Dear Mr. Walter:

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. Form 10-K for the Period Ended December 31, 2007

Exhibit 13, Portions of the Annual Report to Shareholders

Management's Discussion and Analysis of Financial Condition and Results of Operations, page 6

1. We refer to the "Provision for Loan Losses" section on page 6 that states your largest non-accruing commercial loan was for \$1.9 million to a local hospital that matured unpaid in June, 2007 and whose repayment is subject to bankruptcy proceedings. We note this loan continues to be classified as nonaccrual as of September 30, 2008, as stated on page 12 of the Form 10-Q for that period. In addition, we note the creditor's committee for the hospital filed a complaint against the bank to recover \$1 million previously paid on the loan and set aside the mortgage securing the remaining unpaid balance. Please tell us and in future filings provide the following information:
 - Discuss the specific SFAS 114 methodology used to determine the collectability of this loan taking into consideration the fair value of the underlying collateral, the duration of its delinquency status and the financial condition of the borrower who is presently in bankruptcy status.
 - Discuss the specific reasons why the Company has not charged-off this loan against the allowance for loan losses of \$3.2 million as of December 31, 2007 or of \$3.7 million as of September 30, 2008.
