FORWARD-LOOKING STATEMENTS:

Certain statements in this filing contain "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995 with respect to our financial condition, results of operation and business. These statements relate to analyses and other information, which are based on forecasts of future results and estimates of amounts not yet determinable. These statements also relate to our future prospects, developments and business strategies. These forward-looking statements are identified by their use of terms and phrases such as "anticipate," "believe," "could," "estimate," "expect," "intend," "may," "plan," "predict," "project," "will" and similar terms and phrases, including references to assumptions. These forward-looking statements involve risks and uncertainties, including current trend information, projections for deliveries, backlog and other trend estimates that may cause our actual future activities and results of operations to be materially different from those suggested or described in this financial discussion and analysis by management. These risks include: our ability to finance and successfully operate our retail businesses; our ability to accurately predict demand for our products; our ability to receive timely deliveries from vendors; our ability to raise cash to meet seasonal demands; our dependence on the retail and aerospace industries; our ability to maintain customer satisfaction and deliver products of quality; our ability to properly assess our competition; our ability to improve our operations to profitability status; our ability to liquidate non-core assets to meet cash needs; our ability to attract and retain highly qualified executive management; our ability to achieve and execute internal business plans; weather conditions in Europe during peak business season and on weekends; labor disputes; competition; foreign currency fluctuations; worldwide political instability and economic growth; military conflicts, including terrorist activities; infectious diseases; new legislation which may cause us to be required to fund our pension plan earlier than we had expected; and the impact of any economic downturns and inflation.

If one or more of these and other risks or uncertainties materialize, or if underlying assumptions prove incorrect, our actual results may vary materially from those expected, estimated or projected. Given these uncertainties, users of the information included in this report, including investors and prospective investors, are cautioned not to place undue reliance on such forward-looking statements. We do not intend to update the forward-looking statements included in this filing, even if new information, future events or other circumstances have made them incorrect or misleading.

ITEM 2.01. COMPLETION OF ACQUISITION OR DISPOSITION OF ASSETS

On July 6, 2006, Republic Thunderbolt, LLC (an indirect, wholly-owned subsidiary of The Fairchild Corporation), completed the sale of Airport Plaza. The purchaser was Airport Plaza, LLC, an affiliate of Kimco Realty Corporation. Airport Plaza is a shopping center located in Farmingdale, NY. We received net proceeds of approximately \$40.7 million from the sale. As a condition to closing, the buyer assumed our existing mortgage loan on Airport Plaza that had an outstanding principal balance of approximately \$53.5 million on the closing date. As a result of post-closing adjustments, Republic Thunderbolt, LLC expects to receive an additional amount of approximately \$0.3 million. We decided to sell the shopping center to enhance our financial flexibility, allowing us to invest in existing operations or pursue other opportunities, including opportunities to take our company private, or "going dark". The purchase agreement for the sale of Airport Plaza was previously reported on Form 8-K filed on December 22, 2005.

ITEM 9.01 FINANCIAL STATEMENTS AND EXHIBITS

(b) PRO FORMA FINANCIAL INFORMATION

THE FAIRCHILD CORPORATION UNAUDITED PRO FORMA CONSOLIDATED FINANCIAL STATEMENTS

The following unaudited pro forma consolidated financial statements give effect to the disposition of our Farmingdale, New York, shopping center, Airport Plaza, to Airport Plaza, LLC, an affiliate of Kimco Realty Corporation, for a total price of approximately \$95.1 million. The purchaser has assumed our existing mortgage loan of approximately \$53.5 million. After transaction costs and other adjustments, we received net proceeds from the sale of approximately \$40.7 million. We expect to receive an additional amount of approximately \$0.3 million from post-closing adjustments. The unaudited pro forma consolidated statement of operations for the year ended September 30, 2005 gives effect to the disposition of the shopping center as if it had occurred on October 1, 2004. The unaudited pro forma consolidated balance sheet as of March 31, 2006 gives effect to the disposition of the shopping center as if it occurred on March 31, 2006. The unaudited consolidated statement of operations for the three and six months ended March 31, 2006, as previously filed in our Quarterly Report on Form 10-Q dated March 31, 2006, reflected the results of Airport Plaza as a discontinued operation and are not included in this report.

The pro forma adjustments are based on preliminary estimates of currently available information and assumptions that we believe are reasonable. The unaudited pro forma consolidated financial statements are presented for informational purposes only and are not intended to be indicative of either future results of our operations or results that might have been achieved if the transaction occurred on the dates specified.

The unaudited pro forma consolidated financial statements should be read in conjunction with our historical consolidated financial statements and the related notes included in our Quarterly Report on Form 10-Q for the period ended March 31, 2006 and our Annual Report on Form 10-K for the year ended September 30, 2005 incorporated by reference herein.

We expect to recognize a gain from this transaction. However, because of uncertain costs to cure environmental matters for which we retained responsibility, the gain may be delayed. Based upon these pro forma statements, and as if the disposition of the shopping center had occurred on March 31, 2006, we would have recorded a deferred gain of approximately \$12.8 million gain from the sale of our shopping center.
