SUPREME INDUSTRIES, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 1 - BASIS OF PRESENTATION AND OPINION OF MANAGEMENT

The accompanying unaudited consolidated financial statements have been prepared in accordance with the instructions to Form 10-Q and therefore do not include all of the information and financial statement disclosures necessary for a fair presentation of consolidated financial position, results of operations and cash flows in conformity with accounting principles generally accepted in the United States of America. In the opinion of management, the information furnished herein includes all adjustments necessary to reflect a fair statement of the interim periods reported. All adjustments are of a normal and recurring nature. The December 27, 2003 consolidated balance sheet data was derived from audited financial statements, but does not include all disclosures required by accounting principles generally accepted in the United States of America.

The Company has adopted a 52 or 53 week fiscal year ending the last Saturday in December. The results of operations for the three months ended March 27, 2004 and March 29, 2003 are for 13 week periods.

NOTE 2 - INVENTORIES

Inventories, which are stated at the lower of cost or market with cost determined using the first-in, first-out method, consist of the following:

	March 27, 2004	December 27, 2003
Raw materials.....	\$ 24,052,717	\$ 19,763,424
Work-in-progress.....	8,168,455	6,593,014
Finished goods.....	11,907,873	9,839,965
	<u>\$ 44,129,045</u>	<u>\$ 36,196,403</u>

The valuation of raw materials, work-in-progress and finished goods inventories at interim dates is based upon a gross profit percentage method and bills of materials. The Company has historically had favorable and unfavorable quarterly adjustments resulting from periodic physical inventories. The Company continues to refine its costing procedures for valuation of interim inventories in an effort to minimize book to physical inventory adjustments.

NOTE 3 - INTANGIBLE ASSETS

Intangible assets subject to amortization represent favorable lease agreements with a cost of \$1,048,167 less accumulated amortization of \$979,444 and \$966,559 at March 27, 2004 and December 27, 2003, respectively. The favorable leases are being amortized using the straight-line method over the twenty-five year term of the leases which includes renewal terms. Amortization expense for the three months ended March 27, 2004 and March 29, 2003 was \$12,885.

NOTE 4 - LONG-TERM DEBT

The Company amended its existing credit agreement effective March 22, 2004. The terms of the amended credit facility are substantially the same as the previous credit facility disclosed in the Annual Report on Form 10-K for the year ended December 27, 2003. The credit facility matures June 30, 2006 and as a result all borrowings under the credit facility at March 27, 2004 are classified as long-term debt.

NOTE 5 - EARNINGS PER SHARE

The number of shares used in the computation of basic and diluted earnings per share are as follows:

	<u>Three Months Ended</u>	
	<u>March 27, 2004</u>	<u>March 29, 2003</u>
Weighted average number of shares outstanding (used in computation of basic earnings per share)	12,030,316	11,914,466
Effect of dilutive stock options	<u>455,385</u>	<u>102,446</u>
Diluted shares outstanding (used in computation of diluted earnings per share)	<u><u>12,485,701</u></u>	<u><u>12,016,912</u></u>

All 2003 basic and diluted shares outstanding have been adjusted to reflect the 10% common stock dividend paid on October 16, 2003.

NOTE 6 - STOCK-BASED COMPENSATION

The Company has adopted the disclosure only provisions of Statement of Financial Accounting Standards ("SFAS") No. 123, "Accounting for Stock-Based Compensation," as amended by SFAS No. 148, "Accounting for Stock-Based Compensation - Transition and Disclosure," and, accordingly, accounts for its stock option plans using the intrinsic value method of Accounting Principles Board Opinion No. 25, "Accounting for Stock Issued to Employees."

The following table illustrates the effect on net income and earnings per share if compensation expense was measured using the fair value recognition provisions of SFAS No. 123, "Accounting for Stock-Based Compensation."

NOTE 7 - COMMON STOCK

On February 16, 2004, the Company paid a three (\$.03) cent per share cash dividend to all Class A and Class B common stockholders. On April 29, 2004, the Company's Board of Directors declared a three and one-half (\$.035) cent per share cash dividend payable on May 17, 2004 to all Class A and B common stockholders of record on May 10, 2004.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

Results of Operations

Revenues for the three months ended March 27, 2004 increased \$23.8 million to \$73.6 million from \$49.8 million for the three months ended March 29, 2003. Approximately 60% of the overall increase was attributed to increased deliveries to the Company's large fleet and leasing customers. The balance of the increase relates to overall improved market conditions for the Company's truck products and improved revenue from the Company's municipal bus customers.

Gross profit as a percentage of revenues was 9.8% for the three months ended March 27, 2004, a decrease of 2.1% from the 11.9% for the three months ended March 29, 2003. Several factors contributed to the decline in gross profit. First, major commodities used by the Company, including steel, aluminum, wood and other material, experienced considerable escalating prices throughout the first quarter. The increased material cost was partially offset by improved overhead absorption resulting from the increased revenues. Second, the gross profit margin was adversely affected by the large percentage of revenues attributable to lower margin fleet business invoiced in the current quarter compared with the first quarter of 2003. These fleet agreements did not generally have material cost escalation provisions. Third, the Company incurred in excess of \$500,000 of start-up related expenses at its newly opened Oregon facility.

As a result of the escalated costs, the Company implemented across-the-board cumulative increases in its selling prices of 7%. The benefit of these price increases will not be reflected in the Company's revenues until the latter part of the second quarter due to the Company's significant backlog existing prior to the effective dates of such increases. Consequently, though we cannot provide any assurance, material cost as a percentage of revenues is anticipated to return to a level more consistent with historical operations beginning in June 2004.

Direct labor as a percentage of revenues was relatively unchanged from the prior year's first quarter. The increased revenues and production in the quarter ended March 27, 2004 resulted in an improvement in overhead as a percentage of revenues when compared to the quarter ended March 29, 2003.

Selling, general and administrative expenses were 7.4% as a percentage of revenues for the three months ended March 27, 2004 compared to 10.1% for the three months ended March 29, 2003. The percentage decline primarily relates to the increased revenues in the quarter ended March 27, 2004.

Interest expense for the three months ended March 27, 2004 was approximately \$192,000 compared to \$231,000 for the three months ended March 29, 2003. The decline is entirely due to better management of chassis under the Company's pool agreements with the large OEM's.

The Company's effective income tax rate was 38.2% for the first quarter of 2004, relatively unchanged from the 38.5% experienced in the first quarter of 2003.

Net income for the three months ended March 27, 2004 was \$1.0 million compared to \$0.4 million for the three months ended March 29, 2003. Basic and diluted earnings were \$.08 per share for the quarter ended March 27, 2004 compared to \$.04 basic earnings per share and \$.03 diluted earnings per share for the quarter ended March 29, 2003.

Liquidity and Capital Resources

Net income of \$1.0 million and depreciation and amortization of \$0.9 million were the major sources of funds from operating activities for the quarter ended March 27, 2004. Relative to the significantly increased revenues and order backlog, the Company's accounts receivable and inventories have increased \$10.7 million and \$7.9 million, respectively, when compared to December 27, 2003. Accounts payable increased \$7.7 million from December 27, 2003 which is directly related to the increase in inventories.

Investments in property, plant and equipment were \$1.1 million for the quarter ended March 27, 2004 compared to \$0.5 million for the quarter ended March 29, 2003.

The significant financing activity during the quarter was a net \$9.9 million borrowings under the Company's revolving line of credit to support the higher levels of accounts receivable and inventories. The Company paid \$0.4 million in cash dividends and received \$0.3 million from the exercise of incentive stock options.

The Company believes that cash flow generated from operations and funds available under the Company's revolving line of credit will be sufficient to meet the Company's cash needs during the remainder of 2004. To support the working capital requirements associated with the significantly increased levels of revenues and order backlog the Company increased its revolving line of credit facility to \$20.0 million on January 5, 2004 and to \$30.0 million on March 19, 2004.

Contractual Obligations

Our fixed, noncancelable obligations as of March 27, 2004, were as follows:

	Payments due by period				
	Total	Less than 1 Year	1-3 Years	3-5 Years	More than 5 Years

Operating leases (b)	1,062,662	722,786	335,676	4,200	-

(a) Amounts are included on the Consolidated Balance Sheets. For additional information regarding debt and related matters, see note 4 of the Notes to Consolidated Financial Statements disclosed in the Annual Report on Form 10K for the year ended December 27, 2003.

(b) For additional information regarding operating leases, see note 8 of the Notes to Consolidated Financial Statements disclosed in the Annual Report on Form 10K for the year ended December 27, 2003.

Critical Accounting Policies and Estimates

Management's discussion and analysis of its financial position and results of operations are based upon the Company's consolidated financial statements, which have been prepared in accordance with accounting principles generally accepted in the United States of America. The preparation of these financial statements requires management to make estimates and judgments that affect the reported amounts of assets, liabilities, revenues and expenses and related disclosure of contingent assets and liabilities. The Company's significant accounting policies are discussed in Note 1 of the Notes to Consolidated Financial Statements included in the Annual Report on Form 10-K for the year ended December 27, 2003. In management's opinion, the Company's critical accounting policies include allowance for doubtful accounts, excess and obsolete inventories, accrued insurance and accrued warranty.

Allowance for Doubtful Accounts - The Company maintains an allowance for doubtful accounts for estimated losses resulting from the inability of our customers to make required payments. If the financial condition of our customers were to deteriorate, resulting in an impairment of their ability to make payments, additional allowances may be required which would affect our future operating results.

Excess and Obsolete Inventories - The Company must make estimates regarding the future use of products and provides a provision for obsolete or slow-moving inventories. If actual product life-cycles, product demand or market conditions are less favorable than those projected by management, additional inventory write-downs may be required which would affect future operating results.

