Only holders of record of the 5,976,542 shares of Common Stock (the “**Common Stock**”) and the 668,119 shares of Class A \$.05 Non-Cumulative Participating Convertible Preferred Stock (the “**Preferred Stock**,” and together with the Common Stock, the “**Capital Stock**”) of the Company outstanding as of the Record Date are entitled to vote at the Annual Meeting. Each share of Common Stock is entitled to one vote and each share of Preferred Stock is entitled to ten votes on matters on which they may vote. At the Annual Meeting, the holders of Common Stock, voting separately as a class, are entitled to elect three members of the Company’s Board of Directors (sometimes referred to herein as the “**Board**”), and the holders of Common Stock and Preferred Stock, voting together as a single class, are entitled to elect one member of the Board.

We cordially invite you to attend the Annual Meeting. Whether or not you plan to attend, please complete, date, sign and promptly return the enclosed proxy card in the envelope included herewith. The persons authorized to act as proxies at the Annual Meeting, individually or jointly, as listed on the proxy card, are Bernard L. Birkel, M. Emily Madison and J. Kent Friedman. You may revoke your proxy at any time prior to its exercise at the Annual Meeting by notice to the Company’s Secretary, by filing a later-dated proxy, or by voting your shares in person at the Annual Meeting. Proxies will be voted in accordance with the directions specified thereon or, in the absence of instructions, “FOR” the election of the nominees to the Board named in this Proxy Statement.

All stockholders as of the Record Date, or their duly appointed proxies, may attend the meeting. Seating, however, is limited. Admission to the meeting will be on a first-come, first-served basis. Registration is expected to begin at approximately 8:00 a.m. Cameras, recording equipment, communication devices or other similar equipment will not be permitted in the meeting room without the prior written consent of the Company. In addition, posters, placards or other signs or materials may not be displayed inside the meeting facility. The meeting will be conducted in accordance with certain rules and procedures established by the Company, which will be available or announced at the Annual Meeting.

In order to expedite your admission to the Annual Meeting, we suggest that you pre-register by completing the Pre-Registration Form set forth on the back cover page of this Proxy Statement and sending it by facsimile to (888) 488-3808 before 5:00 p.m., Houston time, on May 20, 2005. Persons who pre-register will be required to verify their identity at the registration table with a driver’s license or other appropriate identification bearing a photograph. The Company may in its discretion admit appropriately credentialed members of the media.

PLEASE NOTE THAT IF YOU HOLD YOUR SHARES IN “STREET NAME” (THAT IS, THROUGH A BROKER, BANK OR OTHER NOMINEE), YOU WILL NEED TO BRING A COPY OF A BROKERAGE OR SIMILAR STATEMENT REFLECTING YOUR STOCK OWNERSHIP AS OF THE RECORD DATE. ALL STOCKHOLDERS, OR THEIR DULY APPOINTED PROXIES, WILL BE REQUIRED TO CHECK IN AT THE REGISTRATION DESK PRIOR TO THE ANNUAL MEETING. ALL STOCKHOLDERS, REGARDLESS OF THEIR FORM OF OWNERSHIP, AND ALL PROXIES WILL ALSO BE REQUIRED TO VERIFY THEIR IDENTITY WITH A DRIVER’S LICENSE OR OTHER APPROPRIATE IDENTIFICATION BEARING A PHOTOGRAPH.

All communications concerning accounts of stockholders of record, including address changes, name changes, inquiries as to requirements to transfer shares of stock and similar issues, may be handled by contacting them at (800) 937-5449 or via the Internet at www.amstock.com.

The presence, in person or by proxy, of the holders of shares of Capital Stock entitled to cast a majority of the votes entitled to be cast at the Annual Meeting is required to constitute a quorum for the transaction of business at the Annual Meeting. Under applicable Delaware law, abstentions, broker non-votes (i.e., shares held in street name as to which the broker, bank or other nominee has no discretionary power to vote on a particular matter and has received no instructions from the persons entitled to vote such shares) and withhold authority designations are counted for purposes of determining the presence or absence of a quorum for the transaction of business. Directors are elected by a plurality of votes. Votes for directors may be cast in favor or withheld; votes that are withheld or broker non-votes will be excluded entirely from the vote and will have no effect on the outcome. Abstentions may not be specified in the election of directors. A stockholder may, with respect to each other matter specified in the notice of the meeting, (i) vote “FOR,” (ii) vote “AGAINST” or (iii) “ABSTAIN” from voting. See the description of specific proposals for the vote required to adopt each such proposal. Shares represented by proxies that are marked “abstain” on such matters and proxies relating to broker non-votes will not be treated as shares voting and therefore will not affect the outcome of the vote on such matters.

PLEASE COMPLETE, DATE AND SIGN THE ENCLOSED PROXY CARD. RETURN IT PROMPTLY IN THE ENVELOPE PROVIDED. IF YOUR SHARES ARE REGISTERED IN THE NAME OF A BROKER, BANK OR OTHER NOMINEE, PLEASE CONTACT THE PERSON RESPONSIBLE FOR YOUR ACCOUNT AND INSTRUCT HIM OR HER TO VOTE THE PROXY CARD AS SOON AS POSSIBLE. ELECTION OF DIRECTORS

The Company's Restated Certificate of Incorporation provides for three classes of directors (excluding the directors elected by the holders of Common Stock, as discussed below) having staggered terms of office, with directors of each class to be elected by the holders of the Company's Common Stock and Preferred Stock, voting together as a single class, for terms of three years and until their respective successors have been duly elected and qualified ("**General Directors**"). The Company's Restated Certificate of Incorporation also provides that so long as any shares of the Preferred Stock are outstanding, the holders of Common Stock, voting as a class separately from the holders of any other class or series of stock, are entitled to elect the greater of (i) two directors, or (ii) that number of directors which constitutes 25% of the total number of directors (rounded up to the nearest whole number) to be in office subsequent to such annual meeting ("**Common Directors**"). The Board has designated three out of its seven directors as Common Director nominees. Common Directors serve one-year terms.

