ITEM 12. Results of Operation and Financial Condition.

On July 16, 2003, the Registrant issued a press release announcing its financial results for the first quarter of the fiscal year ending March 31, 2004. The press release is attached hereto as Exhibit 99.1.

The press release presents the Company's EBITDA (earnings before interest, taxes, depreciation and amortization), which is a non-GAAP measure. Management believes that providing this additional information is useful to investors, as it provides direct information regarding the Company's ability to meet debt service requirements and so that investors may better assess and understand the Company's underlying operating performance. The Registrant does not intend for the non-GAAP measures to be considered in isolation or as a substitute for the included GAAP measures. A reconciliation of EBITDA to income (loss) from continuing operations is set forth following the balance sheet information contained in the press release.

The information in this Report, including the Exhibit attached hereto, is furnished solely pursuant to Item 12 of this Form 8-K. Consequently, it is not deemed "filed" for the purposes of Section 18 of the Securities Exchange Act of 1934.
