and its Subsidiaries currently conducted and operated in South America (not including the Insecticides Business) or (ii) obtaining less than 10% of the outstanding equity or participation interests in any Person or (iii) engaging in any consolidation, amalgamation, merger or other business combination with, or making any acquisition of or investment in, or otherwise obtaining any direct or indirect interest in, any Person that is engaged in (A) any business, trade or venture competing with the Insecticides Business or (B) a Competing Soft Scrub Business, in each case if such business, trade or venture consists of less than 20% of the annual sales of such Person, determined by reference to the most recent fiscal year of such Person as of the date Clorox or any of its Subsidiaries engages in such transaction or obtains such direct or indirect interest in such Person.

(e) The obligations of Clorox, Parent and HCI under this Section 6.15 shall be in addition to any obligations any of them may have under any other Contract. The parties to this Agreement agree that the remedy at law for any breach of the foregoing will be inadequate and that each of the parties, in addition to any other relief available to it, shall be entitled to temporary and permanent injunctive relief without the necessity of proving actual damages.

(f) Each party agrees that this Section 6.15 shall be deemed to be a series of separate covenants, one for each state, territory and jurisdiction of the United States and each foreign jurisdiction in which the Insecticides Business or the Competing Soft Scrub Business is conducted as of Closing (in the case of Clorox) and one for each state, territory and jurisdiction of the United States and each foreign jurisdiction in which the Competing Splitco Business is conducted as of Closing (in the case of Parent and H). With respect to any judicial proceeding, each party further agrees that (i) if a court or arbitrator shall refuse to enforce any of these separate covenants, such unenforceable covenants shall be deemed eliminated from the provisions hereof for

the purposes of such proceeding to the extent necessary for the remaining separate covenants to be enforced in such proceeding and (ii) if a court or arbitrator shall refuse to enforce one or more of the separate covenants because the total time thereof is deemed to be excessive or unreasonable, then such covenants which would otherwise be unenforceable due to such excessive or unreasonable period of time shall be enforced for such lesser period of time as shall be deemed reasonable and not excessive by such court or arbitrator.

(g) For purposes of this Section 6.15:

(i) “Competing Soft Scrub Business” means the business of manufacturing, marketing, distributing and/or selling (a) calcium-carbonate-based, mild abrasive liquid household cleansers and (b) non-abrasive gel household cleaners with a formula substantially the same as the Soft Scrub gel product with current UPC 44600-01650 or 44600-01661 and the Clorox Cleanup product with current UPC 44600-01180; and

(ii) “Competing Splitco Business” means the business of manufacturing, marketing, distributing and/or selling (a) abrasive liquid household cleansers and (b) nonabrasive gel household cleaners.

Section 6.16 Payments of Receivables after Closing. In the event that following the Closing, (i) Clorox or any of its Affiliates receives any payments in respect of any receivables of the Transferred Businesses arising after the Closing, Clorox shall, or shall cause the applicable Affiliate to, deliver such payment to Splitco or Clorox Korea, as applicable, promptly after such receipt or (ii) HCI or any of its Affiliates receives any payments in respect of any receivables of the Transferred Businesses arising on or prior to the Closing, HCI shall, or shall cause the applicable Affiliate to, deliver such payment to Clorox promptly after such receipt.

Section 6.17 Indemnification; D&O Insurance. (a) Clorox agrees that all rights to indemnification for liabilities, and all limitations with respect to liability, existing in favor of the Henkel Directors under the provisions in Articles Eight and Nine of Clorox’s Restated Certificate of Incorporation or otherwise under Clorox’s Bylaws or any indemnification agreement in effect as of the date hereof shall survive the Exchange and shall continue in full force and effect, without any amendment thereto, for a period of six years from the Closing Date to the fullest extent permitted by law; provided, however, that in the event any claim is asserted or made within such six-year period, all such rights, liabilities and limitations in respect of any such claim shall continue until disposition thereof.

(b) For a period of six years from the Closing Date, Clorox shall maintain in effect Clorox’s current directors’ and officers’ liability insurance covering each Henkel Director for acts or omissions occurring prior to the Closing Date on terms with respect to such coverage and amounts no less favorable than those of such policy in effect on the date of this Agreement; provided that Clorox may substitute therefor policies of a reputable insurance company the material terms of which, including coverage and amount, are not less favorable to the Henkel Directors than the insurance coverage otherwise required under this Section 6.17(b); provided, however, that in no event shall Clorox be required to pay annualized aggregate premiums for insurance under this Section 6.17(b) in excess of 200% of the amount of the aggregate premiums paid by Clorox for the

period from July 1, 2003 to, and including, June 30, 2004, for such purpose; provided that Clorox shall nevertheless be obligated to provide such coverage as may be obtained for such 200% amount.

(c) If Clorox or any of its successors or assigns (i) consolidates with or merges into any other Person and shall not be the continuing or surviving corporation or entity in such consolidation or merger or (ii) transfers all or substantially all of its properties and assets to any Person, then and in either such case, proper provision shall be made so that the successors and assigns of Clorox shall assume the obligations of Clorox set forth in this Section 6.17.

(d) The rights of each Henkel Director hereunder shall be in addition to any other rights such Henkel Director may have under applicable Law, agreement or otherwise. The provisions of this Section 6.17 shall survive the Closing and expressly are intended to benefit each of the Henkel Directors, their heirs and representatives.

