SECTION 5. REPRESENTATIONS AND WARRANTIES OF THE COMPANY.

The Company represents and warrants that:

Section 5.1. Organization, Standing, Due Authorization. The Company is a corporation duly organized, validly existing and in good standing under the laws of the Commonwealth of Massachusetts and has all requisite corporate power and authority to own and operate its Properties, to carry on its business as now conducted, to enter into this Agreement, to issue and sell the Notes and to carry out the terms hereof and thereof. Section 5.2. Capitalization. The Company's authorized and outstanding capital stock is as follows:

<u>TITLE OF CLASS</u>	<u>SHARES AUTHORIZED</u>	<u>SHARES OUTSTANDING</u>

5 1/8% Series		9,223
8% Series		12,175

All of the Company's outstanding capital stock is validly issued, fully paid and non-assessable.

Section 5.3. Subsidiaries. Other than holdings of capital stock which, individually and in the aggregate, are immaterial to the business and financial condition of the Company, the Company does not own any shares of capital stock or shares of beneficial interest of any corporation or other entity except Fitchburg Energy Development Company, a wholly-owned Subsidiary, which is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware and which is currently an inactive Subsidiary.

Section 5.4. Qualification. In all jurisdictions where the Company owns real Property or maintains any place of business, it is either qualified to do business and in good standing or such qualification can readily be obtained without substantial penalty and the failure to qualify in jurisdictions where the Company has not done so will not have a material adverse effect on the business or condition of the Company and its Subsidiary, taken as a whole, financial or otherwise.

Section 5.5. Periodic Reports. The Company has delivered to the Purchaser the Annual Report on Form 10-K Report filed by Unutil with the Securities and Exchange Commission (the "SEC") for the fiscal year ended December 31, 2002, including such Exhibits thereto as the Purchaser has requested (the "10-K Report"), the Quarterly Reports on Form 10-Q by Unutil

There is no fact known to the Company which materially and adversely affects, or which in the future may (so far as the Company can now foresee) materially and adversely affect, the business, Properties, operations or condition, financial or otherwise, of the Company and its Subsidiary taken as a whole, which has not been set forth in the 10-K Report, the 10-Q Reports, the 8-K Reports, this Agreement, the Notes or in the other written documents, certificates and statements already furnished to the Purchaser by or on behalf of the Company in connection with the transactions contemplated hereby.

Section 5.6. Franchises; Etc. The Company has all franchises, certificates of convenience and necessity, operating rights, licenses, permits, consents, approvals, authorizations and orders of governmental bodies, political subdivisions and regulatory authorities, free from unduly burdensome restrictions, as are reasonably necessary for the ownership of the Properties now owned and operated by it, the maintenance and operation of the Properties now operated by it and the conduct of the business now conducted by it.

Section 5.7. Financial Statements. The Company has furnished to the Purchaser:

(a) the Company’s financial statements for each of its fiscal years ended December 31, 2000, 2001 and 2002 (the “Annual Reports”), containing balance sheets, on a consolidated basis, of the Company and its Subsidiary as at the end of such fiscal years and the related statements of earnings, retained earnings and cash flows of the Company on a consolidated basis for such fiscal years, as certified by Grant Thornton L.L.P., independent certified public accountants; and

(b) unaudited consolidated financial statements of the Company and its Subsidiary for the six months ending June 30, 2003, including a consolidated balance sheet as at such date and statements of earnings and retained earnings for such period (together with the Annual Reports, the “Company Reports”).

Subject to any qualifications set forth in the accompanying reports of independent certified public accountants, all such financial statements are complete and correct (subject, in the case of such unaudited financial statements, to year-end and audit adjustments) and have been prepared in accordance with generally accepted accounting principles applied on a consistent basis throughout the periods covered thereby. Such balance sheets (together with the pertinent notes thereto) fairly present the financial condition of the Company and its Subsidiary as at the respective dates indicated, and in each case reflect all known liabilities, contingent or otherwise, at such dates, all in accordance with generally accepted accounting principles, and such statements of earnings, retained earnings and cash flows fairly present the results of the operations of the Company and its Subsidiary for the respective periods indicated.

Section 5.8. Changes; Etc. Since December 31, 2002: (a) except as disclosed in the 10-K Report, the 10-Q Reports, the 8-K Reports or the Company Reports, there has been no

material adverse change in the assets, liabilities or financial condition of the Company and its Subsidiary, taken as a whole, from that reflected in the balance sheet as at December 31, 2002 referred to in Section 5.7 or otherwise previously disclosed in writing, other than changes in the ordinary course of business; (b) neither the business, operations or affairs of the Company and its Subsidiary nor any of their Properties or assets, taken as a whole, have been materially adversely affected by any occurrence or development (whether or not insured against) except as disclosed in the 10-K Report, the 10-Q Reports, the 8-K Reports, or the Company Reports or otherwise previously disclosed in writing; and (c) the Company has not, prior to the Closing Date, directly or indirectly, declared, paid or made any dividend or distribution on or on account of any shares of capital stock of the Company or any redemption, retirement, purchase or other acquisition of any shares of capital stock of the Company, or agreed to do so, except for the payment of regular cash dividends on its common stock and its Cumulative Preferred Stock and purchases of Cumulative Preferred Stock under applicable sinking fund provisions.

Section 5.9. Tax Returns and Payments. All tax returns of the Company and its Subsidiary required by law to be filed have been duly filed, and all taxes, assessments, fees and other governmental charges upon the Company or its Subsidiary shown to be due on such returns have been paid. The federal income tax liability of the Company and its Subsidiary has been finally determined by the Internal Revenue Service and satisfied through the fiscal year ended December 31, 1993. The charges, accruals and reserves on the books of the Company and its Subsidiary in respect of income taxes for all fiscal periods are adequate in the opinion of the Company and, except as disclosed in the 10-K Report, the 10-Q Reports, the 8-K Reports or the Company Reports, the Company knows of no unpaid assessment for additional income taxes for any fiscal period or of any basis therefor.

Section 5.10. Title to Properties. Each of the Company and its Subsidiary has good and marketable title to all the real Property and a good and valid ownership interest in all the other assets reflected in the most recent balance sheet referred to in Section 5.7 or subsequently acquired, other than real Property and other assets subsequently sold or otherwise disposed of in the ordinary course of business, subject in each case only to Liens permitted by Section 11.3.

Section 5.11. Litigation; Etc. There is no action, proceeding or investigation pending or, to the Company's knowledge, threatened (or any basis therefor known to the Company) which questions the validity of this Agreement or the Notes or any action taken or to be taken pursuant hereto or thereto, nor, except as disclosed in the 10-K Report, the 10-Q Reports, the 8-K Reports or the Company Reports, is there any action, proceeding or investigation pending or, to the Company's knowledge, threatened (or any basis therefor known to the Company) which might result, either in any case or in the aggregate, in any material adverse change in the business, operations, affairs or condition of the Company and its Subsidiary or their Properties and assets taken as a whole or in any material liability on the part of the Company or its Subsidiary.

