The Registrant is not filing such documents with the SEC, but these documents constitute (along with the documents incorporated by reference into the Registration Statement pursuant to Item 3 of Part II hereof) a prospectus that meets the requirements of Section 10(a) of the Securities Act.

## PART II

### Information Required in the Registration Statement

#### Item 3. Incorporation of Documents by Reference.

#### Item 4. Description of Securities.

Not applicable.

#### Item 5. Interests of Named Experts and Counsel.

David Vance Lucas, the Company's General Counsel, who has passed upon the legality of the Common Stock offered hereby, is eligible to participate in the Intergraph Corporation 2005 Employee Stock Purchase Plan.

#### Item 6. Indemnification of Directors and Officers.

Section 145 of the Delaware General Corporation Law (the "DGCL") permits a Delaware corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that he or she is or was a director, officer, employee or agent of the corporation) or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or enterprise. A corporation may indemnify against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with such action, suit or proceeding if the person indemnified acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had

no reasonable cause to believe his or her conduct was unlawful. If the person indemnified is not wholly successful in such action, suit or proceeding, but is successful, on the merits or otherwise, in one or more but less than all claims, issues or matters in such proceeding, he or she may be indemnified against expenses actually and reasonably incurred in connection with each successfully resolved claim, issue or matter. In the case of an action or suit by or in the right of the corporation to procure a judgment in its favor, no indemnification may be made in respect to any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery of the State of Delaware, or the court in which such action or suit was brought, shall determine upon application that, despite the adjudication of liability, such person is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper. Section 145 provides that, to the extent a present or former director or officer of a corporation has been successful in the defense of any action, suit or proceeding referred to above or in the defense of any claim, issue or manner therein, he or she shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him or her in connection therewith.

Article IX of the Certificate of Incorporation of the Registrant, as amended (the "Certificate of Incorporation"), permits indemnification of directors and officers to the full extent permitted by the DGCL.

Article IX(a) of the Registrant's Certificate of Incorporation eliminates a director's personal liability for monetary damages for breaches of his or her fiduciary duty, except for liability for: (a) breaches of the duty of loyalty to the Registrant or its stockholders, (b) acts or omissions not in good faith or involving intentional misconduct or knowing violations of the law, (c) the payment of unlawful dividends or unlawful stock repurchases or redemptions, or (d) transactions in which the director received an improper personal benefit.

Article IX(b) of the Certificate of Incorporation of the Registrant also authorizes the Registrant to indemnify an officer, director, employee, or agent of the Registrant or an individual serving in such capacity for another entity at the Registrant's request, for all expenses, liabilities, and losses incurred in connection with any action, suit or proceeding in which he or she is or was a party or is threatened to be made a party by reason of the fact that he or she is or was an officer or director of the Registrant, whether the basis of such proceeding is alleged action in an official capacity as a director, officer, employee, or agent, or in any other capacity while serving as a director, officer, employee or agent.

Article IX(b) also authorizes the Registrant to advance litigation expenses to an officer or director prior to the final disposition of an action concerning the indemnitee's service only as an officer or director. The making of such advances is conditioned upon the officer or director giving the Registrant an undertaking to repay the amount advanced if indemnification ultimately is deemed unavailable. The Board of Directors of the Registrant may authorize the advancement of expenses to employees and agents of the Registrant with the same scope and effect as is afforded to officers and directors.

If indemnification or advancement of expenses is authorized, it will not exclude any rights to indemnification or advancement of expenses which any person may have under a bylaw, agreement, board or stockholder vote, or otherwise. The indemnification or advancement of expenses provided by Article IX will continue as to a person who ceases to be a director, officer, employee or agent, and inures to the benefit of his or her heirs, executors and administrators.

The Certificate of Incorporation also states that the Registrant may maintain insurance, at its expense, to protect itself and any director, officer, employee or agent of the Registrant or another corporation against any loss, liability, or expense, whether or not the Registrant would have the power to provide indemnification under Delaware law, as the Board of Directors may from time to time determine.

Article Nine of the Registrant's bylaws, amended and restated May 13, 2004 (the "Bylaws"), provides for indemnification of any person threatened to be made a party to any threatened, pending or completed action (whether civil, criminal, administrative or investigative, including appeals), other than an action by or in the right of the Registrant, by reason of the fact that the person is or was a director, officer, employee or agent of the Registrant or was serving in such a capacity for another entity at the Registrant's request. Such indemnification includes expenses actually and reasonably incurred (including attorneys' fees) if the party acted in good faith and in a manner

he or she reasonably believed to be in or not opposed to the best interest of the Registrant, and with respect to any criminal action, had no reasonable cause to believe that his or her conduct was unlawful. In actions or proceedings by or in the right of the Registrant, the Bylaws provide for indemnification of any person threatened to be made a party to any threatened, pending or completed action by reason of the fact that the person is or was a director, officer, employee, or agent of the Registrant or was serving in such a capacity for another entity at the Registrant's request. Such indemnification includes expenses actually and reasonably incurred (including attorneys' fees) if the party acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interest of the Registrant, except that indemnification is unavailable if the party has been adjudged to be liable for negligence or misconduct in the performance of his or her duties to the Registrant, unless and only to the extent that the Delaware Court of Chancery or the court in which the action was brought shall determine that in light of all of the circumstances, such person is fairly and reasonably entitled to indemnity for such expenses as the court deems proper.

The Bylaws further provide that, generally, indemnification (unless ordered by a court) must be made by the Registrant only as authorized in the specific case upon a determination that indemnification is proper in the circumstances because he or she has met the applicable standards of conduct. The determination must be made by a majority vote of disinterested directors; by a committee of disinterested directors designated by disinterested directors; if there are no disinterested directors or if the disinterested directors so direct, by independent legal counsel in a written opinion; or by the stockholders. The Registrant must pay the expenses of an action in advance of final disposition if authorized by the Board of Directors in a specific case upon receipt of an undertaking by the person to be indemnified to repay any such advances unless it shall ultimately be determined that such person is entitled to be indemnified by the Registrant as authorized in the Bylaws.

The indemnification authorized in the Bylaws is not exclusive of other rights to which those seeking indemnification may be entitled under the Certificate of Incorporation, any statute, rule of law, agreement, bylaw, stockholder vote or otherwise. Such indemnification shall continue as to any person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of that person's heirs, executors, and administrators.

Article Nine of the Registrant's Bylaws further provides that the Registrant may purchase and maintain insurance on behalf of those persons described above as eligible for indemnification for liability arising out of such person's duties or status with the Registrant whether or not indemnification in respect of such liability would be permissible under the Bylaws' provisions.

The Registrant has entered into Indemnification Agreements with its directors and its Chief Executive Officer, Chief Financial Officer, General Counsel and other executive officers to give such persons additional contractual assurances regarding the scope of the indemnification set forth in the Registrant's Certificate of Incorporation and Bylaws and to provide additional procedural protections. As of the date of this Registration Statement, there is no pending litigation or proceeding involving a director, officer or employee of the Registrant regarding which indemnification is sought, nor is the Registrant aware of any threatened litigation that may result in claims for indemnification.

Item 9. Undertakings.

A. The Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

*provided, however*, that clauses (a)(1)(i) and (a)(1)(ii) shall not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference into this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. The Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

C. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer

or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
