SECTION 4
Eligibility and Participation

1. Selection of Participants. The Administrator will select the Employees who will participate in the Annual Incentive Program for an Award Year at the beginning of each Award Year, in its discretion. To the extent the Administrator deems it appropriate during an Award Year, the Administrator may designate additional Participants to participate in the Annual Incentive Program for the Award Year. Participants must be current Employees who have a direct, significant, and measurable impact on the attainment of the Company's goals and objectives. SECTION 5
Establishment and Calculation of Awards

1. Establishment of Annual Incentive Program. (a) At the beginning of an Award Year, the Administrator will establish in writing the material terms and conditions applicable to the Annual Incentive Program, including, without limitation, the relevant performance goals, Award amounts payable based on the extent to which the performance goals are met, and the potential effect of individual Participant contributions during the Award Year, for the Employees selected to participate in the Annual Incentive Program for the Award Year.

(b) For Participants who are not Covered Executives, the material terms and conditions of an Annual Incentive Program shall be proposed by the CEO but approved by the Compensation Committee.
2. Determination at Year End. Following the end of each Award Year the Administrator shall determine the extent to which performance goals were met for the Award Year for each Participant. In making such determination, the Administrator may include or exclude the impact of any nonrecurring, unusual events that occur during the Award Year including without limitation (i) asset write-downs; (ii) litigation or claim judgments or settlements; (iii) the effect of changes in tax laws and other laws, accounting principles, or provisions affecting reported results; (iv) any reorganization or

restructuring programs; (v) extraordinary, nonrecurring items as described in Accounting Principles Board Opinion No. 30 or in management's discussion and analysis of financial condition and results of operations appearing in the Company's annual report to shareholders for the applicable year; (vi) acquisitions or divestitures; and (vii) foreign exchange gains and losses.

3. Calculating Award Amounts. The Administrator shall calculate the Award amounts payable at the end of an Award Year for each Participant based on the extent to which the relevant performance goals were achieved during the Award Year. The Administrator, in its discretion, may further adjust an Award to reflect individual Participant contributions during the Award Year. If minimum performance goals are not achieved for an Award, no payment will be made under the Award; provided, however, that the Board, in its sole discretion, may establish a separate discretionary amount distributable as Awards to Participants under the Plan which shall be allocated at the discretion of the Administrator.
4. CEO Authority: The CEO may take the same actions as the Administrator under Sections 5.2 and 5.3 with regard to Employees who are not Covered Executives.

2. Set-Off. The Company shall have the right to set off against any Award payable hereunder, the amount of any loan or advance made by the Company or an Affiliate to the Participant.

2. Death, Disability and Retirement. If a Participant's employment terminates prior to payment being made under an Award due to the Participant's death, Disability, or Retirement, the Company shall pay an Award to the Participant or the Participant's estate at such time as Awards are payable generally to other Participants, pro-rated, to the extent necessary to reflect the number of full and partial months during the Award Year which the Participant was employed by the Company.

SECTION 8
Section 162(m) Awards

1. Generally. The Administrator may determine that an Award granted to a Covered Executive will be granted in a manner such that the Award qualifies for the performance-based compensation exemption of Section 162(m) of the Code ("Performance-Based Awards"). Such Performance-Based Awards shall be based on achievement of hurdle rates and/or growth rates in one or more business criteria that apply to the individual participant, one or more business units, or the Company as a whole. In addition, Performance-Based Awards may include comparisons to the performance of other companies, such performance to be measured by one or more business criteria.

2. Business Criteria. The business criteria to be used for Performance-Based Awards shall be as follows, individually or in combination: (1) net earnings; (2) earnings per share; (3) net sales growth; (4) market share; (5) operating profit; (6) earnings before interest and taxes (EBIT); (7) earnings before interest, taxes, depreciation and amortization (EBITDA); (8) gross margin; (9) expense targets; (10) working capital targets relating to inventory and/or accounts receivable; (11) operating margin; (12) return on equity; (13) return on assets; (14) planning accuracy (as measured by comparing planned results to actual results); (15) market price per share; (16) total return to stockholders; (17) cash flow and/or cash flow return on equity; (18) recurring after-tax net income; (19) gross revenues; (20) return on invested capital; (21) safety; (22) cost management; (23) productivity ratios; (24) operating efficiency; (25) accomplishment of mergers, acquisitions, dispositions or similar extraordinary business transactions; (26) bond ratings; (27) economic value added; (28) book value per share; (29) strategic initiatives; (30) employee satisfaction; (31) cash management or asset management metrics; (32) regulatory performance; (33) dividend yield; (34) dividend payout ratio; (35) pre-tax interest coverage; (36) P/E ratio; (37) capitalization targets; (38) customer value/satisfaction; (39) inventory; (40) inventory turns; (41) availability and/or reliability of generation; (42) outage duration; (43) outage frequency; (44) trading floor earnings; (45) budget-to-actual performance; (46) customer growth; (47) funds from operations; (48) interest coverage; (49) funds from operations/average total debt; (50) funds from operations/capital expenditures; (51) total debt/total capital; (52) electric service power quality and reliability, (53) resolution and/or settlement of litigation and other legal proceedings, (54) corporate responsibility, (55) power supply, (56) total equity/ total capital, and (57) economic strength.

