VARIABLE INTEREST RATE. The interest rate on this Agreement is subject to change from time to time based on changes in an independent index which is the Prime Rate as Published in the Wall Street Journal (the "Index"). The Index is not necessarily the lowest rate charged by Lender on its loans. If the Index becomes unavailable during the term of this loan, Lender may designate a substitute index after notice to Borrower. Lender will tell Borrower the current Index rate upon Borrower's request. The interest rate change will not occur more often than each Year. Borrower understands that Lender may make loans based on other rates as well. The Index currently is 8.000% per annum. The interest rate to be applied to the unpaid principal balance of the Note will be at a rate equal to the Index, resulting in an initial rate of 8.000% per annum. NOTICE: Under no circumstances will the interest rate on the Note be more than the maximum rate allowed by applicable law. Whenever increases occur in the interest rate, Lender, at its option, may do one or more of the following: (A) increase Borrower's payments to ensure Borrower's loan will pay off by its original final maturity date, (B) increase Borrower's payments to cover accruing interest, (C) increase the number of Borrower's payments, and (D) continue Borrower's payments at the same amount and increase Borrower's final payment.

PREPAYMENT; MINIMUM INTEREST CHARGE. In any event, even upon full prepayment of this Agreement, Borrower understands that Lender is entitled to a minimum interest charge of \$25.00. Other than Borrower's obligation to pay any minimum interest charge, Borrower may pay without penalty all or a portion of the amount owed earlier than it is due, Early payments will not, unless agreed to by Lender in writing, relieve Borrower of Borrower's obligation to continue to make payments under the payment schedule. Rather, early payments will reduce the principal balance due and may result in Borrower's making fewer payments. Borrower agrees not to send Lender payments marked "paid in full", "without recourse", or similar language. If Borrower sends such a payment, Lender may accept it without losing any of Lender's rights under this Agreement, and Borrower will remain obligated to pay any further amount owed to Lender. All written communications concerning disputed amounts, including any check or other payment instrument that indicates that the payment constitutes "payment in full" of the amount owed or that is tendered with other conditions or limitations or as full satisfaction of a disputed amount must be mailed or delivered to: Citywide Banks, PO Box 128, Aurora, CO 80040-0128.

LATE CHARGE. If a payment is 10 days or more late, Borrower will be charged 5.000% of the regularly scheduled payment.

INTEREST AFTER DEFAULT. Upon default, including failure to pay upon final maturity, at Lender's option, and if permitted by applicable law, Lender may add any unpaid accrued interest to principal and such sum will bear interest therefrom until paid at the rate provided in this Agreement (including any increased rate). Upon default, Lender, at its option, may, if permitted under applicable law, increase the variable interest rate on this Agreement to 21.000% per annum. The interest rate will not exceed the maximum rate permitted by applicable law.

CONTINUING VALIDITY. Except as expressly changed by this Agreement, the terms of the original obligation or obligations, including all agreements evidenced or securing the obligation(s), remain unchanged and in full force and effect.
