### **QUESTIONS AND ANSWERS**

---

**Q: WHEN AND WHERE IS THE ANNUAL MEETING?**

**A:** Our 2012 Annual Meeting of Shareholders will be held on April 17, 2012, at 10:00 A.M. local time at our offices at 330 West William Street, Corning New York, 14830.

---

**Q: WHAT ARE SHAREHOLDERS VOTING ON?**

**A:** Two proposals: (a) the election of seven directors: Henry B. Cook, Jr., Michael I. German, Ted W. Gibson, Joseph P. Mirabito, William Mirabito, George J. Welch and John B. Williamson III; and (b) the ratification of the appointment of EFP Rotenberg, LLP as our independent registered public accounting firm for the fiscal year ending September 30, 2012.

If a permissible proposal other than the election of directors or the ratification of our independent registered public accounting firm is presented at the Annual Meeting, your signed proxy card gives authority to each of Stanley G. Sleeve, our Vice President –

Administration and Corporate Secretary, and Firouzeh Sarhangi, our Chief Financial Officer and Treasurer, acting alone or together, to vote on any such additional proposal. We are not aware of any additional proposals to be voted on at the meeting.

---

**Q: WHO IS ENTITLED TO VOTE?**

**A:** The record date for the 2012 Annual Meeting of Shareholders is March 9, 2012. Therefore, only holders of our common stock as of the close of business on March 9, 2012, are entitled to vote. Each share of common stock is entitled to one vote at the meeting.

---

**Q: HOW DO SHAREHOLDERS VOTE?**

**A:** Sign and date each proxy card you receive and return it in the prepaid envelope. If you do not mark any selections, your proxy card will be voted in favor of the proposals. You have the right to revoke your proxy at any time before the meeting by:

- notifying our corporate secretary,
- voting in person, or
- returning a later-dated proxy.

If you return your signed proxy card, but do not indicate your voting preferences, Stanley G. Sleve and Firouzeh Sarhangi will vote **FOR** the nominated directors and **FOR** the ratification of our independent registered public accounting firm on your behalf.

---

**Q: WHO WILL COUNT THE VOTE?**

**A:** Representatives of our transfer agent, Registrar and Transfer Company, will tabulate the votes. Marie Husted and Nichole Astolfi are Corning's election inspectors and will be responsible for reviewing the vote count.

---

**Q: WHAT SHARES ARE INCLUDED ON THE PROXY CARD AND WHAT DOES IT MEAN IF A SHAREHOLDER GETS MORE THAN ONE PROXY CARD?**

**A:** The number of shares printed on your proxy card(s) represents all your shares. Receipt of more than one proxy card means that your shares are registered differently and are in more than one account. Sign and return all proxy cards to ensure that all your shares are voted.

---

**Q: WHAT CONSTITUTES A QUORUM?**

**A:** As of the record date, 1,970,818 shares of our common stock were outstanding. A majority of the outstanding shares, present in person or represented by proxy, constitutes a quorum for adopting a proposal at the annual meeting. If you attend the Annual Meeting in person or submit a properly executed proxy card, then you will be considered part of the quorum.

---

---

**Q: WHAT VOTE IS REQUIRED TO APPROVE EACH PROPOSAL?**

**A:** *Proposal 1:* The affirmative vote of the holders of a plurality of the shares of common stock present in person or represented by proxy at the Annual Meeting is needed to elect directors. If you are present or represented by a proxy at the Annual Meeting and you abstain, your abstention will have the same effect as a vote against this proposal. For this proposal, “broker non-votes” will not be part of the voting power present, but will be counted to determine whether or not a quorum is present. A “broker non-vote” refers to a share represented at the Annual Meeting which is held by a broker or other nominee who has not received instructions from the beneficial owner or person entitled to vote such share and with respect to which such broker or nominee does not have discretionary voting power to vote such share on one or more but not all proposals.

