For Immediate Release:

**FELCOR CLOSSES \$161 MILLION OF 4.95% MORTGAGE LOANS  
AND REPAYS \$167 MILLION OF DEBT**

*Continues balance sheet restructuring  
Reduces interest expense and extend maturities  
Increases number of unencumbered properties*

**IRVING, Texas, October 1, 2012** - FelCor Lodging Trust Incorporated (NYSE: FCH) today announced that it closed five single asset-mortgage loans totaling \$160.8 million. The 10-year loans mature in 2022, bear an average fixed interest rate of 4.95% and are not cross-collateralized. The mortgage loans are secured by the Embassy Suites Hotels located in Birmingham, Napa Valley, Deerfield Beach, Ft. Lauderdale and Minneapolis.

A portion of the proceeds from the new loans were used to repay the 9.02% mortgage loan, which had an outstanding balance of \$107 million and would otherwise mature in 2014. The repaid loan was secured by a pool of seven hotels, including four of the five hotels mortgaged to support the new loans. The remaining three hotels that secured the repaid loan (two of which are non-strategic) are now unencumbered.

FelCor also repaid the remaining \$60 million balance of a CMBS loan using excess proceeds from the new loan and recent asset sales. This repaid loan, which would otherwise mature in 2013, was secured by five properties, of which one property now secures the new loan and four are now unencumbered. FelCor has no debt maturing through June 2014.

"These transactions illustrate our successful progress toward completely restructuring our balance sheet, including reducing our average interest rate and extending and staggering our debt maturity profile. The average interest rate on the new loans is more than 400 basis points lower than the repaid 9.02% loan, and we were able to unencumber seven hotels," said Andrew J. Welch, Executive Vice President and Chief Financial Officer."
