The Notice of Annual Meeting and Proxy Statement is enclosed and describes the business to be transacted at the annual meeting and provides other information concerning Teekay. The principal business to be transacted at the annual meeting will be (1) the election of directors and (2) the ratification of the selection of Ernst & Young LLP, Chartered Accountants, as Teekay's independent auditors for the fiscal year ending December 31, 2008.

QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND THE ANNUAL MEETING

Q: Why am I receiving these materials?

A: The Board of Directors (or *Board*) of Teekay Corporation, a corporation organized in the Republic of the Marshall Islands (or *Teekay*), is providing these proxy materials for you in connection with Teekay's Annual Meeting of Shareholders, which will take place on June 3, 2008. As a shareholder, you are invited to attend the annual meeting and are entitled and requested to vote on the items of business described in this proxy statement.

Q: What information is contained in this proxy statement?

A: The information included in this proxy statement relates to the proposals to be voted on at the annual meeting, the voting process, the compensation of directors and Teekay's most highly-paid executive officers, and certain other information about Teekay.

Q: How may I obtain Teekay's annual report to shareholders?

A: A copy of our annual report to shareholders is enclosed.

Q: How may I obtain Teekay's Annual Report on Form 20-F filed with the SEC?

A: Our 2007 Annual Report on Form 20-F is included in our annual report to shareholders. Shareholders may also request a free copy of our 2007 Annual Report on Form 20-F from:

**Teekay Corporation
Suite 2000, Bentall 5
550 Burrard Street
Vancouver, BC V6C 2K2
Attention: Investor Relations**

**Telephone: (604) 844-6654
Email: investor.relations@teekay.com**

Teekay will also furnish any exhibit to the Form 20-F if specifically requested. Copies of the 2007 Annual Report on Form 20-F are also available under "SEC Filings" in the Investor Centre section of our website at www.teekay.com and at the SEC's EDGAR database on the SEC's website at www.sec.gov.

Q: What items of business will be voted on at the annual meeting?

A: The items of business scheduled to be voted on at the annual meeting are:

- The election of three directors to Teekay's Board for a term of three years, and
- The ratification of our independent auditors for the 2008 fiscal year.

We will also consider any other business that properly comes before the annual meeting.

Q: How does the Board recommend that I vote?

A: The Board recommends that you vote your shares "FOR" each of the nominees to the Board, and "FOR" the ratification of the independent auditors for the 2008 fiscal year.

Q: What shares can I vote?

A: Each share of Teekay common stock issued and outstanding as of the close of business on April 7, 2008, the *record date* for the annual meeting, is entitled to be voted on all items being voted upon at the annual meeting. The *record date* for the annual meeting is the date used to determine both the number of shares of Teekay's common stock that are entitled to be voted at the annual meeting and the identity of the *shareholders of record* and *beneficial owners* of those shares of common stock who are entitled to vote those shares at the annual meeting. On the *record date* for the annual meeting we had approximately 72,801,000 shares of common stock issued and outstanding.

You may vote all shares owned by you as of the *record date* for the annual meeting, including (1) shares held directly in your name as the *shareholder of record*, including shares purchased through Teekay's Dividend Reinvestment Plan, and (2) shares held for you as the *beneficial owner* through a broker, trustee or other nominee such as a bank.

Q: What is the difference between holding shares as a shareholder of record and as a beneficial owner?

A: Most Teekay shareholders hold their shares through a broker or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Shareholder of Record

If your shares are registered directly in your name with Teekay's transfer agent, BNY Mellon Shareowner Services, you are considered, with respect to those shares, the *shareholder of record*, and these proxy materials are being sent directly to you by Teekay. As the *shareholder of record*, you have the right to grant your voting proxy directly to Teekay or to vote in person at the meeting. Teekay has enclosed or sent a proxy card for you to use.

Beneficial Owner

If your shares are held in a brokerage account or by another nominee, you are considered the *beneficial owner* of shares held *in street name*, and these proxy materials are being forwarded to you together with a voting instruction card. As the beneficial owner, you have the right to direct your broker, trustee or nominee how to vote and are also invited to attend the annual meeting.