*Proposal 2:* The affirmative vote of the holders of a majority of the shares of common stock present in person or represented by proxy at the Annual Meeting is required for ratification of the appointment of EFP Rotenberg, LLP as the Company’s independent registered public accounting firm for the fiscal year ending September 30, 2012. If you are present or represented by a proxy at the Annual Meeting and you abstain, your abstention will have the same effect as a vote against this proposal. ### **Director Compensation**

On December 15, 2009, the Board of Directors agreed to increase the compensation for all Board members from 150 shares of our restricted common stock for each quarter of service as a director to 250 shares of our restricted common stock for each quarter of service as a director. The shares awarded become unrestricted upon a director leaving the Board. Directors who also serve as officers of Corning are not compensated for their service as directors. The directors' quarterly compensation was adjusted to 375 restricted shares in April 2011 due to the one-for-two stock dividend distributed by the Company.

In fiscal 2011, directors received compensatory shares for service from July 2010 through March 2011. Because these shares are restricted, we have discounted the value of these shares at a rate of 25% less than the closing price of the stock on the day awarded. On April 29, 2011, shares were issued for service for the quarters ended December 31, 2010 and March 31, 2011. On

February 22, 2012, each director received 1,125 compensatory shares for service from April 1, 2011 through December 31, 2011. Information regarding shares of restricted stock awarded to directors in the fiscal year ended September 30, 2011, is summarized below, at the amount recognized for financial statement reporting purposes in accordance with FASB ASC 718 (formerly SFAS No. 123(R)).

Section 16(a) of the Exchange Act requires our directors and executive officers, and persons who own more than 10% of our common stock, to file with the Securities and Exchange Commission (the “SEC”) initial reports of ownership and reports of changes in ownership of our common stock. Our officers, directors and greater than 10% shareholders are required by the SEC to furnish us with copies of all Section 16(a) forms they file. The full Board has overall responsibility for the general oversight of risks that could affect Corning, but some of this oversight is conducted by committees of the Board. The Board satisfies this responsibility through regular reports directly from officers responsible for oversight of particular risks within Corning, as well as through reports by each committee chair regarding the committee’s considerations and actions.

## **Board Leadership Structure**

The roles of Chief Executive Officer and Chairman of the Board are separated in recognition of the differences between the two roles. The Chief Executive Officer is responsible for Corning's strategic initiatives and Corning's day-to-day operations and performance, while the Chairman of the Board provides guidance to the Chief Executive Officer and presides over meetings of the full Board.

## **Audit Committee**

The audit committee is currently comprised of Mr. Williamson, the committee's chairman, Mr. Cook and Mr. William Mirabito, each of whom was determined by our Board of Directors to be "independent directors" as defined in the New York Stock Exchange listing standards. Additional information regarding the audit committee is provided in the "Audit Committee Report" beginning on page 10 of this Proxy Statement.

## **Compensation Committee**

Our compensation committee is currently comprised of Mr. Joseph Mirabito, the committee's chairman, Mr. Gibson and Mr. Williamson. The compensation committee oversees Corning's executive compensation program. In this role, the committee reviews and approves, or recommends for approval by the full Board, the compensation that is paid or awarded to our executive officers. The goal of our compensation committee is to ensure that the total compensation paid to our executive officers and significant employees is fair, reasonable and competitive. No officers or employees of the Company served on the compensation committee.

No officers or employee of the Company served on the compensation committee. Mr. German meets with the compensation committee at their request and makes recommendations with respect to the compensation of other officers. Mr. Mirabito is an officer, director and shareholder of Mirabito Holdings, Inc., a company that entered into a joint venture with Corning in November 2010. There are no interlocks between our compensation committee and officers and those of any other company.

The committee also administers our 2007 Stock Plan. The committee met twice in the last fiscal year to recommend salaries and report those recommendations to the full Board of Directors for approval. The committee does not have a written charter.

## **Nominating Committee**

The nominating committee is currently comprised of Mr. Cook, Mr. Joseph Mirabito and Mr. Welch, the committee's chairman. The committee met once during our 2011 fiscal year. The committee does not have a written charter.

If there are any vacancies on the Board or if the nominating committee determines not to re-nominate an incumbent director for election to the Board, our President and Chief Executive Officer and our Chairman of the Board generally will identify a qualified candidate for the committee's consideration. Director nominees are approved by the nominating committee and recommended to the full Board for their approval. Nominees are not required to possess specific

skills or qualifications; however, nominees are recommended and approved based on various criteria including relevant skills and experience, personal integrity and ability and willingness to devote their time and efforts to Corning. Qualified nominees are considered without regard to age, race, color, sex, religion, disability or national origin. We do not use a third party to locate or evaluate potential candidates for director.