Four directors will be elected at the Annual Meeting. The Company's three nominees for Common Director are Robert J. Cruikshank, Stanley D. Rosenberg and Michael J. Rosenthal (to hold office until the 2006 annual meeting). Charles E. Hurwitz has been nominated by the Company to stand for election as a General Director (to hold office until the 2008 annual meeting). Each nominee is currently a member of, and has extensive experience on, the Board and in other board and business positions. See "Executive Officers and Directors" and "Principal Stockholders" for information concerning each of the nominees and other directors, including the dates on which they first became directors, their business experience during the past five years and the number of shares of the Company's Common Stock and Preferred Stock beneficially owned by each of them as of the Record Date. Each of these nominees has consented to serve as a member of the Board if elected.

The persons named on the enclosed proxy card will vote the shares of Common Stock and Preferred Stock represented thereby for the election of these nominees, except where authority has been withheld as to a particular nominee or as to all such nominees. Should any of these nominees decline or be unable to serve as a director of the Company, which is not anticipated, the persons named on the enclosed proxy card will vote for the election of such other person, if any, as the Board may recommend.

The Board of Directors recommends a vote "FOR" the election of Messrs. Cruikshank, Rosenberg and Rosenthal as Common Directors and Mr. Hurwitz as a General Director of the Company.

THE BOARD OF DIRECTORS AND ITS COMMITTEES

The Board held four meetings and acted by written consent on four occasions during 2004. In addition, management confers frequently with directors on an informal basis to discuss Company affairs. During 2004, no director attended fewer than 75% of the aggregate number of meetings of the Board and the committees of the Board on which he served. The Company encourages all of its directors to attend the Annual Meeting and to facilitate this, schedules a Board meeting in conjunction with the Annual Meeting. All of the directors attended the annual meeting last year.

The Board has the following standing committees: Executive, Audit, Conflicts and Compliance, Compensation Policy, and Section 162(m) Compensation. The Board does not have a standing nominating committee nor does it have any committee performing a similar function. See "—Nomination Process" for further information.

The Executive Committee meets on call and has authority to act on most matters during the intervals between meetings of the entire Board. Its current members are Messrs. Hurwitz (Chairman), Levin and Schwartz. The Executive Committee did not meet or act by written consent during 2004.

The Audit Committee serves as an independent and objective party to oversee the integrity of the Company's accounting and financial reporting processes and internal control system, including the Company's system of internal controls regarding finance and accounting that management and the Board have established. Consistent with such function, the Audit Committee encourages continuous improvement of, and fosters adherence to, the Company's policies, procedures and practices at all levels. The Company's independent accountants are directly responsible to the Audit Committee, which selects, sets compensation for, and evaluates the performance and independence of the Company's independent accountants. The Audit Committee also fosters an open avenue of communication among senior

management, the independent accountants and the Board. The Audit Committee has adopted a written charter. Messrs. Rosenthal (Chairman), Cruikshank and Rosenberg currently serve as members of this committee. The Audit Committee met on six occasions during 2004 and acted by written consent on three occasions. The Company has determined that each member of the Audit Committee is “independent” within the meaning of the current requirements of the American Stock Exchange (“AMEX”). Mr. Levin served on the Audit Committee during a portion of 2004, but ceased serving in May 2004 in connection with implementation of revised AMEX independence standards. In addition, the Board has determined that Mr. Cruikshank is an “audit committee financial expert” within the meaning of Regulation S-K, Item 401(h). See also “Report of the Audit Committee” below.

The Conflicts and Compliance Committee (the “**Conflicts Committee**”) (i) ensures that appropriate policies with regard to employee conduct pursuant to legal and ethical business standards are formulated, maintained, periodically reviewed and properly implemented and enforced, (ii) reviews possible conflicts of interest, and (iii) establishes, maintains, governs and enforces policies regarding sensitive payments, insider trading with regard to the Company’s equity securities and similar policies. Messrs. Rosenberg (Chairman), Cruikshank, Friedman, Levin and Rosenthal served as members of the Conflicts Committee during 2004, which met on two occasions during 2004 and did not act by written consent. See also “Code of Conduct.”

The Compensation Policy Committee (the “**Policy Committee**”) reviews and approves proposals concerning (i) the establishment or change of benefit plans, or material amendments to existing benefit plans, and (ii) salaries or other compensation, including payments awarded pursuant to bonus and benefit plans maintained by the Company and its subsidiaries (excluding Kaiser Aluminum Corporation (“**Kaiser**”) and Kaiser Aluminum & Chemical Corporation (“**KACC**”)), to all executive officers and other employees of the Company and its non-Kaiser subsidiaries. However, the Policy Committee is not responsible for the administration of, amendments to or awards under the MAXXAM 1994 Executive Bonus Plan, as amended and restated in 2003 (the “**Executive Plan**”), the MAXXAM 2002 Omnibus Employee Incentive Plan (the “**2002 Omnibus Plan**”), the MAXXAM 1994 Non-Employee Director Stock Plan, as amended and restated in 2004 (the “**Director Plan**”), or administration of the MAXXAM 1994 Omnibus Employee Incentive Plan (the “**1994 Omnibus Plan**”). Messrs. Levin (Chairman), Cruikshank, Rosenberg and Rosenthal served as members of this committee during 2004. The Policy Committee met on four occasions during 2004 and acted by written consent on two occasions.

The Board is responsible for administering the Director Plan. The Section 162(m) Compensation Committee (the “**162(m) Committee**”) has the authority to administer and make amendments to the Executive Plan and the 2002 Omnibus Plan, and to administer the 1994 Omnibus Plan and such other plans or programs, if any, as are intended to comply with the provisions of Section 162(m) of the Internal Revenue Code (the “**Code**”). The Section 162(m) Committee also establishes criteria to be used in determining awards to be made pursuant to the Executive Plan, while retaining the right to reduce any such awards through its power of negative discretion, and approves awards made pursuant to the 2002 Omnibus Plan. Messrs. Cruikshank (Chairman), Rosenberg and Rosenthal served as members of this committee. During 2004, this committee held six meetings and did not act by written consent.

