Dear Mr. Dennis D. Oklak:

We have reviewed your response letter dated June 21, 2009 and have the following additional comments. Where indicated, we think you should revise your documents in response to these comments. If you disagree, we will consider your explanation as to why our comments are inapplicable or a revision is unnecessary. Provide to us the information requested if indicated and please be as detailed as necessary in your explanation.

FORM 10-K FOR THE YEAR ENDED DECEMBER 31, 2009

Financial Statements and Notes

Note 8 – Segment Reporting, page 75

1. We read your response to comment three, reviewed the segment disclosure in your Form 10-Q for the three months ended March 31, 2009 and note that while you have removed the subtotal for Segment FFO, you have continued to provide FFO on a segment basis. As stated in our previous comment, to the extent your segment FFO provides adjustments that do not appear to comply with the definition adopted by NAREIT you should clearly describe that it is a modified measure that differs from the NAREIT definition and explain the basis for those adjustments.
