The performance goals may be described in terms that are related to the individual Participant, to the Company as a whole, or to a subsidiary, division, department, region, function or business unit of the Company in which the Participant is employed. "Termination by the Participant for Good Reason" shall mean the occurrence (without the Participant's express written consent) of any one of the following acts by the Corporation, or failures by the Corporation to act, unless, in the case of any act or failure to act described below, such act or failure to act is corrected prior to the Participant's termination date:

- (a) the assignment to the Participant of any duties inconsistent with the Participant's status with the Corporation or a substantial adverse alteration in the nature or status of the Participant's responsibilities from those in effect immediately prior to the Change of Control other than such alteration primarily attributable to the fact that the Corporation may no longer be a public company;
- (b) a reduction by the Corporation of the Participant's annual base salary by five percent or more as in effect immediately prior to the Change of Control, except for across-the-board salary reductions similarly affecting all similarly situated employees of the Corporation;
- (c) the Corporation requiring the Participant to be based at a location more than 50 miles from the location of the Participant's office as of the date of the Change of Control except for required travel on the Corporation's business to an extent substantially consistent with the Participant's business travel obligations as of the date of the Change of Control;
- (d) the failure of the Corporation to pay as soon as administratively feasible, after notice from the Participant, any portion of the Participant's current compensation;

(e) the failure of the Corporation to continue in effect any compensation plan in which the Participant participates immediately prior to the Change of Control which is material to the Participant's total compensation, including but not limited to the Corporation's stock option, incentive compensation, and bonus plans, or any substitute plans adopted prior to the Change of Control, unless an equitable arrangement (which is embodied in an ongoing substitute or alternative plan but which need not provide the Participant with equity-based incentives) has been made with respect to such plan, or the failure by the Corporation to continue the Participant's participation therein (or in such substitute or alternative plan) on a basis not materially less favorable than the benefits provided to other participants; or

(f) the failure by the Corporation to continue to provide the Participant with benefits substantially similar to those enjoyed by the Participant under any of the Corporation's pension, life insurance, medical, health and accident, or disability plans in which the Participant was participating at the time of the Change of Control, the taking of any action by the Corporation which would directly or indirectly materially reduce any of such benefits or deprive the Participant of any material fringe benefit enjoyed by the Participant at the time of the Change of Control, or the failure by the Corporation to provide the Participant with the number of paid vacation days to which the Participant is entitled on the basis of years of service with the Corporation in accordance with the Corporation's normal vacation policy in effect at the time of the Change of Control.

The Participant's right to terminate the Participant's employment for Good Reason shall not be affected by the Participant's incapacity due to physical or mental illness. "Transferability Restrictions" means the restrictions on transferability imposed on Awards of Restricted Shares or Restricted Share Units.

4. ADMINISTRATION

The Plan and all Awards granted pursuant thereto shall be administered by the Committee. The Committee, in its absolute discretion, shall have the power to interpret and construe the Plan and any Award Agreements; provided, however, that no such action or determination may increase the amount of compensation payable that would otherwise be due in a manner that would result in the disallowance of a deduction to the Corporation under section 162(m) of the Code or any successor section. Any interpretation or construction of any provisions of this Plan or the Award Agreements by the Committee shall be final and conclusive upon all persons. No member of the Board or the Committee shall be liable for any action or determination made in good faith.

Within 60 days following the close of each calendar year that the Plan is in operation, the Committee shall make a report to the Board. The report shall specify the employees who received Awards under the Plan during the prior year, the form and size of the Awards to the individual employees, and the status of prior Awards.

The Committee shall have the power to promulgate Committee Rules and other guidelines in connection with the performance of its obligations, powers and duties under the Plan, including its duty to administer and construe the Plan and the Award Agreements.