Section 6.18 Employment Matters. (a) Prior to or at the Closing, Clorox shall have delivered to HCI a schedule setting forth the name of each Transferred Employee, along with such employee's job title and reporting position, current salary and incentive bonus opportunities, and years of service, and designating such employee's status as exempt or non-exempt under the Fair Labor Standards Act, whether such employee's years of service are continuous or broken, and whether such employee is full-time or part-time.

(b) HCI or its Affiliates shall provide salaries, wages, annual bonus opportunities and pension, welfare and other employee benefits to the Transferred Employees for a period of two years after the Closing that are in the aggregate substantially comparable to those provided to such employees by Clorox and its Affiliates immediately prior to the Closing. For purposes of all plans, programs or arrangements maintained, sponsored or contributed to by HCI or its Affiliates in which the Transferred Employees shall be eligible to participate, HCI shall cause each such plan, program or arrangement to treat the prior service of each Transferred Employee with Clorox or any of its Subsidiaries as service rendered to HCI for purposes of eligibility, vesting, levels of benefits and benefit accruals, except to the extent such treatment would result in the duplication of benefits with respect to the same period of service. From and after the Closing, HCI and its Affiliates shall (i) cause any pre-existing conditions, limitations and eligibility waiting periods under any group health plans of HCI or its Affiliates to be waived with respect to the Transferred Employees and their eligible dependents to the extent such condition would have been covered, or limitation or waiting period would not have applied, with respect to such Transferred Employee (or dependent) under the terms of the Business Benefit Plan in which such Transferred Employee was a participant immediately prior to the Closing and (ii) give each Transferred Employee credit for the plan year in which the Closing (or the transition from Clorox's plans to HCI's plans) occurs towards applicable deductibles and annual out-of-pocket limits for expenses incurred prior to the Closing (or such later transition date).

Section 6.19 Options to Purchase Clorox Stock Held By Transferred Employees. Clorox or its relevant Affiliate shall take all steps necessary or appropriate to cause all unexercised options to purchase shares of Clorox's stock held by any Transferred Employee that are outstanding as of the Closing Date (the "Clorox Options") not to terminate due to or on account of (directly or indirectly) the Closing, and shall cause the Clorox Options to become fully vested in such Transferred Employee effective as of the Closing. Clorox shall cause the Clorox Options to remain

outstanding and exercisable pursuant to the terms of such Clorox Options until the normal expiration date of the Clorox Options as set forth on the grant or award agreement or certificate with respect to such Clorox Options (i.e., with deemed continuous employment with Clorox or its Affiliates until the expiration date of the Clorox Options), unless such treatment is otherwise not permitted by applicable Law.

Section 6.20 Continuing Obligations. From the Closing, Clorox shall, or shall cause its Affiliates to, take such actions as may be required to satisfy the continuing covenants and obligations, as remaining in effect as of the Closing Date, under the Asset Purchase Agreement dated as of January 31, 2002, as amended, among The Kingsford Company, Aventis CropScience SA (today Bayer CropScience SA) and Aventis Environmental Science SA (today Bayer Environmental Science SA), to the extent that the Business Assets and the Ancillary Agreements do not put HCI or its Affiliates in a position to perform such covenants and obligations.

Section 6.21 Purchase of Inventory. Prior to the Closing, Clorox shall, or shall cause its Affiliates to, upon reasonable notice, sell finished goods inventories of any product of the Transferred Businesses for delivery to the distribution centers of HCI or its Affiliates at Clorox's total delivered cost.

ARTICLE VII TAX MATTERS

Other than (w) matters described in Section 3.6; (x) the representations in Sections 4.8 and 5.9 (which are solely for purposes of Sections 8.2 and 8.3); (y) the covenants in Sections 6.2(b), 6.2(c) and 6.13; and (z) the provisions of Sections 10.4 and 11.17, all matters relating to Taxes shall be governed by the Tax Matters Agreement.

ARTICLE VIII CONDITIONS TO CLOSING

Section 8.1 Mutual Conditions. The respective obligations of each party hereto to consummate the transactions contemplated by this Agreement shall be subject to the fulfillment or, if legally permitted, waiver by all parties hereto at or prior to the Closing of the following conditions:

(a) No Governmental Authority of competent jurisdiction shall have enacted, issued, promulgated, enforced or entered any statute, rule, regulation, judgment, decree, injunction or other order or legal restraint of any nature that prevents the consummation of the transactions contemplated by this Agreement.

(b) (i) Clorox shall have received its respective Tax Opinion and (ii) Parent and HCI shall have received their respective Tax Opinion, in each case in form and substance substantially as set forth as Exhibits F-1 and F-2 to this Agreement, dated as of the Closing Date.

(c) The applicable waiting periods required under the HSR Act and any other applicable Antitrust Law shall have expired or been terminated, and any Governmental Authority that has power under or authority to enforce any pre-merger approval, clearance or review under

any applicable Antitrust Law, shall have, if applicable, approved, cleared or decided neither to initiate proceedings or otherwise intervene in respect of the transactions contemplated hereby nor to refer the transactions to any other competent Governmental Authority.

(d) Each of the Ancillary Agreements shall have been executed and entered into by each of the parties thereto.

