Notwithstanding any conflicting or inconsistent provisions hereof, (I) this release shall not extend to, impair or affect the rights and remedies of the Seller Parties to enforce this Second Amendment and to collect (and enforce its rights and remedies with respect to) the Contingent Purchase Price, interest thereon, the Seller’s Portion of Excess Net Proceeds and Late Payment Fee, if applicable, if and to the extent that the same becomes due as provided in this Agreement; and (II) if the Release Effective Date does not occur on or prior to the Closing Date, then this release and this Second Amendment shall be deemed null and void, *ab initio*, and shall have no force or effect.

b. The Seller Parties and the Shareholder Representative acknowledge and agree that (i) the Purchaser Parties do not acknowledge or admit any Liability or obligation whatsoever in connection with the release set forth in Section 9(a), above, nor with respect to any Seller Asserted Claims or matters referred to therein; and (ii) neither such release nor this Second Amendment shall create any evidence or support an inference that any of the Purchaser Parties acknowledges or admits any such Liability or obligation.

c. Provided that (and effective only if) Purchaser and Purchaser Affiliate pay the Remaining Purchase Price Payment, together with payment of applicable interest thereon and proration and credits pursuant to the Agreement, to the order of the Shareholder Representative (on behalf of Shareholders and Partners) on or prior to the Closing Date, in consideration of the execution of this Second Amendment, and for other good and valuable consideration, the receipt, adequacy and sufficiency of which are hereby conclusively acknowledged, each of the Purchaser Parties hereby, with effect only on the Release Effective Date, irrevocably releases and waives (i) all of the claims (including without limitation, each and every claim for breach, material

breach and/or default of the Purchase Agreement and/or willful misconduct) that are set forth or described in (collectively, the “Purchaser Asserted Claims”) that certain letter dated January 30, 2007 from the Purchaser Parties to the Seller Parties (the “January 30th Letter”), and (ii) any and all rights and/or remedies that such Purchaser Party may have against any one or more of the Seller Parties or the Shareholder Representative and with respect to such Purchaser Asserted Claims, and each of the Purchaser Parties hereby, with effect only on the Release Effective Date, irrevocably releases the Shareholder Representative and each of the Seller Parties from any Liability or obligation, including without limitation any Liability for Losses, arising out of or with respect to any and all such Purchaser Asserted Claims or the subject matter thereof. Each of the Purchaser Parties hereby, with effect only on the Release Effective Date, revoke the January 30th Letter, which shall have no force or effect from and after the Release Effective Date. Each of the Purchaser Parties represents and warrants, with respect to each Purchaser Asserted Claim and related right and remedy released hereby, that it has not in any manner assigned, pledged or otherwise voluntarily or involuntarily disposed of or transferred to any Person any interest in any such Purchaser Asserted Claim, right or remedy, and that all such Purchaser Asserted Claims, rights and remedies are fully and finally discharged, settled and satisfied, effective on the Release Effective Date. Notwithstanding any conflicting or inconsistent provisions hereof, (I) this release shall not extend to, impair or affect the rights and remedies of the Purchaser Parties to enforce this Second Amendment and to collect (and enforce its rights and remedies with respect to) any amount of the Contingent Purchase Price, interest thereon, the Seller’s Portion of Excess Net Proceeds and Late Payment Fee, if applicable, if and to the extent that the same becomes refundable or repayable as provided in this Agreement; and (II) if the Release Effective Date does not occur on or prior to the Closing Date, then this release and this Second Amendment shall be deemed null and void, *ab initio*, and shall have no force or effect.

d. The Purchaser Parties acknowledge and agree that (i) the Seller Parties and the Shareholder Representative do not acknowledge or admit any Liability or obligation whatsoever in connection with the release set forth in Section 9(c), above, nor with respect to any Purchaser Asserted Claims or matters referred to therein; and (ii) neither such release nor this Second Amendment shall create any evidence or support an inference that any of the Seller Parties or the Shareholder Representative acknowledges or admits any such Liability or obligation.

e. As of the date of this Second Amendment, each party (including the Shareholder Representative) believes that such party has certain contractual rights and remedies under the Purchase Agreement, the Ancillary Agreements and/or applicable law (including, without limitation, rights and remedies under Article XI and Article XII of the Purchase Agreement) based upon the alleged wrongful acts or omissions of the other parties prior to the date of this Second Amendment, including the Seller Asserted Claims and the Purchaser Asserted Claims (the “Rights and Remedies”). In consideration of the execution of this Second Amendment, each party (including the Shareholder Representative) agrees to forbear from exercising such party’s Rights and Remedies for the period from the date of this Second Amendment through the Closing Date (the “Forbearance Period”). Without limiting the foregoing, during the Forbearance Period, each party agrees not to exercise any Rights and Remedies or take any actions with respect to the Seller Asserted Claims or the Purchaser Asserted Claims.

10. Default Interest. If there is a breach or default by any of the Parties hereunder with respect a covenant or obligation to pay money to one of the other Parties hereto as set forth in the Purchase Agreement or this Second Amendment (a “monetary default”) and such monetary default is not cured within the cure period as provided herein, if applicable, then the defaulting Party shall pay to the non-defaulting Party (together with, and at the same time as the payment of the principal amount of money in default) default interest on the amount of the monetary default at the rate of interest set forth in Section 55.03(1), Florida Statutes, or any successor statute thereto, computed on the actual number of days elapsed (using a 360-day year) from the date of such monetary default until the amount of such monetary default is paid in full. This right shall be in addition to all other rights and remedies available to the non-defaulting Party, and this obligation shall be in addition to all other obligations of the defaulting Party as set forth herein, including without limitation, the requirement to satisfy the obligation that triggered such monetary default. All payments hereunder shall be applied first to accrued and unpaid interest and then to the principal amount of the defaulted obligation. The Parties agree that, notwithstanding the refund or repayment provisions of Section 1.03 of this Agreement, any default interest that becomes due and payable by a Party hereunder shall continue to be payable until such default interest is paid in full, and no Party shall have any obligation to refund or repay any such default interest that it receives hereunder by reason of the refund or repayment provisions of Section 1.03 of this Agreement.

11. Counterparts. This Second Amendment may be executed in any number of counterparts and by the different parties hereto on separate counterparts and by facsimile signatures, each of which when so executed and delivered shall be an original, but all of the counterparts shall together constitute one and the same instrument.