The Committee may authorize persons other than its members to carry out its policies and directives subject to the limitations and guidelines set by the Committee, and may delegate its authority under the Plan, provided, however, the delegation of authority to grant Awards shall be limited to grants by the Chief Executive Officer to newly hired employees, or to respond to special recognition or retention needs, and any such grants shall be limited to eligible Participants who are not subject to section 16 of the Exchange Act. The delegation of authority shall be limited as follows: (a) with respect to persons who are subject to section 16 of the Exchange Act, the authority to grant Awards, the selection for participation, decisions concerning the timing, pricing and amount of a grant or Award and authority to administer Awards shall not be delegated by the Committee; (b) the maximum number of shares of Common Stock covered by Awards which may be granted by the Chief Executive Officer within any calendar year period shall not exceed 200,000; (c) any delegation shall satisfy all applicable requirements of rule 16b-3 of the Exchange Act, or any successor provision; and (d) no such delegation shall result in the disallowance of a deduction to the Corporation under section 162(m) of the Code or any successor section. Any person to whom such authority is granted shall continue to be eligible to receive Awards under the Plan.

5. ELIGIBILITY

The Committee shall from time to time select the Participants from those employees whom the Committee determines either to be in a position to contribute materially to the success of the Corporation or Affiliate or to have in the past so contributed. Only employees (including officers and directors who are employees) of the Corporation and its Affiliates are eligible to participate in the Plan.

6. FORM OF GRANTS

All Awards under the Plan shall be made in the form of Options, Restricted Shares or Restricted Share Units, or any combination thereof. Notwithstanding anything in this Plan to the contrary, any Awards shall contain the restriction on assignability in subsection 16(g) of this Plan to the extent required under rule 16b-3 of the Exchange Act.

7. STOCK OPTIONS

The Committee or its delegate shall determine and designate from time to time those Participants to whom Options are to be granted and the number of shares of Common Stock to be optioned to each and the periods the Option shall be exercisable. Such Options may be in the form of Incentive Stock Options or in the form of Nonqualified Stock Options. The Committee in its discretion at the time of grant may establish performance goals that may affect the grant, exercise and/or settlement of an Option. After granting an Option to a Participant, the Committee shall cause to be delivered to the Participant an Award Agreement evidencing the granting of the Option. The Award Agreement shall be in such form as the Committee shall from time to time approve. The terms and conditions of all Options granted under the Plan need not be the same, but all Options must meet the applicable terms and conditions specified in subsections 7(a) through 7(h).

(a) Period of Option. The Period of each Option shall be no more than 10 years from the date it is granted.

(b) Option Price. The Option price shall be determined by the Committee, but shall not in any instance be less than the Fair Market Value of the Common Stock at the time that the Option is granted (the "Option Price").

(c) Limitations on Exercise. The Option shall not be exercisable until at least one year has expired after the granting of the Option, during which time the Participant shall have been in the continuous employ of the Corporation or an Affiliate; provided, however, that the Option shall become exercisable immediately in the event of a Qualified Termination of Employment of a Participant, without regard to the limitations set forth below in this subsection 7(c). Unless otherwise determined by the Committee or its delegate at the time of grant, at any time during the period of the Option after the end of the first year, the Participant may purchase up to 30 percent of the shares covered by the Option; after the end of the second year, an additional 30 percent; and after the end of the third year, the remaining 40 percent of the total number of shares covered by the Option; provided, however, that if the Participant's employment is terminated for any reason other than death, Retirement or Total and Permanent Disability, the Option shall be exercisable only for three months following such termination and only for the number of shares of Common Stock which were exercisable on the date of such termination. In no event, however, may an Option be exercised more than 10 years after the date of its grant.