### **Corporate Governance and Community Relations Committee**

The corporate governance and community relations committee is currently comprised of Mr. William Mirabito, Mr. German, Mr. Welch, and Mr. Gibson, the committee's chairman. The committee met once during our 2011 fiscal year. The committee is responsible for developing corporate governance principles and practices, considering corporate governance issues, administering our related person transaction policy and assisting the Board in the Company's compliance with our code of business conduct and ethics.

### **Shareholder Communications with Directors**

A shareholder who wishes to communicate directly with the Board of Directors, a committee of the Board or with an individual director, should send the communication to:

Corning Natural Gas Corporation  
Board of Directors [or committee name or director's name, as appropriate]  
330 West William Street  
Corning, New York 14830

We will forward shareholder correspondence about Corning to the Board, committee or individual director, as appropriate.

### **Code of Business Conduct and Ethics**

Corning has a Code of Business Conduct and Ethics that applies to all employees, including our Chief Executive Officer and our Chief Financial Officer who also serves as our principal accounting officer. This code is available on our website at [www.corninggas.com](http://www.corninggas.com). Any amendments or waivers to the code that apply to our Chief Executive Officer or Chief Financial Officer will be promptly disclosed to our shareholders.

## **AUDIT COMMITTEE REPORT**

Corning has a separately designated standing audit committee. In accordance with its written charter that was approved and adopted by our board, our audit committee assists the board in fulfilling its responsibility of overseeing the quality and integrity of our accounting, auditing and financial reporting practices. A copy of the audit committee charter is available on our website at [www.corninggas.com](http://www.corninggas.com). The audit committee is directly responsible for the appointment of Corning's independent public accounting firm and is charged with reviewing and approving all services performed for us by the independent accounting firm and for reviewing the accounting firm's fees. The audit committee reviews the independent accounting firm's internal quality control procedures, reviews all relationships between the independent accounting firm and

Corning in order to assess the accounting firm's independence, and monitors compliance with our policy regarding non-audit services, if any, rendered by the independent accounting firm. In addition, the audit committee ensures the regular rotation of the lead audit partner and concurring partner. The audit committee reviews management's programs to monitor compliance with our policies on business ethics and risk management.

The audit committee is currently comprised of Mr. Williamson, the committee's chairman, Mr. Cook and Mr. William Mirabito. Mr. Mirabito is an officer, director and shareholder of a company that has entered into a joint venture with Corning. The committee met four times in the last fiscal year. Mr. Williamson, Mr. Cook and Mr. Mirabito are "independent directors" as defined in the New York Stock Exchange listing standards. In addition, each member of the audit committee is able to read and understand financial statements, including balance sheets, income statements and cash flow statements. The Board has determined that Mr. Williamson meets the qualifications for designation as a financial expert as defined in SEC rules through his experience as the chief executive officer of RGC Resources, Inc., a publicly-held company. The audit committee reviews and reassesses its charter as needed from time to time and will obtain the approval of the board for any proposed changes to its charter.

The audit committee oversees management's implementation of internal controls and procedures for financial reporting designed to ensure the integrity and accuracy of our financial statements and to ensure that we are able to timely record, process and report the information required for public disclosure. In fulfilling its oversight responsibilities, the audit committee reviewed and discussed the audited financial statements with management and EFP Rotenberg LLP ("EFP Rotenberg"), our independent accounting firm. The audit committee also discussed with EFP Rotenberg the matters required by Statement on Auditing Standards No. 61, as amended, "Communication with Audit Committee." The audit committee reviewed with EFP Rotenberg, which is responsible for expressing an opinion on the conformity of our audited financial statements with accounting principles generally accepted in the United States, its judgment as to the quality, not just the acceptability, of our accounting principles and other matters as are required to be discussed with the audit committee pursuant to generally accepted auditing standards.