Director Compensation

Non-employee directors of the Company (Messrs. Cruikshank, Levin, Rosenberg and Rosenthal) each received a fee of \$36,000 for the 2004 calendar year. Non-employee directors were also entitled to receive an annual fee of \$1,500 for each Board committee they chaired and \$1,000 for each Board committee on which they served as a member. Further, non-employee directors received \$1,500 per day for each meeting attended in person and not held in conjunction with a regularly scheduled Board meeting, and \$1,500 for each formal telephonic meeting not held in conjunction with a regularly scheduled Board meeting. Messrs. Cruikshank, Levin, Rosenberg and Rosenthal received an aggregate of \$53,500, \$47,500, \$51,000 and \$53,500, respectively, in payment of such director and committee chairman/member fees during 2004. Directors were reimbursed for travel and other disbursements relating to Board and committee meetings. Employee directors of the Company do not receive fees for their Board service. Directors of the Company who also served as directors of Kaiser and KACC, received from Kaiser and KACC additional director or committee fees and were reimbursed by Kaiser and KACC for expenses pertaining to their services in such capacities. Messrs. Cruikshank, Hurwitz and Levin received \$69,500, \$65,000, and \$78,500, respectively, in such director and committee fees from Kaiser and KACC with respect to their services in 2004 (see the “Summary Compensation Table” regarding such fees which were deducted from Mr. Hurwitz’s 2004 bonus). Mr. Levin also received additional fees in the amount of \$3,000 for serving during 2004 as a director of The Pacific Lumber Company, a wholly owned subsidiary of the Company engaged

in forest products operations (“**Pacific Lumber**”), and \$15,000 for serving as a manager of Palco’s wholly owned subsidiary, Scotia Pacific Company LLC (“**Scotia LLC**”).

All non-employee directors are eligible to participate in a deferred compensation program. By executing a deferred fee agreement, a non-employee director may defer all or part, in 25% increments, of the director’s fees owed by the Company for his service in such capacity for any calendar year. The designated percentage of deferred fees are credited to a book account as of the date such fees would have been paid to the director and are deemed “invested” in two investment choices, again in 25% increments, of phantom shares of the Company’s Common Stock and/or in an account bearing interest calculated using one-twelfth of the sum of the prime rate on the first day of each month plus 2%. Deferred director’s fees, including all earnings credited to the book account, will be paid in cash to the director or beneficiary as soon as practicable following the date the director ceases for any reason to be a member of the Board, either in a lump sum or in a specified number of annual installments not to exceed ten, at the director’s election. Mr. Levin is the only director who has elected to defer any of his director’s fees, with all of such fees having been deferred from September 1994 through December 2003 and one-half of such fees being deferred commencing in January 2004.

Non-employee directors are also eligible to participate in the Director Plan. Messrs. Cruikshank, Levin, Rosenberg and Rosenthal each received options to purchase 600 shares of the Company’s Common Stock on May 20, 2004, at an exercise price of \$24.90 per share.

Policy Committee Interlocks and Insider Participation

During the 2004 fiscal year, no member of the Policy Committee or the 162(m) Committee was an officer or employee of the Company or any of its subsidiaries, or was formerly an officer of the Company or any of its subsidiaries; however, the law firm of Kramer Levin Naftalis & Frankel LLP, of which Mr. Levin is a member, provided legal services for the Company and its subsidiaries during 2004 (the revenues from such services accounting for less than 1% of such firm’s revenues in 2004).

During the Company’s 2004 fiscal year, no executive officer of the Company served as (i) a member of the compensation committee (or other board committee performing equivalent functions) of another entity, one of whose executive officers served on the Policy Committee or the 162(m) Committee, (ii) a director of another entity, one of whose executive officers served on the Policy Committee or the 162(m) Committee, or (iii) a member of the compensation committee (or other board committee performing equivalent functions) of another entity, one of whose executive officers served as a director of the Company.

Nomination Process

The Company is a “controlled company” as such term is defined in the rules of the AMEX (due to the ownership of Mr. Hurwitz) and does not have a standing nominating committee as it believes this is unnecessary. The Company’s Board of Directors is not particularly large and believes it is sufficient to rely on the expertise of the Board as a whole in choosing its director candidates. The Company’s directors are familiar with each other as they have served on the Board for several years. Each of the directors is also highly experienced and knowledgeable in board and business affairs. The nominees named in this proxy statement were unanimously recommended by the full Board for submission to the stockholders as the Company’s nominees. Should the Company or the Board determine in the future that additional or other Board nominees are advisable, it is likely that a variety of sources would be consulted for possible candidates, including the directors of the Company, various advisors to the Company, and possibly one or more director search firms. Appropriate consideration also would be given to nominees for director suggested by stockholders of the Company. The process by which a stockholder of the Company may suggest a nominee for director of the Company can be found under “Stockholder Proposals for the 2006 Annual Meeting.”

Code of Conduct

All of the Company’s employees, officers (including senior executive, financial and accounting officers) and directors are held accountable for adherence to the Company’s Code of Business Conduct and related compliance manuals (collectively, the “**Code of Conduct**”). The Code of Conduct is intended to promote compliance with applicable governmental laws and regulations and help assure adherence to the highest ethical standards of conduct and that persons subject to the Code of Conduct act as responsible citizens. The Code of Conduct covers a variety of areas, including

conflicts of interest, financial reporting and disclosure and internal controls, protection of Company assets and confidentiality, antitrust requirements, political participation, protection of the environment, insider trading, and discrimination and harassment. Employees have an obligation to promptly report any known or suspected violation of the Code of Conduct and retaliation is prohibited.

Copies of the Code of Conduct may be obtained by any stockholder upon request without charge by writing to MAXXAM Inc., c/o Corporate Secretary, 1330 Post Oak Boulevard, Suite 2000, Houston, Texas 77056.

⁽²⁾ The column (d) amount excludes a payment of \$389,523 made in 2004 with respect to a bonus awarded in 2003. The Section 162(m) Committee awarded a bonus of \$150,000 with respect to 2004, but the amount actually paid was reduced by \$65,000, the amount of fees Mr. Hurwitz earned in 2004 as a director of Kaiser and KACC. The restrictions were scheduled to lapse on one-third of the shares issued pursuant to the Kaiser Exchange Offer and for such shares to vest on each of March 5, 2002, 2003 and 2004, subject to the grantee being an employee of Kaiser or KACC (or an affiliate or subsidiary of either) on the applicable vesting date (with any dividends payable on the shares prior to the lapse of the restrictions to be payable to the grantee). Mr. Hurwitz elected to cancel the portion of his restricted shares that would have vested on March 5, 2002. Messrs. Hurwitz and Friedman both elected to cancel the portions of their restricted shares that would have vested on March 5, 2003 and March 5, 2004. As of December 31, 2004, Messrs. - (5) The column (d) excludes a payment of \$435,233 made in 2003 with respect to a bonus awarded in 2002. The Section 162(m) Committee awarded a bonus of \$454,523 with respect to 2003, but the amount actually paid was reduced by \$65,000, the amount of fees Mr. Hurwitz earned in 2003 as a director of Kaiser and KACC. Column (e) reflects the Kaiser and KACC directors' fees.
- (6) Reflects bonus awarded in 2002, although such bonus was paid in 2003.

