complete set of financial statements for BSH, including notes, for the year ended December 31, 2004 in your Form 10-K for the year ended December 31, 2007. However, we do not consider this an acceptable response as financial statements filed under Rule 3-09 of Regulation S-X, whether audited or unaudited, should include a complete set of financial statements. Therefore, please file an amended Form 10-K for the year ended December 31, 2006 which includes the statements of cash flows, statements of changes in stockholders equity, and notes to the financial statements for the year ended December 31, 2004. Additionally, you responded that the only BSH financial statements you have for the nine months ended September 30, 2006 are the unaudited balance sheet and statement of income. In this regard, if a waiver of a financial statement requirement under Rule 3-09 of Regulation S-X is desired, a separate request for such waiver must be addressed to the Office of the Chief Accountant within the Division of Corporation Finance. This request should include a detailed discussion of your rationale or reasons for requesting the waiver of a financial statement required under Rule 3-09 of Regulation S-X.

You may contact Claire Erlanger at (202) 551-3301 or Jean Yu at (202) 551-3305 if you have questions regarding comments on the financial statements and related matters. Please contact me at (202) 551-3813 with any other questions.
