Dear Mr. Bernstein:

We have reviewed the above referenced filing and have the following comment. Please note that our review has been limited in scope. If indicated, we think you should revise your document in response to this comment. If you disagree, we will consider your explanation as to why our comment is inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation. In some of our comments, we may ask you to provide us with supplemental information so we may better understand your disclosure. After reviewing this information, we may raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. We look forward to working with you in these respects. We welcome any questions you may have about our comments or any other aspect of our review. Feel free to call us at the telephone numbers listed at the end of this letter.

Item 11. Quantitative and Qualitative Disclosure About Market Risk, page 74

1. You disclose that your “financial results may be negatively impacted by foreign currency fluctuations.” We note also the disclosure relating to your exposure to currency fluctuations in risk factors and in the discussion of your operating and financial review and prospects. We note further that your management has publicly stated that the euro/dollar exchange rate was a significant factor in the decline in your revenues for the fourth quarter of fiscal 2008 as compared to the fourth quarter of fiscal 2007, because it reduced your European sales as expressed in dollars. In light of the foregoing, please tell us what consideration you gave to providing quantitative disclosure for the foreign currency exchange rate market risks pursuant to one of the three prescribed formats in Item 11(a)(1) of Form 20-F, or tell us why you believe such disclosure is not necessary.

In addition, please be advised that the Division of Enforcement has access to all information you provide to the staff of the Division of Corporation Finance in our review of your filing or in response to our comments on your filing.