Accrued Insurance - The Company has a self-insured retention against product liability claims with insurance coverage over and above the retention. The Company is also self-insured for a portion of its employee medical benefits and workers' compensation. Product liability claims are routinely reviewed by the Company's insurance carrier and management routinely reviews other self-insurance risks for purposes of establishing ultimate loss estimates. In addition, management must determine estimated liability for claims incurred but not reported. Such estimates and any subsequent changes in estimates may result in adjustments to our operating results in the future.

Accrued Warranty - The Company provides limited warranties for periods of up to five years from the date of retail sales. Estimated warranty costs are provided for at the time of sale and are based upon historical experience.

Forward-Looking Statements

This report contains forward-looking statements, other than historical facts, which reflect the view of the Company's management with respect to future events. When used in this report, words such as "believe," "expect," "anticipate," "estimate," "intend," and similar expressions, as they relate to the Company or its plans or operations, identify forward-looking statements. Such forward-looking statements are based on assumptions made by and information currently available to the Company's management. Although management believes that the expectations reflected in such forward-looking statements are reasonable, it can give no assurance that such expectations are reasonable, and it can give no assurance that such expectations will prove to have been correct. Important factors that could cause actual results to differ materially from such expectations include, without limitation, limitations on the availability of chassis on which the Company's product is dependent, availability of raw materials and severe interest rate increases. The forward-looking statements contained herein reflect the current views of the Company's management with respect to future events and are subject to those factors and other risks, uncertainties and assumptions relating to the operations, results of operations, cash flows and financial position of the Company. The Company assumes no obligation to update the forward-looking statements or to update the reasons actual results could differ from those contemplated by such forward-looking statements.

ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

There has been no material change from the information provided in the Company's Annual Report on Form 10-K for the year ended December 27, 2003.

ITEM 4. CONTROLS AND PROCEDURES

- a) Evaluation of disclosure controls and procedures.

The Company's chief executive officer and its chief financial officer, after evaluating the effectiveness of the Company's disclosure controls and procedures (as defined in Securities Exchange Act Rules 13a-14(c) and 15-d-14(c)) as of a date within 90 days of the filing date of this quarterly report (the "Evaluation Date") have concluded that as of the Evaluation Date, the Company's disclosure controls and procedures were adequate and effective to ensure that material information relating to the Company and its consolidated subsidiaries would be made known to them by others within those entities, particularly during the period in which this quarterly report was being prepared.

- b) Changes in internal controls.

There were no significant changes in the Company's internal controls or in other factors that could significantly affect the Company's disclosure controls and procedures subsequent to the Evaluation Date, nor any significant deficiencies or material weaknesses in such disclosure controls and procedures requiring corrective actions. As a result, no corrective actions were taken.

Franklin St., Elkhart, IN 46516 (the "Bank") or order, in lawful money of the United States of America, the sum of Thirty Million and 00/100 Dollars (\$30,000,000.00) or such lesser sum as is indicated on Bank records, plus interest as provided below.

Definitions. As used in this Note, the following terms have the following respective meanings:

"**Advance**" means a Eurodollar Advance or a Prime Rate Advance and "**Advances**" means all Eurodollar Advances and all Prime Rate Advances under this Note.

"**Applicable Margin**" means with respect to any Prime Rate Advance or Eurodollar Advance, as the case may be, the rate per annum set forth below opposite the applicable Funded Debt to EBITDA Ratio. Funded Debt to EBITDA Ratio is defined in the Credit Agreement.

Funded Debt to EBITDA Ratio	Applicable Margin	
	Prime Rate Advance	Eurodollar Advance
Greater than or equal to 2.51 to 1.00	0.00%	2.00%
Greater than or equal to 2.01 to 1.00 but less than or equal to 2.50 to 1.00	0.00%	1.75%
Greater than or equal to 1.51 to 1.00 but less than or equal to 2.00 to 1.00	0.00%	1.50%
Less than or equal to 1.50 to 1.00	0.00%	1.25%

The Applicable Margin shall, in each case, be determined and adjusted quarterly on the first day of the month after the date of delivery of the quarterly and annual financial statements required by the Credit Agreement, *provided, however*, that if such financial statements are not delivered within two Business Days after the required date (each, an "Interest Determination Date"), the Applicable Margin shall increase to the maximum percentage amount set forth in the table above from the date such financial statements were required to be delivered to the Bank until received by the Bank. The Applicable Margin shall be effective from an Interest Determination Date until the next Interest Determination Date. Such determinations by the Bank shall be conclusive absent manifest error. The initial Applicable Margin for Prime Rate Advances is 0.00% and for Eurodollar Advances is 1.25%.

"**Credit Agreement**" means a certain Credit Agreement, dated January 5, 2004, between the Borrower and the Bank.

"**Business Day**" means (i) with respect to any borrowing, payment or rate selection of Eurodollar Advances, a day (other than a Saturday or Sunday) on which banks generally are open in Indiana and/or New York for the conduct of substantially all of their commercial lending activities and on which dealings in United States dollars are carried on in the London interbank market and (ii) for all other purposes, a day other than a Saturday, Sunday or any other day on which national banking associations are authorized to be closed.

"Eurodollar Base Rate" means, with respect to the relevant Interest Period, the applicable British Bankers' Association LIBOR rate for deposits in U.S. dollars as reported by any generally recognized financial information service as of 11:00 a.m. (London time) two Business Days prior to the first day of such Interest Period, and having a maturity equal to such Interest Period, *provided* that, if no such British Bankers' Association LIBOR rate is available to the Bank, the applicable Eurodollar Base Rate for the relevant Interest Period shall instead be the rate determined by the Bank to be the rate at which BANK ONE CORPORATION or one of its affiliate banks offers to place deposits in U.S. dollars with first-class banks in the London interbank market at approximately 11:00 a.m. (London time) two Business Days prior to the first day of such Interest Period, in the approximate amount of the principal amount outstanding on such date and having a maturity equal to such Interest Period.

"Eurodollar Advance" means any borrowing under this Note when and to the extent that its interest rate is determined by reference to the Eurodollar Rate.

"Eurodollar Rate" means, with respect to a Eurodollar Advance for the relevant Interest Period, the sum of (i) the Applicable Margin plus (ii) the quotient of (a) the Eurodollar Base Rate applicable to such Interest Period, divided by (b) one minus the Reserve Requirement (expressed as a decimal) applicable to such Interest Period.

"Interest Period" means, with respect to a Eurodollar Advance, a period of one (1), three (3) or six (6) month(s) commencing on a Business Day selected by the Borrower pursuant to this Note. Such Interest Period shall end on the day which corresponds numerically to such date one (1), three (3) or six (6) month(s) thereafter, as applicable, *provided, however*, that if there is no such numerically corresponding day in such first, third or sixth succeeding month(s), as applicable, such Interest Period shall end on the last Business Day of such first, third or sixth succeeding month(s), as applicable. If an Interest Period would otherwise end on a day which is not a Business Day, such Interest Period shall end on the next succeeding Business Day, *provided, however*, that if said next succeeding Business Day falls in a new calendar month, such Interest Period shall end on the immediately preceding Business Day.

"Prime Rate" means a rate per annum equal to the prime rate of interest announced from time to time by the Bank or its parent (which is not necessarily the lowest rate charged to any customer), changing when and as said prime rate changes.

"Prime Rate Advance" means any Advance under this Note when and to the extent that its interest rate is determined by reference to the Prime Rate.

"Principal Payment Date" is defined in the paragraph entitled "Principal Payments" below.

"Principal Payment Date" is defined in the paragraph entitled "Principal Payments" below.

"Regulation D" means Regulation D of the Board of Governors of the Federal Reserve System as from time to time in effect and any successor thereto or other regulation or official interpretation of said Board of Governors relating to reserve requirements applicable to member banks of the Federal Reserve System.

"Reserve Requirement" means, with respect to an Interest Period, the maximum aggregate reserve requirement (including all basic, supplemental, marginal and other reserves) which is imposed under Regulation D.

Interest Rates. The Advance(s) evidenced by this Note may be drawn down and remain outstanding as up to five (5) Eurodollar Advances and/or a Prime Rate Advance. The Borrower shall pay interest to the Bank on the outstanding and unpaid principal amount of each Prime Rate Advance at the Prime Rate plus the Applicable Margin and each Eurodollar Advance at the Eurodollar Rate. Interest shall be calculated on the basis of the actual number of days elapsed in a year of 360 days. In no event shall the interest rate applicable to any Advance exceed the maximum rate allowed by law. Any interest payment which would for any reason be deemed unlawful under applicable law shall be applied to principal.

Bank Records. The Bank shall, in the ordinary course of business, make notations in its records of the date, amount, interest rate and Interest Period of each Advance hereunder, the amount of each payment on the Advances, and other information. Such records shall, in the absence of manifest error, be conclusive as to the outstanding principal balance of and interest rate or rates applicable to this Note.

Notice and Manner of Electing Interest Rates on Advances. The Borrower shall give the Bank written notice (effective upon receipt) of the Borrower's intent to draw down an Advance under this Note no later than 11:00 a.m. Eastern time, one (1) Business Day before disbursement, if the full amount of the drawn Advance is to be disbursed as a Prime Rate Advance and three (3) Business Days before disbursement, if any part of such Advance is to be disbursed as a Eurodollar Advance. The Borrower's notice must specify: (a) the disbursement date, (b) the amount of each Advance, (c) the type of each Advance (Prime Rate Advance or Eurodollar Advance), and (d) for each Eurodollar Advance, the duration of the applicable Interest Period; *provided, however*, that the Borrower may not elect an Interest Period ending after the maturity date of this Note. Each Eurodollar Advance shall be in a minimum amount of One Hundred Thousand and 00/100 Dollars (\$100,000.00). All notices under this paragraph are irrevocable. By the Bank's close of business on the disbursement date and upon fulfillment of the conditions set forth herein and in any other of the Related Documents, the Bank shall disburse the requested Advances in immediately available funds by crediting the amount of such Advances to the Borrower's account with the Bank.

