Dear Mr. Gottlieb:

We have reviewed your filings and your response letter filed on April 8, 2009 and we have the following comments. We have limited our review to only your financial statements and related disclosures and will make no further review of your documents. Where indicated, we think you should revise your documents in response to these comments. If you disagree, we will consider your explanation as to why our comments are inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure. After reviewing this information, we may raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. We look forward to working with you in these respects. We welcome any questions you may have about our comments or any other aspect of our review. Feel free to call us at the telephone numbers listed at the end of this letter.

Form 10-K for the Year Ended December 31, 2007

Item 6. Selected Financial Data, page 7 of proposed Form 10-K/A

1. Please refer to prior comment 1 from our letter dated March 27, 2009. We note from page 8 of your draft amendment that you continue to report “revenues,” “cost of revenues,” “gross profit,” etc. from continuing operations for each reporting period presented within your selected financial data. Even though you added the line items entitled “loss from continuing operations” and “gain(loss) from discontinued operations” within your selected financial data table for each reporting period presented, it does not appear that you have revised your statement of operation information reported within this table for each reporting period presented to reflect the sale of your assets to DTS, Inc. in fiscal 2007 as discontinued operations in accordance with paragraph 43 of SFAS 144. Additionally, it does not appear that the selected financial data agrees to your audited financial statements on page 19 of your draft amendment. Please revise or advise.

Item 8. Financial Statements and Supplementary Data, page 16 of proposed Form 10-K/A

Note 12. Selected Quarterly Financial Data, page 28 of proposed Form 10-K/A

2. Please refer to prior comment 3 from our letter dated March 27, 2009. We note that you continue to report “revenues,” and “gross margin,” etc. from continuing operations for each quarterly reporting period presented within your selected quarterly financial data table. Even though you added the line items entitled “loss from continuing operations” and “gain(loss) from discontinued operations” within your selected quarterly financial data table for each reporting period presented, it does not appear that you have revised your statement of operation information reported in this table for each reporting period presented to reflect the sale of your assets to DTS, Inc. in fiscal 2007 as discontinued operations in accordance with paragraph 43 of SFAS 144. Please revise or advise.

Exhibit 31.1

3. Please refer to prior comment 9 from our letter dated February 18, 2009 and comment 8 from our letter dated March 27, 2009. We note your certifications filed pursuant to Exchange Act Rule 13a-14(a) included within your proposed filings are still not in the exact form prescribed by Item 601(b)(31) of Regulation S-K. Specifically, paragraph 1 for Gregory Schneider is not in the exact form and refers to the incorrect report. As previously requested, please revise your filings to include revised certifications that conform to the exact wording required by Item 601(b)(31) of Regulation S-K.

Refer to the guidance in Item 307 of Regulation S-K.