Section 5.12. Compliance with Other Instruments, Etc. Except as set forth in the 10-K Report, the 10-Q Reports, the 8-K Reports or the Company Reports, the Company is not in violation of any term of its Articles of Organization or By-Laws, or, to the Company's knowledge, in violation of any term of any franchise, license, permit, agreement, indenture, instrument, judgment, decree, order, statute, or governmental rule or regulation applicable to it so

as to materially and adversely affect, either individually or in the aggregate, its financial condition; and the execution, delivery and performance of this Agreement and the Notes will not result in any such violation or be in conflict with or constitute a default under any term of any of the foregoing and will not result in the creation of any mortgage, lien, charge or encumbrance upon any of the Properties or assets of the Company or its Subsidiary pursuant to any such term.

Section 5.13. ERISA. (a) The Company and each ERISA Affiliate have operated and administered each Plan in compliance with all applicable laws except for such instances of noncompliance as have not resulted in and could not reasonably be expected to result in a Material Adverse Effect. Neither the Company nor any ERISA Affiliate has incurred any liability pursuant to Title I or IV of ERISA or the penalty or excise tax provisions of the Code relating to employee benefit plans (as defined in Section 3 of ERISA), and no event, transaction or condition has occurred or exists that could reasonably be expected to result in the incurrence of any such liability by the Company or any ERISA Affiliate, or in the imposition of any lien on any of the rights, properties or assets of the Company or any ERISA Affiliate, in either case pursuant to Title I or IV of ERISA or to such penalty or excise tax provisions or to Section 401(a)(29) or 412 of the Code, other than such liabilities or liens as would not be individually or in the aggregate Material.

(b) The present value of the aggregate benefit liabilities under each of the Plans (other than Multiemployer Plans), determined as of the end of such Plan's most recently ended plan year on the basis of the actuarial assumptions specified for funding purposes in such Plan's most recent actuarial valuation report, did not exceed the aggregate current value of the assets of such Plan allocable to such benefit liabilities. The term "benefit liabilities" has the meaning specified in Section 4001 of ERISA and the terms "current value" and "present value" have the meaning specified in Section 3 of ERISA.

(c) The Company and its ERISA Affiliates have not incurred withdrawal liabilities (and are not subject to contingent withdrawal liabilities) under section 4201 or 4204 of ERISA in respect of Multiemployer Plans that individually or in the aggregate are Material.

(d) The expected post-retirement benefit obligation (determined as of the last day of the Company's most recently ended fiscal year in accordance with Financial Accounting Standards Board Statement No. 106, without regard to liabilities attributable to continuation coverage mandated by section 4980B of the Code) of the Company and its Subsidiary is not Material.

(e) The execution and delivery of this Agreement and the issuance and sale of the Notes hereunder will not involve any transaction that is subject to the prohibitions of section 406 of ERISA or in connection with which a tax could be imposed pursuant to section 4975(c)(1)(A)-(D) of the Code. The representation by the Company in the first sentence of this Section 5.13(e) is made in reliance upon and subject to the accuracy of the Purchaser's representation in Section 7(b) as to the sources of the funds used to pay the purchase price of the Notes.

Section 5.14. Regulatory Jurisdiction and Approvals. The Company is subject to regulation by the MDTE with respect to retail rates, adequacy of service, issuance of securities,

accounting and other matters. The issuance and sale of the Notes has been authorized by an order of the MDTE which has become final and the applicable appeal period has expired. The Company is exempt from registration of the Notes with the SEC pursuant to Regulation 250.52(a) promulgated under the Public Utility Holding Company Act of 1935, as amended. Although a post-sale filing with the SEC on Form U-6B-2 is required, the issuance and sale of the Notes is not subject to the prior approval of the SEC under the Holding Company Act. No order, consent, approval or authorization of, or any declaration or filing with, any other governmental agency or authority is required as a condition precedent to the valid offering, issue, sale and delivery of the Notes by the Company and the consummation by the Company of the transactions contemplated hereby.

Section 5.15. Patents; Trademarks; Etc. The Company owns or possesses all of the patents, trademarks, service marks, trade names and copyrights, and all rights of use with respect to the foregoing, necessary for the conduct of its business as now conducted, without any known conflict with the rights of others.

Section 5.16. Offer of Notes. Neither the Company nor anyone authorized to act on its behalf has directly or indirectly offered or will offer the Notes or any part thereof or any similar securities for issue or sale to, or solicited or will solicit any offer to acquire any of the same from, or has otherwise approached or negotiated or will approach or negotiate in respect thereof with not more than 125 institutional investors, including the Purchaser. Neither the Company nor anyone authorized to act on its behalf has taken or will take any action which will subject the issuance and sale of the Notes to the provisions of Section 5 of the Securities Act of 1933, as amended (the “*Securities Act*”).

Section 5.17. Investment Company Act Status. Neither the Company nor its Subsidiary is an “investment company” or a company “controlled” by an “investment company”, as such terms are defined in the Investment Company Act of 1940, as amended.

Section 5.18. Federal Reserve Regulations. Neither the Company nor its Subsidiary owns or has any present intention of acquiring any “margin security” within the meaning of Regulation U (12 CFR Part 207) of the Board of Governors of the Federal Reserve System (herein called a “*margin security*”). The proceeds of the sale of the Notes will be applied as provided in Section 6. None of such proceeds will be used, directly or indirectly, for the purpose of purchasing or carrying any margin security or for the purpose of reducing or retiring any indebtedness which was originally incurred to purchase or carry a margin security or for any other purpose which might constitute the transactions contemplated hereby a “purpose credit” within the meaning of said Regulation U, or cause this Agreement to violate Regulation U, Regulation T, Regulation X, or any other regulation of the Board of Governors of the Federal Reserve System or Section 7 of the Securities Exchange Act of 1934 (the “*Exchange Act*”), each now in effect.

Section 5.19. Foreign Credit Restraints. Neither the consummation of the transactions contemplated by this Agreement nor the use of the proceeds of the sale of the Notes will violate any provision of any applicable statute, regulation or order of, or any restriction imposed by, the United States of America or any authorized official, board, department, instrumentality or agency thereof relating to the control of foreign or overseas lending or investment.

