Dear Mr. Nguyen:

We have reviewed your first response letter filed on May 22, 2009 and have the following additional comments. Where indicated, we think you should revise your document in response to these comments. If you disagree with a comment, we will consider your explanation as to why our comment is inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation. Notes to Consolidated Financial Statements

Note 1 – Business and Significant Accounting Policies and Practices

Minority Interest, page 40

1. We note your response to our prior comment 2. Please cite the sections of your agreement(s) which evidence that Evon Corporation (as a general and limited partner) and its related limited partners have a present binding legal obligation to make good on the losses of Justice and to fund its accumulated deficits.

Note 15 – Income Taxes, page 52

2. We note your response to our prior comment 3 and your positive evidence statement that there is an excess of appreciated value over the tax basis related to the Justice Hotel. Please confirm to us whether or not you would expect that you would be able to realize the full value of your deferred tax assets under the hypothetical scenario that you would cease operations and sell the hotel property at estimated fair value which you determined as of June 30, 2008.

As appropriate, please respond to these comments within 10 business days or tell us when you will provide us with a response. Please submit a response letter on EDGAR that keys your responses to our comments and provides any requested information. Detailed cover letters greatly facilitate our review. Please understand that we may have additional comments after reviewing your responses to our comments.

You may contact me at (202) 551-3438 if you have questions regarding comments on the financial statements and related matters.

Sincerely,

Robert Telewicz
