ITEM 9. REGULATION FD DISCLOSURE.

On April 10, 2001, during a question and answer session with reporters and others following his keynote speech at the Seybold Publishing trade show in Boston, Adobe Systems Incorporated's Chief Executive Officer and President, Bruce Chizen was asked if there was any update on the current quarter's guidance. He responded "Nothing's changed."

"It's still early in the quarter," Mr. Chizen continued. "Obviously acceptance of Acrobat will play a big part in terms of how high the company's growth will be. But as we've demonstrated over the last eight to 10 quarters, we're a company that knows how to manage our business. ... We'll see what happens."