Since a beneficial owner is not the *shareholder of record*, you may not vote these shares in person at the meeting unless you obtain a "legal proxy" from the broker, trustee or nominee that holds your shares, giving you the right to vote the shares at the meeting. Your broker, trustee or nominee has enclosed or provided voting instructions for you to use in directing the broker, trustee or nominee how to vote your shares.

Q: How can I attend the annual meeting?

A: You are entitled to attend the annual meeting only if you were a Teekay shareholder as of the close of business on April 7, 2008 or you hold a valid proxy for the annual meeting. You should be prepared to present photo identification for admittance. In addition, if you are a shareholder of record, your name will be verified against the list of shareholders of record on the record date prior to your being admitted to the annual meeting. If you are not a shareholder of record but hold shares through a broker or nominee (*i.e.*, in street name), you should provide proof of beneficial ownership on the record date, such as your most recent account statement prior to the record date, a copy of the voting instruction card provided by your broker, trustee or nominee, or other similar evidence of ownership. If you do not provide photo identification or comply with the procedures outlined above upon request, you will not be admitted to the annual meeting. The meeting is scheduled to begin promptly at 9:00 a.m., London time.

Q: How can I vote my shares in person at the annual meeting?

A: Shares held in your name as the shareholder of record may be voted in person at the annual meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker, trustee or nominee that holds your shares giving you the right to vote the shares. *Even if you plan to attend the annual meeting, we recommend that you also submit your proxy or voting instructions as described below so that your vote will be counted if you later decide not to attend the meeting.*

Q: How can I vote my shares without attending the annual meeting?

A: Whether you hold shares directly as the shareholder of record or beneficially in street name, you may direct how your shares are voted without attending the meeting. If you are a shareholder of record, you may vote by submitting a proxy. If you hold shares beneficially in street name, you may vote by submitting voting instructions to your broker, trustee or nominee.

Shareholders of record of Teekay common stock may submit proxies by completing, signing and dating their proxy cards and mailing them in the enclosed envelopes. Teekay shareholders who hold shares beneficially in street name may vote by completing, signing and dating the voting instruction cards provided and mailing them in the enclosed envelopes, or otherwise as directed in the voting instruction card provided by your broker, trustee or nominee.

Q: Can I change my vote?

A: You may change your vote at any time prior to the vote at the annual meeting. If you are the shareholder of record, you may change your vote by granting a new proxy bearing a later date (which automatically revokes the earlier proxy), by providing a written notice of revocation to the Teekay Corporate Secretary by mail received prior to your shares being voted, or by attending the annual meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request. For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your broker, trustee or nominee, or, if you have obtained a legal proxy from your broker or nominee giving you the right to vote your shares, by attending the meeting and voting in person.

Q: Is my vote confidential?

A. Proxy instructions, ballots and voting tabulations that identify individual shareholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Teekay or to third parties, except (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote and (3) to facilitate a successful proxy solicitation. Occasionally shareholders provide written comments on their proxy card, which are then forwarded to Teekay's management.

Q: How many shares must be present or represented to conduct business at the annual meeting?

A: The general quorum requirement for holding the annual meeting and transacting business is that holders of a majority of shares of Teekay common stock entitled to vote must be present in person or represented by proxy. However, the number of shares required to be represented at the annual meeting to constitute a quorum is reduced from a majority to one-third of the shares entitled to vote on a specific matter if that matter is recommended by the *Continuing Directors* or, for purposes of voting on the election of directors, if all nominees are recommended by the *Continuing Directors*. *Continuing Directors* means the incumbent members of the Board of Directors that were members of the Board on May 31, 2006 and any persons who have been or are subsequently elected or appointed to the Board if such persons are recommended by a majority of the *Continuing Directors*. The *Continuing Directors* have recommended for election all the nominees for director set out in this proxy statement and the ratification of the selection of Ernst & Young LLP, Chartered Accountants, as Teekay's independent auditors for the 2008 fiscal year. Accordingly, the quorum for each of these matters will be one-third of the shares entitled to vote, present in person or represented by proxy. Both abstentions and broker non-votes are counted for the purpose of determining the presence of a quorum.

Q: How are votes counted?

A. In the election of directors, you may vote "FOR" all of the nominees or your vote may be "WITHHELD" with respect to one or more of the nominees. For the other item of business, you may vote "FOR," "AGAINST" or "ABSTAIN." If you "ABSTAIN," the abstention has the same effect as a vote "AGAINST."