Section 5.20. Disclosure. Neither this Agreement, the financial statements referred to in Section 5.7, the 10-K Report, the 10-Q Reports, the 8-K Reports, the Company Reports, nor any other document, certificate or written statement furnished to the Purchaser by or on behalf of the Company in connection with the negotiation of the sale of the Notes, contains any untrue statement of a material fact or omits to state a material fact necessary in order to make the statements contained herein and therein not misleading. There is no fact known to the Company which materially adversely affects or in the future may (so far as the Company can now foresee) materially adversely affect the business, operations, affairs or condition of the Company and its Subsidiary, taken as a whole, or their Properties or assets, taken as a whole, which has not been set forth in this Agreement or in the other documents, certificates, the 10-K Report, the 10-Q Reports, the 8-K Reports, the Company Reports and written statements furnished to the Purchaser by or on behalf of the Company prior to the date of this Agreement in connection with the transactions contemplated hereby.

Section 5.21. Funded Indebtedness. Schedule II attached hereto correctly describes all Funded Indebtedness of the Company and its Subsidiary outstanding on September 30, 2003.

Section 5.22. Sale is Legal and Authorized. The sale of the Notes and compliance by the Company with all of the provisions of the Agreement and the Notes —

(a) are within the corporate powers of the Company; and

(b) have been duly authorized by proper corporate action on the part of the Company (no action by the stockholders of the Company being required by law, by the Articles of Organization or By-laws of the Company or otherwise); this Agreement and, when executed and delivered in accordance with the terms hereof, the Notes, have been or will have been, as the case may be, duly executed and delivered on behalf of the Company by duly authorized officers thereof, and this Agreement and, when executed and delivered in accordance with the terms hereof, the Notes constitute or will constitute, as the case may be, the legal, valid and binding obligations, contracts and agreements of the Company enforceable in accordance with their respective terms.

Section 5.23. No Defaults. No Default or Event of Default has occurred and is continuing. The Company is not in default in the payment of principal or interest on any Indebtedness and is not in default under any instrument or instruments or agreements under and subject to which any Indebtedness has been issued and no event has occurred and is continuing under the provisions of any such instrument or agreement which with the lapse of time or the giving of notice, or both, would constitute an event of default thereunder.

Section 5.24. Compliance with Environmental Laws. Except as disclosed in the 10-K Report, the 10-Q Reports, the 8-K Reports or the Company Reports, the Company is not in violation of any applicable Federal, state, or local laws, statutes, rules, regulations or ordinances relating to public health, safety or the environment, including, without limitation, relating to

releases, discharges, emissions or disposals to air, water, land or ground water, to the withdrawal or use of ground water, to the use, handling or disposal of polychlorinated biphenyls (PCBs), asbestos or urea formaldehyde, to the treatment, storage, disposal or management of hazardous substances (including, without limitation, petroleum, crude oil or any fraction thereof, or other hydrocarbons), pollutants or contaminants, to exposure to toxic, hazardous or other controlled, prohibited or regulated substances which violation could have a material adverse effect on the business, prospects, profits, properties or condition (financial or otherwise) of the Company and its Subsidiary, taken as a whole. Except as disclosed in the 10-K Report, the 10-Q Reports, the 8-K Reports or the Company Reports, the Company does not know of any liability or class of liability of the Company or its Subsidiary under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended (42 U.S.C. Section 9601 *et seq.*), or the Resource Conservation and Recovery Act of 1976, as amended (42 U.S.C. Section 6901 *et seq.*).

Section 5.25. Foreign Assets Control Regulations, Etc. Neither the sale of the Notes by the Company hereunder nor its use of the proceeds thereof will violate the Trading with the Enemy Act, as amended, or any of the foreign assets control regulations of the United States Treasury Department (31 CFR, Subtitle B, Chapter V, as amended) or any enabling legislation or executive order relating thereto. Without limiting the foregoing, neither the Company nor its Subsidiary (a) is a person whose property or interests in property are blocked pursuant to Section 1 of Executive Order 13224 of September 23, 2001 Blocking Property and Prohibiting Transactions With Persons Who Commit, Threaten to Commit, or Support Terrorism (66 Fed. Reg. 49079 (2001)) or (b) engages in any Material dealings or transactions, or is otherwise associated, with any such person.

The Company and its Subsidiary are in compliance in all material respects with the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism (USA Patriot Act of 2001). No part of the proceeds from the sale of the Notes hereunder will be used, directly or indirectly, for any payment to any governmental official or employee, political party, official of a political party, candidate for political office or anyone else acting in an official capacity, in order to obtain, retain or direct business, in violation of the United States Foreign Corrupt Practices Act of 1977, as amended.

SECTION 6. USE OF PROCEEDS.

The proceeds of the sale of the Notes will be applied by the Company to refinance existing short-term debt and for general corporate purposes.

SECTION 7. PURCHASER'S REPRESENTATIONS.

(a) The Purchaser represents that the Purchaser is purchasing the Notes for its own account for investment and not with a view to the distribution thereof and has no present intention of selling, negotiating, or otherwise disposing of the Notes, *provided* that the disposition of the Purchaser's Property shall at all times be within its control. The acquisition of any of the Notes by the Purchaser shall constitute the Purchaser's reaffirmation of such representation, and it is understood that in making the representations contained in Sections 5.13(e) and 5.16, the Company is relying, to the extent applicable, on the Purchaser's representation in this Section 7.

(b) The Purchaser represents that at least one of the following statements is an accurate representation as to each source of funds (a “Source”) to be used by the Purchaser to pay the purchase price of the Notes to be purchased by the Purchaser hereunder:

(i) the source is an “insurance company general account” and there is no employee benefit plan with respect to which the amount, if any, of such general account’s reserves and liabilities for all contracts held by or on behalf of such plan and all other plans maintained by the same employer or its affiliates or by the same employee organization exceeds 10% of the total of all reserves and liabilities of such general account at the date of purchase (all as determined under Prohibited Transaction Class Exemption (“PTE”) 95-60 (issued July 12, 1995)); or

(iii) the Source constitutes assets of an “investment fund” (within the meaning of Part V of the QPAM Exemption) managed by a “qualified professional asset manager” or “QPAM” (within the meaning of Part V of the QPAM Exemption), no employee benefit plan’s assets that are included in such investment fund, when combined with the assets of all other employee benefit plans established or maintained by the same employer or by an affiliate (within the meaning of Section V(c)(1) of the QPAM Exemption) of such employer or by the same employee organization and managed by such QPAM, exceed 20% of the total client assets managed by such QPAM, the conditions of Part I(c) and (g) of the QPAM Exemption are satisfied, neither the QPAM nor a Person controlling or controlled by the QPAM (applying the definition of “control” in Section V(e) of the QPAM Exemption) owns a 5% or more interest in the Company and (A) the identity of such QPAM and (B) the names of all employee benefit plans whose assets are included in such investment fund have been disclosed to the Company in writing pursuant to this paragraph (b)(iii); or

SECTION 8. REGISTRATION, TRANSFER AND SUBSTITUTION OF NOTES.

