Dear Mr. Farr:

We have limited our review of your filing to disclosure relating to your contacts with countries that have been identified as a state sponsor of terrorism, and we have the following comment. Our review with respect to this issue does not preclude further review by the Assistant Director group with respect to other issues. At this juncture, we are asking you to provide us with supplemental information, so that we may better understand your disclosure. Please be as detailed as necessary in your response. After reviewing this information, we may raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filings. We look forward to working with you in these respects. We welcome any questions you may have about our comment or on any other aspect of our review. We note that your Form 10-K does not include disclosure regarding any contacts with these countries. If applicable, please describe to us the nature and extent of your past, current, and anticipated contact with Cuba, Syria, Iran, and Sudan, if any, whether through direct or indirect arrangements. Your response should describe in reasonable detail any products you have provided into the referred countries, and any agreements, commercial arrangements, or other contacts you have had with the governments of