(d) Exercise after Death, Retirement, or Disability. Unless otherwise determined by the Committee or its delegate at the time of grant, if a Participant dies, becomes Totally and Permanently Disabled, or Retires without having exercised the Option in full, the remaining portion of such Option may be exercised, without regard to the limitations in subsection 7(c), as follows. If a Participant dies or becomes Totally and Permanently Disabled the remaining portion of such Option may be exercised within (i) three years from the date of any such event or (ii) the remaining period of the Option, whichever is earlier. Upon a Participant's death, the Option may be exercised by the person or persons to whom such Participant's rights under the Option shall pass by will or by applicable law or, if no such person has such rights, by his executor or administrator. If a Participant Retires the remaining portion of such Option may be exercised within (i) five years from the date of any such event or (ii) the remaining period of the Option, whichever is earlier.

(e) Non-transferability. During the Participant's lifetime, Options shall be exercisable only by such Participant. Options shall not be transferable other than by will or the laws of descent and distribution upon the Participant's death. Notwithstanding anything in this subsection 7(e) to the contrary, the Committee may grant to designated Participants the right to transfer Nonqualified Stock Options, to the extent allowed under rule 16b-3 of the Exchange Act, subject to the terms and conditions of the Committee Rules.

(f) Exercise; Notice Thereof. Options shall be exercised by delivering to the Corporation, at the office of the Treasurer at the World Headquarters, written notice of the number of shares with respect to which Option rights are being exercised and by paying in full the Option Price of the shares at the time being acquired. Payment may be made in cash, a check payable to the Corporation or in shares of Common Stock transferable to the Corporation and having a Fair Market Value on the transfer date equal to the amount payable to the Corporation. The date of exercise shall be deemed to be the date the Corporation receives the written notice and payment for the shares being purchased. A Participant shall have none of the rights of a stockholder with respect to shares covered by such Option until the Participant becomes the record holder of such shares.

(g) Purchase for Investment. It is contemplated that the Corporation will register shares sold to Participants pursuant to the Plan under the Securities Act of 1933. In the absence of an effective registration, however, a Participant exercising an Option hereunder may be required to give a representation that he/she is acquiring such shares as an investment and not with a view to distribution thereof.

(h) Limitations on Incentive Stock Option Grants.

(i) An Incentive Stock Option shall be granted only to an individual who, at the time the Option is granted, does not own stock possessing more than 10 percent of the total combined voting power of all classes of stock of the Corporation or Affiliates.

(ii) The aggregate Fair Market Value of all shares with respect to which Incentive Stock Options are exercisable by a Participant for the first time during any year shall not exceed \$100,000. The aggregate Fair Market Value of such shares shall be determined at the time the Option is granted.

(i) Election to Receive Cash Rather than Stock.

(i) At the same time as Nonqualified Stock Options are granted the Committee may also grant to designated Participants the right to convert a specified number of shares of Common Stock covered by such Nonqualified Stock Options to cash, subject to the terms and conditions of this subsection 7(i). For each such Option so converted, the Participant shall be entitled to receive cash equal to the difference between the Participant's Option Price and the Fair Market Value of the Common Stock on the date of conversion. Such a right shall be referred to herein as a Stock Appreciation Right ("SAR"). Participants to whom an SAR has been granted shall be notified of such grant and of the Options to which such SAR pertains. An SAR may be revoked by the Committee, in its sole discretion, at any time, provided, however, that no such revocation may be taken hereunder if such action would result in the disallowance of a deduction to the Corporation under section 162(m) of the Code or any successor section.

(ii) A person who has been granted an SAR may exercise such SAR during such periods as provided for in the rules promulgated under section 16 of the Exchange Act. The SAR shall expire when the period of the subject Option expires.

(iii) At the time a Participant converts one or more shares of Common Stock covered by an Option to cash pursuant to an SAR, such Participant must exercise one or more Nonqualified Stock Options, which were granted at the same time as the Option subject to such SAR, for an equal number of shares of Common Stock. In the event that the number of shares and the Option Price per share of all shares of Common Stock subject to outstanding Options is adjusted as provided in the Plan, the above SARs shall automatically be adjusted in the same ratio which reflects the adjustment to the number of shares and the Option Price per share of all shares of Common Stock subject to outstanding Options.

