Notes to the Financial Statements, page 94

1. We read your response to comment 1. You state the Company's costs "could be substantial" but you are unable to estimate the amount of the liability with regard to the Manhattan Steam Main Rupture. Revise your disclosure to provide an estimated loss or range of estimated loss pursuant to ASC 450-20-50-4b with regard to this matter, or advise us in detail how you reasonably concluded such costs could be "substantial."