Option/SAR Grants Table

The following table sets forth certain information concerning stock options or SARs granted in fiscal year 2004 to any of the named executive officers:

(a)	Individual Grants				Grant
	(b)	(c)	(d)	(e)	Date Value
Name	Number of Securities Underlying Options/SARs Granted ⁽¹⁾	% of Total Options/SARs Granted to Employees in Fiscal Year	Exercise or Base Price (\$/Share)	Expiration Date	Grant Date Present Value (\$) ⁽²⁾
Charles E. Hurwitz	57,000	51.2	33.00	12/20/14	914,183

Diane M. Dudley ⁽³⁾	-0-	-0-	-0-	-0-	-0-

(1) Represents shares of Common Stock underlying stock options with tandem SARs.

(2) The Grant Date Present Value is a hypothetical value determined by utilizing a Black-Scholes option pricing model. The following assumptions were used in the calculation: a risk-free interest rate of 4.306%, a dividend yield of 0%, an expected stock price volatility of 40.95%, and an expected life of 6.63 years for each option/SAR. No adjustments were made for non-transferability or risk of forfeiture. The actual value, if any, that a grantee realizes will depend on the excess of the stock price over the exercise price on the date the option/SAR is exercised. There can be no assurance that the value realized will be at or near the hypothetical value set forth in the table.

(3) During 2004, there were no stock options or tandem SARs granted to Ms. Dudley.

The stock options with respect to the Company's Common Stock set forth in the above table were granted under the 2002 Omnibus Plan at the closing price on the date of the grant, and vest 20% on the first anniversary date of the grant and an additional 20% on each anniversary date thereafter until fully vested.

Retirement Plans

MAXXAM Pension Plan

All officers who are also employees and other regular employees of the Company automatically participate in the Company's Pension Plan (the "**Pension Plan**"), a noncontributory, defined benefit plan. Retirement benefits equal the sum of an employee's "past service benefit" and "future service benefit." Benefits are based on (i) an employee's base salary, including overtime, but excluding bonuses, commissions and incentive compensation and (ii) an employee's age and the number of years of service with the Company.

Under the Pension Plan, the annual past service benefit is the greatest of:

- (i) benefits accrued under the plan through December 31, 1986;
- (ii) the product of (a) the sum of 0.8% of the participant's Past Service Compensation Base (as defined), plus 0.8% of the participant's Past Service Compensation Base in excess of \$15,000 and (b) the participant's credited years of service prior to January 1, 1987; or
- (iii) the product of 1.2% of the participant's Past Service Compensation Base and the participant's credited years of service prior to January 1, 1987.

For 1987 and 1988, the annual future service benefit equaled 1.6% of an employee's compensation up to two-thirds of the Social Security wage base, plus 2.4% of any remaining compensation. Effective January 1, 1989, the annual future service benefit equaled 1.75% of an employee's compensation for each year of participation, plus 0.6% of the employee's compensation in excess of \$10,000. Effective January 1, 1995, the annual future service benefit equals 2.35% of an employee's compensation for each year of participation.

The amount of an employee's aggregate plan compensation that may be included in benefit computations under the Pension Plan is limited to \$205,000 for 2004. Benefits are generally payable as a lifetime annuity or, with respect to married employees, as a 50% joint and survivor annuity, or, if the employee elects (with spousal consent), in certain alternative annuity forms. Benefits under the Pension Plan are not subject to any deductions for Social Security or other offsets. The covered compensation for 2004 and credited years of service as of December 31, 2004 for the Pension Plan and estimated annual benefits payable upon retirement at normal retirement age for the named executive officers were as follows: Mr. Hurwitz: \$205,000—24 years—\$139,126; Mr. Friedman: \$205,000—5 years—\$43,231; Mr. Schwartz: \$205,000—24 years—\$127,209; Mr. Birkel: \$195,000—14 years—\$92,772; and Ms. Dudley: \$175,000—24 years—\$66,781.

The projected benefits shown above were computed as lifetime annuity amounts, payable beginning at age 65. The benefit amounts reflect a covered compensation limit of \$210,000 for 2005 and subsequent years under Section 401(a)(17) of the Code. In addition, the amounts reflect a maximum benefit limit of \$170,000 for 2005 and subsequent years (with early retirement reductions where applicable) that is placed upon annual benefits that may be paid to a participant in the Pension Plan at retirement under Section 415 of the Code.

MAXXAM Supplemental Executive Retirement Plan

Effective March 8, 1991, the Company adopted an unfunded non-qualified Supplemental Executive Retirement Plan (the "**SERP**"). The SERP provides that eligible participants are entitled to receive benefits which would have been payable to such participants under the Pension Plan except for the limitations imposed by the Code. Participants in the SERP are selected by the Board. Three executive officers of the Company, Messrs. Hurwitz, Friedman and Schwartz, were entitled to receive benefits under the SERP during 2004.

The following projections are based on the same assumptions as utilized in connection with the Pension Plan projections above. The 2005 qualified plan pay limit (\$210,000) and benefit limit (\$170,000) are reflected for all years in the future. In addition, no future increases in the participants' covered compensation amounts from the 2004 levels are assumed.

Total	<u>\$ 321,615</u>	<u>\$ 103,851</u>	<u>\$ 258,392</u>

MAXXAM Severance Plan

Severance pay is generally granted to regular full-time employees who are involuntarily terminated, subject to certain conditions and a number of exclusions, pursuant to an unfunded plan. The plan provides for payment after such termination in an amount ranging from two weeks' salary for at least one year of service graduating to a maximum of 104 weeks' salary. The amounts payable under the plan if the named executive officers who remain at the Company had been involuntarily terminated on December 31, 2004 would have been as follows: Mr. Hurwitz—\$1,667,388; Mr. Friedman—\$95,477; Mr. Schwartz—\$1,193,368; and Mr. Birkel—\$390,000.