(e) Clorox, HCI and Parent shall have executed one or more instruments in form reasonably acceptable to the parties thereto terminating the Existing Agreements, effective upon the Closing.

Section 8.2 Conditions to Parent's and HCI's Obligations. The obligations of Parent and HCI to consummate the transactions contemplated by this Agreement shall be subject to the fulfillment or waiver by Parent and HCI prior to or at the Closing of each of the following conditions:

(a) The representations and warranties of Clorox set forth in Article IV of this Agreement shall be true and correct as of the date hereof and as of the Closing (except that representations and warranties made as of a specified date, shall be true and correct only as of such specified date), and HCI shall have received a certificate, dated the Closing Date, signed on behalf of Clorox by an appropriate officer of Clorox to such effect; provided, however, that for purposes of this paragraph, such representations and warranties shall be deemed to be true and correct unless the failure or failures of such representations and warranties to be so true and correct, either individually or in the aggregate, and without giving effect to any qualification as to materiality or Material Adverse Effect set forth in such representations or warranties, has had or is reasonably likely to have a Material Adverse Effect on the Transferred Businesses, taken as a whole, or Splitco and Clorox Korea, taken as a whole, or has prevented or materially impeded or is reasonably likely to prevent or materially impede the consummation by Clorox of the transactions contemplated by this Agreement. For the avoidance of doubt, the preceding proviso shall have no effect upon Clorox's obligations under Article X.

(b) Clorox shall have performed in all material respects each obligation and agreement to be performed by it, and shall have complied in all material respects with each covenant, in each case, required by this Agreement to be performed or complied with by it at or prior to the Closing, and HCI shall have received a certificate, dated the Closing Date, signed on behalf of Clorox by an appropriate officer of Clorox to such effect.

(c) Prior to or at the Closing, Clorox shall have delivered to HCI the items to be delivered pursuant to Section 2.3.

(d) Prior to or at the Closing, the Reorganization shall have been completed, including the contribution of the Additional Assets.

Section 8.3 Conditions to Clorox's Obligations. The obligations of Clorox to consummate the transactions contemplated by this Agreement shall be subject to the fulfillment or waiver by Clorox at or prior to the Closing of each of the following conditions:

(a) The representations and warranties of each of Parent and HCI set forth in Article V of this Agreement shall be true and correct as of the date hereof and as of the Closing (except that representations and warranties made as of a specified date shall be true and correct only as of such specified date), and Clorox shall have received certificates, dated the Closing Date, signed on behalf of each of Parent and HCI by an appropriate officer of Parent and HCI, as applicable, to such effect; provided, however, that for purposes of this paragraph, such representations and warranties shall be deemed to be true and correct unless the failure or failures of such representations and warranties to be so true and correct, either individually or in the aggregate, and without giving effect to any qualification as to materiality or Material Adverse Effect set forth in such representations or warranties, has prevented or materially impeded or is reasonably likely to prevent or materially impede the consummation by Parent or HCI of the transactions contemplated hereby. For the avoidance of doubt, the preceding proviso shall have no effect upon Parent's or HCI's obligations under Article X.

(b) Each of Parent and HCI shall have performed in all material respects each obligation and agreement to be performed by it, and shall have complied in all material respects with each covenant, in each case, required by this Agreement to be performed or complied with by it at or prior to the Closing, and Clorox shall have received certificates, dated the Closing Date, signed on behalf of each of Parent and HCI by an appropriate officer of Parent and HCI, as applicable, to such effect.

(c) Prior to or at the Closing, Parent and HCI shall have delivered to Clorox the items to be delivered pursuant to Section 2.4.

Section 8.4 Frustration of Closing Conditions. None of Clorox, Parent or HCI may rely on the failure of any condition set forth in this Article VIII to be satisfied if such failure was caused by such party's failure to act in good faith or to use its commercially reasonable efforts to cause the Closing to occur, as required by Section 6.3(a).

ARTICLE IX TERMINATION

Section 9.1 Termination. This Agreement may be terminated at any time prior to the consummation of the Closing under the following circumstances:

(a) by mutual written consent of Clorox and Parent;

(b) by either Parent or Clorox upon written notice to the other if the Closing shall not have been consummated on or before March 31, 2005; provided that the right to terminate this Agreement under this Section 9.1(b) shall not be available to a party if such party's or such party's Affiliate's willful act or willful failure to act has been the cause of or resulted in the failure of the Closing to be consummated on or before such date;

(c) by Parent upon written notice to Clorox, if any of the conditions to the Closing set forth in Section 8.2 shall have become incapable of fulfillment by March 31, 2005 and shall not have been waived in writing by Parent and HCI;

(d) by either Clorox or Parent upon written notice to the other that the conditions set forth in Section 8.1(b) have become incapable of fulfillment by March 31, 2005 due to changes in the law, regulations or interpretations of the Internal Revenue Service;

(e) by Clorox upon written notice to Parent, if any of the conditions to the Closing set forth in Section 8.3 shall have become incapable of fulfillment by March 31, 2005 and shall not have been waived in writing by Clorox; or

(f) by either Parent or Clorox upon written notice to the other, if there shall be in effect a final, non-appealable order of a court or government administrative agency of competent jurisdiction permanently prohibiting the consummation of the transactions contemplated hereby.