Conversion and Renewals. The Borrower may elect from time to time to convert one type of Advance into another or to renew any Advance by giving the Bank written notice no later than 11:00 a.m. Eastern time, one (1) Business Day before conversion into a Prime Rate Advance and three (3) Business Days before conversion into or renewal of a Eurodollar Advance, specifying: (a) the renewal or conversion date, (b) the amount of the Advance to be converted or renewed, (c) in the case of conversion, the type of Advance to be converted into (Prime Rate Advance or Eurodollar Advance), and (d) in the case of renewals of or conversion into a Eurodollar Advance, the applicable Interest Period, provided that (i) the minimum principal amount of each Eurodollar Advance outstanding after a renewal or conversion shall be One Hundred Thousand and 00/100 Dollars (\$100,000.00); (ii) a Eurodollar Advance can only be converted on the last day of the Interest Period for the Advance; and (iii) the Borrower may not elect an Interest Period ending after the maturity date of this Note. All notices given under this paragraph are irrevocable. If the Borrower fails to give the Bank the notice specified above for the renewal or conversion of a Eurodollar Advance by 11:00 a.m. Eastern time three (3) Business Days before the end of the Interest Period for that Advance, the Advance shall automatically be converted to a Prime Rate Advance on the last day of the Interest Period for the Advance.

Interest Payments. Interest on the Advances shall be paid as follows:

- A. For each Prime Rate Advance, on the thirty-first day of each month beginning with the first month following disbursement of the Advance or following conversion of an Advance into a Prime Rate Advance, and at the maturity or conversion of the Advance into a Eurodollar Advance;
- B. For each Eurodollar Advance, on the last day of the Interest Period for the Advance and, if the Interest Period is longer than three months, at three-month intervals beginning with the day three months from the date the Advance is disbursed.

Principal Payments. All outstanding principal and interest is due and payable in full on June 30, 2006, which is defined herein as the "Principal Payment Date".

Default Rate of Interest. After a default has occurred under this Note, whether or not the Bank elects to accelerate the maturity of this Note because of such default, all Advances outstanding under this Note, including all Eurodollar Advances, shall bear interest at a per annum rate equal to the Prime Rate, plus the Applicable Margin for a Prime Rate Advance, plus three percent (3.00%) from the date the Bank elects to impose such rate. Imposition of this rate shall not affect any limitations contained in this Note on the Borrower's right to repay principal on any Eurodollar Advance before the expiration of the Interest Period for that Advance.

Prepayment. The Borrower may prepay all or any part of any Prime Rate Advance at any time without premium or penalty. The Borrower may prepay any Eurodollar Advance only at the end of an Interest Period.

Funding Loss Indemnification. Upon the Bank's request, the Borrower shall pay the Bank amounts sufficient (in the Bank's reasonable opinion) to compensate it for any loss, cost, or expense incurred as a result of:

- A. Any payment of a Eurodollar Advance on a date other than the last day of the Interest Period for the Advance, including, without limitation, acceleration of the Advances by the Bank pursuant to this Note or the Related Documents; or

B. Any failure by the Borrower to borrow or renew a Eurodollar Advance on the date specified in the relevant notice from the Borrower to the Bank.

Additional Costs. If any applicable domestic or foreign law, treaty, government rule or regulation now or later in effect (whether or not it now applies to the Bank) or the interpretation or administration thereof by a governmental authority charged with such interpretation or administration, or compliance by the Bank with any guideline, request or directive of such an authority (whether or not having the force of law), shall (a) affect the basis of taxation of payments to the Bank of any amounts payable by the Borrower under this Note or the Related Documents (other than taxes imposed on the overall net income of the Bank by the jurisdiction or by any political subdivision or taxing authority of the jurisdiction in which the Bank has its principal office), or (b) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by the Bank, or (c) impose any other condition with respect to this Note or the Related Documents and the result of any of the foregoing is to increase the cost to the Bank of maintaining any Eurodollar Advance or to reduce the amount of any sum receivable by the Bank on such an Advance, or (d) affect the amount of capital required or expected to be maintained by the Bank (or any corporation controlling the Bank) and the Bank determines that the amount of such capital is increased by or based upon the existence of the Bank's obligations under this Note or the Related Documents and the increase has the effect of reducing the rate of return on the Bank's (or its controlling corporation's) capital as a consequence of the obligations under this Note or the Related Documents to a level below that which the Bank (or its controlling corporation) could have achieved but for such circumstances (taking into consideration its policies with respect to capital adequacy) by an amount deemed by the Bank to be material, then the Borrower shall pay to the Bank, from time to time, upon request by the Bank, additional amounts sufficient to compensate the Bank for the increased cost or reduced sum receivable. Whenever the Bank shall learn of circumstances described in this section which are likely to result in additional costs to the Borrower, the Bank shall give prompt written notice to the Borrower of the basis for and the estimated amount of any such anticipated additional costs. A statement as to the amount of the increased cost or reduced sum receivable, prepared in good faith and in reasonable detail by the Bank and submitted by the Bank to the Borrower, shall be conclusive and binding for all purposes absent manifest error in computation.

Illegality. If any applicable domestic or foreign law, treaty, rule or regulation now or later in effect (whether or not it now applies to the Bank) or the interpretation or administration thereof by a governmental authority charged with such interpretation or administration, or compliance by the Bank with any guideline, request or directive of such an authority (whether or not having the force of law), shall make it unlawful or impossible for the Bank to maintain or fund the Eurodollar Advances, then, upon notice to the Borrower by the Bank, the outstanding principal amount of the Eurodollar Advances, together with accrued interest and any other amounts payable to the Bank under this Note or the Related Documents on account of the Eurodollar Advances shall be repaid (a) immediately upon the Bank's demand if such change or compliance with such requests, in the Bank's judgment, requires immediate repayment, or (b) at the expiration of the last Interest Period to expire before the effective date of any such change or request provided, however, that subject to the terms and conditions of this Note and the Related Documents the Borrower shall be entitled to simultaneously replace the entire outstanding balance of any Eurodollar Advance repaid in accordance with this section with a Prime Rate Advance in the same amount.

Inability to Determine Interest Rate. If the Bank determines that (a) quotations of interest rates for the relevant deposits referred to in the definition of Eurodollar Rate are not being provided in the relevant amounts or for the relevant maturities for purposes of determining the interest rate on a Eurodollar Advance as provided in this Note, or (b) the relevant interest rates referred to in the definition of Eurodollar Rate do not accurately cover the cost to the Bank of making or maintaining Eurodollar Advances, then the Bank shall forthwith give notice of such circumstances to the Borrower, whereupon (i) the obligation of the Bank to make Eurodollar Advances shall be suspended until the Bank notifies the Borrower that the circumstances giving rise to the suspension no longer exists, and (ii) the Borrower shall repay in full the then outstanding principal amount of each Eurodollar Advance, together with accrued interest, on the last day of the then current Interest Period applicable to the Advance, provided, however, that, subject to the terms and conditions of this Note and the Related Documents, the Borrower shall be entitled to simultaneously replace the entire outstanding balance of any Eurodollar Advance repaid in accordance with this section with a Prime Rate Advance in the same amount.

Obligations Due on Non-Business Day. Whenever any payment under this Note becomes due and payable on a day that is not a Business Day, if no default then exists under this Note, the maturity of the payment shall be extended to the next succeeding Business Day, except, in the case of a Eurodollar Advance, if the result of the extension would be to extend the payment into another calendar month, the payment must be made on the immediately preceding Business Day.

Matters Regarding Payment. The Borrower will pay the Bank at the Bank's address shown above or at such other place as the Bank may designate. Payments shall be allocated among principal, interest and fees at the discretion of the Bank unless otherwise agreed or required by applicable law. Acceptance by the Bank of any payment which is less than the payment due at the time shall not constitute a waiver of the Bank's right to receive payment in full at that time or any other time.

Authorization for Direct Payments (ACH Debits). To effectuate any payment due under this Note, the Borrower hereby authorizes the Bank to initiate debit entries to Account Number 300001862236 at the Bank and to debit the same to such account. This authorization to initiate debit entries shall remain in full force and effect until the Bank has received written notification of its termination in such time and in such manner as to afford the Bank a reasonable opportunity to act on it. The Borrower represents that the Borrower is and will be the owner of all funds in such account. The Borrower acknowledges (1) that such debit entries may cause an overdraft of such account which may result in the Bank's refusal to honor items drawn on such account until adequate deposits are made to such account; (2) that the Bank is under no duty or obligation to initiate any debit entry for any purpose; and (3) that if a debit is not made because the above-referenced account does not have a sufficient available balance, or otherwise, the payment may be late or past due.

Late Fee. If any payment is not received by the Bank within ten (10) days after its due date, the Bank may assess and the Borrower agrees to pay a late fee equal to the greater of: (a) five percent (5.00%) of the past due amount or (b) Twenty Five and 00/100 Dollars (\$25.00), up to the maximum amount of One Thousand Five Hundred and 00/100 Dollars (\$1,500.00) per late charge.

Business Loan. The Borrower acknowledges and agrees that this Note evidences a loan for a business, commercial, agricultural or similar commercial enterprise purpose, and that all advances made under this Note shall not be used for any personal, family or household purpose.

