Forward - Looking Statements

This conference call contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, including, without limitation, statements regarding end market conditions, base revenue growth, earnings growth, operating income, tax rates, use of free cash and potential acquisitions for the 2006 full year and the Company's related forecasts. These statements are subject to certain risks, uncertainties, and other factors, which could cause actual results to differ materially from those anticipated. Important risks that may influence future results include (1) a downturn in the construction, automotive, general industrial, food institutional and retail, or real estate markets, (2) deterioration in global and domestic business and economic conditions, particularly in North America, the European Community, Asia and Australia, (3) the unfavorable impact of foreign currency fluctuations and costs of raw materials, (4) an interruption in, or reduction in, introducing new products into the Company's product lines, (5) an unfavorable environment for making acquisitions, domestic and international, including adverse accounting or regulatory requirements and market values of candidates, and (6) unfavorable tax law changes and tax authority rulings. The risks covered here are not all inclusive and given these and other possible risks and uncertainties, investors should not place undue reliance on forward-looking statements as a prediction of actual results.