If you provide specific instructions for a given item, your shares will be voted as you instruct on such item. If you sign your proxy card or voting instruction card without giving specific instructions, your shares will be voted in accordance with the recommendations of the Board (*i.e.*, "FOR" all of Teekay's nominees to the Board, "FOR" ratification of the independent auditors and in the discretion of the proxy holders on any other matters that properly come before the meeting).

If you hold shares beneficially in street name and do not provide your broker with voting instructions, your shares may constitute "broker non-votes." Generally, broker non-votes occur on a matter when a broker is not permitted to vote on that matter without instructions from the beneficial owner and instructions are not given. In tabulating the voting result for any particular proposal, shares that constitute broker non-votes are not considered entitled to vote on that proposal. Thus, broker non-votes will not affect the outcome of any matter being voted on at the meeting, assuming that a quorum is obtained.

Q: What is the voting requirement to approve each of the proposals?

A: In the election of directors, the three persons receiving the highest number of "FOR" votes at the annual meeting will be elected. The other proposals require the affirmative "FOR" vote of a majority of those shares present in person or represented by proxy and entitled to vote on that proposal at the annual meeting.

Q: Is cumulative voting permitted for the election of directors?

A: No. Teekay does not allow you to cumulate your vote in the election of directors. For all matters proposed for shareholder action at the annual meeting, each share of common stock outstanding as of the close of business on the record date is entitled to one vote.

Q: What happens if additional matters are presented at the annual meeting?

A. Other than the two items of business described in this proxy statement, we are not aware of any business to be acted upon at the annual meeting. If you grant a proxy, the persons named as proxyholders, Bjorn Moller, Peter Evensen and Arthur J. Bensler, will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting. If for any unforeseen reason any of our nominees are not available as a candidate for director, the persons named as proxyholders will vote your proxy for such candidate or candidates as may be nominated by the Board, unless the Board chooses to reduce the number of directors serving on the Board.

Q: What should I do if I receive more than one set of voting materials?

A: You may receive more than one set of voting materials, including multiple copies of this proxy statement and multiple proxy or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a shareholder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please complete, sign, date and return each proxy card and voting instruction card that you receive.

Q: How may I obtain a separate set of voting materials?

A: If you share an address with another shareholder, you may receive only one set of proxy materials (including our annual report to shareholders, our 2007 Annual Report on Form 20-F and this proxy statement) unless you have provided contrary instructions. If you wish to receive a separate set of proxy materials now or in the future, you may contact us to request a separate copy of these materials at:

**Teekay Corporation
Suite 2000, Bentall 5
550 Burrard Street
Vancouver, BC V6C 2K2
Attention: Investor Relations**

**Telephone: (604) 844-6654
Email: investor.relations@teekay.com**

Similarly, if you share an address with another shareholder and have received multiple copies of our proxy materials, you may contact us as indicated above to request delivery of a single copy of these materials.

Q: Who will bear the cost of soliciting votes for the annual meeting?

A: Teekay is making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. Upon request, we will reimburse brokerage houses and other custodians, nominees and fiduciaries for forwarding proxy and solicitation materials to shareholders.

Q: Where can I find the voting results of the annual meeting?

A: We intend to announce preliminary voting results at the annual meeting and publish final results in our report on Form 6-K for the second quarter of fiscal 2008.

Q: What is the deadline to propose actions for consideration at next year's annual meeting of shareholders or to nominate individuals to serve as directors?

A: You may submit proposals, including director nominations, for consideration at future shareholder meetings as indicated below.