Credit Facility. The Bank has approved a credit facility to the Borrower in a principal amount not to exceed the face amount of this Note. The credit facility is in the form of advances made from time to time by the Bank to the Borrower. This Note evidences the Borrower's obligation to repay those advances. The aggregate principal amount of debt evidenced by this Note is the amount reflected from time to time in the records of the Bank. Until the earliest of maturity, the occurrence of any default, or the occurrence of any event that would constitute a default but for the giving of notice or the lapse of time or both until the end of any grace or cure period, the Borrower may borrow, pay down and reborrow under this Note subject to the terms of the Related Documents.

Liabilities. The term "Liabilities" in this Note means all obligations, indebtedness and liabilities of the Borrower to any one or more of the Bank, BANK ONE CORPORATION, and any of their subsidiaries, affiliates or successors, now existing or later arising, including, without limitation, all loans, advances, interest, costs, overdraft indebtedness, credit card indebtedness, lease obligations, or obligations relating to any Rate Management Transaction, all monetary obligations incurred or accrued during the pendency of any bankruptcy, insolvency, receivership or other similar proceedings, regardless of whether allowed or allowable in such proceeding, and all renewals, extensions, modifications, consolidations or substitutions of any of the foregoing, whether the Borrower may be liable jointly with others or individually liable as a debtor, maker, co-maker, drawer, endorser, guarantor, surety or otherwise, and whether voluntarily or involuntarily incurred, due or not due, absolute or contingent, direct or indirect, liquidated or unliquidated. The term "Rate Management Transaction" in this Note means any transaction (including an agreement with respect thereto) now existing or hereafter entered into among the Borrower the Bank or BANK ONE CORPORATION, or any of its subsidiaries or affiliates or their successors, which is a rate swap, basis swap, forward rate transaction, commodity swap, commodity option, equity or equity index swap, equity or equity index option, bond option, interest rate option, foreign exchange transaction, cap transaction, floor transaction, collar transaction, forward transaction, currency swap transaction, cross-currency rate swap transaction, currency option or any other similar transaction (including any option with respect to any of these transactions) or any combination thereof, whether linked to one or more interest rates, foreign currencies, commodity prices, equity prices or other financial measures.

Related Documents. The term "Related Documents" in this Note means all loan agreements, credit agreements, reimbursement agreements, security agreements, mortgages, deeds of trust, pledge agreements, assignments, guaranties, or any other instrument or document executed in connection with this Note or in connection with any of the Liabilities.

Security. The term "Collateral" in this Note means all real or personal property described in all security agreements, pledge agreements, mortgages, deeds of trust, assignments, or other instruments now or hereafter executed in connection with this Note or in connection with any of the Liabilities. If applicable, the Collateral secures the payment of this Note and the Liabilities.

Bank's Right of Setoff. In addition to the Collateral, if any, the Borrower grants to the Bank a security interest in, and the Bank is authorized to setoff and apply, all Accounts, Securities and Other Property, and Bank Debt against any and all Liabilities of the Borrower. This right of setoff may be exercised at any time and from time to time, and without prior notice to the Borrower. This security interest and right of setoff may be enforced or exercised by the Bank regardless of whether or not the Bank has made any demand under this paragraph or whether the Liabilities are contingent, matured, or unmatured. Any delay, neglect or conduct by the Bank in exercising its rights under this paragraph will not be a waiver of the right to exercise this right of setoff or enforce this security interest. The rights of the Bank under this paragraph are in addition to other rights the Bank may have in the Related Documents or by law. In this paragraph: (a) the term "Accounts" means any and all accounts and deposits of the Borrower (whether general, special, time, demand, provisional or final) at any time held by the Bank (including all Accounts held jointly with another, but excluding any IRA or Keogh Account, or any trust Account in which a security interest would be prohibited by law); (b) the term "Securities and Other Property" means any and all securities and other property of the Borrower in the custody, possession or control of the Bank (other than property held by the Bank in a fiduciary capacity); and (c) the term "Bank Debt" means all indebtedness at any time owing by the Bank, to or for the credit or account of the Borrower.

Representations by Borrower. Each Borrower represents that: (a) the execution and delivery of this Note and the performance of the obligations it imposes do not violate any law, conflict with any agreement by which it is bound, or require the consent or approval of any governmental authority or other third party; (b) this Note is a valid and binding agreement, enforceable according to its terms; and (c) all balance sheets, profit and loss statements, and other financial statements furnished to the Bank in connection with the Liabilities are accurate and fairly reflect the financial condition of the organizations and persons to which they apply on their effective dates, including contingent liabilities of every type, which financial condition has not changed materially and adversely since those dates. Each Borrower, other than a natural person, further represents that: (a) it is duly organized, existing and in good standing pursuant to the laws under which it is organized; and (b) the execution and delivery of this Note and the performance of the obligations it imposes (i) are within its powers and have been duly authorized by all necessary action of its governing body, and (ii) do not contravene the terms of its articles of incorporation or organization, its by-laws, or any partnership, operating or other agreement governing its affairs.

2. The Borrower or any Guarantor (a) fails to observe or perform any other term of this Note; (b) makes any materially incorrect or misleading representation, warranty, or certificate to the Bank; (c) makes any materially incorrect or misleading representation in any financial statement or other information delivered to the Bank; or (d) defaults under the terms of any agreement or instrument relating to any debt for borrowed money (other than the debt evidenced by this Note) and the effect of such default will allow the creditor to declare the debt due before its maturity.
3. In the event (a) there is a default under the terms of any Related Document, (b) any guaranty of the loan evidenced by this Note is terminated or becomes unenforceable in whole or in part, (c) any Guarantor fails to promptly perform under its guaranty, or (d) the Borrower fails to comply with, or pay, or perform under any agreement, now or hereafter in effect, between the Borrower and BANK ONE CORPORATION, or any of its subsidiaries or affiliates or their successors.

Any party liable on this Note consents to any extension or postponement of time of its payment without limit as to the number or period, to any substitution, exchange or release of all or any part of the Collateral, to the addition of any other party, and to the release or discharge of, or suspension of any rights and remedies against, any person who may be liable for the payment of this Note. The Bank may waive or delay enforcing any of its rights without losing them. Any waiver affects only the specific terms and time period stated in the waiver. Subordination. Any rights of any party liable on this Note, whether now existing or hereafter arising, to receive payment on account of any indebtedness (including interest) owed to any party liable on this Note by the Borrower, or to withdraw capital invested by it in the Borrower, or to receive distributions from the Borrower, shall at all times be subordinate to the full and prior repayment to the Bank of the Liabilities. No party liable on this Note shall be entitled to enforce or receive payment of any sums hereby subordinated until the Liabilities have been paid in full and any such sums received in violation of this paragraph shall be received by such party in trust for the Bank. Any party liable on this Note agrees to stand still with regard to the Bank's enforcement of its rights, including taking no action to delay, impede or otherwise interfere with the Bank's rights to realize on the

Collateral. The foregoing notwithstanding, until the occurrence of any default, any party liable on this Note is not prohibited from receiving distributions from the Borrower in an amount equal to any income tax liability imposed on such party liable on this Note attributable to an ownership interest, if any, in the Borrower.

Rights of Subrogation. Any party liable on this Note waives and agrees not to enforce any rights of subrogation, contribution or indemnification that it may have against the Borrower, any person liable on the Liabilities, or the Collateral, until the Borrower and such party liable on this Note have fully performed all their obligations to the Bank, even if those obligations are not covered by this Note.

Reinstatement. All parties liable on this Note agree that to the extent any payment is received by the Bank in connection with the Liabilities, and all or any part of such payment is subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid by the Bank or paid over to a trustee, receiver or any other entity, whether under any bankruptcy act or otherwise (any such payment is hereinafter referred to as a "Preferential Payment"), then this Note shall continue to be effective or shall be reinstated, as the case may be, and whether or not the Bank is in possession of this Note, and, to the extent of such payment or repayment by the Bank, the Liabilities or part thereof intended to be satisfied by such Preferential Payment shall be revived and continued in full force and effect as if said Preferential Payment had not been made.

Governing Law and Venue. This Note is delivered in the State of Indiana and governed by Indiana law (without giving effect to its laws of conflicts). The Borrower agrees that any legal action or proceeding with respect to any of its obligations under this Note may be brought by the Bank in any state or federal court located in the State of Indiana, as the Bank in its sole discretion may elect. By the execution and delivery of this Note, the Borrower submits to and accepts, for itself and in respect of its property, generally and unconditionally, the non-exclusive jurisdiction of those courts. The Borrower waives any claim that the State of Indiana is not a convenient forum or the proper venue for any such suit, action or proceeding.

Renewal and Extension. This Note is given in replacement, renewal and/or extension of, but not extinguishing the indebtedness evidenced by, that Line of Credit Note dated January 5, 2004 executed by the Borrower in the original principal amount of Twenty Million and 00/100 Dollars (\$20,000,000.00), including previous renewals or modifications thereof, if any (the "Prior Note"), and is not a novation thereof. All interest evidenced by the Prior Note shall continue to be due and payable until paid. If applicable, all Collateral continues to secure the payment of this Note and the Liabilities. The provisions of this Note are effective on the date that this Note has been executed by all of the signers and delivered to the Bank.

