Form 8-K Filed January 24, 2008

General

1. Please amend your disclosures to state whether the principal accountant's report on the financial statements for either of the past two years contained an adverse opinion or disclaimer of opinion, or was modified as to uncertainty, audit scope, or accounting principles, and also describe the nature of each such adverse

opinion, the disclaimer of opinion or modification as required by Item 304(a)(1)(ii) of Regulation S-B. The disclosures should address the uncertainty regarding the company's ability to continue as a going concern.

2. Please amend your disclosures in the third paragraph under Item 4.01(a), to address the subsequent interim period through the date of resignation as required by Item 304(a)(1)(iv) of Regulation S-B.
3. Please amend your disclosures to specifically address whether, during the registrant's two most recent fiscal years and the subsequent interim period through November 19, 2007, Demetrius & Company, LLC was consulted on any matters identified within Items 304(a)(2)(i) and (ii) of Regulation S-B. Currently, you refer to the Davis Accounting Group.
4. In your amended Form 8-K, include a dated Exhibit 16 letter from the former accountants addressing the disclosures.

Please respond to these comments within five business days or tell us when you will provide us with a response. Please submit all correspondence and supplemental materials on EDGAR as required by Rule 101 of Regulation S-T. If you amend your filings, you may wish to provide us with marked copies of any amendment to expedite our review. Please furnish a cover letter with your amendment that keys your responses to our comments and provides any requested information. Detailed cover letters greatly facilitate our review. Please understand that we may have additional comments after reviewing your amendment and responses to our comments.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes all information required under the Securities Exchange Act of 1934 and that they have provided all information investors require for an informed investment decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comments, please provide, in writing, a statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.