8. RESTRICTED SHARES

The Committee or its delegate may from time to time designate those Participants who shall receive Restricted Share Awards. Each grant of Restricted Shares under the Plan shall be evidenced by an agreement which shall be executed by the Corporation and the Participant. The agreement shall contain such terms and conditions, not inconsistent with the Plan, as shall be determined by the Committee and shall indicate the number of Restricted Shares awarded and the following terms and conditions of the award.

(a) Grant of Restricted Shares. The Committee shall determine the number of Restricted Shares to be included in the grant and the period or periods during which the Transferability Restrictions applicable to the Restricted Shares will be in force (the "Restricted Period"). Unless otherwise determined by the Committee at the time of grant, the Restricted Period shall be for a minimum of three years and shall not exceed ten years from the date of grant, as determined by the Committee at the time of grant. The Restricted Period may be the same for all Restricted Shares granted at a particular time to any one Participant or may be different with respect to different Participants or with respect to various of the Restricted Shares granted to the same Participant, all as determined by the Committee at the time of grant.

(b) Transferability Restrictions. During the Restricted Period, Restricted Shares may not be sold, assigned, transferred or otherwise disposed of, or mortgaged, pledged or otherwise encumbered. Furthermore, a Participant's right, if any, to receive Common Stock upon termination of the Restricted Period may not be assigned or transferred except by will or by the laws of descent and distribution. In order to enforce the limitations imposed upon the Restricted Shares the Committee may (i) cause a legend or legends to be placed on any such certificates, and/or (ii) issue "stop transfer" instructions as it deems necessary or appropriate. Holders of Restricted Shares limited as to sale under this subsection 8(b) shall have rights as a shareholder with respect to such shares to receive dividends in cash or other property or other distribution or rights in respect of such shares, and to vote such shares as the record owner thereof. With respect to each grant of Restricted Shares, the Committee shall determine the Transferability Restrictions which will apply to the Restricted Shares for all or part of the Restricted Period. By way of illustration but not by way of limitation, the Committee may provide (i) that the Participant will not be entitled to receive any shares of Common Stock unless he or she is still employed by the Corporation or its Affiliates at the end of the Restricted Period, (ii) that the Participant will become vested in Restricted Shares according to a schedule determined by the Committee, or under other terms and conditions determined by the Committee, and (iii) how any Transferability Restrictions will be applied, modified or accelerated in the case of the Participant's death or Total and Permanent Disability.

(c) Manner of Holding and Delivering Restricted Shares. Each certificate issued for Restricted Shares shall be registered in the name of the Participant and deposited with the Corporation or its designee. These certificates shall remain in the possession of the Corporation or its designee until the end of the applicable Restricted Period or, if the Committee has provided for earlier termination of the Transferability Restrictions following a Participant's death, Total and Permanent Disability or earlier vesting of the shares of Common Stock, such earlier termination of the Transferability Restrictions. At whichever time is applicable, certificates representing the number of shares to which the Participant is then entitled shall be delivered to the Participant free and clear of the Transferability Restrictions; provided that in the case of a Participant who is not entitled to receive the full number of Shares evidenced by the certificates then being released from escrow because of the application of the Transferability Restrictions,

those certificates shall be returned to the Corporation and canceled and a new certificate representing the shares of Common Stock, if any, to which the Participant is entitled pursuant to the Transferability Restrictions shall be issued and delivered to the Participant, free and clear of the Transferability Restrictions.

9. RESTRICTED SHARE UNITS

The Committee or its delegate shall from time to time designate those Participants who shall receive Restricted Share Unit Awards. The Committee shall advise such Participants of their Awards by a letter indicating the number of Restricted Share Units awarded and the following terms and conditions of the award.

(a) Restricted Share Units may be granted to Participants as of the first day of a Restricted Period. The number of Restricted Share Units to be granted to each Participant and the Restricted Period shall be determined by the Committee in its sole discretion.