Shareholder Proposals

For a shareholder proposal to be considered for inclusion in Teekay's proxy statement for the annual meeting next year, the written proposal must be received by Teekay's Corporate Secretary at the address set forth below no later than December 31, 2008. If the date of next year's annual meeting is moved more than 30 days before or after the anniversary date of this year's annual meeting, the deadline for inclusion of proposals in Teekay's proxy statement will be instead a reasonable time before Teekay begins to print and mail its proxy materials. Such proposals also will need to comply with Teekay's bylaws provisions regarding business to be brought before a shareholder meeting. Proposals should be sent by mail or facsimile addressed to:

**Corporate Secretary
Teekay Corporation
Suite 2000, Bentall 5
550 Burrard Street
Vancouver, BC V6C 2K2**

Facsimile: (604) 609-6447

For a shareholder proposal that is not intended to be included in Teekay's proxy statement as described above, the shareholder must deliver a proxy statement and form of proxy to holders of a sufficient number of shares of Teekay common stock to approve that proposal, provide the information required by Teekay's bylaws and give timely notice to Teekay's Corporate Secretary in accordance with the bylaws, which, in general, require that the notice be received by the Corporate Secretary not less than 60 days or more than 90 days prior to the meeting date.

Nomination of Director Candidates

You may propose director candidates for consideration by the Board's Nominating and Governance Committee. Any such recommendation should include the nominee's name and qualifications for Board membership and should be directed to Teekay's Corporate Secretary at the address set forth above. In addition, Teekay's bylaws permit shareholders to nominate directors for election at an annual shareholder meeting. To nominate a director, the shareholder must deliver a proxy statement and form of proxy to holders of a sufficient number of shares of Teekay common stock to elect such nominee and provide the information required by Teekay's bylaws, as well as a statement by the nominee acknowledging that he or she will owe a fiduciary obligation to Teekay and its shareholders. In addition, the shareholder must give timely notice to Teekay's Corporate Secretary in accordance with the bylaws, which, in general, require that the notice be received by the Corporate Secretary within the time period described above under "Shareholder Proposals."

Copy of Bylaws Provisions

You may contact Teekay's Corporate Secretary at the address set forth above for a copy of the relevant bylaws provisions regarding the requirements for making shareholder proposals and nominating director candidates. Teekay's bylaws are also available under "Corporate Governance" in the Investor Centre section of Teekay's website at www.teekay.com.

Q: How may I communicate with Teekay's Board or the non-management directors on Teekay's Board?

A: You may submit any communication intended for Teekay's Board or the non-management directors by directing the communication by mail or fax addressed as follows:

**Teekay Corporation
Suite No. 1778, Par-la-Ville Road
Hamilton, HM 11 Bermuda
Attention: Chairman**

CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS

Teekay is committed to sound corporate governance principles. These principles contribute to Teekay's business success and are essential to maintaining Teekay's integrity in the marketplace. Teekay's Corporate Governance Guidelines and Standards of Business Conduct are available under "Corporate Governance" in the Investor Centre section of its website at www.teekay.com.

Board Independence

The Board has determined that each of our directors, other than Bjorn Moller, our President and Chief Executive Officer, has no material relationship with Teekay (either directly or as a partner, shareholder or officer of an organization that has a relationship with Teekay) and is *independent* within the meaning of Teekay's director independence standards, which reflect the New York Stock Exchange (or *NYSE*) director independence standards, as currently in effect. In making this determination, the Board considered the relationships of Thomas Kuo-Yuen Hsu and Axel Karlshoej with our largest shareholder and concluded these relationships do not materially affect their independence as directors. Please read "Certain Relationships and Related Transactions" for additional information. Each of the current directors standing for re-election at the annual meeting is an independent director.

The Board has determined that each member of each of Teekay's Board committees has no material relationship with Teekay (either directly or as a partner, shareholder or officer of an organization that has a relationship with Teekay) and is *independent* within the meaning of Teekay's director independence standards. In addition, the Board has determined that each member of the Audit Committee also satisfies Teekay's Audit Committee member independence standards, which reflect applicable NYSE and SEC audit committee member independence standards.

Board Structure and Committee Composition

As of the date of this proxy statement, the Board has nine directors and the following three committees: (1) Audit, (2) Compensation and Human Resources, and (3) Nominating and Governance. The function of each of the committees is described later in this section. Each of the committees operates under a written charter adopted by the Board. All of the committee charters are available under "Corporate Governance" in the Investor Centre section of Teekay's website at www.teekay.com. During fiscal 2007, the Board held 9 meetings. Each director attended all Board meetings, except for two Board meetings at which one director was absent. Each director attended all applicable committee meetings. The membership of each of the committees for fiscal 2007, and as of the date of this proxy statement, and the number of meetings of each committee held in fiscal 2007 are as follows:

Audit Committee

Teekay's Audit Committee is composed entirely of directors who satisfy applicable NYSE and SEC audit committee independence standards. All members of the committee are financially literate and the Board has determined that Eileen A. Mercier qualifies as an audit committee financial expert.

