Allowance and Provision for Loan Losses, pages 18-20

1. Please tell us how you adjust from your expected loss model to determine the incurred losses pursuant to SFAS 5. We note that the company discloses that commercial and commercial real estate loans are assigned internal risk ratings reflecting the probability of the borrower defaulting on any obligation and the probable loss in the event of default.

2. Your disclosure in Note A. Significant Accounting Policies states that the allowance consists of formula-based components, allowance for impaired loans and allowance related to additional factors. Please tell us and disclose in future filings the amount of each of these components.

Please respond to these comments within 10 business days or tell us when you will provide us with a response. Please furnish a letter that keys your responses to our comments and provides any requested information. Detailed cover letters greatly facilitate our review. Please understand that we may have additional comments after reviewing your responses to our comments.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filings to be certain that the filings include all information required under the Securities Exchange Act of 1934 and that they have provided all information investors require for an informed investment decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comments, please provide, in writing, a statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

In addition, please be advised that the Division of Enforcement has access to all information you provide to the staff of the Division of Corporation Finance in our review of your filing or in response to our comments on your filing.