Section 8.1. Note Register; Ownership of Notes. The Company will keep at its office located at 6 Liberty Lane West, Hampton, New Hampshire, or such other address of which the Company may hereafter notify the holders of the Notes from time to time, a register in which the Company will provide for the registration of Notes and the registration of transfers of Notes. The Company may treat the Person in whose name any Note is registered on such register as the owner thereof for the purpose of receiving payment of the principal of and interest on such Note and for all other purposes, whether or not such Note shall be overdue, and the Company shall not be affected by any notice to the contrary except for a properly presented request by such owner to transfer such Note to another Person. All references in this Agreement to a “holder” of any Note shall mean the Person in whose name such Note is at the time registered on such register.

Section 8.2. Transfer and Exchange of Notes. Upon surrender of any Note by the holder or transferee thereof for registration or transfer or for exchange at the principal office of the Company, the Company at its expense will execute and deliver in exchange therefor a new Note or Notes in denominations of not less than \$100,000 (amounts in excess thereof to be in \$10,000 increments, unless the entire principal balance of a Note is being transferred or exchanged, in which case the denomination may be made in increments of less than \$10,000 if such Note being transferred or exchanged is in an amount that does not represent \$10,000 increments) requested by the holder or transferee which aggregate the unpaid principal amount of such surrendered Note, registered as such holder or transferee may request, dated so that there will be no loss of interest on such surrendered Note and otherwise of like tenor.

Section 8.3. Replacement of Notes. Upon receipt of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of any Note and, in the case of any such loss, theft or destruction upon delivery of indemnity reasonably satisfactory to the Company in form and amount, or, in the case of any such mutilation, upon the surrender of such Note for cancellation at the principal office of the Company, the Company at its expense will execute and deliver, in lieu thereof, a new Note of like tenor, dated so that there will be no loss of interest on such lost, stolen, destroyed or mutilated Note. If the Purchaser or any subsequent Institutional Holder is the owner of any such lost, stolen or destroyed Note, then the affidavit of an authorized officer of such owner, setting forth the fact of loss, theft or destruction and of its ownership of such Note at the time of such loss, theft or destruction shall be accepted as satisfactory evidence thereof and no further indemnity shall be required as a condition to the execution and delivery of a new Note other than the written agreement of such owner to indemnify the Company. Any Note in lieu of which any such new Note has been so executed and delivered by the Company shall not be deemed to be an outstanding Note for any purpose of this Agreement.

SECTION 9. PAYMENT ON NOTES.

The Company will pay all sums becoming due on each Note (including redemptions, whether for principal or interest) by check mailed to the holder of such Note at the registered address of such holder as set forth in the register kept by the Company at its principal office as provided in Section 8.1, without the presentation or surrender of such Note or the making of any notation thereon, except that any Note paid or prepaid in full shall be surrendered to the Company at its office for cancellation, *provided* that, in the case of any Note with respect to which the Purchaser or any subsequent Institutional Holder is the registered owner, and with respect to which any such subsequent Institutional Holder has given written notice to the Company requesting that the provisions of this Section 9 shall apply, the Company will punctually pay when due the principal thereof, interest thereon and premium, if any, due with respect to said principal, without any presentment thereof, directly to such Purchaser or to such subsequent Institutional Holder at such Purchaser's address set forth in Schedule I hereto or such other address as such Purchaser or such subsequent Institutional Holder may from time to time designate in writing to the Company or, if a bank account with a United States bank is designated for such Purchaser on Schedule I hereto or in any written notice to the Company from the Purchaser or from any such subsequent Institutional Holder, the Company will make such payments in immediately available funds to such bank account, marked for attention as indicated, or in such other manner or to such other account in any United States bank as such Purchaser or any such subsequent Institutional Holder may from time to time direct in writing. The Company will not be liable for failure to make payment on the Notes so long as the Company acts in accordance with any written instructions given by the Purchaser or any such Institutional Holder under Section 9. Prior to any sale or other disposition of any Note, the holder thereof will, at its election, either endorse thereon the amount of principal paid thereon and the last date to which interest has been paid thereon, or make such Note available to the Company at its principal office for the purpose of making such endorsement thereon.

SECTION 10. REDEMPTION OF NOTES.

Section 10.1. Sinking Fund Redemptions. The Company agrees that on October 15 in each year commencing October 15, 2021 and ending October 15, 2025, it will redeem and there shall become due and payable on the principal indebtedness evidenced by the Notes an amount equal to the lesser of (i) \$2,000,000 or (ii) the principal amount of the Notes then outstanding (each such redemption being a "*required sinking fund payment*"). At the same time the Company makes a required sinking fund payment, the Company shall have the option (which shall be non-cumulative) to redeem an additional principal amount of the Notes outstanding of \$2,000,000 (an "*optional sinking fund payment*"); *provided*, that the cumulative amount of such optional sinking fund payments may not exceed \$4,000,000 in principal amount of Notes. Notes, or principal amounts thereof, will be selected for redemption in the manner set forth in Section 10.4 hereof. For purposes of this Section 10.1, any redemption of less than all of the outstanding Notes pursuant to an optional sinking fund payment or pursuant to Section 10.2 shall be deemed to be applied first, to the amount of principal scheduled to be paid on October 15, 2025, and then to the remaining scheduled required sinking payments in inverse chronological order.

Section 10.2. Optional Redemption. The Company may at its option, upon notice as provided in Section 10.3, redeem at any time on or prior to October 15, 2023, all or, from time to time, any part of the Notes aggregating at least \$100,000 in aggregate principal amount, in each case by payment of the principal amount of the Notes, or portion thereof to be redeemed and accrued interest thereon to the date of such redemption, together with a premium equal to the Make-Whole Premium, determined as of five business days prior to the date of such prepayment pursuant to this Section 10.2. In addition to the foregoing, on any date after October 15, 2023, all of the Notes, or any part of the principal amount thereof aggregating at least \$100,000 in aggregate principal amount, shall be subject to redemption, at the option of the Company, by payment of the interest accrued on the principal amount of the Notes optionally to be redeemed to the date of such redemption plus 100% of the principal amount thereof.

Section 10.3. Notice of Optional Redemptions. The Company will give each holder of any Notes written notice of each optional redemption under Section 10.2 not less than fifteen (15) days and not more than forty-five (45) days prior to the date fixed for such optional redemption, specifying (i) such date, (ii) the aggregate principal amount of the Notes to be redeemed on such date, (iii) the principal amount of each Note held by such holder to be redeemed on such date, (iv) whether a premium may be payable, (v) the date when any such premium will be calculated, (vi) if a premium may be payable, the estimated premium, and (vii) the accrued interest applicable to the redemption. Such notice of redemption shall also certify all facts, if any, which are conditions precedent to any such redemption. Not later than two business days prior to the redemption date specified in such notice, the Company shall provide each holder of a Note written notice of the premium, if any, payable in connection with such redemption and, whether or not any premium is payable, a reasonably detailed computation of the Make-Whole Premium.