Section 9.2 Effect of Termination. In the event of the termination of this Agreement pursuant to Section 9.1, this Agreement, except for the provisions of (a) Section 6.7 relating to the obligation of the parties to keep confidential certain information obtained by it, (b) Article XI, and (c) this Section 9.2, shall become void and have no effect, without any liability on the part of any party hereto or its directors, officers or stockholders. Notwithstanding the foregoing, nothing in this Section 9.2 shall relieve any party hereto of liability for a willful breach of any of its obligations under this Agreement.

ARTICLE X SURVIVAL OF REPRESENTATIONS AND WARRANTIES; INDEMNIFICATION

Section 10.1 Survival of Representations and Warranties. All of the representations and warranties provided for in this Agreement or in any agreement or certificate delivered pursuant to the provisions hereof or in connection with the transactions contemplated hereby shall survive the Closing until the date that is 18 months after the Closing Date; provided that the representations and warranties set forth in the last sentence of Section 4.3(a), in Section 4.11 and in Section 5.4 (collectively, the "Title Reps") shall survive indefinitely, the representations and warranties set forth in Sections 4.8 and 5.9 shall not survive the Closing and the representations and warranties set forth in Section 4.12 shall survive until the fourth anniversary of the Closing; provided further that any representations and warranties shall survive with respect to, and to the extent of, any claim for indemnification made in accordance with this Article X prior to the applicable termination date.

Section 10.2 Indemnification by Clorox.

(a) Subject to the limitations set forth in this Article X, subsequent to the Closing, Clorox shall indemnify, defend and hold harmless Parent and its respective Subsidiaries (including HCI and, following the Closing, Splitco) and Affiliates, and their respective officers, directors, employees, agents and representatives, and each of their heirs, executors, successors and assigns (collectively, the "Representatives"), against and in respect of any and all Damages to the extent arising out of or resulting from:

(i) any breach of a representation or warranty made by Clorox in this Agreement or any Schedule hereto (other than the representations and warranties set forth in Section 4.8 of this Agreement);

(ii) any breach of any agreement or covenant of Clorox contained in this Agreement; or

(iii) the Excluded Liabilities and the Excluded Assets (other than any Excluded Assets and Excluded Liabilities relating to Taxes) and any legal, administrative or arbitration proceeding, suit or Action of any nature with respect thereto.

(b) Notwithstanding the foregoing and subject to the following sentence, in the case of Damages incurred as a result of a breach set forth in clause (i) of Section 10.2(a) above, (i) Clorox shall not be liable for indemnification hereunder unless and until the aggregate amount of such Damages exceeds \$12 million (the “Clorox Basket”), in which event Parent and such other indemnified persons shall be entitled to indemnification for all Damages in excess of the Clorox Basket; (ii) no claim for Damages shall be counted toward the Clorox Basket unless such claim individually exceeds \$75,000 (the “Clorox De Minimis”); and (iii) Clorox’s aggregate liability under clause (i) of Section 10.2(a) above shall in no event exceed \$250 million (the “Clorox Cap”). None of the Clorox Basket, the Clorox De Minimis or the Clorox Cap shall apply to Damages incurred as a result of a breach of any of the Title Reps. It is understood that to the extent a matter constitutes both a breach of a representation or warranty and an Excluded Liability, the matter shall be treated as an Excluded Liability and the Clorox Basket, the Clorox De Minimis and Clorox Cap shall not apply thereto.

(c) In order to prevent duplication of recovery under this Agreement with respect to any particular Damage, no party will be entitled to indemnification for any particular Damages (or application of particular Damages against the applicable basket) under any provision of this Agreement to the extent such party has already been indemnified for such Damages (or such Damages have already been applied against the applicable basket) under another provision of this Agreement.

Section 10.3 Indemnification by Parent.

(a) Subject to the limitations set forth in this Article X, subsequent to the Closing, Parent shall indemnify, defend and hold harmless Clorox and its Representatives, against and in respect of any and all Damages to the extent arising out of or resulting from:

(i) any breach of a representation or warranty made by Parent or HCI in this Agreement or any Schedule hereto (other than representations and warranties set forth in Section 5.9 of this Agreement);

(ii) any breach of any agreement or covenant of Parent or HCI contained in this Agreement;

(iii) any Business Liability (other than any Business Liability relating to Taxes) and any legal, administrative or arbitration proceeding, suit or Action of any nature with respect thereto; or

(iv) Parent’s or HCI’s operation of the Transferred Businesses or Business Assets after Closing, but not to the extent resulting from Clorox’s or any of its Affiliates’ (including

Splitco's) actions or operations prior to Closing unless expressly assumed by Parent or HCI under the terms of this Agreement.

(b) Notwithstanding the foregoing and subject to the following sentence, in the case of Damages incurred as a result of a breach set forth in clause (i) of Section 10.3(a) above, (i) Parent shall not be liable for indemnification hereunder unless and until the aggregate amount of such Damages exceeds \$12 million (the "Parent Basket"), in which event Clorox shall be entitled to indemnification for all Damages in excess of the Parent Basket; (ii) no claim for Damages shall be counted toward the Parent Basket unless such claim individually exceeds \$75,000 (the "Parent De Minimis"); and (iii) Parent's aggregate liability under clause (i) of Section 10.3(a) above shall in no event exceed \$250 million (the "Parent Cap"). None of the Parent Basket, the Parent De Minimis or the Parent Cap shall apply to Damages incurred as a result of a breach of any of the Title Reps.

