2009 Financial Summary

- Like many banks in 2009, PEBO's earnings were impacted by a sluggish economy and a distressed real estate market.
- Higher loan charge-offs and provision for loan losses.
- In 2009, impairment charges on investments totaled \$7.7 million, or \$0.48 per share.
- Non-performing assets have shown signs of stabilization.

Earnings Per Share

Non-performing Assets to Total Assets

First Quarter 2010 Results

- **Net income of \$0.8 million and diluted EPS of \$0.08**
- **Non-performing assets declined \$5 million from year end 2009 to \$35.9 million.**
- **Investment impairment charge of \$1.0 million (\$0.06 per share), which was the remaining CDO investment.**
- **Stable net interest income (\$15.4 million) and net interest margin (3.52%).**
- **Non-interest expense contained.**
- **Retail deposit balances grew \$43 million.**
- **Capital position remained strong.**

A Focus on Net Interest Margin

- Able to maintain margin while preparing balance sheet for rising rates.
- Reduction in higher cost borrowings.
- Maintaining strong core earnings stream.
- Strong liquidity: \$52 million in excess cash as of March 31, 2010.

Net Interest Income (in 000s) and Net Interest Margin

Strength and stability...
Peace of mind...
The right choice...
The right bank...

It's good to know that some things never change. Especially when it comes to your financial security. At Peoples Bank, we're proud to be the local community bank that has not grown too big to take a responsible approach to the financial needs of each and every customer we serve. We've been doing business for over one hundred years and you can be assured that your money is safe, sound and secure with us. We have a strong record of financial stability and growth that has remained unshaken in these uncertain and questionable times. We care about our clients. Stop by and see just how different we are.
