PROXY STATEMENT

March 19, 2003

SOLICITATION AND REVOCATION OF PROXIES

This Proxy Statement is furnished to shareholders of The Gorman-Rupp Company in connection with the solicitation by the Board of Directors of the Company of proxies for use at the Annual Meeting of the shareholders to be held at the Company's Training Center, 270 West 6th Street, Mansfield, Ohio, at 10:00 a.m., Eastern Daylight Time, on Thursday, April 24, 2003. Holders of Common Shares of record at the close of business on March 3, 2003 are the only shareholders entitled to notice of and to vote at the Meeting.

A shareholder, without affecting any vote previously taken, may revoke his proxy by the execution and delivery to the Company of a later proxy with respect to the same shares, or by giving notice to the Company in writing or in open meeting. The presence at the Meeting of the person appointing a proxy does not in and of itself revoke the appointment.

OUTSTANDING SHARES AND VOTING RIGHTS

As of March 3, 2003, the record date for the determination of persons entitled to vote at the Meeting, there were 8,540,553 Common Shares outstanding. Each Common Share is entitled to one vote.

The mailing address of the principal executive offices of the Company is 305 Bowman Street, Mansfield, Ohio 44903. This Proxy Statement and accompanying proxy are being mailed to shareholders on or about March 19, 2003.

If notice in writing is given by any shareholder to the President, a Vice President or the Secretary of the Company, not less than 48 hours before the time fixed for the holding of the Meeting, that such shareholder desires that the voting for the election of Directors be cumulative, and if announcement of the giving of such notice is made upon the convening of the Meeting by the Chairman or Secretary or by or on behalf of the shareholder giving such notice, each shareholder shall have the right to cumulate such voting power as he possesses at such election. Under cumulative voting, a shareholder controls voting power equal to the number of votes which he otherwise would have been entitled to cast multiplied by the number of Directors to be elected. All of such votes may be cast for a single nominee or may be distributed among any two or more nominees as he may desire. If cumulative voting is invoked, and unless contrary instructions are given by a shareholder who signs a proxy, all votes represented by such proxy will be divided evenly among the candidates nominated by the Board of Directors, except that if so voting should for any reason not be effective to elect all of the nominees

named in this Proxy Statement, then such votes will be cast so as to maximize the number of the Board of Directors' nominees elected to the Board.

ELECTION OF DIRECTORS

(Proposal No. 1)

All Directors will be elected to hold office until the next annual meeting of shareholders and until their successors are elected and qualified. Proxies received are intended to be voted in favor of fixing the number of Directors at eight and for the election of the nominees named below. Each of the nominees, with the exception of Mr. Taylor, is presently a Director of the Company. Mr. Jeffrey S. Gorman is the son of Mr. James C. Gorman, and Mr. Christopher H. Lake is the son of Dr. Peter B. Lake.

In the event that any of the nominees should become unavailable, which the Board of Directors does not anticipate, proxies are intended to be voted in favor of fixing the number of Directors at a lesser number or for a substitute nominee or nominees designated by the Board of Directors, in the discretion of the persons appointed as proxy holders. The proxies may be voted cumulatively for less than the entire number of nominees if any situation arises which, in the opinion of the proxy holders, makes such action necessary or desirable.

Based upon information received from the respective nominees as of February 1, 2003, the following information is furnished with respect to each person nominated for election as a Director.

BOARD OF DIRECTORS AND DIRECTORS' COMMITTEES

During 2002, a total of five regularly scheduled meetings of the Board of Directors and a total of eleven meetings of all standing Directors' Committees were held. All Directors attended at least 75% of the aggregate of the total number of meetings held by the Board of Directors and of the total number of meetings held by the respective committees on which they served.

The Board of Directors has four committees: (1) an Audit Review Committee, whose present members are Thomas E. Hoaglin (Chairman), Peter B. Lake and W. Wayne Walston; (2) a Salary Committee, whose present members are W. Wayne Walston (Chairman), Thomas E. Hoaglin and Christopher H. Lake; (3) a Pension Committee, whose present members are Peter B. Lake (Chairman), William A. Calhoun and John A. Walter; and (4) a Nominating Committee, whose

present members are William A. Calhoun (Chairman), Christopher H. Lake and John A. Walter. (Mr. Calhoun, a Director of the Company since 1969, has decided not to stand for re-election.)

The Audit Review Committee held five meetings in 2002. Its principal functions include reviewing the arrangement and scope of the audit, considering comments made by the independent accountants with respect to internal controls and financial reporting, considering corrective action taken by management, reviewing internal accounting procedures and controls with the Company's financial and accounting staff, and reviewing non-audit services provided by the independent accountants.

The Salary Committee held two meetings during 2002. Its principal function is to determine the salaries of the elected officers of the Company, subject to approval by the Board of Directors.

The Pension Committee held three meetings in 2002. Its principal functions are to monitor and assist in the investment of the assets associated with the Company's pension plan.

The Nominating Committee held one meeting during 2002. Its principal functions involve the identification, evaluation and recommendation of individuals for nomination as new members of the Board of Directors.