(b) Transferability Restrictions. During the Restricted Period, Restricted Share Units may not be sold, assigned, transferred or otherwise disposed of, or mortgaged, pledged or otherwise encumbered. Furthermore, a Participant's right, if any, to receive cash or Common Stock upon termination of the Restricted Period may not be assigned or transferred except by will or by the laws of descent and distribution. With respect to each grant of Restricted Share Units, the Committee shall determine the Transferability Restrictions which will apply to the Restricted Share Units for all or part of the Restricted Period. By way of illustration but not by way of limitation, the Committee may provide (i) that the Participant will forfeit any Restricted Share Units unless he or she is still employed by the Corporation or its Subsidiaries at the end of the Restricted Period, (ii) that the Participant will forfeit any or all Restricted Share Units unless he or she has met the Performance Goals according to the schedule determined by the Committee, (iii) that the Participant will become vested in Restricted Share Units according to a schedule determined by the Committee, or under other terms and conditions determined by the Committee, and (iv) how any Transferability Restrictions will be applied, modified or accelerated in the case of the Participant's death or Total and Permanent Disability.

(c) Unless otherwise determined by the Committee, during the Restricted Period, Participants will be credited with dividends, equivalent in value to those declared and paid on shares of Common Stock, on all Restricted Share Units granted to them, and these dividends will be regarded as having been reinvested in Restricted Share Units on the date of the Common Stock dividend payments based on the then Fair Market Value of the Common Stock thereby increasing the number of Restricted Share Units held by a Participant. Holders of Restricted Share Units under this subsection 9(c) shall have none of the rights of a shareholder with respect to such shares. Holders of Restricted Share Units are not entitled to receive distribution of rights in respect of such shares, nor to vote such shares as the record owner thereof.

(d) Payment of Restricted Share Units. The payment of Restricted Share Units shall be made in cash or shares of Common Stock, or a combination of both, as determined by the Committee at the time of grant. The payment of Restricted Share Units shall be made within 90 days following the end of the Restricted Period.

10. GOVERNMENT SERVICE, LEAVES OF ABSENCE AND OTHER TERMINATIONS

(a) In the event the Participant's employment with the Corporation or an Affiliate is terminated by reason of a shutdown or divestiture of all or a portion of the Corporation's or its Affiliate's business, a proportion of the Restricted Shares or Restricted Share Unit Award shall be considered to vest as of the Participant's termination of employment. The number of shares that shall vest shall be prorated for the number of full years of employment during the Restricted Period prior to the Participant's termination of employment. In the event the number of Restricted Shares or Restricted Share Units was to be determined by the attainment of Performance Goals according to a schedule determined by the Committee the number of shares that are considered to vest shall be determined at the end of the Restricted Period, prorated for the number of full years of employment during the Restricted Period prior to the Participant's termination of employment, and shall be paid within 90 days following the end of the Restricted Period.

(b) In the event of a Qualified Termination of Employment of a Participant, all of the Options, Restricted Shares or Restricted Share Unit Awards shall be considered to vest immediately. In the event the number of Restricted Shares or Restricted Share Units was to be determined by the attainment of Performance Goals according to a schedule determined by the Committee, the number of shares that shall be considered to vest shall be the greater of the target level established or the number of shares which would have vested based on the attainment of the Performance Goal as of the end of the prior calendar year.

(c) An authorized leave of absence, or qualified military leave in accordance with section 414(u) of the Code, shall not be deemed to be a termination of employment for purposes of the Plan. A termination of employment with the Corporation or an Affiliate to accept immediate reemployment with the Corporation or an Affiliate likewise shall not be deemed to be a termination of employment for purposes of the Plan. A Participant who is classified as an intermittent employee shall be deemed to have a termination of employment for purposes of the Plan.

