- Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

## SECTION 2 – FINANCIAL INFORMATION

### Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

On November 22, 2005, FPL Group, Inc.'s (FPL Group) subsidiaries, FPL Group Capital Inc (FPL Group Capital) and Florida Power & Light Company (FPL), each entered into a new five-year revolving credit and letter of credit facility expiring in November 2010. Bank revolving lines of credit available to FPL Group and its subsidiaries, including FPL, under these separate credit facilities aggregate approximately \$4.5 billion (\$2.5 billion for FPL Group Capital and \$2.0 billion for FPL). These new credit facilities replaced the previously existing three- and five-year credit facilities which aggregated \$3.5 billion (\$2.0 billion for FPL Group Capital and \$1.5 billion for FPL). The new credit facilities are available to support the companies' commercial paper programs and to provide additional liquidity in the event of a property loss including, in the case of FPL, a transmission and distribution property loss, as well as for general corporate purposes. FPL Group (which guarantees the payment of FPL Group Capital's credit facilities pursuant to a 1998 guarantee agreement) is required to maintain a minimum ratio of funded debt to capitalization under the terms of FPL Group Capital's credit facility. FPL is required to maintain a minimum ratio of funded debt to capitalization under the terms of FPL's credit facility.