Miscellaneous. The Borrower, if more than one, is jointly and severally liable for the obligations represented by this Note, the term "Borrower" means any one or more of them, and the receipt of value by any one of them constitutes the receipt of value by the others. This Note binds the Borrower and its successors, and benefits the Bank, its successors and assigns. Any reference to the Bank includes any holder of this Note. Section headings are for convenience of reference only and do not affect the interpretation of this Note. Any notices and demands under or related to this document shall be in writing and delivered to the intended party at its address stated herein, and if to the Bank, at its main office if no other address of the Bank is specified herein, by one of the following means: (a) by hand, (b) by a nationally recognized overnight courier service, or (c) by certified mail, postage prepaid, with return receipt requested. Notice shall be deemed given: (a) upon receipt if delivered by hand, (b) on the Delivery Day after the day of deposit with a nationally recognized courier service, or (c) on the third Delivery Day after the notice is deposited in the mail. "Delivery Day" means a day other than a Saturday, a Sunday, or any other day on which national banking associations are authorized to be closed. Any party may change its address for purposes of the receipt of notices and demands by giving notice of such change in the manner provided in this provision. This Note and any Related Documents embody the entire agreement between the Borrower and the Bank regarding the terms of the loan evidenced by this Note and supercede all oral statements and prior writings relating to that loan. If any provision of this Note cannot be enforced, the remaining portions of this Note shall continue in effect. The Borrower agrees that the Bank may provide any information or knowledge the Bank may have about the Borrower or about any matter relating to this Note or the Related Documents to BANK ONE CORPORATION, or any of its subsidiaries or affiliates or their successors, or to any one or more purchasers or potential purchasers of this Note or the Related Documents. The Borrower agrees that the Bank may at any time sell, assign or transfer one or more interests or participations in all or any part of its rights and obligations in this Note to one or more purchasers whether or not related to the Bank.

Government Regulation. Borrower shall not (a) be or become subject at any time to any law, regulation, or list of any government agency (including, without limitation, the U.S. Office of Foreign Asset Control list) that prohibits or limits Bank from making any advance or extension of credit to Borrower or from otherwise conducting business with Borrower, or (b) fail to provide documentary and other evidence of Borrower's identity as may be requested by Bank at any time to enable Bank to verify Borrower's identity or to comply with any applicable law or regulation, including, without limitation, Section 326 of the USA Patriot Act of 2001, 31 U.S.C. Section 5318.

USA PATRIOT ACT NOTIFICATION. The following notification is provided to Borrower pursuant to Section 326 of the USA Patriot Act of 2001, 31 U.S.C. Section 5318:

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT. To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person or entity that opens an account, including any deposit account, treasury management account, loan, other extension of credit, or other financial services product. What this means for Borrower: When Borrower opens an account, if Borrower is an individual Bank will ask for Borrower's name, taxpayer identification number, residential address, date of birth, and other information that will allow Bank to identify Borrower, and if Borrower is not an individual Bank will ask for Borrower's name, taxpayer identification number, business address, and other information that will allow Bank to identify Borrower. Bank may also ask, if Borrower is an individual to see Borrower's driver's license or other identifying documents, and if Borrower is not an individual to see Borrower's legal organizational documents or other identifying documents.

WAIVER OF SPECIAL DAMAGES. THE BORROWER WAIVES, TO THE MAXIMUM EXTENT NOT PROHIBITED BY LAW, ANY RIGHT THE UNDERSIGNED MAY HAVE TO CLAIM OR RECOVER FROM THE BANK IN ANY LEGAL ACTION OR PROCEEDING ANY SPECIAL, EXEMPLARY, PUNITIVE OR CONSEQUENTIAL DAMAGES.

JURY WAIVER. THE BORROWER AND THE BANK (BY ITS ACCEPTANCE HEREOF) HEREBY VOLUNTARILY, KNOWINGLY, IRREVOCABLY AND UNCONDITIONALLY WAIVE ANY RIGHT TO HAVE A JURY PARTICIPATE IN RESOLVING ANY DISPUTE (WHETHER BASED ON CONTRACT, TORT, OR OTHERWISE) BETWEEN THE BORROWER AND THE BANK ARISING OUT OF OR IN ANY WAY RELATED TO THIS NOTE OR THE OTHER RELATED DOCUMENTS. THIS PROVISION IS A MATERIAL INDUCEMENT TO THE BANK TO PROVIDE THE FINANCING EVIDENCED BY THIS NOTE.

Promise to Pay. On or before August 31, 2007, for value received, Supreme Corporation (the "Borrower") promises to pay to Bank One, NA, with its main office in Chicago, IL, whose address is 121 W. Franklin St., Elkhart, IN 46516 (the "Bank") or order, in lawful money of the United States of America, the sum of Four Million and 00/100 Dollars (\$4,000,000.00) plus interest as provided below.

Definitions. As used in this Note, the following terms have the following respective meanings:

"Advance" means a Eurodollar Advance or a Prime Rate Advance and **"Advances"** means all Eurodollar Advances and all Prime Rate Advances under this Note.

"Applicable Margin" means with respect to any Prime Rate Advance or Eurodollar Advance, as the case may be, the rate per annum set forth below opposite the applicable Funded Debt to EBITDA Ratio. Funded Debt to EBITDA Ratio is defined in the Credit Agreement.

Funded Debt to EBITDA Ratio	Applicable Margin	
	Prime Rate Advance	Eurodollar Advance
Greater than or equal to 2.51 to 1.00	0.00%	2.00%
Greater than or equal to 2.01 to 1.00 but less than or equal to 2.50 to 1.00	0.00%	1.75%
Greater than or equal to 1.51 to 1.00 but less than or equal to 2.00 to 1.00	0.00%	1.50%
Less than or equal to 1.50 to 1.00	0.00%	1.25%

The Applicable Margin shall, in each case, be determined and adjusted quarterly on the first day of the month after the date of delivery of the quarterly and annual financial statements required by the Credit Agreement, *provided, however*, that if such financial statements are not delivered within two Business Days after the required date (each, an "Interest Determination Date"), the Applicable Margin shall increase to the maximum percentage amount set forth in the table above from the date such financial statements were required to be delivered to the Bank until received by the Bank. The Applicable Margin shall be effective from an Interest Determination Date until the next Interest Determination Date. Such determinations by the Bank shall be conclusive absent manifest error. The initial Applicable Margin for Prime Rate Advances is 0.00% and for Eurodollar Advances is 1.25%.

"Credit Agreement" means a certain Credit Agreement, dated January 5, 2004, between the Borrower and the Bank.

"Business Day" means (i) with respect to any borrowing, payment or rate selection of Eurodollar Advances, a day (other than a Saturday or Sunday) on which banks generally are open in Indiana and/or New York for the conduct of substantially all of their commercial lending activities and on which dealings in United States dollars are carried on in the London interbank market and (ii) for all other purposes, a day other than a Saturday, Sunday or any other day on which national banking associations are authorized to be closed.

"Eurodollar Base Rate" means, with respect to the relevant Interest Period, the applicable British Bankers' Association LIBOR rate for deposits in U.S. dollars as reported by any generally recognized financial information service as of 11:00 a.m. (London time) two Business Days prior to the first day of such Interest Period, and having a maturity equal to such Interest Period, *provided* that, if no such British Bankers' Association LIBOR rate is available to the Bank, the applicable Eurodollar Base Rate for the relevant Interest Period shall instead be the rate determined by the Bank to be the rate at which BANK ONE CORPORATION or one of its affiliate banks offers to place deposits in U.S. dollars with first-class banks in the London interbank market at approximately 11:00 a.m. (London time) two Business Days prior to the first day of such Interest Period, in the approximate amount of the principal amount outstanding on such date and having a maturity equal to such Interest Period.

"Eurodollar Advance" means any borrowing under this Note when and to the extent that its interest rate is determined by reference to the Eurodollar Rate.

"Eurodollar Rate" means, with respect to a Eurodollar Advance for the relevant Interest Period, the sum of (i) the Applicable Margin plus (ii) the quotient of (a) the Eurodollar Base Rate applicable to such Interest Period, divided by (b) one minus the Reserve Requirement (expressed as a decimal) applicable to such Interest Period.

"Interest Period" means, with respect to a Eurodollar Advance, a period of one (1), three (3) or six (6) month(s) commencing on a Business Day selected by the Borrower pursuant to this Note. Such Interest Period shall end on the day which corresponds numerically to such date one (1), three (3) or six (6) month(s) thereafter, as applicable, *provided, however*, that if there is no such numerically corresponding day in such first, third or sixth succeeding month(s), as applicable, such Interest Period shall end on the last Business Day of such first, third or sixth succeeding month(s), as applicable. If an Interest Period would otherwise end on a day which is not a Business Day, such Interest Period shall end on the next succeeding Business Day, *provided, however*, that if said next succeeding Business Day falls in a new calendar month, such Interest Period shall end on the immediately preceding Business Day.

"Prime Rate" means a rate per annum equal to the prime rate of interest announced from time to time by the Bank or its parent (which is not necessarily the lowest rate charged to any customer), changing when and as said prime rate changes.

"Prime Rate Advance" means any Advance under this Note when and to the extent that its interest rate is determined by reference to the Prime Rate.

"Principal Payment Date" is defined in the paragraph entitled "Principal Payments" below.

"Regulation D" means Regulation D of the Board of Governors of the Federal Reserve System as from time to time in effect and any successor thereto or other regulation or official interpretation of said Board of Governors relating to reserve requirements applicable to member banks of the Federal Reserve System.

"Reserve Requirement" means, with respect to an Interest Period, the maximum aggregate reserve requirement (including all basic, supplemental, marginal and other reserves) which is imposed under Regulation D.

