Executive Officer Compensation Philosophy, page 31

1. We note that your compensation committee “generally designates the 50th percentile” of your peer group as a benchmark for aggregate compensation. Revise to clarify whether you targeted this level of compensation in 2008, and disclose the actual percentiles achieved during 2008 with respect to the compensation paid to each named executive officer. If any named executive officer’s actual compensation fell outside the targeted percentile range with respect to any element of compensation, please disclose the reasons for the divergence.

Closing Comments

Please respond to these comments within 10 business days or tell us when you will provide us with a response. Please furnish a letter that keys your responses to our comments and provides any requested information. Detailed letters greatly facilitate our review. Please understand that we may have additional comments after reviewing your responses to our comments.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes all information required under the Securities Exchange Act of 1934 and that they have provided all information investors require for an informed investment decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comments, please provide, in writing, a statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

In addition, please be advised that the Division of Enforcement has access to all information you provide to the staff of the Division of Corporation Finance in our review of your filing or in response to our comments on your filing.

Please contact John Lucas at (202) 551-5798 or, in his absence, John Madison at (202) 551-3296 with any other questions.
