The Securities and Exchange Commission (Commission) issued an Order Instituting Proceedings (OIP) on November 4, 2010. The OIP alleges that the eight Respondents have securities registered pursuant to Section 12(g) of the Securities Exchange Act of 1934 (Exchange Act) and have violated Section 13(a) of the Exchange Act and Exchange Act Rules 13a-1 and 13a-13 or 13a-16. All Respondents were served with the OIP.

Respondents are in Default because they did not file an Answer, participate in the telephonic prehearing conference on November 30, 2010, or otherwise defend the proceeding. I find the allegations in the OIP to be true. See 17 C.F.R. §§ 201.155(a), .220(f), .221(f).

Section 13(a) of the Exchange Act and the rules promulgated thereunder require issuers of securities registered pursuant to Section 12 of the Exchange Act to file with the Commission current and accurate information in periodic reports, even if the registration is voluntary under Section 12(g). Exchange Act Rules 13a-1 and 13a-13, respectively, require issuers to file annual reports and domestic issuers to file quarterly reports. Rule 13a-16 requires foreign private issuers to furnish quarterly and other reports to the Commission on Form 6-K if they make or are required to make the information public under the laws of the jurisdiction of their domicile or in which they are incorporated or organized; if they file or are required to file information with a stock exchange on which their securities are traded and the information was made public by the exchange; or if they distribute or are required to distribute information to their security holders.

Based on the facts and law set forth above, Respondents failed to comply with Section 13(a) of the Exchange Act and Exchange Act Rules 13a-1 and 13a-13 or 13a-16.

Section 12(j) of the Exchange Act authorizes the Commission, where it is necessary or appropriate for the protection of investors, to revoke the registration of a security where the issuer of a security has failed to comply with a provision of the Exchange Act or the rules thereunder. I conclude on these facts that revocation of the registration of each class of the registered securities of Animatrix, Apex Resorts, Apollo Capital, Artibles, Asche Transportation, Asia SuperNet, Assembly, and Azul is both necessary and appropriate for the protection of investors.