Section 10.4 Definition of Damage; Determination of Indemnification.

For purposes of this Article X, "Damages" shall mean, collectively, any and all damages, settlement amounts, penalties or losses, whatsoever (other than punitive, enhanced or exemplary damages, unless punitive, enhanced or exemplary damages are awarded or otherwise imposed in any Third Party Claim), together with out-of-pocket costs and expenses, including reasonable fees and disbursements of counsel, accountants, consultants or experts and expenses of investigation incurred by a party entitled to indemnification hereunder as a result of a matter giving rise to a claim for indemnification hereunder, such amounts to be (a) determined net of (1) the insurance proceeds which the indemnified party actually receives in respect of such matter and (2) indemnity payments which the indemnified party actually receives from parties other than the indemnifying party hereunder in respect of such matter, (b) increased by any Tax (or increased by any reduction in any Tax Benefit) actually borne by the indemnified party that would not have been borne but for such Damages or the receipt of any indemnity in respect thereof and (c) decreased by any Tax Benefit (or decreased by any reduction in any Tax) actually realized by the indemnified party that would not have been realized but for such Damages or the payment of any indemnity in respect thereof. For purposes of this paragraph, the indemnified party will be deemed to recognize a Tax Benefit with respect to a taxable year if, and to the extent that, the indemnified party's cumulative liability for Taxes through the end of such taxable year, calculated by excluding any Tax items attributable to the Damages and the receipt of indemnity payments therefor from all taxable years, exceeds the indemnified party's actual cumulative tax liability for Taxes through the end of such taxable year, calculated by taking into account any Tax items attributable to the Damages and the receipt of indemnity payments therefor for all taxable years (to the extent permitted by relevant Tax Law and treating such Tax items as the last items taken into account for any taxable year). When, as, and if the indemnified party recognizes any Tax Benefit attributable to Damages after the making of indemnification payments therefor, and to the extent such Tax Benefit has not reduced the amount of such indemnification payments, the indemnified party will promptly after recognition thereof pay in cash the amount of such recognized Tax Benefit to an account specified by the indemnifying party.

Section 10.5 Notice.

(a) If any matter shall arise which may involve or give rise to a claim by Parent against Clorox under the provisions of Section 10.2 or by Clorox against Parent under the

provisions of Section 10.3 (an “Indemnity Claim”), Parent or Clorox, as the case may be, shall give prompt written notice (a “Notice of Claim”) of such Indemnity Claim, a description in reasonable detail of the factual basis thereof (to the extent such information is available), and the amount of indemnity sought (if then known or reasonably determinable) to Clorox (if a claim by Parent) or to Parent (if a claim by Clorox); provided that the failure to give timely notice will not relieve Clorox (if a claim by Parent) or Parent (if a claim by Clorox) from the obligation to indemnify against such claim except to the extent that Clorox (if a claim by Parent) or Parent (if a claim by Clorox) establishes by competent evidence that it is materially prejudiced thereby.

(b) If Clorox does not, within 45 days after receipt of a Notice of Claim by Parent, notify Parent in writing that Clorox disputes the applicable Indemnity Claim, in whole or in part, then Clorox shall promptly pay to Parent by wire transfer of immediately available funds to an account designated by Parent the amount of the Indemnity Claim. If Clorox within 45 days after receipt of a Notice of Claim by Parent notifies Parent in writing that Clorox disputes the applicable Indemnity Claim, in whole or in part, then the provisions of paragraph (d) below shall apply. If a Notice of Claim is made by Parent under paragraph (a) above and if it is agreed or determined (pursuant to paragraph (d) below or by a court of competent jurisdiction) that Clorox is obligated to indemnify Parent, the agreed or ordered amount of such indemnification shall be paid promptly by wire transfer of immediately available funds to an account designated by Parent.

(c) If Parent does not, within 45 days after receipt of a Notice of Claim by Clorox, notify Clorox in writing that Parent disputes the applicable Indemnity Claim, in whole or in part, then Parent shall promptly pay to Clorox by wire transfer of immediately available funds to an account designated by Clorox the amount of the Indemnity Claim. If Parent within 45 days after receipt of a Notice of Claim by Clorox notifies Clorox in writing that Parent disputes the applicable Indemnity Claim, in whole or in part, then the provisions of paragraph (d) below shall apply. If a Notice of Claim is made by Clorox under paragraph (a) above and if it is agreed or determined (pursuant to paragraph (d) below or by a court of competent jurisdiction) that Parent is obligated to indemnify Clorox, the agreed or ordered amount of such indemnification shall be paid promptly by wire transfer of immediately available funds to an account designated by Clorox.

(d) In the event that the indemnifying party disputes the existence and/or amount of a claim for indemnification set forth in a Notice of Claim, it will be entitled to deliver a notice to the indemnified party disputing its validity or the amount thereof (the “Claim Dispute Notice”). The Claim Dispute Notice must be given within 45 days of receipt of the Notice of Claim to which the Claim Dispute Notice relates. Upon receiving such Claim Dispute Notice, the indemnified party shall provide the indemnifying party with access to such books and records as may be reasonably requested by the indemnifying party for purposes of verifying such claim. Representatives of each of the indemnified party and the indemnifying party shall in good faith meet promptly after such review so as to come to a settlement of the matter. In the event a settlement is not achieved within 30 days after the date of the Claim Dispute Notice, the indemnified party may pursue whatever legal remedies may be available under this Agreement.

