Form 10-K for the year ended December 30, 2006  
File No. 001-12002**

Dear Mr. Bernstein:

We have limited our review of your filing to those issues we have addressed in our comments. If you disagree, we will consider your explanation as to why our comment is inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure. After reviewing this information, we may raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. We look forward to working with you in these respects. We welcome any questions you may have about our comments or any other aspect of our review. Feel free to call us at the telephone numbers listed at the end of this letter.

Form 10-K

Consolidated Statements of Cash Flows, page F-7

1. Reference is being made to the first paragraph on page 36. We note you anticipate that cash flow from operating activities will continue to provide adequate capital for all of the company's debt service payments, recurring capital expenditures and REIT distribution requirements. We also note that your distributions and dividends paid were in excess of net cash provided by operating activities. Discuss your distributions for each period in comparison to the cash flow from operating activities for each respective period as reported in the statement of cash flows. If the cash flows from operating activities were insufficient to pay the distribution for any period, disclose the dollar amount of the deficiency and the alternative source of cash used to fund the distribution.

Alternative sources would include such items as borrowings from related parties, bank borrowings, proceeds from loan sales, proceeds from equity offerings etc.

As appropriate, please respond to these comments within 10 business days or tell us when you will provide us with a response. Detailed cover letters greatly facilitate our review. Please file your cover letter on EDGAR. Please understand that we may have additional comments after reviewing your responses to our comments.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filings reviewed by the staff to be certain that they have provided all information investors require for an informed decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comments, please provide, in writing, a statement from the company acknowledging that

- the company is responsible for the adequacy and accuracy of the disclosure in the filings;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filings; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

In addition, please be advised that the Division of Enforcement has access to all information you provide to the staff of the Division of Corporation Finance in our review of your filings or in response to our comments on your filings.

You may contact Yolanda Crittendon, Staff Accountant, at (202) 551-3472 or the undersigned at (202) 551-3498 if you have questions.
