Dear Mr. Cohen:

# Form 10-K for the year ended December 31, 2011

# Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations

# General

1. We have considered your response to our prior comment 2. While we recognize that same store measures must be considered in the context of other performance information, and that the definition of "same store" may not be consistent across the industry, we continue to believe when accompanied by clear disclosure on how "same store" is calculated, an analysis of same store performance, whether based on same store NOI or some other relevant same store metric, would provide useful information to investors regarding management's ability to improve the performance of the portfolio. Please revise your future filings to include this information or explain to us where a similar analysis has already been included. Include an example of any proposed disclosure in your response.

## Financial Statements

#### Consolidated Statements of Operations, page 40

2. We have considered your response to our prior comment 4. We remain unclear how you determined it would be appropriate to present impairment as two separate captions on the face of your statements of operations.

## 11. Mortgages and Other Financing Receivables, page 67

- 3. We have considered your response to our prior comment 6. Please address the following items related to your financing receivable disclosures:
  - Explain to us how you have met the disclosure requirements of ASC Topic 310-10-50-7.
  - We are unclear how you arrived at the conclusion that none of the disclosures in ASC Topic 310-10-50-11B were applicable. Particularly, we are unsure why the disclosure discussed in ASC Topic 310-10-50-11B-c is not required.
  - Clarify for us how you have met the disclosure requirements of ASC Topic 310-10-50-15-a-3 and ASC Topic 310-10-50-c related to your investment in impaired loans.
  - We are uncertain how the information disclosed in Schedule IV to your Form 10-K meets the disclosure requirements of ASC Topic 310-10-50-27 through ASC Topic 310-10-50-30.

In responding to our comments, please provide a written statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