Section 10.4. Selection of Notes for Redemption. Redemptions pursuant to this Section 10 shall be made in units of \$1,000 principal amount and integral multiples thereof and the Notes then held by each holder shall be redeemed in proportion, as nearly as may be, to the aggregate principal amount of Notes then outstanding.

Section 10.5. Maturity; Surrender; Etc. In the case of each redemption, the principal amount of each Note to be redeemed and the premium, if any, payable with respect thereto shall become due and payable on the date fixed for such redemption by the written notice referred to in Section 10.3, together with interest on such principal amount accrued to such date. From and after such date, unless the Company shall fail to pay such principal amount when so due and payable, together with the interest to the date of redemption, interest on such principal amount shall cease to accrue. Any Note redeemed in full shall be surrendered to the Company and cancelled and shall not be reissued, and no Note shall be issued in lieu of any prepaid principal amount of any Note.

Section 10.6. Repurchase of Notes. The Company will not, nor will it permit any Affiliate to, directly or indirectly repurchase or make any offer to repurchase any Notes unless the Company or any such Affiliate has offered to repurchase Notes, pro rata, from all holders of the Notes at the time outstanding upon the same terms. In case the Company or any such Affiliate repurchases any Notes, such Notes shall thereafter be cancelled and no Notes shall be

issued in substitution therefor. Without limiting the foregoing, upon the repurchase or other acquisition of any Notes by the Company or any Affiliate, such Notes shall no longer be outstanding for purposes of any section of this Agreement relating to the taking by the holders of the Notes of any actions with respect hereto, including, without limitation, Sections 13.1, 13.3 and 17.

SECTION 11. COVENANTS.

The Company covenants that, from and after the date of this Agreement and until none of the Notes shall be outstanding:

Section 11.1. Punctual Payment. The Company will duly and punctually pay the principal, premium, if any, and interest on the Notes in accordance with the terms of this Agreement and of the Notes.

Section 11.2. Prompt Payment of Taxes and Indebtedness. The Company will promptly pay and discharge, and will cause each Subsidiary to pay and discharge, all lawful taxes, assessments and governmental charges or levies imposed upon the Company or Subsidiary or upon its income or profits, or upon any Property belonging to it; *provided, however*, that the Company and its Subsidiary shall not be required to pay any such tax, assessment, charge or levy if the same shall not at the time be due and payable or can be paid thereafter without additional liability, or if the validity or amount thereof shall then be contested in good faith by appropriate proceedings and if the Company shall have set aside on its books adequate reserves with respect thereto in accordance with generally accepted accounting principles; and *provided, further*, that the Company and its Subsidiaries will pay all such taxes, assessments, charges or levies when and as necessary to prevent foreclosure of any Lien which may have attached as security therefor or to prevent the forfeiture or sale of the property subject to the Lien of such assessment, charge or levy or any material interference with the use thereof by the Company or any Subsidiary. The Company will promptly pay when due, or in conformance with customary trade terms, all other indebtedness incident to operations and dividends declared, other than disputed claims which are being contested in good faith and for which the Company has set aside on its books adequate reserves in accordance with generally accepted accounting principles.

Section 11.3. Limitation on Liens. Except as hereinafter in this Section expressly permitted, the Company will not at any time, nor will it permit any Subsidiary to, directly or indirectly, create, assume or suffer to exist, except in favor of the Company or any Subsidiary, any Lien upon any of its Properties or assets, real or personal, whether now owned or hereafter acquired, or of or upon any income or profits therefrom, without making effective provision, and the Company covenants that in any such case it will make or cause to be made effective provision, whereby the Notes then outstanding shall be secured by such Lien equally and ratably with any and all other Indebtedness to be secured thereby, so long as any such other Indebtedness shall be so secured.

Nothing in this Section shall be construed to prevent the Company or a Subsidiary from creating, assuming or suffering to exist, and the Company and its Subsidiaries are hereby expressly permitted to create, assume or suffer to exist, without securing the Notes as hereinabove provided, Liens of the following character:

- (a) Liens existing on the date hereof;

(b) Liens, in addition to those otherwise permitted by this Section 11.3, securing Indebtedness which does not exceed in the aggregate \$5,000,000 at any one time outstanding; *provided* that all such Indebtedness shall have been incurred within the applicable limitations provided in Sections 11.4 and 11.5;

(c) any purchase money mortgage or other Lien existing on any Property of the Company or a Subsidiary at the time of acquisition, whether or not assumed, or created contemporaneously with the acquisition or construction of Property, to secure or provide for the payment of the purchase or construction price of such Property, and any conditional sales agreement or other title retention agreement with respect to any Property hereafter acquired; *provided, however*, that (i) the aggregate principal amount of the Indebtedness secured by all such mortgages and other liens on a particular parcel of Property shall not exceed 100% of the lesser of the total cost or fair market value at the time of the acquisition or construction of such Property, including the improvements thereon (as determined in good faith by the Board of Directors of the Company) and (ii) all such Indebtedness shall have been incurred within the applicable limitations provided in Sections 11.4 and 11.5;

(d) refundings or extensions of any Lien permitted by this Section 11.3 for amounts not exceeding the principal amount of the Indebtedness so refunded or extended at the time of the refunding or extension thereof, and covering only the same Property theretofore securing the same;

(e) deposits, Liens or pledges to enable the Company or a Subsidiary to exercise any privilege or license, or to secure payment of worker's compensation, unemployment insurance, old age pensions or other social security, or to secure the performance of bids, tenders, contracts or leases to which the Company or a Subsidiary is a party, or to secure public or statutory obligations of the Company or a Subsidiary, or to secure surety, stay or appeal bonds to which the Company or a Subsidiary is a party; or other similar deposits or pledges made in the ordinary course of business;

(f) mechanics', workmen's, repairmen's, materialmen's or carrier's liens or other similar Liens arising in the ordinary course of business; or deposits or pledges to obtain the release of any such Liens;

(g) Liens arising out of judgments or awards against the Company or a Subsidiary with respect to which the Company or a Subsidiary shall in good faith be prosecuting an appeal or proceedings for review and in respect of which a stay of execution pending such appeal or proceeding for review shall have been secured; or Liens incurred by the Company or a Subsidiary for the purpose of obtaining a stay or discharge in the course of any legal proceeding to which the Company or a Subsidiary is a party;