In discharging its oversight responsibility as to the audit process, the audit committee obtained from our independent accounting firm a formal written statement describing all relationships between the independent accounting firm and us that might bear on the accounting firm's independence consistent with the requirements of the Public Company Accounting Oversight Board and discussed with the accounting firm any relationships that may impact its objectivity and independence. In considering the accounting firm's independence, the audit committee also considered whether the non-audit services performed by the accounting firm on our behalf were compatible with maintaining the independence of the accounting firm.

In reliance upon (1) the audit committee's reviews and discussions with management and EFP Rotenberg, (2) management's assessment of the effectiveness of our internal control over financial reporting, and (3) the receipt of an opinion from EFP Rotenberg dated December 28, 2011, stating that the Corning's financial statements for the year ended September 30, 2011 are presented fairly, in all material respects, in conformity with U.S. generally accepted accounting

principles, the audit committee recommended to our board that these audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended September 30, 2011, for filing with the SEC.

### **Benefit Plans**

We provide competitive welfare and retirement benefits to our executive officers as an important element of their compensation packages. Our executives receive medical and dental coverage, life insurance, disability coverage and other benefits on the same basis as our other employees. Our executives are also eligible to participate in our employee savings and pension plans.

*Corning Natural Gas Corporation Employees Savings Plan.* All employees of Corning who work for more than 1,000 hours per year and who have completed one year of service may enroll in the savings plan at the beginning of each calendar quarter. Under the savings plan, participants may contribute up to 50% of their wages. Corning matches one-half of the participant's contributions up to a total of 3% of the participant's wages. Matching contributions vest in the participants' accounts at a rate of 20% per year and become fully vested after five years. All participants may select one of ten investment plans, or a combination thereof, for their account. Distribution of amounts accumulated under the savings plan occurs upon the termination of employment or death of the participant. The savings plan also contains loan and hardship withdrawal provisions.

*Pension Plan.* We maintain a defined benefit pension plan, the Retirement Plan for Salaried and Non-Union Employees of Corning Natural Gas Corporation, that covers substantially all of our employees. We make annual contributions to the plan equal to amounts determined in accordance with the funding requirements of the Employee Retirement Security Act of 1974. The benefit payable under the pension plan is calculated based upon the employee's average salary for the four years immediately preceding his retirement. As defined in the plan, the normal retirement age is 62. The compensation covered by the pension plan includes only base salary, which for our named executive officers is identified in the summary compensation table as "Salary."

## **PROPOSAL 2**

### **RATIFICATION OF APPOINTMENT OF THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2011**

The audit committee of the Board of Directors has appointed and the Board of Directors has ratified the appointment of the accounting firm of EFP Rotenberg, LLP to serve as the Company's independent registered public accounting firm for the fiscal year ending September 30, 2012. EFP Rotenberg, LLP (and its predecessor, Rotenberg & Co., LLP) has served as the Company's independent registered public accounting firm since 2004 and is considered by the audit committee, the Board of Directors and management of the Company to be well qualified. The shareholders are being asked to ratify the audit committee's appointment of EFP Rotenberg, LLP. If the shareholders fail to ratify this appointment, the audit committee may, but is not required to, reconsider whether to retain that firm. Even if the appointment is ratified, the audit committee in its discretion may direct the appointment of a different accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its shareholders. Representatives of EFP Rotenberg, LLP will attend the annual meeting to answer appropriate questions and make statements if they desire.

The Board of Directors recommends a vote **FOR** the proposal to ratify the appointment of EFP Rotenberg, LLP as our independent registered public accounting firm for the fiscal year ending September 30, 2012.

## **SHAREHOLDER PROPOSALS**

A shareholder's notice to the corporate secretary must set forth as to each matter the shareholder proposes to bring before the meeting:

- a brief description of the business desired to be brought before the meeting and the reasons for conducting such business at the meeting,
- the name and record address of the shareholder proposing such business,
- the number of shares of our common stock that are beneficially owned by the shareholder, and

A shareholder may also present a proposal directly to our shareholders at the Annual Meeting. However, if we do not receive notice of the shareholder proposal prior to the close of business on January 30, 2013, SEC rules permit management to vote proxies in their discretion on the proposed matter. If we receive notice of the shareholder proposal on or before the close of business on January 30, 2013, management can only vote proxies in their discretion if they advise shareholders in our 2013 Proxy Statement about the nature of the proposed matter and how management intends to vote on the matter.