Interest Rates. The Advance(s) evidenced by this Note may be drawn down and remain outstanding as up to five (5) Eurodollar Advances and/or a Prime Rate Advance. The Borrower shall pay interest to the Bank on the outstanding and unpaid principal amount of each Prime Rate Advance at the Prime Rate plus the Applicable Margin and each Eurodollar Advance at the Eurodollar Rate. Interest shall be calculated on the basis of the actual number of days elapsed in a year of 360 days. In no event shall the interest rate applicable to any Advance exceed the maximum rate allowed by law. Any interest payment which would for any reason be deemed unlawful under applicable law shall be applied to principal.

Bank Records. The Bank shall, in the ordinary course of business, make notations in its records of the date, amount, interest rate and Interest Period of each Advance hereunder, the amount of each payment on the Advances, and other information. Such records shall, in the absence of manifest error, be conclusive as to the outstanding principal balance of and interest rate or rates applicable to this Note.

Notice and Manner of Electing Interest Rates on Advances. The Borrower shall give the Bank written notice (effective upon receipt) of the Borrower's intent to draw down an Advance under this Note no later than 11:00 a.m. Eastern time, one (1) Business Day before disbursement, if the full amount of the drawn Advance is to be disbursed as a Prime Rate Advance and three (3) Business Days before disbursement, if any part of such Advance is to be disbursed as a Eurodollar Advance. The Borrower's notice must specify: (a) the disbursement date, (b) the amount of each Advance, (c) the type of each Advance (Prime Rate Advance or Eurodollar Advance), and (d) for each Eurodollar Advance, the duration of the applicable Interest Period; *provided, however*, that the Borrower may not elect an Interest Period ending after the maturity date of this Note. Each Eurodollar Advance shall be in a minimum amount of One Hundred Thousand and 00/100 Dollars (\$100,000.00). All notices under this paragraph are irrevocable. By the Bank's close of business on the disbursement date and upon fulfillment of the conditions set forth herein and in any other of the Related Documents, the Bank shall disburse the requested Advances in immediately available funds by crediting the amount of such Advances to the Borrower's account with the Bank.

Conversion and Renewals. The Borrower may elect from time to time to convert one type of Advance into another or to renew any Advance by giving the Bank written notice no later than 11:00 a.m. Eastern time, one (1) Business Day before conversion into a Prime Rate Advance and three (3) Business Days before conversion into or renewal of a Eurodollar Advance, specifying: (a) the renewal or conversion date, (b) the amount of the Advance to be converted or renewed, (c) in the case of conversion, the type of Advance to be converted into (Prime Rate Advance or Eurodollar Advance), and (d) in the case of renewals of or conversion into a Eurodollar Advance, the applicable Interest Period, provided that (i) the minimum principal amount of each Eurodollar Advance outstanding after a renewal or conversion shall be One Hundred Thousand and 00/100 Dollars (\$100,000.00); (ii) a Eurodollar Advance can only be converted on the last day of the Interest Period for the Advance; and (iii) the Borrower may not elect an Interest Period ending after the maturity date of this Note. All notices given under this paragraph are irrevocable. If the Borrower fails to give the Bank the notice specified above for the renewal or conversion of a Eurodollar Advance by 11:00 a.m. Eastern time three (3) Business Days before the end of the Interest Period for that Advance, the Advance shall automatically be converted to a Prime Rate Advance on the last day of the Interest Period for the Advance.

Interest Payments. Interest on the Advances shall be paid as follows:

A. For each Prime Rate Advance, on the last day of each quarter beginning May 31, 2004 with the first quarter following disbursement of the Advance or following conversion of an Advance into a Prime Rate Advance, and at the maturity or conversion of the Advance into a Eurodollar Advance;

B. For each Eurodollar Advance, on the last day of the Interest Period for the Advance and, if the Interest Period is longer than three months, at three-month intervals beginning with the day three months from the date the Advance is disbursed.

Principal Payments. Commencing August 31, 2004, and continuing on the same day of each calendar quarter thereafter until the maturity date of this Note (each, a "Principal Payment Date"), the Borrower shall pay the Bank Three Hundred Thousand and 00/100 Dollars (\$300,000.00); and

On August 31, 2007, the Borrower shall pay the Bank the entire outstanding principal balance of this Note, plus all accrued but unpaid interest, and any other unpaid amounts due under this Note.

The Borrower shall select interest rates and Interest Periods such that on each Principal Payment Date the sum of the principal amount of the Prime Rate Advance outstanding on that date plus the aggregate principal amount of the Eurodollar Advances with Interest Periods ending on that date is greater than or equal to the principal payment due on that date. Any election that does not comply with this requirement will be invalid unless the Bank elects, in its sole discretion, to honor such election. Although the Bank may choose to honor any such election, the Borrower shall continue to be subject to the terms of the paragraph of this Note captioned "Funding Loss Indemnification" in regard to payment of a Eurodollar Advance on a date other than the last day of the Interest Period for the Advance.

Default Rate of Interest. After a default has occurred under this Note, whether or not the Bank elects to accelerate the maturity of this Note because of such default, all Advances outstanding under this Note, including all Eurodollar Advances, shall bear interest at a per annum rate equal to the Prime Rate, plus the Applicable Margin for a Prime Rate Advance, plus three percent (3.00%) from the date the Bank elects to impose such rate. Imposition of this rate shall not affect any limitations contained in this Note on the Borrower's right to repay principal on any Eurodollar Advance before the expiration of the Interest Period for that Advance.

Prepayment. The Borrower may prepay all or any part of any Prime Rate Advance at any time without premium or penalty. The Borrower may prepay any Eurodollar Advance only at the end of an Interest Period.

Funding Loss Indemnification. Upon the Bank's request, the Borrower shall pay the Bank amounts sufficient (in the Bank's reasonable opinion) to compensate it for any loss, cost, or expense incurred as a result of:

A. Any payment of a Eurodollar Advance on a date other than the last day of the Interest Period for the Advance, including, without limitation, acceleration of the Advances by the Bank pursuant to this Note or the Related Documents; or

B. Any failure by the Borrower to borrow or renew a Eurodollar Advance on the date specified in the relevant notice from the Borrower to the Bank.

Additional Costs. If any applicable domestic or foreign law, treaty, government rule or regulation now or later in effect (whether or not it now applies to the Bank) or the interpretation or administration thereof by a governmental authority charged with such interpretation or administration, or compliance by the Bank with any guideline, request or directive of such an authority (whether or not having the force of law), shall (a) affect the basis of taxation of payments to the Bank of any amounts payable by the Borrower under this Note or the Related Documents (other than taxes imposed on the overall net income of the Bank by the jurisdiction or by any political subdivision or taxing authority of the jurisdiction in which the Bank has its principal office), or (b) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by the Bank, or (c) impose any other condition with respect to this Note or the Related Documents and the result of any of the foregoing is to increase the cost to the Bank of maintaining any Eurodollar Advance or to reduce the amount of any sum receivable by the Bank on such an Advance, or (d) affect the amount of capital required or expected to be maintained by the Bank (or any corporation controlling the Bank) and the Bank determines that the amount of such capital is increased by or based upon the existence of the Bank's obligations under this Note or the Related Documents and the increase has the effect of reducing the rate of return on the Bank's (or its controlling corporation's) capital as a consequence of the obligations under this Note or the Related Documents to a level below that which the Bank (or its controlling corporation) could have achieved but for such circumstances (taking into consideration its policies with respect to capital adequacy) by an amount deemed by the Bank to be material, then the Borrower shall pay to the Bank, from time to time, upon request by the Bank, additional amounts sufficient to compensate the Bank for the increased cost or reduced sum receivable. Whenever the Bank shall learn of circumstances described in this section which are likely to result in additional costs to the Borrower, the Bank shall give prompt written notice to the Borrower of the basis for and the estimated amount of any such anticipated additional costs. A statement as to the amount of the increased cost or reduced sum receivable, prepared in good faith and in reasonable detail by the Bank and submitted by the Bank to the Borrower, shall be conclusive and binding for all purposes absent manifest error in computation.

Illegality. If any applicable domestic or foreign law, treaty, rule or regulation now or later in effect (whether or not it now applies to the Bank) or the interpretation or administration thereof by a governmental authority charged with such interpretation or administration, or compliance by the Bank with any guideline, request or directive of such an authority (whether or not having the force of law), shall make it unlawful or impossible for the Bank to maintain or fund the Eurodollar Advances, then, upon notice to the Borrower by the Bank, the outstanding principal amount of the Eurodollar Advances, together with accrued interest and any other amounts payable to the Bank under this Note or the Related Documents on account of the Eurodollar Advances shall be repaid (a) immediately upon the Bank's demand if such change or compliance with such requests, in the Bank's judgment, requires immediate repayment, or (b) at the expiration of the last Interest Period to expire before the effective date of any such change or request provided, however, that subject to the terms and conditions of this Note and the Related Documents the Borrower shall be entitled to simultaneously replace the entire outstanding balance of any Eurodollar Advance repaid in accordance with this section with a Prime Rate Advance in the same amount.

Inability to Determine Interest Rate. If the Bank determines that (a) quotations of interest rates for the relevant deposits referred to in the definition of Eurodollar Rate are not being provided in the relevant amounts or for the relevant maturities for purposes of determining the interest rate on a Eurodollar Advance as provided in this Note, or (b) the relevant interest rates referred to in the definition of Eurodollar Rate do not accurately cover the cost to the Bank of making or maintaining Eurodollar Advances, then the Bank shall forthwith give notice of such circumstances to the Borrower, whereupon (i) the obligation of the Bank to make Eurodollar Advances shall be suspended until the Bank notifies the Borrower that the circumstances giving rise to the suspension no longer exists, and (ii) the Borrower shall repay in full the then outstanding principal amount of each Eurodollar Advance, together with accrued interest, on the last day of the then current Interest Period applicable to the Advance, provided, however, that, subject to the terms and conditions of this Note and the Related Documents, the Borrower shall be entitled to simultaneously replace the entire outstanding balance of any Eurodollar Advance repaid in accordance with this section with a Prime Rate Advance in the same amount.