(h) Liens for taxes (x) not yet subject to penalties for non-payment or (y) being contested *provided*, payment thereof is not required by Section 11.2; or minor survey exceptions, or minor encumbrances, easements or reservations of, or rights of others for, rights of way, sewers, electric lines, telegraph and telephone lines and other similar purposes, or zoning or other restrictions as to the use of real Properties, which encumbrances, easements, reservations, rights and restrictions do not in the aggregate materially detract from the value of said Properties or materially impair their use in the operation of the business of the Company or a Subsidiary;

(i) pledges, assignments and other security devices entered into in connection with the financing or refinancing of customer's conditional sales contracts;

(j) Liens incurred in connection with the lease of conversion burners and water heaters to customers;

(k) Liens incurred in connection with agreements for the financing of gas, nuclear and other fuel inventories and cushion gas;

(l) Liens on Property acquired through the merger or consolidation of another utility company with or into, or the purchase of all or substantially all of the assets of another utility company by, the Company or a Subsidiary, *provided* that such Lien does not extend to other Property of the Company or a Subsidiary; and

(m) Security interests in, and pledges of, the Company's rights and benefits under contracts which have been or may be entered into by the Company and other New England utility companies in connection with participation by the Company and such other utilities in the Hydro-Quebec Interconnection Support Agreements.

If at any time the Company or a Subsidiary shall create or assume any Lien not permitted by this Section, to which the covenant in the first paragraph of this Section 11.3 is applicable, the Company will promptly deliver to each holder of record of the Notes then outstanding:

(a) an Officers' Certificate stating that the covenant of the Company contained in the first paragraph of this Section 11.3 has been complied with; and

(b) an Opinion of Counsel addressed to such holders to the effect that such covenant has been complied with, and that any instruments executed by the Company in the performance of such covenant comply with the requirements of such covenant.

Section 11.4. Limitation on Funded Indebtedness. The Company will not, nor will it permit any Subsidiary to, create, incur or assume any Funded Indebtedness other than:

(a) Funded Indebtedness evidenced by the Notes;

(b) Funded Indebtedness outstanding on the date hereof which is described on Schedule II hereto; and

(c) additional Funded Indebtedness so long as (i) the aggregate outstanding principal amount of such Funded Indebtedness, after giving effect to the application of the proceeds thereof (subject to the proviso set forth hereafter) and when added to all other Funded Indebtedness of the Company and its Subsidiaries then outstanding, does not exceed 65% of the Total Capitalization; *provided*, that in giving effect to the application of such proceeds, only applications which are substantially contemporaneous with the incurrence of such additional Funded Indebtedness shall be given such effect, except that if the application of such proceeds involves the redemption of other securities of the Company, and such redemption cannot be made substantially contemporaneously with the incurrence of such additional Funded Indebtedness, then such intended redemption shall nevertheless be given effect for purposes hereof if either (1) the Company shall have given irrevocable written notice of redemption of such other securities to the holders thereof at or prior to the time of the incurrence of such additional Funded Indebtedness and such redemption is thereafter made in accordance with the terms of such notice, or (2) if such notice was not permitted to be given at or prior to the time of the incurrence of such additional Funded Indebtedness and the redemption will occur within 180 days after such incurrence, then (A) the proceeds of such Funded Indebtedness to be used for such redemption shall have been set aside in an escrow or trust account with a United States bank or other financial institution having capital and surplus of at least \$35,000,000, together with written instructions to the escrow agent or trustee to send notice of redemption of such securities provided by the Company to the holders thereof in accordance with the terms of such securities and thereafter to use such proceeds for such redemption in accordance with the terms of such notice, such escrow or trust account to also provide (x) that the funds set aside therein are not to be released to or for the benefit of the Company except for the purpose of accomplishing the redemption contemplated thereby, or with the prior written consent of all holders of Notes then outstanding, and (y) that if the funds set aside therein are invested in securities by such bank or financial institution, they shall be invested only in direct obligations of the United States of America maturing in not more than 180 days, and (B) unless otherwise agreed to in writing by all of the holders of Notes then outstanding, the redemptions to be funded from such escrow or trust account is actually made in accordance with the terms under which such escrow or trust account is established; and (ii) Earnings Available for Interest of the Company and its Subsidiaries shall equal or exceed, for at least twelve (12) consecutive calendar months out of the fifteen (15) months immediately preceding the proposed creation, incurrence or assumption of such Funded Indebtedness, two times all amounts of interest for which the Company and its Subsidiaries will, for the twelve month period immediately following the date of such creation, incurrence or assumption, be obligated on account of all Funded Indebtedness to be outstanding immediately thereafter, in each case after giving effect to the application of the proceeds of such Funded Indebtedness (subject to the proviso set forth in clause (i) of this subdivision (c) of this Section 11.4) and (iii) in the case of additional Subsidiary Indebtedness, the Subsidiary shall be in compliance with Section 11.5.

Any corporation which becomes a Subsidiary after the date hereof shall for all purposes of this Section 11.4 be deemed to have created, assumed or incurred at the time it becomes a Subsidiary all Funded Indebtedness of such corporation existing immediately after it becomes a Subsidiary.

Section 11.5. Limitation on Subsidiary Indebtedness. In addition to the limitations contained in Section 11.4, no Subsidiary shall create, incur, assume or become liable for or have outstanding, or permit its Property to be subject to a lien securing any Funded Indebtedness if, after giving effect thereto and to any concurrent transaction, the aggregate amount of all Funded Indebtedness of all Subsidiaries would exceed 20% of the aggregate amount of total common stock equity, preference stock and preferred stock of the Company as presented in accordance with generally accepted accounting principles on a consolidated balance sheet of the Company as of such date.

Section 11.6. Restriction on Dividends. Other than dividends payable solely in shares of its own common stock, the Company will not declare or pay any dividend or make any other distribution on any shares of its common stock or apply any of its Property or assets (other than amounts equal to net proceeds received from the sale of common stock of the Company subsequent to the date of this Agreement) to the purchase or retirement of, or make any other distribution, through reduction of capital or otherwise, in respect of any shares of its common stock (which dividends, distributions, purchases and retirements are hereinafter referred to as “*distributions*”) if, after giving effect to such distribution, the aggregate of all such distributions declared, paid, made or applied subsequent to December 31, 2002, plus the amount of all regular dividends declared on any class of preferred stock of the Company subsequent to December 31, 2002 and all amounts charged to retained earnings after December 31, 2002 in connection with the purchase or retirement of any shares of preferred stock or preference stock of the Company, would exceed an amount equal to the sum of \$5,100,000 plus (or minus in the event of a deficit) Net Income (Deficit) accumulated after December 31, 2002.

For the purposes of this Section 11.6, the amount of any distribution declared, paid or distributed in Property shall be deemed to be the fair market value (as determined in good faith by the Board of Directors of the Company) of such Property at the time of the making of the distribution in question.