The Nominating Committee has adopted procedures by which to consider suggestions from shareholders for Director nominees. Any shareholder wishing to propose a candidate should deliver a typewritten or legible hand written communication to the Company's Corporate Secretary. The submission should provide detailed business and personal biographical data about the candidate, and include a brief analysis explaining why the individual is well-qualified to become a Director nominee. All recommendations will be acknowledged by the Corporate Secretary and promptly referred to the Nominating Committee for evaluation.

Directors who are employees of the Company do not receive any compensation for service as Directors. Each Non-Employee Director receives a fee for each of the Board of Directors meetings attended. The fee was \$2,300 for meetings held during 2002. No fees are paid, however, for attendance at committee meetings. Effective May 22, 1997, the Board of Directors adopted a Non-Employee Directors' Compensation Plan. Under the Plan, as additional compensation for regular services to be performed as a Director, an automatic award of 500 Common Shares (from the Company's treasury) will be made on each July 1 (through 2006) to each Non-Employee Director then serving on the Board. The award of 500 Common Shares made on July 1, 2002 had a market value of \$15,380.

(iv) With respect to the provision of non-audit services to the Company, the Audit Review Committee has obtained a written statement from the Company's independent public accountants that they have not rendered any non-audit services prohibited by the Securities and Exchange Commission rules relating to auditor independence, and that the delivery of any permitted non-audit services has not and will not impair their independence;

(v) Based upon the review and discussions referred to above, the Audit Review Committee has recommended to the Board of Directors that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2002, to be filed with the Securities and Exchange Commission; and

The Committee reviews and reassesses the adequacy of the Charter on an annual basis. The Charter was set forth as an appendix to the Proxy Statement in 2001, and will again be set forth as an appendix to the Proxy Statement in 2004.

The foregoing report has been furnished by members of the Audit Review Committee.

(1) The Company sponsors The Gorman-Rupp Company 401(k) Plan. Substantially all the employees of the Company, including the executive officers and the employees of Patterson Pump Company (a wholly owned subsidiary), are eligible to participate in the 401(k) Plan. Each participant in the 401(k) Plan may make before-tax contributions to the Plan of up to 15% of compensation, but not in excess of the maximum annual amount permitted by the Internal Revenue Code. The maximum annual amount was \$10,500 for 2000 and 2001, and \$11,000 for 2002. In 2003, it will be \$12,000. Before-tax contributions made to the 401(k) Plan qualify for deferred tax treatment under Section 401(k) of the Code. The Company makes matching contributions on a monthly basis for each participant who is an employee on the last day of the month equal to 20% (40% as of August 1, 2000, but only in the Company's Common Shares) of

the first 4% of the participant's before-tax contributions made during the month. The participant's before-tax contributions and the Company's matching contributions are nonforfeitable, but are subject to special nondiscrimination tests imposed by the Code. If the tests are not satisfied, contributions by or for highly compensated employees are reduced. Each participant (or the beneficiary of a deceased participant) receives the full amount allocated to a participant's account upon any termination of the participant's employment. During 2002, a total of \$2,154,511, consisting of both participant before-tax contributions and Company matching contributions, was allocated to participants' accounts under the 401(k) Plan, including an aggregate amount of \$52,727 to the accounts of the executive officers which is included in the compensation shown in the table. The amounts allocated during 2002 to the accounts of the executive officers named in the table are as follows: Mr. J.S. Gorman (\$14,165); Mr. Kirkendall (\$12,465); Mr. Danuloff (\$9,793); Ms. Sovine (\$12,956); and Mr. J.C. Gorman (\$3,348).

- (2) The pension plan in which the Company's executive officers participate is a defined benefit plan covering substantially all employees of the Company and Patterson Pump Company; and the amounts of contributions or accruals applicable to the individual participants therein cannot be readily calculated. The aggregate contributions made to such plan for the benefit of the Company's executive officers amount to approximately 2% of the total contributions made on behalf of all participants covered by the plan.

In general, a participant's monthly benefit under the pension plan is determined by multiplying 1.1% of his final average monthly compensation by the number of his credited years and months of service. A participant's final average monthly compensation is one-twelfth of the average annual compensation of the participant for the last 10 years of the participant's employment with the Company (or Patterson Pump Company) or, if less than 10, for his actual years of such employment. The compensation covered by the pension plan for 2002 is identical to the compensation set forth in the table, except that the plan does not cover profit-sharing bonuses or amounts labeled "other" in the table received by any executive officer, as well as any compensation in excess of \$200,000. However, compensation covered by the pension plan does include any before-tax contributions made by the participant to the 401(k) Plan. The benefit amounts applicable to each individual participant are not subject to any deduction for Social Security benefits or other offset amounts.