Obligations Due on Non-Business Day. Whenever any payment under this Note becomes due and payable on a day that is not a Business Day, if no default then exists under this Note, the maturity of the payment shall be extended to the next succeeding Business Day, except, in the case of a Eurodollar Advance, if the result of the extension would be to extend the payment into another calendar month, the payment must be made on the immediately preceding Business Day.

Matters Regarding Payment. The Borrower will pay the Bank at the Bank's address shown above or at such other place as the Bank may designate. Payments shall be allocated among principal, interest and fees at the discretion of the Bank unless otherwise agreed or required by applicable law. Acceptance by the Bank of any payment which is less than the payment due at the time shall not constitute a waiver of the Bank's right to receive payment in full at that time or any other time.

Authorization for Direct Payments (ACH Debits). To effectuate any payment due under this Note, the Borrower hereby authorizes the Bank to initiate debit entries to Account Number 300001862236 at the Bank and to debit the same to such account. This authorization to initiate debit entries shall remain in full force and effect until the Bank has received written notification of its termination in such time and in such manner as to afford the Bank a reasonable opportunity to act on it. The Borrower represents that the Borrower is and will be the owner of all funds in such account. The Borrower acknowledges (1) that such debit entries may cause an overdraft of such account which may result in the Bank's refusal to honor items drawn on such account until adequate deposits are made to such account; (2) that the Bank is under no duty or obligation to initiate any debit entry for any purpose; and (3) that if a debit is not made because the above-referenced account does not have a sufficient available balance, or otherwise, the payment may be late or past due.

Late Fee. If any payment is not received by the Bank within ten (10) days after its due date, the Bank may assess and the Borrower agrees to pay a late fee equal to the greater of: (a) five percent (5.00%) of the past due amount or (b) Twenty Five and 00/100 Dollars (\$25.00), up to the maximum amount of One Thousand Five Hundred and 00/100 Dollars (\$1,500.00) per late charge.

Business Loan. The Borrower acknowledges and agrees that this Note evidences a loan for a business, commercial, agricultural or similar commercial enterprise purpose, and that all advances made under this Note shall not be used for any personal, family or household purpose.

Liabilities. The term "Liabilities" in this Note means all obligations, indebtedness and liabilities of the Borrower to any one or more of the Bank, BANK ONE CORPORATION, and any of their subsidiaries, affiliates or successors, now existing or later arising, including, without limitation, all loans, advances, interest, costs, overdraft indebtedness, credit card indebtedness, lease obligations, or obligations relating to any Rate Management Transaction, all monetary obligations incurred or accrued during the pendency of any bankruptcy, insolvency, receivership or other similar proceedings, regardless of whether allowed or allowable in such proceeding, and all renewals, extensions, modifications, consolidations or substitutions of any of the foregoing, whether the Borrower may be liable jointly with others or individually liable as a debtor, maker, co-maker, drawer, endorser, guarantor, surety or otherwise, and whether voluntarily or involuntarily incurred, due or not due, absolute or contingent, direct or indirect, liquidated or unliquidated. The term "Rate Management Transaction" in this Note means any transaction (including an agreement with respect thereto) now existing or hereafter entered into among the Borrower the Bank or BANK ONE CORPORATION, or any of its subsidiaries or affiliates or their successors, which is a rate swap, basis swap, forward rate transaction, commodity swap, commodity option, equity or equity index swap, equity or equity index option, bond option, interest rate option, foreign exchange transaction, cap transaction, floor transaction, collar transaction, forward transaction, currency swap transaction, cross-currency rate swap transaction, currency option or any other similar transaction (including any option with respect to any of these transactions) or any combination thereof, whether linked to one or more interest rates, foreign currencies, commodity prices, equity prices or other financial measures.

Related Documents. The term "Related Documents" in this Note means all loan agreements, credit agreements, reimbursement agreements, security agreements, mortgages, deeds of trust, pledge agreements, assignments, guaranties, or any other instrument or document executed in connection with this Note or in connection with any of the Liabilities.

Security. The term "Collateral" in this Note means all real or personal property described in all security agreements, pledge agreements, mortgages, deeds of trust, assignments, or other instruments now or hereafter executed in connection with this Note or in connection with any of the Liabilities. If applicable, the Collateral secures the payment of this Note and the Liabilities.

Bank's Right of Setoff. In addition to the Collateral, if any, the Borrower grants to the Bank a security interest in, and the Bank is authorized to setoff and apply, all Accounts, Securities and Other Property, and Bank Debt against any and all Liabilities of the Borrower. This right of setoff may be exercised at any time and from time to time, and without prior notice to the Borrower. This security interest and right of setoff may be enforced or exercised by the Bank regardless of whether or not the Bank has made any demand under this paragraph or whether the Liabilities are contingent, matured, or unmatured. Any delay, neglect or conduct by the Bank in exercising its rights under this paragraph will not be a waiver of the right to exercise this right of setoff or enforce this security interest. The rights of the Bank under this paragraph are in addition to other rights the Bank may have in the Related Documents or by law. In this paragraph: (a) the term "Accounts" means any and all accounts and deposits of the Borrower (whether general, special, time, demand, provisional or final) at any time held by the Bank (including all Accounts held jointly with another, but excluding any IRA or Keogh Account, or any trust Account in which a security interest would be prohibited by law); (b) the term "Securities and Other Property" means any and all securities and other property of the Borrower in the custody, possession or control of the Bank (other than property held by the Bank in a fiduciary capacity); and (c) the term "Bank Debt" means all indebtedness at any time owing by the Bank, to or for the credit or account of the Borrower.

Representations by Borrower. Each Borrower represents that: (a) the execution and delivery of this Note and the performance of the obligations it imposes do not violate any law, conflict with any agreement by which it is bound, or require the consent or approval of any governmental authority or other third party; (b) this Note is a valid and binding agreement, enforceable according to its terms; and (c) all balance sheets, profit and loss statements, and other financial statements furnished to the Bank in connection with the Liabilities are accurate and fairly reflect the financial condition of the organizations and persons to which they apply on their effective dates, including contingent liabilities of every type, which financial condition has not changed materially and adversely since those dates. Each Borrower, other than a natural person, further represents that: (a) it is duly organized, existing and in good standing pursuant to the laws under which it is organized; and (b) the execution and delivery of this Note and the performance of the obligations it imposes (i) are within its powers and have been duly authorized by all necessary action of its governing body, and (ii) do not contravene the terms of its articles of incorporation or organization, its by-laws, or any partnership, operating or other agreement governing its affairs.

Events of Default/Acceleration. If any of the following events occurs this Note shall become due immediately, without notice, at the Bank's option:

1. The Borrower, or any guarantor of this Note (the "Guarantor"), fails to pay when due any amount payable under this Note, under any of the Liabilities, or under any agreement or instrument evidencing debt to any creditor.
2. The Borrower or any Guarantor (a) fails to observe or perform any other term of this Note; (b) makes any materially incorrect or misleading representation, warranty, or certificate to the Bank; (c) makes any materially incorrect or misleading representation in any financial statement or other information delivered to the Bank; or (d) defaults under the terms of any agreement or instrument relating to any debt for borrowed money (other than the debt evidenced by this Note) and the effect of such default will allow the creditor to declare the debt due before its maturity.
3. In the event (a) there is a default under the terms of any Related Document, (b) any guaranty of the loan evidenced by this Note is terminated or becomes unenforceable in whole or in part, (c) any Guarantor fails to promptly perform under its guaranty, or (d) the Borrower fails to comply with, or pay, or perform under any agreement, now or hereafter in effect, between the Borrower and BANK ONE CORPORATION, or any of its subsidiaries or affiliates or their successors.
4. There is any loss, theft, damage, or destruction of any Collateral not covered by insurance.
5. A "reportable event" (as defined in the Employee Retirement Income Security Act of 1974 as amended) occurs that would permit the Pension Benefit Guaranty Corporation to terminate any employee benefit plan of the Borrower or any affiliate of the Borrower.
6. The Borrower or any Guarantor becomes insolvent or unable to pay its debts as they become due.
7. The Borrower or any Guarantor (a) makes an assignment for the benefit of creditors; (b) consents to the appointment of a custodian, receiver, or trustee for itself or for a substantial part of its assets; or (c) commences any proceeding under any bankruptcy, reorganization, liquidation, insolvency or similar laws of any jurisdiction.
8. A custodian, receiver, or trustee is appointed for the Borrower or any Guarantor or for a substantial part of its assets without its consent.
9. Proceedings are commenced against the Borrower or any Guarantor under any bankruptcy, reorganization, liquidation, or similar laws of any jurisdiction, and they remain undismissed for thirty (30) days after commencement; or the Borrower or the Guarantor consents to the commencement of those proceedings.

10. Any judgment is entered against the Borrower or any Guarantor, or any attachment, levy, or garnishment is issued against any property of the Borrower or any Guarantor.
11. The Borrower or any Guarantor dies, or a guardian or conservator is appointed for the Borrower or any Guarantor or all or any portion of the Borrower's assets, any Guarantor's assets, or the Collateral.
12. The Borrower or any Guarantor, without the Bank's written consent (a) is dissolved, (b) merges or consolidates with any third party, (c) leases, sells or otherwise conveys a material part of its assets or business outside the ordinary course of its business, (d) leases, purchases, or otherwise acquires a material part of the assets of any other business entity, except in the ordinary course of its business, or (e) agrees to do any of the foregoing (notwithstanding the foregoing, any subsidiary may merge or consolidate with any other subsidiary, or with the Borrower, so long as the Borrower is the survivor).
13. There is a substantial change in the existing or prospective financial condition of the Borrower or any Guarantor that the Bank in good faith determines to be materially adverse.
14. The Bank in good faith deems itself insecure.