Deferred Compensation Program

Certain executive officers are eligible to participate in a deferred compensation program. An eligible executive officer may defer up to 30% of gross salary and up to 30% of any bonus otherwise payable to such executive officer for any calendar year. The designated percentage of deferred compensation is credited to a book account as of the date such compensation would have been paid and is deemed "invested" in an account bearing interest calculated using one-twelfth of the sum of the prime rate plus 2% on the first day of each month. Deferred compensation, including all earnings credited to the book account, will be paid in cash to the executive or beneficiary as soon as practicable following the date the executive ceases for any reason to be an employee of the Company, either in a lump sum or in a specified number of annual installments, not to exceed ten, at the executive's election. None of the Company's executive officers currently participates in this program.

Employment Contracts and Termination of Employment

Ms. Madison and the Company entered into an Executive Employment Agreement effective April 1, 2005. The agreement has a three-year term and provides that Ms. Madison shall be Vice President, Finance with a base salary of \$228,600 per year (such base salary to be reviewed in accordance with the Company's generally applicable practices). Ms. Madison is also to receive an annual bonus of not less than \$50,000 during the term of the agreement, and was granted non-qualified stock options, with tandem SARs, in respect of 5,000 shares of the Common Stock (at an exercise price of \$28.65 per share). She also received a one-time signing bonus of \$37,500, is entitled to an annual automobile allowance of \$15,000 and became eligible to participate in the Capital Accumulation Plan. Ms. Madison is entitled to participate in all general employee benefit plans and programs which are available to the Company's senior executive employees.

Ms. Madison's agreement provides that upon termination of her employment for cause or due to death, long-term disability or voluntary termination by her, she is entitled to pro rata base salary through the date of such termination and any compensation and benefits otherwise due her pursuant to the Company's employee benefit plans. In the event of termination of Ms. Madison's employment for any other reason she is entitled to (i) salary through April 1, 2008, determined at the highest rate in effect within the one-year period ending the date of termination, and (ii) bonus at the rate in effect for the last full year of employment.

On December 30, 2004, the Company and Diane M. Dudley, former Vice President and Chief Personnel Officer, entered into a one-year consulting agreement. This agreement commenced January 1, 2005 and provides that the Company may generally assign Ms. Dudley with projects involving not more than 80 hours service per month at an hourly rate of \$95.00. The Company has agreed to indemnify Ms. Dudley against her costs and losses resulting from proceedings arising by reason of the fact that Ms. Dudley during her service as consultant is alleged to have served the Company in an officer or similar such capacities.

Mr. Friedman and the Company were parties to a five-year employment agreement which expired on December 1, 2004. The agreement provided for a base salary of no less than \$450,000 per year and an annual bonus of not less than \$150,000. Under the agreement, Mr. Friedman also received a grant of non-qualified stock options with tandem SARs, with respect to 17,500 shares of the Common Stock at an exercise price of \$45.50 per share, and a grant of options to purchase 167,000 shares of Kaiser common stock at an exercise price of \$9.00 per share. The stock options granted to Mr. Friedman under the agreement relating to Kaiser common stock were exchanged by him for restricted shares of Kaiser common stock in connection with the Kaiser Exchange Offer. See Note 3 to "Summary Compensation Table". Mr. Friedman also received a \$250,000 interest-free loan, under which \$50,000 of the principal of the loan was required to be forgiven by the Company on each December 1 through 2004.

REPORT OF THE COMPENSATION COMMITTEES ON EXECUTIVE COMPENSATION

Two compensation committees administer the Company's compensation plans, the Policy Committee and the Section 162(m) Committee. The Policy Committee administers and establishes overall compensation policies except to the extent that such authority has been delegated by the Board of Directors to the Section 162(m) Committee. The Section 162(m) Committee administers and approves amendments to the Company's plans or programs which are intended to comply with the provisions of Section 162(m) of the Code. Each of the committees reports directly to the full Board of Directors and together they have furnished the following report on executive compensation for fiscal year 2004.

Executive Officer Compensation

The Policy Committee generally approves the policies and criteria under which compensation is paid or awarded to the Company's executive officers. Occasionally, the Chief Executive Officer of the Company exercises his authority to make a particular payment, award or adjustment. Among the factors the Policy Committee takes into consideration in its decisions on executive compensation are the diversified and multifaceted financial and managerial skills required to effectively manage the Company's complex structure. For instance, the Company consists of units operating in wholly separate industries and certain of the Company's executives serve or have oversight responsibility with respect to certain operating subsidiaries in these industries. In addition, the Company continues to position itself to respond when growth opportunities become available. Accordingly, the Policy Committee looks not only to the Company's annual earnings, enhanced stockholder value, and the business improvement efforts of its executive officers and business units when making executive compensation decisions but also recognizes the particular talents required to build the Company's asset base through expansion of its existing businesses, acquisitions and expansion into new business areas. The Policy Committee also recognizes and takes into account the role of the Company's executive officers in financial structuring, refinancing and reorganizations on behalf of its operating units. Additional factors considered by the Policy Committee are the public relations, regulatory and litigation-related challenges the Company's operations present for its executive officers. All of these factors present a particular challenge in determining appropriate approaches to executive compensation. The Policy Committee or Section 162(m) Committee may on occasion engage outside consultants in connection with particular compensation issues.

The primary elements of compensation for executive officers of the Company are base salaries and annual discretionary bonuses. The Policy Committee also recommends or approves bonus compensation awards from time to time under additional incentive compensation programs such as the 2002 Omnibus Plan. Certain executive officers may also become eligible to participate in the Company's Executive Plan, although to date only the Chief Executive Officer and the President, and more recently the Company's Vice Chairman and General Counsel, have met the criteria for participation. Except for Ms. Madison, none of the Company's executive officers have an employment agreement.