11. SHARES SUBJECT TO THE PLAN

The number of shares of Common Stock available with respect to all Awards granted under this Plan shall not exceed 50,000,000 in the aggregate, of which not more than 50,000,000 shall be available for option and sale, and of which not more than 18,000,000 shall be available for grant as Restricted Shares and Restricted Share Units, subject to the adjustment provision set forth in Section 13 hereof. The shares of Common Stock subject to the Plan may consist in whole or in part of authorized but unissued shares or of treasury shares, as the Board may from time to time determine. Shares subject to Options which become ineligible for purchase, Restricted Share Units which are retired through forfeiture or maturity, other than those Restricted Share Units which are retired through the payment of Common Stock, and Restricted Shares which are forfeited during the Restricted Period due to any applicable Transferability Restrictions will be available for Awards under the Plan to the extent permitted by section 16 of the Exchange Act (or the rules and regulations promulgated thereunder) and to the extent determined to be appropriate by the Committee.

12. INDIVIDUAL LIMITS

The maximum number of shares of Common Stock covered by Awards which may be granted to any Participant within any two consecutive calendar year period shall not exceed 1,500,000 in the aggregate. If an Option which had been granted to a Participant is canceled, the shares of Common Stock which had been subject to such canceled Option shall continue to be counted against the maximum number of shares for which Options may be granted to the Participant. In the event that the number of Options which may be granted is adjusted as provided in the Plan, the above limits shall automatically be adjusted in the same ratio which reflects the adjustment to the number of Options available under the Plan.

13. CHANGES IN CAPITALIZATION

In the event there are any changes in the Common Stock or the capitalization of the Corporation through a corporate transaction, such as any merger, any acquisition through the issuance of capital stock of the Corporation, any consolidation, any separation of the Corporation (including a spin-off or other distribution of stock of the Corporation), any reorganization of the Corporation (whether or not such reorganization comes within the definition of such term in section 368 of the Code), or any partial or complete liquidation by the Corporation, recapitalization, stock dividend, stock split or other change in the corporate structure, appropriate adjustments and changes shall be made by the Committee, to the extent necessary to preserve the benefit to the Participant contemplated hereby, to reflect such changes in (a) the aggregate number of shares subject to the Plan, (b) the maximum number of shares subject to the Plan, (c) the maximum number of shares for which Awards may be granted to any Participant, (d) the number of shares and the Option Price per share of all shares of Common Stock subject to outstanding Options, (e) the maximum number of shares of Common Stock covered by Awards which may be granted by the Chief Executive Officer within any calendar year period, (f) the maximum number of shares of Common Stock available for option and sale and available for grant as Restricted Shares and Restricted Share Units, (g) the number of Restricted Shares and Restricted Share Units awarded to Participants, and (h) such other provisions of the Plan as may be necessary and equitable to carry out the foregoing purposes, provided, however that no such adjustment or change may be made to the extent that such adjustment or change will result in the disallowance of a deduction to the Corporation under section 162(m) of the Code or any successor section.

14. EFFECT ON OTHER PLANS

All payments and benefits under the Plan shall constitute special compensation and shall not affect the level of benefits provided to or received by any Participant (or the Participant's estate or beneficiaries) as part of any employee benefit plan of the Corporation or an Affiliate. The Plan shall not be construed to affect in any way a Participant's rights and obligations under any other plan maintained by the Corporation or an Affiliate on behalf of employees.

15. TERM OF THE PLAN

The term of the Plan shall be ten years, beginning April 26, 2001, and ending April 25, 2011, unless the Plan is terminated prior thereto by the Committee. No Award may be granted or awarded after the termination date of the Plan, but Awards theretofore granted or awarded shall continue in force beyond that date pursuant to their terms.

16. GENERAL PROVISIONS

(a) Designated Beneficiary. Each Participant who shall be granted Restricted Shares and/or Restricted Share Units under the Plan may designate a beneficiary or beneficiaries with the Committee; provided that no such designation shall be effective unless so filed prior to the death of such Participant.

