Board Resolution

(Excerpt from minutes of the May 17, 2023 Board of Trustees meeting)

FIDELITY EQUITY AND HIGH INCOME FUNDS

Upon motion duly made and seconded, and by votes of the full Board, including a majority of those Trustees who are not “interested persons” of the Fund as defined in the Investment Company Act of 1940, as amended (“1940 Act”), the following votes were unanimously approved by the Board:

VOTED: That the Fund’s joint participation in a fidelity bond required by Rule 17g-1 under the 1940 Act (the “Fidelity Bond”) for the period July 1, 2023 to July 1, 2024, as detailed in the May 2023 Board memorandum, be, and it hereby is, approved, the full Board and the Independent Trustees having determined such Fidelity Bond to be reasonable in form and amount, taking into consideration factors deemed relevant, including, among others, the value of the aggregate assets of the Fund to which any covered person may have access, the type and terms of the arrangements for the custody and safekeeping of such assets, and the nature of the securities in the Fund’s portfolio; and that the officers of the Fund be, and they hereby are, authorized to take all appropriate steps to place said Fidelity Bond coverage, subject to review of the form by counsel to the Fund and counsel to the Independent Trustees.

FURTHER VOTED: That the portion of the total premium to be paid by the Fund for the Fidelity Bond be, and it hereby is, approved, the full Board and the Independent Trustees having considered factors deemed relevant, including, among others, the number of other parties named as insured, the nature of the business activities of such other parties, the amount of the Fidelity Bond, the amount of the premium for such Fidelity Bond, the ratable allocation of the premium among all parties named as insureds, and the extent to which the share of the premium allocated to each Fund is less than the premium it would have had to pay if it had provided and maintained a single insured bond.

FURTHER VOTED: That Natalia Harthorne and any additional party the Fund’s Treasurer should designate be, and they hereby are, designated as the individuals responsible for making all necessary filings and giving notices with respect to said Fidelity Bond required by Paragraph (g) of Rule 17g-1 under the 1940 Act.

FURTHER VOTED: That the Fund’s joint participation in, and the terms and costs of, a directors and officers/errors and omissions joint liability insurance policy and an “excess” Independent Trustee management liability policy (together, the “E&O/D&O Policy”) for the period July 1, 2023 to July 1, 2024, as detailed in the May 2023 Board memorandum, be, and they hereby are, approved, it having been determined by the full Board and the Independent Trustees that the Fund’s participation in the E&O/D&O

Policy is in the best interests of the Fund and that the premium to be allocated to the Fund, based upon the proportionate share of the sum of the premiums that would have been paid if such E&O/D&O Policy were purchased separately, is fair and reasonable to the Fund; and that the officers of the Fund be, and they hereby are, authorized to take all appropriate steps to place said E&O/D&O Policy established under the insurance program, subject to review of the form of policy by counsel to the Fund and counsel to the Independent Trustees.

FURTHER

VOTED: That the portion of the total premium to be paid by the Fund for the E&O/D&O Policy be, and it hereby is, approved.

FURTHER

VOTED: That Natalia Harthorne and any additional party the Fund's Treasurer should designate be, and they hereby are, authorized and directed to execute and deliver such documents and to take such actions in the name of the Funds, or on its behalf, as they may determine to be necessary or desirable in connection with the furtherance of the foregoing resolutions.

EQUITY & HIGH INCOME AND FIXED INCOME & ASSET ALLOCATION FUNDS
AMENDED & RESTATED FIDELITY BOND INSURANCE RECOVERY AGREEMENT