Base Salary

The Company's executive compensation philosophy is to pay base salaries adequate to attract and retain executives whose education, training, experience, talents and particular knowledge of the Company, its businesses and the industries in which it operates allow them to be key contributors to the administration, management and operations of the Company. Specific determinations are based primarily on individual attributes and performance and the executive officers' specific duties, responsibilities and qualifications. Base salaries are generally adjusted annually based on a variety of factors, including cost of living information and industry trends. Following a year in which executive officer salaries were frozen, in December 2003, executive officers received salary increases of approximately 3.0% or less in respect of 2004 (although one executive officer did receive a larger increase in connection with a promotion). In December 2004, executive officer salary increases ranged from less than 1% to approximately 3%.

Annual Discretionary Bonus

Company policy requires that a significant portion of an executive officer's compensation be at-risk and paid through an annual discretionary bonus. This policy enables the Policy Committee to focus on each executive officer's individual efforts and contribution to the Company during the year in the context of both the Company's performance and the particular responsibilities and projects undertaken by the executive during the year, and award bonus compensation accordingly. Specific determinations are based primarily on the level of achievement of the Company's corporate objectives, the individual's contribution to the achievement of those objectives and the assumption of additional duties or responsibilities. The Company also recognizes particular challenges faced by executives in efforts to strengthen some of its less profitable or marginal operations. The Policy Committee believes that this approach best serves both the short- and long-term interests of the Company and its stockholders by significantly compensating executive officers retrospectively for services they have performed that can be both quantitatively and qualitatively analyzed, as opposed to compensating executive officers prospectively through larger base salaries. Bonus compensation is typically awarded in December of each fiscal year and principally paid in cash. After bonus awards were significantly decreased in December 2002 (generally 20% less than the prior year), the bonuses awarded in December 2003 increased somewhat from the prior year's awards. December 2004 bonuses ranged from a decrease of 25% to an increase of approximately 14% from the 2003 amounts. These bonuses were proposed by the Chief Executive Officer or President (other than in respect of themselves), subject to review and approval by the Policy Committee.

Additional Incentive Awards

Awards under the 2002 Omnibus Plan are stock-based and any compensation which could arise from the awards would normally be tied to stock price appreciation. In 2004, four executive officers were granted non-qualified stock options, with such options having tandem stock appreciation rights, with respect to 29,400 shares of Common Stock. In addition to those grants, the Chief Executive Officer was granted non-qualified options, with such options having tandem stock appreciation rights, with respect to 57,000 shares of the Company's Common Stock.

Executive Plan

The Executive Plan, which was amended in 2003 (including obtaining stockholder approval), provides performance incentives to each participant while securing, to the extent permitted, a tax deduction by the Company for payments of additional incentive compensation. Under the Executive Plan, the executive officers who are or will be eligible to participate are the only executive officers of the Company to which the deduction limitation of Section 162(m) of the Code is likely to apply. The Section 162(m) Committee meets prior to the 90th day of each year to identify current areas, factors or transactions involving the Company's business where the Section 162(m) Committee believes it would be beneficial to provide an incentive for a participant's performance. As a result, objective performance criteria are pre-established and based on general business standards or are narrowly fact-specific to a given fiscal year or, in some instances with respect to longer term objectives, multiple fiscal years. The criteria are also tailored to the executive's specific responsibilities. The Chief Executive Officer and the Company's President were the only executive officers eligible under the Executive Plan for 2004 (with the President receiving no compensation thereunder and the Chief Executive Officer receiving the compensation described in the following section). The Company's Vice Chairman and General Counsel has become an eligible participant in respect of 2005.

Compensation of the Chief Executive Officer for the Last Completed Fiscal Year

The compensation of Charles E. Hurwitz, Chairman of the Board and Chief Executive Officer, generally consists of the same elements as for the Company's other executive officers. However, the Policy Committee recognizes the special entrepreneurial talents of Mr. Hurwitz, which have provided unique benefits to the Company from time to time. Accordingly, the Policy Committee has occasionally awarded extraordinary compensation to Mr. Hurwitz in recognition

of his role in providing such benefits and as an incentive to pursue future opportunities. In December 2004, the Policy Committee approved a base salary increase of less than 1% for Mr. Hurwitz, and a discretionary bonus of \$150,000 (although such amount was reduced by \$65,000, the amount of fees Mr. Hurwitz earned in 2004 as a director of Kaiser and KACC). Such decisions, and the negative discretion exercised by the Section 162(m) Committee (as described below), were not based upon any specific criteria, but rather the evaluation of the Policy Committee and the Section 162(m) Committee as to the overall performance of the Company's business and its various segments.

As described above, Mr. Hurwitz participates in the Executive Plan. The performance criteria established for 2004 by the Section 162(m) Committee for Mr. Hurwitz under the Executive Plan were based upon (i) improved consolidated financial results, (ii) certain subsidiaries committing to specified new business ventures, (iii) extraordinary transactions by certain subsidiaries, (iv) improvement in earnings per share and (v) the achievement by the Company's operating segments of their 2004 business plans. Based on these performance criteria, Mr. Hurwitz was entitled to receive at least \$208,423 under the Executive Plan in respect of 2004 (as a result of the real estate business segment fulfilling its business plan); however, the Section 162(m) Committee exercised its negative discretion and did not award any of such amount. The 2005 performance criteria established for Mr. Hurwitz by the 162(m) Committee are generally similar to his 2004 criteria.

Compliance with Internal Revenue Code Section 162(m)

Section 162(m) of the Code generally disallows a tax deduction to public companies for compensation over \$1 million paid to the chief executive officer and the four other most highly compensated executive officers of such companies. Qualifying performance-based compensation is not subject to the deduction limit if certain requirements are met. The Executive Plan and the 2002 Omnibus Plan, each of which has been approved by the stockholders of the Company, are performance-based and designed to enable compliance with Section 162(m) of the Code and the regulations thereunder. For purposes of Section 162(m) of the Code, the Section 162(m) Committee is composed of "outside directors" as such term is defined or interpreted for purposes of Section 162(m) of the Code.

REPORT OF THE AUDIT COMMITTEE

The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this Report by reference therein.