(b) No Right of Continued Employment. Neither the establishment of the Plan nor the payment of any benefits hereunder nor any action of the Corporation, its Affiliates, the Board of Directors of the Corporation or its Affiliates, or the Committee shall be held or construed to confer upon any person any legal right to be continued in the employ of the Corporation or its Affiliates, and the Corporation and its Affiliates expressly reserve the right to discharge any Participant without liability to the Corporation, its Affiliates, the Board of Directors of the Corporation or its Affiliates or the Committee, except as to any rights which may be expressly conferred upon a Participant under the Plan.

(c) Binding Effect. Any decision made or action taken by the Corporation, the Board or by the Committee arising out of or in connection with the construction, administration, interpretation and effect of the Plan shall be conclusive and binding upon all persons. Notwithstanding anything in section 3 to the contrary, the Committee may determine in its sole discretion whether a termination of employment for purposes of this Plan is caused by disability, retirement or for other reasons.

(d) Modification of Awards. The Committee may in its sole and absolute discretion, by written notice to a Participant, (i) limit the period in which an Option may be exercised to a period ending at least three months following the date of such notice, (ii) limit or eliminate the number of shares subject to Option after a period ending at least three months following the date of such notice, and/or (iii) accelerate the Restricted Period with respect to the Restricted Share and Restricted Share Unit Awards granted under this Plan. Notwithstanding anything in this subsection 16(d) to the contrary, the Committee may not take any action to the extent that such action would result in the disallowance of a deduction to the Corporation under section 162(m) of the Code or any successor section.

(e) Nonresident Aliens. In the case of any Award granted to a Participant who is not a resident of the United States or who is employed by an Affiliate other than an Affiliate that is incorporated, or whose place of business is, in a State of the United States, the Committee may (i) waive or alter the terms and conditions of any Awards to the extent that such action is necessary to conform such Award to applicable foreign law, (ii) determine which Participants, countries and Affiliates are eligible to participate in the Plan, (iii) modify the terms and conditions of any Awards granted to Participants who are employed outside the United States, (iv) establish subplans, each of which shall be attached as an appendix hereto, modify Option exercise procedures and other terms and procedures to the extent such actions may be necessary or advisable, and (v) take any action, either before or after the Award is made, which is deemed advisable to obtain approval of such Award by an appropriate governmental entity; provided, however, that no action may be taken hereunder if such action would (i) materially increase any benefits accruing to any Participants under the Plan, (ii) increase the number of securities which may be issued under the Plan, (iii) modify the requirements for eligibility to participate in the Plan, (iv) result in a failure to comply with applicable provisions of the Securities Act of 1933, the Exchange Act or the Code or (v) result in the disallowance of a deduction to the Corporation under section 162(m) of the Code or any successor section.

(f) No Segregation of Cash or Stock. The Restricted Share Unit accounts established for Participants are merely a bookkeeping convenience and neither the Corporation nor its Affiliates shall be required to segregate any cash or stock which may at any time be represented by Awards. Nor shall anything provided herein be construed as providing for such segregation. Neither the Corporation, its Affiliates, the Board nor the Committee shall, by any provisions of the Plan, be deemed to be a trustee of any property, and the liability of the Corporation or its Affiliates to any Participant pursuant to the Plan shall be those of a debtor pursuant to such contract obligations as are created by the Plan, and no such obligation of the Corporation or its Affiliates shall be deemed to be secured by any pledge or other encumbrance on any property of the Corporation or its Affiliates.

(g) Inalienability of Benefits and Interest. Except as otherwise provided in this Plan, no benefit payable under or interest in the Plan shall be subject in any manner to anticipation, alienation, sale, transfer, assignment, pledge, encumbrance or charge, and any such attempted action shall be void and no such benefit or interest shall be in any manner liable for or subject to debts, contracts, liabilities, engagements, or torts of any Participant or beneficiary.