This Equity & High Income and Fixed Income & Asset Allocation Funds Amended & Restated Fidelity Bond Insurance Recovery Allocation Agreement, effective July 1, 2017 (the "Agreement"), is by and among each Fidelity Equity and High Income Fund and Fidelity Fixed Income and Asset Allocation Fund identified in the fidelity bond insurance policy(ies) (the "Policy") and all future portfolios overseen by the Fidelity Equity and High Income Funds Board of Trustees and Fidelity Fixed Income and Asset Allocation Funds Board of Trustees that may be added to the Policy (the "Fund Insureds"). Any past, present or future duly elected or appointed director, officer, trustee (other than a bankruptcy or liquidator's trustee), observer, governor, management committee member, member of a Board of Managers or a management board, or member of a Board of Trustees, including a trustee who is not an "interested person" of a Fund Insured, as defined under the Investment Company Act of 1940 (the "1940 Act"), Advisory Board member, or, if operating outside the United States, any past, present and future person in a duly elected or appointed position that is equivalent to a position listed above are collectively referred to as the "Executives".

WITNESSETH:

WHEREAS, the Fund Insureds are and will be named as joint insureds on one or more fidelity bonds (the "Bond") that provide combined coverage;

WHEREAS, Rule 17g-1 under the Investment Company Act of 1940 ("Rule 17g-1") requires that in the case of a joint Bond there shall be an agreement among all insureds to the effect that in the event recovery is received under such a Bond as a result of a loss sustained by a registered management investment company and one or more other insureds, the registered management investment company shall receive an equitable and proportionate share of the recovery, at least equal to the amount which it would have received had it provided and maintained a single insured Bond with the minimum coverage required by Rule 17g-1(d)(1);

NOW, THEREFORE, the parties agree, subject to the terms and conditions of the Policy, as follows:

1. Allocation of Recovery of Bond Claims Among Fund Insureds.

(a) Each individual Fund Insured shall initially receive not less than the lesser of an amount of the recovery equal to the amount of the minimum amount of Bond coverage each individual Fund Insured would have been required to maintain as of the date any such loss is sustained under a single insurance Bond as required by Rule 17g-1(d)(1) or the amount of the actual losses of each individual Fund Insured.

(b) Each individual Fund Insured seeking recovery amounts from the insurer(s) of the Policy in excess of the minimum amount of Bond coverage it would have been required to maintain as of the date any such loss is sustained under a single Bond as required by Rule 17g-1(d)(1) shall recover such excess amounts in full as long as the remaining aggregate policy limit

is sufficient to provide all other Fund Insureds with the minimum amount of Bond coverage as required by Rule 17g-1(d)(1). If multiple Fund Insureds seek recovery amounts from the insurer(s) that issued the Bond in excess of their respective minimum coverages, as required by Rule 17g-1(d)(1), and the remaining aggregate Bond limit is not sufficient to pay all such amounts in full, such Fund Insureds shall share in any remaining amount of available aggregate Bond limit on the basis of the minimum amount of insurance coverage that each individual Fund Insured would have been required to maintain as of the date any such loss is sustained as required by Rule 17g-1(d)(1) as a percentage of the total amount of minimum insurance coverage required by Rule 17g-1(d)(1) for all Fund Insureds seeking claim recovery amounts in excess of the minimum amount of insurance coverage required pursuant to Rule 17g-1(d)(1), provided, of course, that no Fund Insured recovers more than its actual losses.

(c) The allocation of recovery among Fund Insureds shall be subject to the requirements of Rule 17g-1, including maintaining the minimum amount of insurance coverage for each individual Fund Insured.

2. Notice. Notice is hereby given that the obligations of this Agreement are not binding upon any such Executive or shareholder individually, but are binding only upon the assets and the property of each Fund Insured's respective portfolios.

3. Entire Agreement. This Agreement constitutes the entire understanding and agreement among the parties hereto, with respect to the subject matter hereof, and accordingly supersedes, as of the effective date of this Agreement, any other agreement heretofore in effect among the parties, including, with regard to the Fund Insureds only, the Fidelity Bond Insurance Recovery Agreement dated April 2, 2004.

4. Choice of Law. In all instances this agreement shall be construed in accordance with and governed by the laws of The Commonwealth of Massachusetts, in each case without giving effect to principles of conflicts of law.

IN WITNESS WHEREOF, the undersigned has caused this Agreement to be executed
and delivered on 2-6-18.