April 28, 2005

To the Board of Directors of MAXXAM Inc.:

In discharging its oversight responsibility as to the audit process, the Audit Committee obtained from Deloitte & Touche LLP, the Company's independent auditors, a formal written statement describing all relationships between the auditors and the Company that might bear on the auditors' independence consistent with Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," as amended; discussed with the auditors any relationships that may impact their objectivity and independence; and satisfied itself as to the auditors' independence. The Audit Committee also discussed with management and the independent auditors the quality and adequacy of the Company's internal controls. The Audit Committee reviewed with the independent auditors their audit plans, audit scope and identification of audit risks.

The Audit Committee discussed and reviewed with Deloitte & Touche LLP all communications required by Rule 2-07 of SEC Regulation S-X and, with and without management present, discussed and reviewed the results of the independent auditors' examination of the financial statements.

The Audit Committee reviewed with management and the independent auditors the quarterly reports on Form 10-Q of the Company for each of the three quarters in the nine-month period ended September 30, 2004 and the annual report on Form 10-K for the year ended December 31, 2004. Management has the responsibility for the preparation of the Company's financial statements, and the independent auditors have the responsibility for the examination of those statements. The Audit Committee discussed with Messrs. Hurwitz and Schwartz, the Company's Chief Executive and Chief Financial Officers, their certifications of such reports.

Based on the above-mentioned reviews and discussions with management and the independent auditors, the Audit Committee recommended to the Board that the Company's audited financial statements be included in its Annual Report on Form 10-K for the year ended December 31, 2004, which was filed with the Securities and Exchange Commission on March 16, 2005.

PERFORMANCE GRAPH

The following performance graph compares the cumulative total stockholder return on the Company’s Common Stock with the cumulative total returns of the S&P 500 Stock Index and a peer group consisting of companies included by S&P in its published indices for the Forest Products Industry for the Company’s last five fiscal years. The graph assumes that the value of the investment in the Company’s Common Stock and each index was \$100 at December 31, 1999, and that all dividends were reinvested. The data points are calculated as of the last trading day for the year indicated.

In addition to its forest products operations, the Company is involved in the real estate and racing industries. However, the real estate and racing units of the Company accounted for less than 30% and 15%, respectively, of the Company’s 2004 consolidated revenues. Accordingly, a line-of-business index for each such industry is therefore not utilized.

CERTAIN TRANSACTIONS

Litigation Matters

USAT Matters

In 1995, the United States Department of Treasury’s Office of Thrift Supervision (“OTS”) initiated a formal administrative proceeding (the “*OTS action*”) against the Company and others alleging, among other things, misconduct by the Company, Mr. Hurwitz and a company controlled by Mr. Hurwitz (collectively, the “**Respondents**”) and others with respect to the failure of United Savings Association of Texas (“**USAT**”). The OTS sought damages ranging from \$326.6 million to \$821.3 million under various theories. Following 110 days of proceedings before an administrative law judge during 1997-1999, and over two years of post-trial briefing, on September 12, 2001, the administrative law judge issued a recommended decision in favor of the Respondents on each claim made by the OTS. On October 17, 2002, the *OTS action* was settled for \$0.2 million and with no admission of wrongdoing on the part of the Respondents.

As a result of the dismissal of the *OTS Action*, a related civil action, alleging damages in excess of \$250 million, was subsequently dismissed. This action, *Federal Deposit Insurance Corporation, as manager of the FSLIC Resolution Fund v. Charles E. Hurwitz* (the “**FDIC action**”) in the U.S. District Court for the Southern District of Texas was originally filed in August 1995 against Mr. Hurwitz by the Federal Deposit Insurance Corporation (“**FDIC**”).

On May 31, 2000, the Respondents filed a counterclaim to the *FDIC action* in U.S. District Court in Houston, Texas (No. H95-3956). On November 8, 2002, the Respondents filed an amended counterclaim and an amended motion for sanctions (collectively, the “**Sanctions Motion**”). The Sanctions Motion states that the FDIC illegally paid the OTS to bring claims against the Respondents and that the FDIC illegally sued for an improper purpose (i.e. in order to acquire timberlands held by a subsidiary of the Company). The Respondents are seeking a sanction to be made whole for the attorneys’ fees they have paid (plus interest) in connection with the *OTS* and *FDIC actions*. As of December 31, 2004, such fees were in excess of \$40.4 million. The Respondents are pursuing this claim vigorously.

On January 16, 2001, an action was filed against the Company, Federated Development Company (a predecessor of Gideon Holdings; “**Federated**”) and certain of the Company’s directors in the Court of Delaware Chancery Court entitled *Alan Russell Kahn v. Federated Development Co., MAXXAM Inc., et. al.*, Civil Action 18623NC (the “**Kahn lawsuit**”). The plaintiff purports to bring this action as a stockholder of the Company derivatively on behalf of the Company. The lawsuit concerns the *OTS* and *FDIC actions*, and the Company’s advancement of fees and expenses on behalf of Federated and certain of the Company’s directors in connection with these actions. It alleges that the defendants have breached their fiduciary duties to the Company, and have wasted corporate assets, by allowing the Company to bear all of the costs and expenses of Federated and certain of the Company’s directors related to the *OTS* and *FDIC actions*. The plaintiff seeks to require Federated and certain of the Company’s directors to reimburse the Company for all costs and expenses incurred by the Company in connection with the *OTS* and *FDIC actions*, and to enjoin the Company from advancing to Federated or certain of the Company’s directors any further funds for costs or expenses associated with these actions. The parties have agreed to an indefinite extension of the defendants’ obligations to respond to the plaintiffs’ claims.

Cook and Cave lawsuits

Similar actions entitled *Alan Cook, et al. v. Gary Clark, et al.* (No. DR020718) (the “**Cook action**”) and *Steve Cave, et al. v. Gary Clark, et al.* (No. DR0220719) (the “**Cave action**”) have been filed in the Superior Court of Humboldt County, California. The defendants in these actions include the Company and certain of its subsidiaries, Federated, and Mr. Hurwitz and certain other current and former officers of the Company and the subsidiaries. On April 4, 2003, the plaintiffs filed amended complaints and served the defendants with notice of the actions. The *Cook action* alleges, among other things, that defendants’ logging practices have contributed to an increase in flooding along Freshwater Creek (which runs through Pacific Lumber’s timberlands), resulting in personal injury and damages to the plaintiffs’ properties. Plaintiffs further allege that in order to have timber harvest plans approved in the affected areas, the defendants engaged in certain unfair business practices. The plaintiffs seek, among other things, compensatory and exemplary damages, injunctive relief, and appointment of a receiver to ensure the watershed is restored. The *Cave action* contains similar allegations and requests similar relief with respect to the Elk River watershed (a portion of which is contained on Pacific Lumber’s timberlands).