The Audit Committee assists the Board in fulfilling its responsibilities for general oversight of:

- the integrity of Teekay's financial statements;
- Teekay's compliance with legal and regulatory requirements;
- the independent auditors' qualifications and independence; and
- the performance of Teekay's internal audit function and independent auditors.

Specific duties of the Audit Committee include, among others: preparing an Audit Committee report for inclusion in the annual proxy statement; annually reviewing the Audit Committee charter and the Committee's performance; appointing, evaluating and compensating Teekay's independent auditors; pre-approving the retention of the independent auditors for audit and permitted non-audit services; reviewing Teekay's financial statements; reviewing Teekay's internal controls, internal audit function and corporate policies with respect to financial information; overseeing the establishment of procedures for handling complaints concerning financial, accounting, internal accounting controls and auditing matters; periodically reviewing and monitoring compliance with and the effectiveness of Teekay's Standards of Business Conduct; and periodically reviewing risks that may have a significant impact on Teekay's financial statements. The Audit Committee works closely with Teekay's management, internal auditors and independent auditors. The Audit Committee has the authority to obtain advice and assistance from, and receive appropriate funding from Teekay for, outside legal, accounting and other advisors as the Audit Committee deems necessary to fulfill its duties.

The report of the Audit Committee is included on page 24 of this proxy statement. The Committee's charter is available under "Corporate Governance" in the Investor Centre section of Teekay's website at www.teekay.com.

Compensation and Human Resources Committee

Teekay's executive compensation program is administered by the Compensation and Human Resources Committee of the Board of Directors (or the *Compensation Committee*). The Compensation Committee is composed entirely of non-employee directors who are independent, as determined by the Board, within the meaning of applicable NYSE standards.

The Compensation Committee:

- reviews and approves corporate goals and objectives relevant to the Chief Executive Officer's compensation, evaluates the Chief Executive Officer's performance in light of these goals and objectives and determines the Chief Executive's compensation;
- reviews and approves the evaluation process and compensation structure for executives, other than the Chief Executive Officer, evaluates their performance and sets their compensation based on this evaluation;
- reviews and makes recommendations to the Board regarding compensation for directors;
- establishes and administers long-term incentive compensation and equity-based plans; and
- oversees Teekay's other compensation plans, policies and programs.

Specific duties of the Compensation Committee include, among others: developing an executive compensation philosophy and annually reviewing executive compensation programs and practices; approving special employment, severance, change-in-control and retirement agreements or arrangements for executive officers; monitoring director and executive stock ownership; and annually evaluating the Compensation Committee's performance and its charter. The Compensation Committee has the authority to retain compensation consultants and experts in fulfilling its duties and to compensate these advisors.

The Compensation Committee's charter is available under "Corporate Governance" in the Investor Centre section of Teekay's website at www.teekay.com.

The Compensation Committee met four times during fiscal 2007. The Compensation Committee has retained the services of an external executive compensation consultant, Hewitt Associates. The consultant assists the Compensation Committee in its review of executive compensation, including assessing the competitiveness of pay levels, executive compensation design issues, market trends, and technical considerations. The nature and scope of services rendered by Hewitt Associates on the Compensation Committee's behalf is described below:

- Providing competitive market pay analyses and market trend information relevant to executive and Board compensation;
- Advising as to recent relevant regulatory, technical, and accounting considerations impacting executive compensation and executive benefit programs;
- Assisting with the design or redesign of any executive compensation or executive benefit programs, if requested; and
- Preparing for and attending selected management and Compensation Committee meetings.

The Compensation Committee did not direct Hewitt Associates to perform the above services in any particular manner or under any particular method. The Compensation Committee has the final authority to hire and terminate the consultant, and the Compensation Committee evaluates the consultant periodically. The Compensation Committee approves all invoices for executive compensation work performed by the consultant. The consultant may perform other services for Teekay.

Compensation Report on Executive Compensation

The Compensation Committee has furnished the following report on executive compensation for fiscal 2007.

