9. Shareholders' Equity and Dividend Availability

Statutory Net Income and Policyholder Surplus, page 215

1. Please provide us proposed disclosure to be included in future periodic reports that addresses the following:
 - Regarding your disclosures of policyholder surplus, revise to explain whether this is the same as statutory capital and surplus as required by ASC 944-505-50-1a.
 - Although you disclose on page 31 that all of TRV's insurance subsidiaries had total adjusted capital in excess of the RBC requirement, disclose the amount of statutory capital and surplus necessary to satisfy regulatory requirements if significant in relation to actual statutory capital and surplus, as required under ASC 944-505-50-1b. If not significant, please clarify in the disclosure.