1. INSURING AGREEMENTS

A. FIDELITY

This bond shall pay loss which is discovered during the Bond Period resulting directly from dishonest or fraudulent acts including but not limited to larceny or embezzlement committed by an Employee acting alone or in collusion with others. Such dishonest or fraudulent acts must be committed by the Employee with the intent:

- (1) to cause the Company to sustain such loss; or
- (2) to obtain financial benefit for the Employee or another person or entity acting in collusion with the Employee.

Notwithstanding the foregoing, however, it is agreed that with regards to Loans and/or Trading, this bond covers only loss resulting directly from dishonest or fraudulent acts committed by an Employee with the intent to realize a financial benefit and which actually results in such a financial benefit for the Employee. Also notwithstanding the foregoing, where the proceeds of a fraud perpetrated by an Employee arising from Loans and/or Trading are actually received by persons with whom the Employee was acting in collusion, but said Employee fails to derive a financial benefit therefrom, such a loss will nevertheless be covered hereunder as if the Employee has obtained such benefit provided the Company established that the Employee intended to participate therein.

As used throughout this Insuring Agreement, "financial benefit" does not include any salaries, commissions, fees, bonuses, promotions, awards, profit sharing, pensions or other employee benefits if earned in the normal course of employment except such may be used in determining intent.

(b) above shall not apply unless the Insurer has been prejudiced by non-compliance with such provisions.

(i) If during the Bond Period or during the Extended Reporting Period (if applicable), written notice of a claim has been given to the Insurer pursuant to Clause 9(a) above, then any claim which is subsequently made against the Insured and reported to the Insurer alleging, arising out of, based upon or attributable to the facts alleged in the claim of which such notice has been given, or alleging any act which is the same as or related to any act alleged in the claim of which such notice has been given, shall be considered related to the first claim and made at the time such notice was given.

(ii) If during the Bond Period or during the Extended Reporting Period (if applicable), the Insured shall become aware of any circumstances which may reasonably be expected to give rise to a claim being made against the Insured and shall give written notice to the Insurer of the circumstances and the

reasons for anticipating such a claim, with full particulars as to dates and persons involved, then any claim which is subsequently made against the Insured and reported to the Insurer alleging, arising out of, based upon or attributable to such noticed circumstances or alleging any act which is the same as or related to any act alleged or contained in such noticed circumstances, shall be considered made at the time such notice of such circumstances was given.

10. COOPERATION

The Insured shall cooperate with the Insurer and, upon the Insurer's request, assist in making settlements, in the conduct of suits or proceedings, and in enforcing any right of contribution or indemnity against any person or organization who may be liable to the Insured. The Insured shall attend hearings, trials and depositions and shall assist in securing and giving evidence and obtaining the attendance of witnesses.

11. EXTENDED REPORTING PERIOD

If the Insurer or the Named Insured shall cancel or decline to renew this bond, the Insured shall have the right, upon payment of an additional premium in an amount not to exceed 150% of the full annual premium, to a period of one year following the effective date of such cancellation or non-renewal (herein referred to as the Extended Reporting Period) in which to give written notice to the Insurer of claims first made against the Insured during such Extended Reporting Period for any act occurring prior to the end of the Bond Period and otherwise covered by this bond. The rights contained in this clause shall terminate, however, unless written notice of such election together with the additional premium due is received by the Insurer within thirty (30) days of the effective date of cancellation or non-renewal. The additional premium for the Extended Reporting Period shall be fully earned at the inception of the Extended Reporting Period. The Extended Reporting Period is not cancelable. This clause and the rights contained herein shall not apply to any cancellation resulting from non-payment of premium.

The offer by the Insurer of renewal terms, conditions, limit of liability and/or premiums different from those of the expiring bond shall not constitute a declination to renew by the Insurer.

12. CANCELLATION CLAUSE

This bond may not be canceled by the Insured or the Insurer, except as indicated below.