Executive Compensation Philosophy. Employees are the key to Teekay's success. The goals of Teekay's compensation programs are to:

- balance Teekay's need to attract and retain key talent as it becomes an increasingly visible, global corporation against the need for compensation that is weighted towards pay for performance;
- support the achievement of Teekay's business strategies and the enhancement of shareholder value; and
- encourage Teekay's executives to work together as "One Teekay" over the longer-term and to accept direct responsibility for their individual business goals.

Executive Compensation Program and Practices. There are five main program elements:

- Base salary, which acknowledges the market value of the particular executive role, internal pay equity, and each individual executive's ability to sustain performance;
- Annual incentive, which communicates critical corporate success factors, links all executives to the results of Teekay, reflects individual performance for the year, and motivates executives to achieve higher levels of success with an 'uncapped' formula;
- Pensions, benefits, and perquisites, which are provided at competitive levels to attract and retain key talent;
- Long-term Incentive Plan, which focuses on the returns realized by the shareholders, acknowledges and assists in retaining those executives who can influence the long-term performance of Teekay by rewarding them for delivering corporate results. The Long-Term Incentive Plan provides a balance against short-term decisions and encourages a longer time horizon for decisions; and
- Vision Incentive Plan (or *VIP*), which rewards exceptional corporate performance and shareholder return in the successful transformation of Teekay (to be assessed until the end of 2010); the *VIP* is a discrete plan that expires after 2010 and is not a permanent element of Teekay's Executive Compensation Program.

The pay-for-performance elements of Teekay's Executive Compensation Program (excluding the VIP) are expected to be greater than 50% of total compensation, and longer-term incentive compensation should provide greater opportunity for reward than annual cash compensation at target.

The Compensation Committee believes that there is not a strong comparator group for Teekay due to its unique business mix of spot revenues and longer-term fixed rate contract revenues. Therefore, total executive compensation is targeted against a comparator group that has been categorized into.

- publicly-traded U.S. oil and gas corporations with revenues of \$0.1 billion to \$22 billion; and
- publicly-traded Canadian oil and gas corporations with revenues of \$3 billion to \$19 billion.

As some of these comparator corporations have greater revenues than Teekay, regression analysis is used on a limited basis for the U.S. market data to create size-adjusted compensation levels comparable to Teekay. Compensation targets are set up to the median total compensation of each comparator group. The decision to target up to the median, as opposed to at the median or higher, provides room for increasing Teekay's executive compensation as Teekay grows. In addition, a group of U.S. marine transportation companies is used as a secondary reference as these companies are considered competitors for talent, especially at the executive level.

Executive Compensation for 2007

Base Salary. Base salary is targeted up to the median of the comparator group and is determined by individual performance.

Annual Incentive Plan. Teekay's annual short term incentive program for executives is linked to both company performance and individual performance. In 2007, two-thirds of the annual incentive award was based on Teekay's corporate performance and one-third was based on each executive's individual performance.

Teekay's corporate performance was measured using the following financial measures:

- return on invested capital for its spot tanker segment relative to its spot tanker peer group;
- return on invested capital for each of its segments relative to their weighted-average cost of capital; and
- total shareholder return relative to Teekay's peer group.

In 2007, Teekay's spot tanker segment generated a return on invested capital that was comparable to the companies in its spot tanker peer group. All but one of Teekay's segments generated returns in excess of their weighted-average cost of capital, thereby generating economic value for Teekay's shareholders. Teekay's total shareholder return for 2007 was comparable to its peer group. Overall, 2007 was a solid financial year for Teekay.

Long-term Incentive Programs. For 2007, Teekay's executive officers received stock option grants under Teekay's 2003 Equity Incentive Plan. Each stock option grant allows the executive officer to acquire shares of Teekay's common stock, subject to the completion of a three-year vesting period and continued employment with Teekay. These options entitle the executive officer to acquire shares at a fixed price per share (i.e., the fair market value on the grant date) and have a ten-year term. From time to time, Teekay also grants shares of restricted stock or restricted stock units to reward exceptional performance and encourage retention.

