**Item 1.01 Entry into a Material Definitive Agreement.**

On January 28, 2008, Kadant Jining Light Machinery Co., Ltd. (“Kadant Jining”), a wholly owned subsidiary of Kadant Inc. (“Kadant”), entered into a RMB40 million term loan agreement (the “Agreement”) with JPMorgan Chase Bank (China) Company Limited, Shanghai Branch (“JPMorgan Shanghai”). The Agreement permits Kadant Jining to borrow up to 40 million RMB, or approximately \$5.6 million at current exchange rates, in two tranches equal to 24 million RMB and 16 million RMB. Amounts borrowed under the first tranche must be repaid two years from the date of the Agreement, or January 28, 2010, and amounts borrowed under the second tranche must be repaid three years from the date of the Agreement, or January 28, 2011. The term loan will bear interest at 95% of the applicable short-term interest rate for an RMB loan of comparable term as published by The People’s Bank of China. Proceeds from the term loan will be used to pay off Kadant Jining’s existing loan with the Bank of China totaling 40 million RMB.

The Agreement contains informational and general covenants related to the business of Kadant Jining, including provision of financial statements, compliance with applicable law, and restrictions on indebtedness, mergers, acquisitions and dispositions. In addition, the obligations of Kadant Jining may be accelerated upon the occurrence of an event of default under the Agreement, which includes customary events of default such as payment defaults, defaults in the performance of covenants, misrepresentations, bankruptcy and insolvency related defaults, change in control, and defaults under certain other indebtedness of Kadant Jining and Kadant.

The term loan provided by JPMorgan Shanghai is secured by a Guaranty of Kadant dated July 30, 2007, as amended by an Amendment, Acknowledgement and Consent to Guaranty dated as of January 28, 2008 in favor of JPMorgan Shanghai (as amended, the “Guaranty”). The Guaranty secures the payment of all obligations under the Agreements as well as certain other loans and facilities provided to Kadant Jining and other Kadant subsidiaries in China, and provides a cross-default to Kadant’s existing Credit Agreement, dated as of May 9, 2005, as amended to date (the “US Credit Agreement”), between Kadant, the Foreign Subsidiary Borrowers from time to time parties thereto, the several lenders from time to time parties thereto and JPMorgan Chase Bank, N.A., as Administrative Agent and certain successor agreements to the US Credit Agreement.

The foregoing description of the transaction does not purport to be a complete statement of the parties’ rights and obligations under the Agreement or the Guaranty and is qualified in its entirety by reference to the full text of the Agreement, which is included as Exhibit 99 to this Current Report on Form 8-K, and to the Guaranty, which will be filed as an exhibit to Kadant’s annual report on Form 10-K for the fiscal year ended December 29, 2007.

**Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

The information set forth in Item 1.01 above with respect to the Agreement and Guaranty is incorporated herein in its entirety.