Remedies. If this Note is not paid at maturity, whether by acceleration or otherwise, the Bank shall have all of the rights and remedies provided by any law or agreement. The Bank is authorized to cause all or any part of the Collateral to be transferred to or registered in its name or in the name of any other person or business entity, with or without designating the capacity of that nominee. Without limiting any other available remedy, the Borrower is liable for any deficiency remaining after disposition of any Collateral. The Borrower is liable to the Bank for all reasonable costs and expenses of every kind incurred in the making or collection of this Note, including without limitation reasonable attorneys' fees and court costs. These costs and expenses include without limitation any costs or expenses incurred by the Bank in any bankruptcy, reorganization, insolvency or other similar proceeding. All amounts payable under the terms of this Note shall be paid without relief from valuation and appraisal laws.

Waivers. Any party liable on this Note waives (a) to the extent permitted by law, all rights and benefits under any laws or statutes regarding sureties, as may be amended; (b) any right to receive notice of the following matters before the Bank enforces any of its rights: (i) the Bank's acceptance of this Note, (ii) any credit that the Bank extends to the Borrower, (iii) the Borrower's default, (iv) any demand, diligence, presentment, dishonor and protest, or (v) any action that the Bank takes regarding the Borrower, anyone else, any Collateral, or any of the Liabilities, that it might be entitled to by law or under any other agreement; (c) any right to require the Bank to proceed against the Borrower, any other obligor or guarantor of the Liabilities, or any Collateral, or pursue any remedy in the Bank's power to pursue; (d) any defense based on any claim that any endorser or other parties' obligations exceed or are more burdensome than those of the Borrower; (e) the benefit of any statute of limitations affecting liability of any endorser or other party liable hereunder or the enforcement hereof; (f) any defense arising by reason of any disability or other defense of the Borrower or by reason of the cessation from any cause whatsoever (other than payment in full) of the obligation of the Borrower for the Liabilities; and (g) any defense based on or arising out of any defense that the Borrower may have to the payment or performance of the Liabilities or any portion thereof. Any party liable on this Note consents to any extension or postponement of time of its payment without limit as to the number or period, to any substitution, exchange or release of all or any part of the Collateral, to the addition of any other party, and to the release or discharge of, or suspension of any rights and remedies against, any person who may be liable for the payment of this Note. The Bank may waive or delay enforcing any of its rights without losing them. Any waiver affects only the specific terms and time period stated in the waiver. No modification or waiver of any provision of this Note is effective unless it is in writing and signed by the party against whom it is being enforced.

Subordination. Any rights of any party liable on this Note, whether now existing or hereafter arising, to receive payment on account of any indebtedness (including interest) owed to any party liable on this Note by the Borrower, or to withdraw capital invested by it in the Borrower, or to receive distributions from the Borrower, shall at all times be subordinate to the full and prior repayment to the Bank of the Liabilities. No party liable on this Note shall be entitled to enforce or receive payment of any sums hereby subordinated until the Liabilities have been paid in full and any such sums received in violation of this paragraph shall be received by such party in trust for the Bank. Any party liable on this Note agrees to stand still with regard to the Bank's enforcement of its rights, including taking no action to delay, impede or otherwise interfere with the Bank's rights to realize on the Collateral. The foregoing notwithstanding, until the occurrence of any default, any party liable on this Note is not prohibited from receiving distributions from the Borrower in an amount equal to any income tax liability imposed on such party liable on this Note attributable to an ownership interest in the Borrower, if any.

Rights of Subrogation. Any party liable on this Note waives and agrees not to enforce any rights of subrogation, contribution or indemnification that it may have against the Borrower, any person liable on the Liabilities, or the Collateral, until the Borrower and such party liable on this Note have fully performed all their obligations to the Bank, even if those obligations are not covered by this Note.

Reinstatement. All parties liable on this Note agree that to the extent any payment is received by the Bank in connection with the Liabilities, and all or any part of such payment is subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid by the Bank or paid over to a trustee, receiver or any other entity, whether under any bankruptcy act or otherwise (any such payment is hereinafter referred to as a "Preferential Payment"), then this Note shall continue to be effective or shall be reinstated, as the case may be, and whether or not the Bank is in possession of this Note, and, to the extent of such payment or repayment by the Bank, the Liabilities or part thereof intended to be satisfied by such Preferential Payment shall be revived and continued in full force and effect as if said Preferential Payment had not been made.

Governing Law and Venue. This Note is delivered in the State of Indiana and governed by Indiana law (without giving effect to its laws of conflicts). The Borrower agrees that any legal action or proceeding with respect to any of its obligations under this Note may be brought by the Bank in any state or federal court located in the State of Indiana, as the Bank in its sole discretion may elect. By the execution and delivery of this Note, the Borrower submits to and accepts, for itself and in respect of its property, generally and unconditionally, the non-exclusive jurisdiction of those courts. The Borrower waives any claim that the State of Indiana is not a convenient forum or the proper venue for any such suit, action or proceeding.

Miscellaneous. The Borrower, if more than one, is jointly and severally liable for the obligations represented by this Note, the term "Borrower" means any one or more of them, and the receipt of value by any one of them constitutes the receipt of value by the others. This Note binds the Borrower and its successors, and benefits the Bank, its successors and assigns. Any reference to the Bank includes any holder of this Note. Section headings are for convenience of reference only and do not affect the interpretation of this Note. Any notices and demands under or related to this document shall be in writing and delivered to the intended party at its address stated herein, and if to the Bank, at its main office if no other address of the Bank is specified herein, by one of the following means: (a) by hand, (b) by a nationally recognized overnight courier service, or (c) by certified mail, postage prepaid, with return receipt requested. Notice shall be deemed given: (a) upon receipt if delivered by hand, (b) on the Delivery Day after the day of deposit with a nationally recognized courier service, or (c) on the third Delivery Day after the notice is deposited in the mail. "Delivery Day" means a day other than a Saturday, a Sunday, or any other day on which national banking associations are authorized to be closed. Any party may change its address for purposes of the receipt of notices and demands by giving notice of such change in the manner provided in this provision. This Note and any Related Documents embody the entire agreement between the Borrower and the Bank regarding the terms of the loan evidenced by this Note and supercede all oral statements and prior writings relating to that loan. If any provision of this Note cannot be enforced, the remaining portions of this Note shall continue in effect. The Borrower agrees that the Bank may provide any information or knowledge the Bank may have about the Borrower or about any matter relating to this Note or the Related Documents to BANK ONE CORPORATION, or any of its subsidiaries or affiliates or their successors, or to any one or more purchasers or potential purchasers of this Note or the Related Documents. The Borrower agrees that the Bank may at any time sell, assign or transfer one or more interests or participations in all or any part of its rights and obligations in this Note to one or more purchasers whether or not related to the Bank.

Government Regulation. Borrower shall not (a) be or become subject at any time to any law, regulation, or list of any government agency (including, without limitation, the U.S. Office of Foreign Asset Control list) that prohibits or limits Bank from making any advance or extension of credit to Borrower or from otherwise conducting business with Borrower, or (b) fail to provide documentary and other evidence of Borrower's identity as may be requested by Bank at any time to enable Bank to verify Borrower's identity or to comply with any applicable law or regulation, including, without limitation, Section 326 of the USA Patriot Act of 2001, 31 U.S.C. Section 5318.

USA PATRIOT ACT NOTIFICATION. The following notification is provided to Borrower pursuant to Section 326 of the USA Patriot Act of 2001, 31 U.S.C. Section 5318:

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT. To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person or entity that opens an account,

including any deposit account, treasury management account, loan, other extension of credit, or other financial services product. What this means for Borrower: When Borrower opens an account, if Borrower is an individual Bank will ask for Borrower's name, taxpayer identification number, residential address, date of birth, and other information that will allow Bank to identify Borrower, and if Borrower is not an individual Bank will ask for Borrower's name, taxpayer identification number, business address, and other information that will allow Bank to identify Borrower. Bank may also ask, if Borrower is an individual to see Borrower's driver's license or other identifying documents, and if Borrower is not an individual to see Borrower's legal organizational documents or other identifying documents.

WAIVER OF SPECIAL DAMAGES. THE BORROWER WAIVES, TO THE MAXIMUM EXTENT NOT PROHIBITED BY LAW, ANY RIGHT THE UNDERSIGNED MAY HAVE TO CLAIM OR RECOVER FROM THE BANK IN ANY LEGAL ACTION OR PROCEEDING ANY SPECIAL, EXEMPLARY, PUNITIVE OR CONSEQUENTIAL DAMAGES.

JURY WAIVER. THE BORROWER AND THE BANK (BY ITS ACCEPTANCE HEREOF) HEREBY VOLUNTARILY, KNOWINGLY, IRREVOCABLY AND UNCONDITIONALLY WAIVE ANY RIGHT TO HAVE A JURY PARTICIPATE IN RESOLVING ANY DISPUTE (WHETHER BASED ON CONTRACT, TORT, OR OTHERWISE) BETWEEN THE BORROWER AND THE BANK ARISING OUT OF OR IN ANY WAY RELATED TO THIS NOTE OR THE OTHER RELATED DOCUMENTS. THIS PROVISION IS A MATERIAL INDUCEMENT TO THE BANK TO PROVIDE THE FINANCING EVIDENCED BY THIS NOTE.