Section 11.7. Nature of Business. Neither the Company nor any Subsidiary will engage in any business if, as a result, the general nature of the business, taken on a consolidated basis, which would then be engaged in by the Company and its Subsidiaries would be substantially changed from the general nature of the business engaged in by the Company and its Subsidiaries on the date of this Agreement; *provided*, that any sale or other disposition of the Company’s natural gas distribution business shall not be deemed to be a change in the general nature of the business of the Company and its Subsidiaries.

Section 11.8. Corporate Existence, Etc. The Company will preserve and keep in full force and effect, and will cause each Subsidiary to preserve and keep in full force and effect, its corporate existence and all licenses and permits necessary to the proper conduct of its business; *provided, however*, that the foregoing shall not prevent any transaction permitted by

Section 11.11 nor shall the foregoing prevent any transaction involving the liquidation or dissolution of any Subsidiary of the Company so long as such liquidation or dissolution would not have a material impact on the Company and its Subsidiaries taken as a whole.

Section 11.9. Maintenance of Insurance. The Company will insure and keep insured, and will cause every Subsidiary to insure and keep insured, to a reasonable amount with reputable insurance companies, so much of their respective Properties as companies engaged in a similar business and to the extent such companies in accordance with good business practice customarily insure Properties of a similar character against loss by fire and from other causes or, in lieu thereof, in the case of itself or its Subsidiaries, the Company will maintain or cause to be maintained a system or systems of self-insurance which will accord with the approved practices of companies owning or operating Properties of a similar character and maintaining such systems, and of a size similar to that of the Company's ultimate corporate parent, including the Company and all other direct and indirect subsidiaries of such ultimate corporate parent on a consolidated basis.

Section 11.10. Maintenance of Properties; Etc. The Company will, and will cause every Subsidiary to, maintain, preserve, protect and keep its Properties in good repair, working order and condition, and from time to time make all needful and proper repairs, renewals, replacements, additions and improvements thereto so that its business and every portion thereof may be properly and advantageously conducted at all times.

Section 11.11. Merger or Consolidation; Sale or Transfer of Assets. The Company will not (a) consolidate with or be a party to a merger with any other corporation or (b) sell, lease or otherwise dispose of all or substantially all of the assets of the Company and its Subsidiaries; *provided, however,* that the Company may consolidate or merge with any other corporation, or sell, lease or otherwise dispose of all or substantially all of the assets of the Company and its Subsidiaries, if (i) the corporation which results from such consolidation or merger or the corporation to which the Company sells, leases or otherwise disposes of all or substantially all of its and its Subsidiaries' assets (in either case, the "*surviving corporation*") is either the Company (in the case of a merger or consolidation), or, if not, is organized under the laws of any State of the United States or the District of Columbia, (ii) if the surviving corporation is not the Company, the obligations of the Company under this Agreement and the Notes are expressly assumed in writing by the surviving corporation and the surviving corporation shall furnish the holders of the Notes an opinion of counsel satisfactory to such holders to the effect that the instrument of assumption has been duly authorized, executed and delivered and constitutes the legal, valid and binding contract and agreement of the surviving corporation enforceable in accordance with its terms, except as enforcement of such terms may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general equitable principles, and (iii) at the time of such consolidation or merger or sale, lease or other disposition of all or substantially all of the Company's and its Subsidiaries' assets, and immediately after giving effect thereto, no Default or Event of Default shall have occurred and be continuing and the Company or the surviving corporation, as the case may be, could incur at least \$1.00 of additional Funded Indebtedness pursuant to Section 11.4.; *provided, further* that the Company will be permitted to sell its generating assets and power purchase entitlements without the consent of the Purchaser, pursuant to the Company's restructuring plan filed with the MDTE on December 31, 1997.

Section 11.12. Books of Account and Reports. The Company will keep true records and books of account in which full, true and correct entries will be made of all dealings or transactions in relation to the business and affairs of the Company and its Subsidiaries, in accordance with such system of accounts and orders as shall be prescribed by governmental authorities having jurisdiction in the premises, or, in the absence thereof, in accordance with generally accepted accounting principles, and will file such reports and documents with such Federal and state governmental authorities as may be required by law.

Section 11.13. Transactions with Affiliates. Neither the Company nor any Subsidiary will enter into any transaction, including, without limitation, the purchase, sale or exchange of Property or the rendering of any service, with any Affiliate except in the ordinary course of and pursuant to the reasonable requirements of the Company's or such Subsidiary's business and upon fair and reasonable terms no less favorable to the Company or such Subsidiary than would obtain in a comparable arm's-length transaction with a Person not an Affiliate, except as may be necessary in order for the Company to comply with requirements of any applicable state or federal statute or regulation; *provided, however*, that if it is not possible to identify what terms would apply to a comparable arm's-length transaction with a Person not an Affiliate, such transaction shall be upon such terms as shall be fair and reasonable under the circumstances.

Section 11.14. Compliance with Laws. The Company will promptly comply in all material respects, and will cause each Subsidiary to comply in all material respects, with all laws, ordinances or governmental rules and regulations to which it is subject including, without limitation, the Occupational Safety and Health Act of 1970, as amended, ERISA and all laws, ordinances, governmental rules and regulations relating to environmental protection in all applicable jurisdictions, the violation of which would materially and adversely affect the properties, business, prospects, or financial condition of the Company and its Subsidiaries taken as a whole or would result in any Lien not permitted under Section 11.3.

SECTION 12. INFORMATION AS TO THE COMPANY.

Section 12.1. Accounting; Financial Statements and Other Information. The Company will deliver (in duplicate) to the Purchaser, so long as it is the holder of any Notes, and to each Institutional Holder of at least 5% in principal amount of the Notes at the time outstanding:

The Company further agrees, to the extent permitted by law, to pay to the holder or holders of the Notes all reasonable costs and expenses incurred by them in the collection of any Notes upon any default hereunder or thereon, including reasonable compensation to such holder's or holders' attorneys for all services rendered in connection therewith. No course of dealing and no delay on the part of any holder of any Note in exercising any right shall operate as a waiver thereof or otherwise prejudice such holder's rights, powers or remedies. No right, power or remedy conferred by this Agreement or by any Note upon any holder thereof shall be exclusive of any other right, power or remedy referred to herein or therein or now or hereafter available at law, in equity, by statute or otherwise.

Re: 6.79% Notes of Fitchburg Gas and Electric Light Company

Ladies and Gentlemen:

This opinion is being furnished to you pursuant to Section 4.5 of the Note Agreement dated as of October 15, 2003 (the "*Note Agreement*") among Fitchburg Gas and Electric Light Company, a Massachusetts corporation (the "*Company*") and you relating to the issue and sale of \$10,000,000 aggregate principal amount of the Notes. We have acted as counsel for the Company, in connection with the foregoing matter and are, therefore, familiar with the proceedings taken in connection therewith. This opinion is being delivered concurrently with the delivery of payment for the Notes in accordance with the Note Agreement. Capitalized terms defined in the Note Agreement, when used herein, have the meanings so defined.