As of November 1, 2002, the executive officers had the following number of credited full years of service under the Company's pension plan: Mr. J.S. Gorman– 24; Mr. Kirkendall– 24; Mr. Danuloff– 31; Ms. Sovine– 23; and Mr. J.C. Gorman– 53. As of November 1, 2002, the estimated annual benefits payable at age 65 upon retirement to Messrs. Gorman, Kirkendall, Danuloff, Ms. Sovine and Mr. Gorman are \$38,305, \$24,156, \$29,632, \$19,632 and \$75,672, respectively. Mr. J.C. Gorman is age 78 and remains active as an officer of the Company. In accordance with the terms of the pension plan, because Mr. J.C. Gorman is over age 70 1/2, he received payments from the pension plan which totaled \$73,224 in 2002.

(3) Amounts contributed by the Company on behalf of the Named Officers to the 401(k) Plan.

* Compensation in excess of \$200,000 is not taken into account under the pension plan.

SALARY COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Under the supervision of the Salary Committee of the Board of Directors, the Company has developed compensation policies which seek to enhance the profitability of the Company, and thus shareholder value, by aligning closely the financial interests of the Company's senior managers with those of its shareholders. As a starting point, annual base salaries are generally set somewhat below competitive levels so that the Company relies to a large degree on annual incentive compensation to retain corporate officers and other key employees of outstanding abilities and to motivate them to perform to the full extent of their abilities. The incentive compensation is then closely tied to corporate and individual performances in a manner that encourages a long and continuing focus on building profitability and shareholder value.

Based on an evaluation of these factors, the Committee believes that the senior management of the Company is dedicated to achieving improvements in long-term financial performance and that the compensation policies the Committee administers have contributed to achieving this management focus.

Compensation for each of the Named Officers, as well as other senior executives, consists of a base salary and annual incentive compensation or profit sharing. The base salaries are fixed at levels somewhat below the competitive amounts paid to senior managers with comparable qualifications, experience and responsibilities at other companies engaged in the same or similar businesses as the Company. The annual incentive compensation is more closely tied to the Company's success in achieving significant financial and non-financial performance goals. The Committee considers the total compensation of each of the Named Officers and the other senior executives in establishing the elements of compensation.

In the early part of each fiscal year, the Committee reviews with the Chief Executive Officer and approves, with modifications considered appropriate, an annual salary for the Company's senior executives (other than the Chief Executive Officer). Salaries are developed under the ultimate direction of the Chief Executive Officer based upon industry and national surveys and performance judgments as to the past and expected future contributions of the individual senior executives. The Committee independently reviews and fixes the base salary of the Chief Executive Officer based on similar competitive compensation data and the Committee's assessment of his past performance and its expectation as to his future contributions in leading the Company.

At the beginning of each year, performance objectives for purposes of determining annual profit sharing are also established based upon operating earnings. At the end of each year, performance against these objectives is determined by an arithmetic calculation. In determining the profit sharing in 2002 for eligible employees, including the Named Officers, the Committee reviews management's recommendations with the Chief Executive Officer based on individual performance. The results of

these evaluations are considered by the Salary Committee and the Board of Directors when determining the amounts to be awarded as profit sharing (which appear as “Bonus” in the Summary Compensation Table on page 12).

The Committee believes that its compensation policies have successfully focused the Company’s senior management on building continued profitability and shareholder value.

The foregoing report has been furnished by members of the Salary Committee.

APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANTS

(Proposal No. 2)

A proposal will be presented at the Meeting to ratify the appointment by the Board of Directors of Ernst & Young LLP as independent public accountants for the Company during the year ending December 31, 2003. Representatives of Ernst & Young LLP are expected to be present at the Meeting, will have an opportunity to make a statement if they so desire, and are expected to be available to respond to appropriate questions.

The Company paid Ernst & Young LLP the following fees in connection with the Company's fiscal year ending December 31, 2002:

Audit Fees — \$245,000. Audit fees consist of the aggregate fees billed for professional services rendered for the audit of the Company's annual financial statements and the reviews of the Company's interim financial statements included in its quarterly reports on Form 10-Q.

Financial Information Systems Design and Implementation Fees — \$0. The Company did not engage Ernst & Young LLP to provide advice to the Company regarding financial information systems design and implementation or other information technology services.

All Other Fees — \$319,000. These fees consist of the aggregate fees billed for all other non-audit services rendered to the Company, including accounting advisory services, acquisition due diligence, pension audits, SEC registration statements and tax-related services. The Audit Review Committee of the Board of Directors has considered various non-audit factors and believes that the provision of these services to the Company is compatible with maintaining the independence of Ernst & Young LLP.

Ratification by the shareholders of the appointment of Ernst & Young LLP is not required by law. However, the Board of Directors believes that shareholders should be given this opportunity to express their views on the subject. While not binding on the Board of Directors, the failure of the shareholders to ratify the appointment of Ernst & Young LLP as the Company's independent public accountants would be considered by the Directors in determining whether to continue the engagement of Ernst & Young LLP. Even if the appointment is ratified, the Board of Directors may, in its discretion, select a different firm of independent public accountants for the Company at any time during the year if it determines that such a change would be in the best interests of the Company and its shareholders.

The Directors recommend a vote FOR Proposal No. 2 to ratify the appointment of Ernst & Young LLP as the Company's independent public accountants.
