Dear Mr. Laudenslager:

We have limited our review of your filing to those issues we have addressed in our comments. Where indicated, we think you should revise your document in response to these comments. If you disagree, we will consider your explanation as to why our comment is inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure. After reviewing this information, we may raise additional comments.

The purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. We look forward to working with you in these respects. We welcome any questions you may have about our comments or any other aspect of our review. Feel free to call us at the telephone numbers listed at the end of this letter.

Proposal No. 1 Amendment to the Articles of Incorporation, page

1. Please revise to discuss why you plan to participate in the Treasury Department's Capital Purchased Program and describe the current status of your application.

2. Clearly disclose, if true, that the Treasury Department is not obligated to accept your application to participate in the Capital Purchase Program and that the estimated proceeds of your proposed sale of securities to the Treasury Department are not guaranteed.
3. Discuss any material effect on your company, including liquidity, capital resources and compliance, or results of operations if the proposal is approved and the Treasury Department denies you application.

Financial Statements

4. If you expect the proceeds of the sale of securities to the Treasury Department to have a material impact on your financial statements, you may provide a discussion of the pro forma effect rather than pro forma financial statements. In your discussion, please address the impact of both the minimum and maximum estimated proceeds.

Closing Comments

As appropriate, please amend your filing and respond to these comments. You may wish to provide us with marked copies of the amendment to expedite our review by showing deleted sections as strikethrough and added sections as underlining. Please furnish a cover letter with your amendment that keys your responses to our comments and provides any requested supplemental information. Detailed cover letters greatly facilitate our review. Please understand that we may have additional comments after reviewing your amendment and responses to our comments.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing reviewed by the staff to be certain that they have provided all information investors require for an informed decision. Since the filing persons are in possession of all facts relating to their disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comments, please provide, in writing, a statement acknowledging that:

- the filing person is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