In connection herewith, we have examined originals (or copies certified or otherwise identified to our satisfaction) of

- (i) the Note Agreement;
- (ii) the Notes;
- (iii) the records of corporate proceedings of the Company in connection with the authorization of the execution and delivery of the Note Agreement and the Notes and the consummation of the transactions contemplated by the Note Agreement;
- (iv) the Articles of Organization and By-Laws of the Company, including all amendments thereto, certified by the Clerk of the Company;
- (v) a Certificate of Good Standing with respect to the Company executed by the Secretary of the Commonwealth of Massachusetts dated October 14, 2003;

EXHIBIT C
(to Note Agreement)

(vi) the order of the Massachusetts Department of Telecommunications and Energy (“*MDTE*”) dated September 25, 2003 authorizing the issuance and sale of the Notes;

(vii) the Annual Report on Form 10-K of Unitil Corporation, a New Hampshire Corporation (“*Unitil*”), Unitil’s Quarterly Reports on Form 10-Q for the fiscal quarters ended March 31, 2003 and June 30, 2003 and Unitil’s Current Reports on Form 8-K filed on January 17, 2003, February 12, 2003, April 17, 2003 and August 29, 2003 (collectively, the “*SEC Reports*”); and

(viii) such other instruments, certificates, documents, contracts and records of the Company as we have deemed necessary or appropriate for the purposes of the opinion rendered hereby.

In such examination, we have assumed the genuineness of all signatures (other than the signatures of Company officers), the authenticity of all documents submitted to us as originals, the conformity to the original documents of all documents submitted to us as copies, the authenticity of the originals of such latter documents and the legal capacity of all parties to such documents except the Company. As to questions of fact material to the opinions set forth herein, we have relied, without independent investigation, upon statements by or certificates of officers and other representatives and agents of the Company, public officials and others and have examined the representations and warranties contained in the Note Agreement and have relied upon, without independent verification, the relevant facts stated therein.

We also have assumed that you have all requisite power and authority and have taken all necessary corporate or other action to execute and deliver the Note Agreement, to purchase and to hold the Notes and to effect the transactions contemplated by the Note Agreement.

Based upon and subject to the foregoing and the other qualifications and limitations set forth herein, we are of the opinion that:

(1) The Company is a corporation, validly existing and in good standing under the laws of the Commonwealth of Massachusetts, has corporate power and authority to carry on its business and own its Property and is duly authorized to enter into and perform the Note Agreement and to issue the Notes and incur the Indebtedness to be evidenced thereby.

(2) The Note Agreement has been duly authorized, executed and delivered by the Company and constitutes the legal, valid and binding agreement of the Company enforceable in accordance with its terms, except as enforcement thereof may be limited by the effect of any applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or similar laws affecting the rights of creditors generally from time to time in effect, and general principles of equity (regardless of whether such enforceability is considered in equity or at law).

(3) The Notes have been duly authorized by proper corporate action on the part of the Company, have been duly executed and delivered by authorized officers of the Company and constitute the legal, valid and binding obligations of the Company enforceable in accordance with their terms, except as enforcement thereof may be limited by the effect of any applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or similar laws affecting the rights of creditors generally from time to time in effect, and general principles of equity (regardless of whether such enforceability is considered in equity or at law).

(4) The issuance, sale and delivery of the Notes under the circumstances contemplated by the Note Agreement are exempt from the registration requirements of the Securities Act of 1933, as amended, and do not under existing law require the qualification of an indenture in respect thereof under the Trust Indenture Act of 1939.

(5) To our knowledge, the Company is duly licensed or qualified and is in good standing as a foreign corporation in each jurisdiction in which the character of the properties owned or leased by it or the nature of the business transacted by it makes such licensing or qualification necessary except where the failure so to qualify does not have a material adverse effect on the condition (financial or other), business, properties, net worth or results of operations of the Company taken as a whole.

(6) To our knowledge, the issuance and sale of the Notes and the execution, delivery and performance by the Company of the Note Agreement do not conflict with or result in any breach of any of the provisions of, or constitute a default under or result in the creation or imposition of any lien upon any of the Property of the Company, under the provisions of the Articles of Organization or By-Laws of the Company or any agreement or other instrument to which the Company is a party or by which the Company is bound that is an exhibit to any of the SEC Reports or is known to us after reasonable inquiry.

(7) The issue and sale of the Notes have to the extent required by law been duly authorized by an order of the MDTE, such order is in full force and effect, the applicable appeal period with respect to the MDTE order has expired and no other consent, exemption, approval or authorization by any other governmental authority is required in connection with the execution and delivery of the Note Agreement or the issue, sale and delivery of the Notes.

(8) Assuming that the proceeds of the sale of the Notes will be used only for the purposes set forth in Section 6 of the Note Agreement, none of the transactions contemplated in the Note Agreement (including, without limitation thereof, the use of the proceeds from the sale of the Notes) will violate or result in a violation of Section 7 of the Securities Exchange Act of 1934, as amended, or any regulations issued pursuant thereto, including, without limitation, Regulations U, T and X of the Board of Governors of the Federal Reserve System, 12 C.F.R., Chapter II.

(9) To our knowledge, without conducting a search of any dockets, other than as described in the SEC Reports (including all exhibits and schedules thereto), there are

no actions, suits, investigations or proceedings to which the Company is a party in any court or before any governmental authority which involve the possibility of materially and adversely affecting the business or condition of the Company or the ability of the Company to perform its obligations under the Note Agreement or the Notes; and the Company is not, to our knowledge, in default with respect to any order, judgment or decree of any court or governmental authority.

(10) The Company is subject to the jurisdiction of (i) the MDTE and (ii) the SEC under the Public Utility Holding Company Act of 1935, as amended.

With respect to our opinions herein rendered to our knowledge, we have based such opinions on a certificate of an officer of the Company, due inquiry of such officer and other officers of the Company and review of such of the Company's records as may be identified as relevant in the officer's certificate. We have not undertaken to review all agreements to which the Company may be a party.

We express no opinion herein as to the laws of any jurisdiction other than the Commonwealth of Massachusetts and the federal law of the United States of America.

This opinion is furnished by us as counsel to the Company and is solely for the benefit of you, your successors and assigns and your special counsel, Chapman and Cutler, LLP in connection with the issue and sale of the Notes, and may not be relied on by you, your successors and assigns or your special counsel for any other purpose or used, circulated, quoted or referred to in any manner or for any purpose by any other person, nor may copies be delivered to any other persons without our express written consent.

Very truly yours,