This bond may be canceled by or on behalf of the Insurer in the event of non-payment of premium by the Insured. In the event of non-payment of premium by the Insured, the Insurer may cancel this bond by delivering to the Insured or by mailing to the Insured, by registered, certified, or other first class mail, at the Insured's address as shown in Item 1(a) of the Declarations, written notice stating when, not less than 15 days thereafter, the cancellation shall be effective. The mailing of such notice as aforesaid shall be sufficient proof of notice. The Bond Period terminates at the date and hour specified in such notice, or at the date and time of surrender.

Notwithstanding the above, any layer of insurance for which any insurer on this bond or any excess layer above it participates may be cancelled by the Insured in the event that the A.M. Best rating of that insurer is determined to be below an A rating. In no way does the cancellation of any layer of insurance affect the other layers of insurance, and, specifically, no insurer will be required to attach at a lower level or participate to a greater extent on a quota share than it otherwise would had no cancellation taken place. In the event of cancellation by either the Insurer or the Insured as indicated above, the Insurer shall be entitled to the annual premium on a pro-rate basis and, if applicable, shall return such unused premium to the Insured within 10 days of cancellation.

If the period of limitation relating to the giving of notice as set forth in this Clause is also set forth in any law controlling the construction thereof, then such period shall be deemed to be amended so as to be equal to the minimum period of limitation set forth in the controlling law.

13. SUBROGATION

In the event of any payment under this bond, the Insurer shall be subrogated to the extent of such payment to all the Insured's rights of recovery therefor, and the Insured shall execute all papers required and shall do everything that may be reasonably necessary to secure such rights. The Insured shall do nothing to prejudice such rights. Any amount recovered in excess of the Insurer's total payment shall be restored to the Insured, less the cost to the Insurer of recovery. In no event, however, shall the Insurer exercise its rights of subrogation against an Insured under this bond unless such Insured has been convicted of a deliberate criminal act, or been determined, through a final non-appealable adjudication in an action or proceeding other than an action or proceeding initiated by the Insurer to determine coverage under the bond establishes the Insured, to have in fact committed a deliberate fraudulent act or obtained any profit or advantage to which such Insured was not legally entitled.

In the event that the Insurer shall for any reason pay indemnifiable loss on behalf of an Individual Insured, the Insurer shall have the contractual right hereunder to recover from the Company the amount of such loss equal to the amount of the retention not satisfied by the Company and shall be subrogated to the rights of the Individual Insureds hereunder.

14. OTHER INSURANCE

Such insurance as is provided by this bond shall apply only as excess over any other valid and collectible insurance, unless such other insurance is written only as specific excess insurance over the limit of liability provided by this bond.

However, in the event of a claim under this bond for any alleged act(s) (including Interrelated Wrongful Acts) and such claim is also a valid and collectible covered claim (as "claim" is defined under the FMR Corporate Concentric Custom Bond) under the FMR Corporate Concentric Custom Bond, this bond, subject to this bond's terms and conditions, shall also cover such claim, but only to the extent that such claim is not valid and collectible under the FMR Corporate Concentric Custom Bond.

15. NOTICE AND AUTHORITY

It is agreed that any Vice President within the Fidelity Insurance Risk Management Department shall act on behalf of all Insureds with respect to the giving and receiving of notice of claim and cancellation, the payment of premiums and the receiving of any return premiums that may become due under this bond, the receipt and acceptance of any endorsements issued to form a part of this bond and the exercising or declining to exercise any right to an Extended Reporting Period.

16. ASSIGNMENT

Assignment of interest under this bond shall not bind the Insurer until its consent is endorsed hereon; however, subject otherwise to the terms hereof, this bond shall cover the estate, heirs or legal representative of the Insured in the event of the Insured's death, bankruptcy, insolvency or being adjudged incompetent.

17. ACTION AGAINST INSURER

Except as provided in Clause 19 of this bond, no action shall lie against the Insurer unless, as a condition precedent thereto, there shall have been full compliance with all of the terms of this bond, nor until the amount of the Insured's obligation to pay shall have been finally determined either by judgment against the Insured after actual trial or by written agreement of the Insured, the claimant and the Insurer.

