General

2. We note your response to prior comment six from our letter dated August 2, 2010. Your response indicates your view that your bonus program “does not fall within the concept of minimum thresholds and targets” as set forth in the Item 402 of Regulation S-K column requirements and that, therefore, you set forth only the maximum. With a view to disclosure in future filings, please explain to us, in light of the references to “good” and “excellent” thresholds on page 15 of your proxy, the reasoning behind your conclusion that threshold-level disclosure was not required in your Grants of Plan Based Awards table.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

You may contact Steve Lo at (202) 551-3394 or Tia Jenkins at (202) 551-3871 if you have questions regarding comments on the financial statements and related matters. Please contact Jay Williamson at (202) 551-3393 or Pam Howell at (202) 551-3357 with any other questions.

Sincerely,

John Reynolds
