RE: Extension of Time to File Application for Slot Machine Licenses under Purchase Agreement

Gentlemen:

The Purchaser Parties have requested, and the Seller Parties have consented to such request for, more time to prepare and file the application to obtain the Slot Machine Licenses pursuant to clauses (x) and (y) of Section 5.01(a)(ii) of the Purchase Agreement. Except as specifically set forth in the next paragraph, the parties do not waive any rights, remedies, conditions, covenants, representations or warranties that are provided for in the Purchase Agreement dated June 5, 2006 (the "Purchase Agreement") or the schedules, exhibits or annexes thereto or that may otherwise be available to such parties. Except as modified hereby, the Purchase Agreement shall remain effective and enforceable in accordance with its terms. Capitalized terms that are not otherwise defined herein shall have the meaning ascribed to such terms in the Purchase Agreement.

Accordingly, effective as of August 11, 2006, the parties amend each of clause (3) of Section 4.01(a)(ii) and clause (3) of Section 5.01(a)(ii) of the Purchase Agreement, by deleting the words "**August 1, 2006**" therefrom and substituting therefor the words "**August 22, 2006**". The parties amend Section 12.01(c)(i) of the Purchase Agreement with respect to the Purchaser Parties' time to cure any default under Section 5.01(a)(ii) by deleting the words "**twenty (20) Business Days**" therefrom and substituting the words "**five (5) Business Days**" therefor. Notwithstanding the foregoing, the Seller Parties' cure period under Section 12.01(c)(i) with respect to their obligations under Section 4.01(a)(ii) shall remain "**twenty (20) Business Days**". The parties also agree that at least three (3) Business Days before submission of any application or joint application seeking to obtain the Slot Machine Licenses is submitted to the Division of Pari-mutuel Wagering, the Purchaser Parties shall deliver a draft of such application or joint application to the Shareholder Representative for his review.