Indemnification of Directors and Officers

Certain present and former directors and officers of the Company are parties in certain of the actions described above. The Company’s Amended and Restated By-Laws provide for indemnification of its officers and directors to the fullest extent permitted by Delaware law. The Company is obligated to advance defense costs to its officers and directors, subject to the individual’s obligation to repay such amount if it is ultimately determined that the individual was not entitled to indemnification. In addition, the Company’s indemnity obligation can under certain circumstances include amounts other than defense costs, including judgments and settlements.

Other Matters

The Company and certain of its subsidiaries share certain administrative and general expenses with Gideon Holdings. Under these arrangements, Gideon Holdings’ obligation to the Company and its subsidiaries was approximately \$48,648 for 2004. At December 31, 2004, Gideon Holdings owed the Company \$12,848 for certain general and administrative expenses, which amount was subsequently paid in 2005.

On February 12, 2002, Kaiser, its principal operating subsidiary, KACC, and a number of KACC's subsidiaries, filed for reorganization under Chapter 11 of the U.S. Bankruptcy Code. Additional Kaiser subsidiaries filed for Chapter 11 protection in the first quarter of 2003. The Company and its subsidiary, MAXXAM Group Holdings Inc., collectively own approximately 62% of Kaiser. For further information regarding the status of Kaiser's Chapter 11 proceedings and certain related matters, see Notes 1 and 11 to the Consolidated Financial Statements of the Company contained in its Annual Report on Form 10-K for the fiscal year ended December 31, 2004 (the "**Form 10-K**"). Mr. Hurwitz has served as a director of Kaiser since October 1988 and KACC since November 1988. Mr. Friedman served as Senior Vice President and General Counsel of Kaiser and KACC from December 1999 until February 2002. Mr. Cruikshank has served as a director of Kaiser and KACC since January 1994. Mr. Levin has served as a director of Kaiser and KACC since July 1991 and November 1988, respectively.

Mr. Levin, a director of the Company, is a member of the law firm of Kramer Levin Naftalis & Frankel LLP, which provides legal services to the Company and its subsidiaries (the revenues from such services accounting for less than 1% of such firm's revenues in 2004).

Shawn Hurwitz, the son of Mr. Hurwitz, is also Chief Executive Officer of the Company's real estate operations, and during 2004 received an aggregate of \$600,000 in salary and bonus and a grant of 10,000 Common Stock options with underlying SARs pursuant to the 2002 Omnibus Plan (at an exercise/base price equal to the closing price of the Company's Common Stock on the date of grant).

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Based solely upon a review of such copies of Forms 3, 4 and 5 and any amendments thereto furnished to the Company with respect to its most recent fiscal year, and written representations from the reporting persons, the Company believes that all filing requirements were complied with which were applicable to its officers, directors and beneficial owners holding greater than ten percent.

OTHER BUSINESS

Neither the Board nor management intends to bring before the Annual Meeting any business other than the matters referred to in the Notice of Annual Meeting of Stockholders and this Proxy Statement, nor is any stockholder entitled under the Company's Amended and Restated By-Laws to bring any such other matter before the Annual Meeting. Nonetheless, if any other business should properly come before the meeting, or any postponement or adjournment thereof, the persons named on the enclosed proxy card will vote on such matters according to their best judgment.

OTHER MATTERS

Solicitation of Proxies

The cost of mailing and soliciting proxies in connection with the Annual Meeting will be borne by the Company. In addition to solicitations by mail, proxies may also be solicited by the Company and its directors, officers and employees (who will receive no compensation therefor beyond their regular salaries or fees). Arrangements also will be made with brokerage houses and other custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the Common Stock and Preferred Stock of the Company, and such entities will be reimbursed for their expenses.

Independent Public Accountants

Deloitte has completed its audit with respect to the Company's 2004 fiscal year. The Company also anticipates that Deloitte will conduct the 2005 audit, although the Audit Committee has not yet commenced the selection process with respect to the 2005 audit. Representatives of Deloitte plan to attend the Annual Meeting and will be available to answer questions. Such representatives will also have an opportunity to make a statement at the Annual Meeting if they so desire.

Stockholder Communications with Directors

Due to the small number of communications from stockholders received by the Company, the Board has not adopted a formal process for receiving communications from stockholders. However, a stockholder may contact the Board, or any individual director, by sending a written communication to Board of Directors, MAXXAM Inc., c/o Corporate Secretary, 1330 Post Oak Boulevard, Suite 2000, Houston, Texas 77056. A stockholder's letter should indicate that he or she is a MAXXAM stockholder. The Corporate Secretary will either (a) distribute such communication to the Board, or a member or members thereof, as appropriate depending upon the facts and circumstances described in the communication received; or (b) determine that the communication should not be forwarded to the Board or any of its members because, in the Secretary's judgment, (i) the communication is primarily commercial in nature and relates to the Company's ordinary business or otherwise relates to matters that are not relevant to the Board; or (ii) the Company's management can adequately handle the stockholder inquiry or request, in which case the inquiry or request will be forwarded to the appropriate individual for action.

Stockholder Proposals for the 2006 Annual Meeting

Proposals which stockholders intend to present at the 2006 annual meeting (other than those submitted for inclusion in the Company's proxy material pursuant to Rule 14a-8 of the proxy rules of the SEC or director nominees) must be received by the Company no later than January 2, 2006, to be presented at the meeting. Proposals pursuant to Rule 14a-8 of the proxy rules must also be received by January 2, 2006 to be eligible for inclusion in the proxy material for that meeting. Finally, stockholder submissions of director nominees must be made to the Company by no later than March 27, 2006 (by delivery or first class mail) to be presented at the meeting. Any such stockholder communications must be sent to the Company's Secretary at its executive offices at 1330 Post Oak Boulevard, Suite 2000, Houston, Texas 77056 via any method which provides evidence of delivery, other than facsimile or any other form of electronic communication.
