General

1. Please provide us copies of the Board Books prepared by your financial advisor in connection with this merger.
2. We are unable to locate the financial statements and disclosure required by Item 13 of Schedule 14A. Please provide this information, or tell us how you concluded it is not required.
3. Please include the information required by Item 8 of Schedule 14A with regard to any officer or director who is anticipated to serve as an officer or director of Veru.

5. We note your disclosure of your plan to issue shares of Veru to Aspen Park stockholders pursuant to an exemption from registration under federal securities law. Please disclose the specific exemption and the qualifying characteristics of the Aspen shareholders.

Required Vote, page 45

6. We note your disclosure on page 3 that several members of your Board are subject to “support agreements”; please disclose in this section the percentage of shares that are subject to a voting agreement and owned by officers and directors that intend to vote for the merger.

Background of the Mergers, page 58

7. Please disclose more detail with regard to why the Company did not pursue transactions with Company A and Company B.
8. We note that you hired a consultant who will be compensated with stock options for participating in the merger negotiations. Please disclose the identity of this consultant and the services provided to the Board.
9. We note that your financial advisor relied on the analysis of FHC and Aspen Park in its valuation of Aspen Park and its determination of fairness. 10. Disclosure on page 73 indicates that the transaction fee payable to Torrey is based upon average sales prices for FHC Common Stock on the five trading days prior to the date of the closing of the Mergers. Please clarify, if true, that payment of this fee is contingent upon the closing, and that if the transactions were not to close, Torrey would only be entitled to the \$250,000 that was payable upon delivery of its opinion.

Restrictions on Sales of Shares of Veru Common Stock Received in the Mergers, page 82

11. Please provide us with your analysis as to why this transaction does not involve an offer or sale of common stock to your current shareholders under Securities Act Rule 145, given that the transaction on which shareholders are voting includes both the change of domicile of Female Health as well as the acquisition of Aspen. Rule 145(a)(2) excepts

statutory mergers from the definition of offer and sale only where the sole purpose of the transaction is to change the issuer's domicile.

12. Please remove the last sentence on this page that disclaims responsibility for the information in this section. You may include explanatory language in this section but you may not disclaim your responsibility under the federal securities laws.

Explanatory Note Regarding the Merger Agreement, page 86

13. We note your cautionary statements concerning the representations and warranties in the merger agreement. Please note that disclosure regarding an agreement's representations or covenants in a proxy statement (whether through incorporation by reference or direct inclusion) constitutes a disclosure to investors, and you are required to consider whether additional disclosure is necessary in order to put the information into context so that such information is not misleading. Please refer to Report of Investigation Pursuant to Section 21(a) of the Securities Exchange Act of 1934 and Commission Statement on potential Exchange Act Section 10(b) and Section 14(a) liability, Exchange Act Release No. 51283 (Mar. 1, 2005). Accordingly, if you continue to use these cautionary statements in your proxy statement, please revise them to remove any implication that the merger agreement does not constitute disclosure under the federal securities laws or that shareholders may not rely on this disclosure. In addition, please clarify that you will provide additional disclosure in your public reports to the extent that you are or become aware of the existence of any material facts that are required to be disclosed under federal securities law and that might otherwise contradict the representations and warranties contained in or incorporated into your proxy.

15. We note that FHC has not begun the valuation process and will allocate the excess purchase price to identifiable tangible and intangible assets and the excess to goodwill once the valuation is complete. Please revise your disclosure to indicate when you expect to commence the valuation process.
