SUCCESSFUL COMPLETION OF THE DIVESTMENT OF SASOL'S 50% INTEREST IN THE LAKE CHARLES CHEMICAL PROJECT BASE CHEMICALS BUSINESS; COVENANT AMENDMENT FOR 31 DECEMBER 2020 AND SASOL INVESTOR UPDATE

Completion of divestment and creation of a Joint Venture with LyondellBasell

Sasol shareholders are referred to the Company's Stock Exchange News Service ("SENS") announcement dated 2 October 2020, containing details of the divestment of a 50% interest in Sasol's Base Chemicals business at Lake Charles to LyondellBasell ("Transaction"). A further SENS announcement was released by the Company on 23 November 2020 confirming the approval of the Transaction by shareholders at Sasol's general meeting held on 20 November 2020.

Sasol is pleased to announce that the Transaction successfully closed on 1 December 2020 and the 50/50 Louisiana Integrated Polyethylene joint venture ("JV") with LyondellBasell has now been established.

The proceeds of approximately US\$2 billion will be received within 2 days of closing, with standard closing adjustments to be effected 30 days thereafter.

Under the terms of the Transaction agreements, LyondellBasell will operate the JV assets on behalf of the JV and market the polyethylene products on behalf of the two shareholders.

Covenant amendment

Sasol is also pleased to announce the successful conclusion of discussions with our lenders regarding the covenant amendment for 31 December 2020, which is 4x net debt: earnings before interest, taxation, depreciation and amortisation (EBITDA). Our lenders have agreed that the covenant calculation will not be impacted by once off events or delayed receipt of disposal proceeds that are expected by 31 December.

The covenant for June 2021 will remain at 3x Net Debt: EBITDA.