(h) Delaware Law to Govern. All questions pertaining to the construction, interpretation, regulation, validity and effect of the provisions of the Plan shall be determined in accordance with the laws of the State of Delaware.

(i) Purchase of Common Stock. The Corporation and its Affiliates may purchase from time to time shares of Common Stock in such amounts as they may determine for purposes of the Plan. The Corporation and its Affiliates shall have no obligation to retain, and shall have the unlimited right to sell or otherwise deal with for their own account, any shares of Common Stock purchased pursuant to this paragraph.

(j) Use of Proceeds. The proceeds received by the Corporation from the sale of Common Stock pursuant to the exercise of Options shall be used for general corporate purposes.

(k) Deferral of Award Payment. The Committee may establish one or more programs under the Plan to permit selected Participants the opportunity to elect to defer receipt of consideration upon exercise of an Award or other event that absent the election would entitle the Participant to payment or receipt of Common Stock or other consideration under an Award. The Committee may establish the election procedures, the timing of such elections, the mechanisms for payments of, and accrual of interest or other earnings, if any, on amounts so deferred, and such other terms, conditions, rules and procedures that the Committee deems advisable for the administration of any such deferral program.

(l) Withholding. The Committee shall require the withholding of all taxes as required by law. In the case of payments of Awards in shares of Common Stock or other securities, withholding shall be as required by law and in the Committee Rules. A Participant may elect to have any portion of the federal, state or local income tax withholding required with respect to an exercise of a Nonqualified Stock Option satisfied by tendering to the Corporation shares of Common Stock, which, in the absence of such an election, would have been issued to such Participant in connection with such exercise. In the event that the value of the shares of Common Stock tendered to satisfy the withholding tax required with respect to an exercise exceeds the amount of such tax, the excess of such market value over the amount of such tax

shall be returned to the Participant, to the extent possible, in whole shares of Common Stock, and the remainder in cash. The value of a share of Common Stock tendered pursuant to this subsection shall be the Fair Market Value of the Common Stock on the date on which such shares are tendered to the Corporation. An election pursuant to this subsection shall be made in writing and signed by the Participant. An election pursuant to this subsection is irrevocable. A Participant who exercises an Option may satisfy the income tax withholding due in respect of such exercise pursuant to this subsection only to meet required tax withholding and shares of Common Stock cannot be withheld in excess of the minimum number required for tax withholding. Notwithstanding any other provision of the Plan, the number of shares of Common Stock or the amount of cash to be delivered may, in the discretion of the Corporation, be net of the number of shares of Common Stock or the amount of cash required to be withheld to meet all applicable tax withholding requirements.

(m) Amendments. The Committee may at any time amend, suspend, or discontinue the Plan or alter or amend any or all Awards and Award Agreements under the Plan to the extent (1) permitted by law, (2) permitted by the rules of any stock exchange on which the Common Stock or any other security of the Corporation is listed, (3) permitted under applicable provisions of the Securities Act of 1933, as amended, the Exchange Act (including rule 16b-3 thereof) and (4) that such action would not result in the disallowance of a deduction to the Corporation under section 162(m) of the Code or any successor section (including the rules and regulations promulgated thereunder); and (5) that no Option may be re-priced, replaced, re-granted though cancellation, or modified without shareholder approval (except in connection with a change in the Common Stock or the capitalization of the Corporation as provided in Section 13 hereof) if the effect would be to reduce the exercise price for the shares underlying such Option; provided, however, that if any of the foregoing requires the approval by stockholders of any such amendment, suspension or discontinuance, then the Committee may take such action subject to the approval of the stockholders. Except as provided in subsections 16(d) and 16(e) no such amendment, suspension, or termination of the Plan shall, without the consent of the Participant, adversely alter or change any of the rights or obligations under any Awards or other rights previously granted the Participant.