Any person or organization or the legal representative thereof who has secured such judgment or written agreement shall thereafter be entitled to recover under this bond to the extent of the insurance afforded by this bond. No person or organization shall have any right under this bond to join the Insurer as a party to any action against the Insured to determine the Insured's liability, nor shall the Insurer be impleaded by an Insured or his, her or its legal representative. Bankruptcy or insolvency of an Insured or of his, her or its estate shall not relieve the Insurer of any of its obligations hereunder.

18. DISPUTE RESOLUTION PROCESS

It is hereby understood and agreed that all disputes or differences which may arise under or in connection with this bond, whether arising before or after termination of this bond, including any determination of the amount of loss, shall be submitted to the alternative dispute resolution ("ADR") process set forth in this clause.

Either the Insurer or an Insured may elect the type of ADR process discussed below; provided, however, that such Insured shall have the right to reject the Insurer's choice of the type of ADR process at any time prior to its commencement, in which case such Insured's choice of ADR process shall control.

The Insurer and each and every Insured agrees that there shall be two choices of ADR process: (1) non-binding mediation administered by the American Arbitration Association, in which the Insurer and any such Insured shall try in good faith to settle the dispute by mediation under or in accordance with its then-prevailing Commercial Mediation Rules or (2) arbitration submitted to the American Arbitration Association in accordance with its then-prevailing Commercial Arbitration Rules, in which the arbitration panel shall consist of three disinterested individuals. In either mediation or arbitration, the mediator or arbitrators shall have knowledge of the legal, corporate management, or insurance issues relevant to the matters in dispute. The mediator or arbitrators shall also give due consideration to the general principles of the law of the state where the Named Insured is incorporated in the construction or interpretation of the provisions of this bond. In the event of arbitration, the decision of the arbitrators shall be final and binding and provided to both parties, and the arbitrators' award shall not include attorneys fees or other costs. In the event of mediation, either party shall have the right to commence a judicial proceeding; provided, however, that no such judicial proceeding shall be commenced until the mediation shall have been terminated and at least 30 days shall have elapsed from the date of the termination of the mediation. In all events, each party shall share equally the expenses of the ADR process.

The laws of the State of New York shall apply, except with regards, to (a) the procurements, issuance or delivery of this bond, including any provisions of the bond relating to its cancellation or nonrenewal (if any), or any other New York State regulations or requirements regarding policies issued pursuant to New York State Insurance Law; and (b) the determination of the availability of punitive damages, unless New York law otherwise applies.

Either choice of ADR process may be commenced in New York, New York; or in the state indicated in Item 1(a) of the Declarations as the mailing address for the Named Insured. The Named Insured shall act on behalf of each and every Insured in deciding to proceed with an ADR process under this clause.

19. ORDER OF PAYMENTS

In the event of loss arising from a claim for which payment is due under this bond, the Insurer shall in all events:

- a first, pay loss for which coverage is provided under Coverage Section II.A and then Coverage Section II.C of this bond; then
- b pay such other loss for which coverage is provided under this bond.

The bankruptcy or financial insolvency of any Company shall not relieve the Insurer of any of its obligations to prioritize payment of covered loss under this bond pursuant to this Clause 21.

20. REPRESENTATION OF INSURED

D. The Insured represents that the information furnished in the application for this bond is complete, true and correct in all material respects. The individual signing the application hereby makes such representation on behalf of himself/herself and the Company under the attached bond (as that term is defined in the attached bond) after inquiry of all the directors and officers of the Insured and its subsidiaries, to the extent coverage is granted to any of its subsidiaries under the attached bond.

Such application constitutes part of this bond. Any intentional misrepresentation, omission, concealment or incorrect statement of a material fact, in the application or otherwise, shall be grounds for the rescission of this bond.

21. MOST FAVORABLE JURISDICTION
