Dear Mr. Pizza:

We have reviewed your filing and have the following comments. We have limited our review to only your financial statements and related disclosures and do not intend to expand our review to other portions of your documents. If you disagree with a comment, we will consider your explanation as to why our comment is inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure. After reviewing this information, we may raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. Item 3. Legal Proceedings

1. We note your disclosure on page 18 appears to indicate that a subsidiary of Amrep Corporation received a favorable judgment on a counterclaim during April 2006 in the amount of approximately \$4 million, plus interest. Please tell us how you have evaluated the guidance in paragraph 17 of SFAS 5 in determining to not include similar disclosure of this possible gain contingency within the notes to your financial statements.

Financial Statements

(2) Acquisitions

2. Please provide to us management's basis for concluding that the best estimate of the useful life of customer contracts and relationships acquired from Palm Coast Data Holdco, Inc is 12 years. Additionally, please tell us what factors you considered in evaluating the method of amortization and the pattern in which the economic benefits of customer contracts and relationships would be consumed or otherwise used up. Reference is made to paragraph 12 of SFAS 142.

Exhibits 31.2 and 31.3

3. As certifications required under Exchange Act Rules 13a-14(a) and 15d-14(a) must be in the exact form set forth in Item 601(b)(31) of Regulation S-K, please include the certifying individual's title at the end of the certification (below their name).

As appropriate, please respond to these comments within 10 business days or tell us when you will provide us with a response. Please submit a response letter on EDGAR that keys your responses to our comments and provides any requested information. Detailed cover letters greatly facilitate our review. Please understand that we may have additional comments after reviewing your responses to our comments.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes all information required under the Securities Exchange Act of 1934 and that they have provided all information investors require for an informed decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.