3. Establishment of Performance Goals. With respect to Performance-Based Awards, the Administrator shall establish in writing (i) the applicable performance goals, and such performance goals shall state, in terms of an objective formula or standard, the method for computing the amount of an Award if such performance goals are obtained, and (ii) the individual Employees or class of Employees to which such performance goals shall apply, in each case no later than ninety (90) days after the commencement of the Award Year.

4. Certification of Performance. No Performance-Based Awards shall be payable to any Participant until the Administrator certifies in writing that the applicable performance goals (and any other material terms) have been satisfied.
5. Other Requirements. With respect to any Awards intended to qualify as Performance-Based Awards, after establishment of a performance goal, the Administrator shall not revise such performance goal or increase the amount payable thereunder upon the attainment of such performance goal (in accordance with the requirements of Section 162(m) of the Code and the regulations thereunder). Notwithstanding the preceding sentence, (i) the Administrator may adjust downward, but not upward, the amount payable pursuant to such Award upon attainment of the performance goals, (ii) the Administrator may waive the achievement of the applicable performance goals in the case of the death or Disability of the Participant, or under such other conditions where such waiver will not jeopardize the treatment of other Awards as "qualified performance-based compensation" under Section 162(m), and (iii) the Administrator shall disregard or offset the effect of any "Extraordinary Items" in determining the attainment of performance goals. For this purpose, "Extraordinary Items" means extraordinary, unusual and/or non-recurring items, including but not limited to, (i) regulatory disallowances or other adjustments, (ii) restructuring or restructuring-related charges, (iii) gains or losses on the disposition of a business or major asset, (iv) changes in regulatory, tax or accounting regulations or laws, (v) resolution and/or settlement of litigation and other legal proceedings or (vi) the effect of a merger or acquisition. 6. Dollar Limit. No Performance-Based Award to a Covered Executive for an Award Year shall result in a payment in excess of \$2 million.

SECTION 9 Adjustments Upon Changes in Capitalization

1. Changes to Company. In the event of a reorganization, merger, or consolidation of which the Company is not the surviving corporation, or upon the sale of substantially all the assets of the Company to another entity, or upon the dissolution or liquidation of the Company, the Award Year will terminate on the effective date of such transaction and the Company or its successor shall determine the amount, if any, payable with respect to such Award Year, unless the documents effecting such event provide for the continuance of the Plan and the assumption of such Awards or the substitution of such Awards for awards of equivalent value under a program of the successor.
2. Changes to Subsidiary. In the event of the reorganization, merger, consolidation, or sale of substantially all of the assets of a subsidiary of the Company to another entity not related to the Company, any Award to a Participant that is an employee of such subsidiary shall be treated in the manner determined by the Board in its discretion.

3. Authority Under this Section. Adjustments under this Section 9 will be made by the Board, whose determination as to what adjustments will be made and the extent will be final, binding, and conclusive.

SECTION 10 General Provisions

1. No Right to Participate or Receive an Award. Nothing in the Plan or in any communication evidencing an Award shall be deemed to give a Participant or a Participant's legal representative or any other person or entity claiming under or through a Participant any contract or right to receive an Award or any payment under the Plan.
2. No Employment Right. The Plan does not constitute or imply the existence of an employment contract between the Company or an Affiliate and any person. The Plan is not subject to the Employee Retirement Income Security Act of 1974, as amended from time to time.
6. Severability. If any provision of the Plan or any Award is or becomes or is deemed to be invalid, illegal, or unenforceable in any jurisdiction, or as to any Participant or Award, or would disqualify the Plan or any Award under any law deemed applicable by the Administrator, such provision shall be construed or deemed amended to conform to applicable laws, or if it cannot be so construed or deemed amended without, in the determination of the Administrator, materially altering the intent of the Plan or the Award, such provision shall be stricken as to such jurisdiction, Participant, or Award, and the remainder of the Plan and any such Award shall remain in full force and effect.
7. Choice of Law. The Plan shall be interpreted under the laws of the State of Oregon notwithstanding any conflict of law principles. Venue for all claims and actions related to or arising under the Plan shall be exclusively in the courts of the State of Oregon.

SECTION 11
Amendment, Suspension, or Termination of Plan