Section 10.6 Third Party Claim.

(a) If Parent’s Indemnity Claim involves any Action brought or made by any third party (a “Third Party Claim”), then Clorox may elect (by written notice to Parent delivered

within 30 days of notice by Parent to Clorox pursuant to Section 10.5(a)) to assume at its expense the defense of such Third Party Claim, including discussions with relevant Governmental Authorities, using counsel reasonably acceptable to Parent. If Clorox does not so elect to assume such defense, then such Third Party Claim shall be defended by Parent in such manner as it reasonably deems appropriate (and the costs, fees and expenses of Parent for such defense shall constitute Damages in accordance with Section 10.4), including entering a reasonable settlement thereof in which event the settlement plus Parent's costs, fees and expenses with respect thereto shall be the Damages in accordance with Section 10.4; provided that Parent shall not enter into any settlement of such Third Party Claim without the prior written consent of Clorox, which consent shall not be unreasonably withheld, unless Clorox and its Affiliates have no liability therefor, are not required to admit any liability and will not be bound by any restrictions or limitations on its or their conduct thereafter, and no negative precedent for future Claims, Actions or litigation against Clorox and its Affiliates will be established, in which case no consent shall be required. If the Third Party Claim has been assumed by Clorox, Clorox shall cooperate with Parent in connection with such defense and shall permit Parent to participate therein; provided that Clorox shall not be liable to Parent under the provisions hereof for any legal or other expenses incurred by Parent in connection with Parent's participation in the defense of such Third Party Claim after Clorox has elected to assume the defense thereof so long as Clorox is diligently contesting such Third Party Claim in good faith, unless Parent is advised by outside counsel that an actual or potential conflict of interest exists between Parent and Clorox or that there are different or additional defenses available to Parent that are not available to Clorox, in which case Parent may engage separate counsel (the reasonable fees and disbursements of which shall be borne by Clorox). Clorox may not enter into any settlement of such Third Party Claim without the prior written consent of Parent, which shall not be unreasonably withheld, unless Parent and its Affiliates have no liability therefor, are not required to admit any liability and will not be bound by any restrictions or limitations on its or their conduct thereafter, and no negative precedent for future Claims, Actions or litigation against Parent and its Affiliates will be established, in which case no consent shall be required.

(b) If Clorox's Indemnity Claim involves a Third Party Claim, then Parent may elect (by written notice to Clorox delivered within 30 days of notice by Clorox to Parent pursuant to Section 10.5(a)) to assume at its expense the defense of such Third Party Claim, including discussions with relevant Governmental Authorities, using counsel reasonably acceptable to Clorox. If Parent does not so elect to assume such defense, then such Third Party Claim shall be defended by Clorox in such manner as it reasonably deems appropriate (and the costs, fees and expenses of Clorox for such defense shall constitute Damages in accordance with Section 10.4), including entering a reasonable settlement thereof in which event the settlement plus Clorox's costs, fees and expenses with respect thereto shall be the Damages in accordance with Section 10.4; provided that Clorox shall not enter into any settlement of such Third Party Claim without the prior written consent of Parent, which consent shall not be unreasonably withheld, unless Parent and its Affiliates have no liability therefor, are not required to admit any liability and will not be bound by any restrictions or limitations on its or their conduct thereafter, and no negative precedent for future Claims, Actions or litigation against Parent and its Affiliates will be established, in which case no consent shall be required. If the Third Party Claim has been assumed by Parent, Parent shall cooperate with Clorox in connection with such defense and shall permit Clorox to participate therein; provided that Parent shall not be liable to Clorox under the provisions hereof for any legal or other expenses incurred by Clorox in connection with Clorox's participation in the defense of such Third Party Claim after Parent has elected to assume the defense thereof so long as Parent is

diligently contesting such Third Party Claim in good faith, unless Clorox is advised by outside counsel that an actual or potential conflict of interest exists between Clorox and Parent or that there are different or additional defenses available to Clorox that are not available to Parent, in which case Clorox may engage separate counsel (the reasonable fees and disbursements of which shall be borne by Parent). Parent may not enter into any settlement of a Third Party Claim without the prior written consent of Clorox, which shall not be unreasonably withheld, unless Clorox and its Affiliates have no liability therefor, are not required to admit any liability and will not be bound by any restrictions or limitations on its or their conduct thereafter, and no negative precedent for future Claims, Actions or litigation against Clorox and its Affiliates will be established, in which case no consent shall be required.

Section 10.7 Exclusivity. Following the Closing, except with respect to matters for which the remedy of specific performance, injunctive relief or other non-monetary equitable remedies are available, the sole and exclusive remedy of the parties with respect to any and all Claims arising from any breach of this Agreement or any of the other matters addressed in Section 10.2 or 10.3 shall be pursuant to the indemnification provisions set forth in this Article X; provided that all matters relating to Taxes shall be addressed in the Tax Matters Agreement and this Article X shall not apply to any Tax matters.

Section 10.8 Tax Treatment of Indemnity Payments. Any payments made pursuant to this Article X shall be treated as set forth in the Tax Matters Agreement.