In 2005, Teekay adopted the VIP to reward exceptional corporate performance and shareholder returns and to reward a shift away from cycle-dependent results. This plan will result in an award pool for senior management based on two measures: (a) economic profit from 2005 to 2010; and (b) the increase in market value added (*MVA*) from 2001 to 2010. The VIP terminates on December 31, 2010. From 2005 to 2010, annual economic profit contributions will be made to the award pool based upon the degree to which Teekay's annual return on invested capital exceeds its weighted-average cost of capital. Each contribution may be positive or negative. At the end of 2010, a *MVA* contribution will be made to the VIP award pool if two threshold requirements are met: (a) shares of Teekay's common stock must have a market value for the 18 months prior to December 31, 2010, equal to at least 120% of Teekay's book value per share; and (b) Teekay's total shareholder return (or *TSR*) for the period from the beginning of 2001 to the end of 2010 must be above the 25th percentile relative to the *TSR* of the S&P 500 (as calculated in accordance with U.S. securities regulations) during the same period. If both of the threshold requirements are met, then a *MVA* contribution will be made to the award pool. The amount of this *MVA* contribution will range from a low of 1.5% of Teekay's increase in *MVA*, for *TSR* performance between the 25th and 50th percentiles relative to the S&P 500, to a maximum of 6% of Teekay's increase in *MVA*, for *TSR* performance above the 90th percentile relative to the S&P 500; the increase in Teekay's *MVA* being calculated for the period

from the beginning of 2001 to the end of 2010. Individual awards relating to increases in MVA are capped at ten times the individual's annual base salary and target annual incentive award. The Board retains ultimate authority to amend, suspend, or terminate the VIP as the Board deems necessary if the operation of the Plan will result in a reward pool that is disproportionate to the benefit received by the shareholders of the Company as a result of unintended or unexpected circumstances.

In March 2008, the Board authorized an interim distribution to participants from the economic profit contributions accumulated in the preceding three years. This interim distribution is in the form of restricted stock units and vests evenly over the next three years. In 2011, the remaining balance of the VIP award pool will be distributed to the participants. At least fifty percent of any distribution from the award pool must be paid in a form that is equity-based and with a vesting schedule of at least two years following any distribution.

Executive Share Ownership Guidelines. In 2005 we implemented share ownership guidelines for the executives of Teekay. The guidelines are for common share holdings with an aggregate value of three times base salary for the Chief Executive Officer, two times base salary for Presidents and Executive Vice Presidents, and one times base salary for Senior Vice Presidents. The guidelines should be achieved by March 2010 or, for executives subsequently joining Teekay or achieving a position covered by the guidelines, within five years after the guidelines become applicable to them.

Nominating and Governance Committee

The Nominating and Governance Committee:

- identifies individuals qualified to become Board members;
- selects and recommends to the Board director and committee member candidates;
- develops and recommends to the Board corporate governance principles and policies applicable to Teekay, monitors compliance with these principles and policies and recommends to the Board appropriate changes; and
- oversees the evaluation of the Board and its committees.

Specific duties of the Nominating and Governance Committee include, among others: annually assessing the size and composition of the Board; periodically reviewing director qualification criteria; annually reviewing and, as appropriate, recommending directors for continued service; overseeing the Board's committee structure; recommending Board committee assignments; monitoring compliance with Board and Board committee membership criteria; developing procedures for selecting the Chair of the Board; determining the method of communication between employees, shareholders and other interested parties and non-management directors; and annually evaluating the Committee's performance and its charter. The Committee has the authority to obtain assistance from outside advisors in fulfilling its duties and to compensate these advisors. A member of the Nominating and Governance Committee receives communications directed to non-management directors.

The Committee's charter is available under "Corporate Governance" in the Investor Centre section of Teekay's website at www.teekay.com.

Consideration of Director Nominees

Shareholder Nominees

The policy of the Nominating and Governance Committee is to consider properly submitted shareholder nominations for Board of Directors candidates as described below under "Identifying and Evaluating Nominees for Directors." In evaluating these nominations, the Committee considers the balance of knowledge, experience and capability on the Board and the membership guidelines set forth below under "Director Qualifications." Any shareholder nominations proposed for consideration by the Committee should include the nominee's name and qualifications for Board membership and should be mailed, addressed to:

**Corporate Secretary
Teekay Corporation
Suite 2000, Bentall 5
550 Burrard Street
Vancouver, BC V6C 2K2**

In addition, Teekay's bylaws permit shareholders to nominate directors for consideration at an annual shareholder meeting. For a description of the process for nominating directors in accordance with Teekay's bylaws, see "*Questions and Answers about the Proxy Materials and the Annual Meeting — What is the deadline to propose actions for consideration at next year's annual meeting of shareholders or to nominate individuals to serve as directors?*" on page 6.

