Filed April 27, 2007
File No. 1-8546**

Dear Ms. Syms:

We have reviewed your filings and have the following comments. We have limited our review to only your financial statements and related disclosures and do not intend to expand our review to other portions of your documents. Where indicated, we think you should revise your documents in response to these comments. If you disagree, we will consider your explanation as to why our comment is inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure. After reviewing this information, we may raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filings. We look forward to working with you in these respects. We welcome any questions you may have about our comments or on any other aspect of our review. Feel free to call us at the telephone numbers listed at the end of this letter.

Form 10-K for the Fiscal Year Ended March 3, 2007

General

1. Where a comment below requests additional disclosures to be included, please show us in your supplemental response what the revised disclosures will look like. These additional disclosures should be included in your future filings.

Item 2. Properties

Store Openings/Closings, page 7

2. We note that during fiscal 2006 you closed stores located in Rochester, New York, Monroeville, Pennsylvania, St. Louis, Missouri and Dallas, Texas. It appears that the new Plano store perhaps could be considered within the same general marketplace as the Dallas store that was closed, but that does not appear to be the case with any of the other stores that were closed. Please explain to us why you did not present as discontinued operations the operating results of the other stores closed during fiscals 2006. Refer to paragraphs 41 through 44 of SFAS 144 and EITF 03-13.

Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations

Critical Accounting Policies and Estimates

Merchandise Inventory, pages 9 and 10

3. You disclose on page 2 under Marketing that you use a ten-day automatic markdown pricing policy to promote movement of merchandise and each reduced price becomes effective after the passage of ten selling days. In light of this policy and your use of the retail inventory method, please explain how you ensure that all automatic markdowns have been currently taken in reducing the retail value of the inventories. Explain what significant estimates and assumptions you make during the inventory valuation process. Specifically, you should discuss the effect on your inventory valuation from merchandise markons, markups, markdowns and gross margin since you have identified these as significant estimates. Please expand your disclosures to quantify the effect of significant assumptions and changes in your inventory balance sheet line item from period to period that result from changes in your assumptions. Please discuss how you determined shrinkage and whether there has been a significant change from year to year.
4. We note your accounting policy regarding self insurance accruals. Please disclose the amount you have accrued for the liability at each balance sheet date as well as any significant changes from period to period and the reasons for significant changes.

Item 9A. Controls and Procedures, page 14

(a) Disclosure Controls and Procedures

5. We note that you state that your disclosure controls and procedures have been designed and are functioning effectively to provide reasonable assurance that the information required to be disclosed by the Company in reports filed under the Securities Exchange Act of 1934 is recorded, processed, summarized and reported within the time period

specified by the Securities Exchange Commission's rules and forms. If you choose to include the definition of disclosure controls and procedures, please include the entire definition in accordance with Exchange Act Rule 13a-15(e). In this regard, in future filings, please revise your disclosure to clarify, if true, that your officers concluded that your disclosure controls and procedures are also effective to ensure that information required to be disclosed in the reports that you file or submit under the Exchange Act is accumulated and communicated to your management, including your principal executive and principal financial officer, to allow timely decisions regarding required disclosure. Refer to Exchange Act Rule 13a-15(e) for guidance.

6. We also note your disclosure in the last sentence regarding the assurance that your control system can provide to detect or uncover failures within the Company to disclose "material" information otherwise required to be set forth in the Company's periodic reports. The use of the word "material" in your disclosure could be interpreted as being restrictive and does not comply with Exchange Act Rule 13a-15(e). In this regard, please revise your disclosure in future filings to delete the word "material" when referring to information being disclosed in the Company's periodic reports.

We also note your disclosure on page 7 of the filing regarding these transactions. Alternatively, such disclosure may be provided in the notes to the financial statements. See Rules 5-04(c) and 12-09 of Regulation S-X.