Section 10.9 Environmental Matters. The indemnity for Excluded Liabilities that are Environmental Claims pursuant to Section 3.5(e) of this Agreement shall be subject to the following limitations: (a) if the costs of Remedial Action or correcting non-compliance with Environmental Laws or Environmental Permits subject to indemnity by Clorox are increased due to a negligent act or omission, or willful misconduct, after the Closing Date by a Person, other than Clorox or any of its Affiliates, acting on its own or under the supervision or direction of any Governmental Authority, Clorox shall not be responsible for any such increase in costs incurred; (b) if Clorox or any of its Affiliates is performing its obligations pursuant to such indemnity, Clorox shall not be responsible for the costs associated with HCI's oversight of Clorox and its Affiliates' performance; and (c) Clorox shall not be responsible for any costs that are incurred by HCI due to (i) the closure or sale of a facility or business, (ii) a change in use of any facility to a use substantially unrelated to the use of that facility as of the Closing or (iii) a change after the Closing in the terms of any Environmental Permit.

or to such other address and with such other copies as any party hereto shall notify the other parties hereto (as provided above) from time to time.

Section 11.2 Expenses. Regardless of whether the transactions provided for in this Agreement are consummated, each of the parties hereto shall pay its own expenses incident to this Agreement and the Ancillary Agreements and the transactions contemplated hereby and thereby (including legal fees, accounting fees, investment banking fees and filing fees), except that Clorox and HCI shall each bear one half of the filing fees under the HSR Act and Clorox shall bear all costs of the Reorganization.

Section 11.3 Governing Law; Consent to Jurisdiction. This Agreement shall be governed by, and construed in accordance with, the internal Laws of the State of Delaware, without reference to the choice of law principles thereof. Subject to Section 11.4, each of the parties hereto irrevocably submits to the exclusive jurisdiction of the courts of the State of Delaware and the United States District Court for any district within such state for the purpose of any Action arising out of, under or in connection with or relating to, this Agreement or any Ancillary Agreement or any of the transactions contemplated hereby or thereby and to the laying of venue in such court. Service of process in connection with any such Action may be served on each party hereto by the same methods as are specified for the giving of notices under this Agreement. Each party hereto irrevocably and unconditionally waives and agrees not to plead or claim any objection to the laying of venue of any such Action brought in such courts and irrevocably and unconditionally waives any claim that any such Action brought in any such court has been brought in an inconvenient forum.

Section 11.4 Dispute Resolution.

(a) The parties hereto intend that all disputes between the parties, directly or indirectly, arising out of, under or in connection with or relating to, this Agreement or any Ancillary Agreement or the consummation of the transactions contemplated hereby and thereby shall be settled by the parties amicably through good faith discussions upon the written request of any party.

(b) Prior to filing suit, instituting an Action or seeking other judicial or governmental resolution in connection with any dispute between Parent and Clorox (each, for purposes of this Section 11.4, a “Dispute Party” and, collectively, the “Dispute Parties”) or any of

their respective Affiliates or Subsidiaries, directly or indirectly, arising out of, under or in connection with or relating to, this Agreement, any Ancillary Agreement or any of the transactions contemplated hereby and thereby, the Dispute Parties will attempt to resolve such dispute by good faith negotiations. Such negotiations shall proceed as follows:

(i) Either Dispute Party may send a written notice to the other Dispute Party requesting such negotiations. Promptly following receipt of such notice by the other Dispute Party, each Dispute Party shall cause the individual designated by it as having general responsibility for the affected Agreement or transaction to meet in person with the individual so designated by the other Dispute Party to discuss the dispute.

(ii) If the dispute is not resolved within 30 days after the first meeting between such individuals (or if earlier within 45 days of the notice referred to in clause (i) above), then, upon the written request of either Dispute Party, each Dispute Party shall cause the individual designated by it as having general responsibility for the overall relationship defined by this Agreement to meet in person with the individual so designated by the other Dispute Party to discuss the dispute.

(iii) If the dispute is not resolved within 15 days after the first meeting between such individuals (or if earlier within 30 days of the notice referred to in clause (ii) above), then, upon the written request of either Dispute Party, the chief executive officer or chief financial officer of Clorox, on the one hand, and the chief executive officer or chief financial officer of Parent, on the other hand, shall meet (unless otherwise agreed, such meeting to be in person) and attempt in good faith to negotiate a resolution to the dispute.

Except and only to the limited extent provided in Section 11.4(c), neither Dispute Party shall, and shall cause their respective Affiliates not to, file suit, institute an Action or seek other judicial or governmental resolution of the dispute until at least 30 days after the first meeting between the corporate officers described in clause (iii) above (or, if earlier, 45 days after the notice referred to in such clause (iii)).

(c) Notwithstanding the provisions of Section 11.4(b), either Dispute Party may institute an Action seeking a preliminary injunction, temporary restraining order, or other equitable relief, if necessary in the reasonable opinion of that Dispute Party to avoid material harm to its property, rights or other interests, before commencing, or at any time during the course of, the dispute procedure described in Section 11.4(b). In addition, either Dispute Party may file an Action prior to the commencement of or at any time during or after the dispute resolution procedures in Section 11.4(b) if in the sole opinion of that Dispute Party it is necessary to prevent the expiration of a statute of limitations or filing period or the loss of any other substantive or procedural right.