Director Qualifications

Teekay's Corporate Governance Guidelines include Board membership guidelines that the Nominating and Governance Committee should consider in reviewing and in recommending to the Board director nominees. Under these guidelines, members of the Board should have high standards of personal and professional ethics, integrity and values. Among other things, the Nominating and Governance Committee should consider the nominee's training, experience and ability in making and overseeing policy in business, government or education sectors; willingness and availability to carry out his or her duties effectively; commitment to act in the best interests of Teekay and its stakeholders and to assess objectively Board, committee and management performance. In evaluating director nominees, the Nominating and Governance Committee also assesses an individual's qualifications, skills, experience, background and knowledge in light of the overall composition of the existing Board. Teekay's Corporate Governance Guidelines, which include a more detailed discussion of desired director qualifications, are available under "Corporate Governance" in the Investor Centre section of its website at www.teekay.com.

Identifying and Evaluating Nominees for Directors

The Nominating and Governance Committee uses a variety of methods for identifying and evaluating director nominees for recommendation to the Board for approval. The Nominating and Governance Committee regularly assesses the appropriate size of the Board, and whether any vacancies on the Board are expected due to retirement or otherwise. In the event that vacancies are anticipated or otherwise arise, the Nominating and Governance Committee considers potential director candidates. Candidates may come to the attention of the Nominating and Governance Committee through current Board members, professional search firms, shareholders or others. These candidates are evaluated at regular or special meetings of the Nominating and Governance Committee, and may be considered at any time during the year. As described above, the Nominating and Governance Committee considers properly submitted shareholder nominations for candidates for the Board. Following verification of the shareholder status of persons proposing candidates, any recommendations are aggregated and considered by the Nominating and Governance Committee. If any materials are provided by a shareholder in connection with the nomination of a director candidate, these materials are forwarded to the Nominating and Governance Committee. The Nominating and Governance Committee also reviews materials provided by professional search firms or other parties in connection with a nominee who is not proposed by a shareholder. In evaluating these nominations, the Nominating and Governance Committee seeks to achieve a balance of knowledge, experience and capability on the Board.

Executive Sessions

Teekay's non-management directors hold at least four executive sessions each year at which the non-management directors meet without management directors or other executives present. The sessions are scheduled and chaired by the Chair of the Board. Any non-management director can request that additional executive sessions be scheduled.

Individuals may communicate with the Board by writing to Teekay's Board by mail or fax addressed to:

PROPOSALS TO BE VOTED ON

PROPOSAL NO. 1 ELECTION OF DIRECTORS

Teekay's Board of Directors currently consists of nine directors divided into three classes: Class I, Class II and Class III. The number of directors in each class is required to be as nearly equal as possible. At the 2008 annual meeting, three Class III directors will be elected to serve for three-year terms until the 2011 annual meeting and until their successors are elected. The remaining six directors are divided into two classes of three Class I directors and three Class II directors, whose terms expire in 2009 and 2010, respectively. Votes may not be cast for a greater number of director nominees than three.

Information regarding the business experience of each nominee is provided below. There are no family relationships among Teekay's executive officers and directors.

If you sign your proxy or voting instruction card but do not give instructions for the voting of directors, your shares will be voted "FOR" the three persons recommended by the Board. If you wish to give specific instructions for the voting of directors, you may do so by indicating your instructions on your proxy or voting instruction card.

The three persons receiving the highest number of "FOR" votes represented by shares of Teekay common stock, present in person or represented by proxy and entitled to be voted at the annual meeting will be elected.

The Board expects that all of the nominees will be available to serve as directors. If for any unforeseen reason any of the Board's nominees is not available as a candidate for director, the proxyholders, Bjorn Moller, Peter Evensen and Arthur J. Bensler, will vote your proxy for such other candidate or candidates as may be nominated by the Board, unless the Board chooses to reduce the number of directors serving on the Board.