(d) Notwithstanding the foregoing, the provisions of this Section 11.4 shall not apply to any dispute arising under Section 2.5 or 2.6 of this Agreement.

Section 11.5 Waiver of Jury Trial.

EACH PARTY HERETO ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT OR ANY ANCILLARY AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND, THEREFORE, EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY

WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT TO ANY ACTION ARISING OUT OF, UNDER OR IN CONNECTION WITH OR RELATING TO THIS AGREEMENT OR ANY ANCILLARY AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT OR ANY ANCILLARY AGREEMENT. EACH PARTY HERETO CERTIFIES AND ACKNOWLEDGES THAT (A) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HERETO HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF SUCH ACTION, SEEK TO ENFORCE THE FOREGOING WAIVER, (B) EACH SUCH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (C) EACH SUCH PARTY MAKES THIS WAIVER VOLUNTARILY, AND (D) EACH SUCH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 11.5.

Section 11.6 Assignment; Successors and Assigns; No Third Party Rights. This Agreement and the Ancillary Agreements may not be assigned by any party hereto without the prior written consent of the other party hereto, and any attempted assignment shall be null and void. This Agreement and the Ancillary Agreements shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns. Except as provided in Sections 6.17, 10.2 and 10.3, this Agreement shall be for the sole benefit of the parties hereto, and their respective successors and permitted assigns and is not intended, nor shall be construed, to give any Person, other than the parties hereto and their respective successors and permitted assigns any legal or equitable right, benefit, remedy or claim hereunder. Nothing in this Agreement shall prevent any party and its successors and permitted assigns from consolidating with or merging with or into, or transferring, in one transaction or a series of related transactions, substantially all of its assets to, any Person or Persons; provided, however, that the purchaser of substantially all of the assets of the party or its successor or permitted assign shall agree with the other party to be bound by all of the transferring party's obligations hereunder.

Section 11.7 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original agreement, but all of which together shall constitute one and the same instrument.

Section 11.8 Titles and Headings. The headings and table of contents in this Agreement are for reference purposes only, and shall not in any way affect the meaning or interpretation of this Agreement.

Section 11.9 Entire Agreement. This Agreement, the Ancillary Agreements and the Confidentiality Agreement constitute the entire agreement among the parties hereto with respect to the matters covered hereby and thereby, and supersede all previous written, oral or implied understandings among them with respect to such matters.

Section 11.10 Amendment and Modification. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the parties hereto.

Section 11.11 Publicity; Public Announcements. Unless otherwise required by applicable Laws or the requirements of any national securities exchange (and, in that event, only if

time does not permit), at all times prior to the earlier of the consummation of the Closing or termination of this Agreement pursuant to Article IX, Clorox and Parent shall consult with each other before issuing, and give each other a reasonable opportunity to review and comment upon, any press release with respect to the transactions contemplated hereby and shall not issue any such press release without each other's consent, which consent shall not be unreasonably withheld or delayed. The parties agree that the initial press release to be issued with respect to this Agreement and the transactions contemplated by this Agreement shall be in the form heretofore agreed to by the parties.

Section 11.12 Waiver. Any of the terms or conditions of this Agreement may be waived at any time by the party or parties hereto entitled to the benefit thereof, but only by a writing signed by the party or parties waiving such terms or conditions.

Section 11.13 Severability. If any term, provisions, covenant or restriction of this Agreement is held by a court of competent jurisdiction or other authority to be invalid, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such determination, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the fullest extent possible.

Section 11.14 No Strict Construction. Each of the parties hereto acknowledges that this Agreement has been prepared jointly by the parties hereto and shall not be strictly construed against any party hereto.

Section 11.15 Knowledge. To the extent that any representation is made to "Clorox's knowledge" (or similar words), such knowledge shall refer to the actual knowledge of the individuals listed on Schedule 2 to this Agreement under the heading "Clorox's knowledge". To the extent that any representation is made to "Parent's knowledge" (or similar words), such knowledge shall refer to the actual knowledge of the individuals listed on Schedule 2 to this Agreement under the heading "Parent's knowledge".

Section 11.16 Affiliate Status. To the extent that a party hereto is required hereunder to take certain action with respect to entities designated herein as such party's Affiliates, such obligation shall apply to such entities only during such period of time that such entities are Affiliates of such party.

Section 11.17 Tax Consequences. Each party hereto acknowledges and agrees that no party has made, or is making in this Agreement, expressly or impliedly, any representation or warranty regarding the tax effects or tax consequences, if any, of the transactions contemplated in this Agreement or in the Ancillary Agreements and that each party has consulted with and is relying upon its own tax advisors with respect to such effects and consequences. The foregoing shall be without prejudice to, and shall not in any way diminish, the representations and warranties and obligations of the parties set forth in this Agreement, including those in Sections 4.8, 5.9 and 6.13.

Section 11.18 Specific Performance. The parties agree that if any of the provisions of this Agreement were not performed in accordance with its specific terms or were otherwise breached, irreparable damage would occur, no adequate remedy at law would exist and damages would be difficult to determine; accordingly, the parties shall be entitled to specific performance of the terms hereof or injunctive relief, in addition to any other remedy at law or in equity.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed as of the day and year first above written.
